Re: Mileage Reimbursement Rate for 2016

The IRS Standard Mileage Rate for 2016 is \$0.54 per mile, a decrease of \$0.035 under the 2015 business rate. The IRS Standard Mileage Rate will be the mileage reimbursement rate for all bargaining units effective January 1, 2016.

Please feel free to contact the Auditor-Controller Department should you have any questions.

Sincerely,

Nathan Black
