

How the Commission is Funded

In November 1998, California voters passed Proposition 10, the Children & Families Act, which placed a 50 cent per pack tax on cigarettes and other tobacco products purchased in the State.

County Commissions throughout the State receive 80% of the funds generated by Prop. 10. The Sutter County Children & Families Commission is awarded approximately \$900,000 annually, based on how many babies are born to Sutter County families.
