

# Creating a Healthier Sutter Collaborative

# Creating a Healthier Sutter Collaborative

*“To improve the health of Sutter County residents through policy, systems & environmental changes.”*

## Purpose

- ❑ Identify and understand how the social, environmental & economical factors are associated with health & health equity
- ❑ Understand how each agency/coalition plays a role in preventing and addressing local health disparities
- ❑ Provide support, resources and opportunities to for mutually reinforcing activities for all collaborative agency/coalitions involved
- ❑ Educate local leaders and policy makers and support collaborative advocacy work

## Who is involved ?
