SECTION 23.0

DISCRIMINATORY WORKPLACE HARASSMENT POLICY

23.1 Policy Statement

It is the policy of the County of Sutter that employees have a working environment free of unlawful and improper discriminatory harassment. The work environment should be businesslike and assure fair, courteous treatment for employees and the public we serve. All employees should treat each other with dignity and respect. It is the responsibility of every employee, supervisor and manager to make sure there is no discriminatorily harassing behavior in the work place. Discriminatory harassment may constitute illegal discrimination and may violate both state and federal law. This policy is intended to address such conduct.

All employees should be informed of the discrimination complaint process and be assured of their right to file complaints without fear of reprisal. All employees, including supervisors and managers should be trained regarding behavior that constitutes discriminatory harassment. Employees should also understand the importance of reporting incidents promptly to assure that further incidents do not occur.

The Board of Supervisors expects County department heads to convey to their employees strong disapproval of discriminatory harassment. All employees including supervisors and managers should be informed, clearly, regarding behavior that constitutes discriminatory harassment and the consequences of such actions. They should be aware that discriminatory harassment of another employee may be grounds for disciplinary action up to and including termination.

Definition of Discriminatory Harassment

1. Verbal Harassment – Epithets, derogatory comments, slurs, propositioning, or otherwise offensive words or comments on the basis of race, religious creed, color, national origin, ancestry, mental or physical disability (including AIDS or HIV), medical condition, marital status, sex, age, sexual orientation, gender identity, gender expression, military or veteran status, pregnancy, or childbirth and related medical conditions whether made in general, directed to an individual, or to a group of people regardless of whether the behavior was intended to harass. This includes but is not limited to inappropriate sexually orientated comments on appearance, including dress or physical features, sexual rumors, and race oriented stories.
2. Physical Harassment – Assault, impeding or blocking movement, leering, or the physical interference with normal work, privacy or movement when directed at an individual on the basis of race, religious creed, color, national origin, ancestry, mental or physical disability (including AIDS or HIV), medical condition, marital

status, sex, age, sexual orientation, gender identity, gender expression, military or veteran status, pregnancy, or childbirth and related medical conditions. This includes pinching, patting, grabbing, or making explicit or implied threats or promises in return for submission to physical acts.

3. Visual Forms of Harassment – Derogatory, prejudicial, stereotypical or otherwise offensive posters, photographs, cartoons, notes, bulletins, drawings or pictures on the basis of race, religious creed, color, national origin, ancestry, mental or physical disability (including AIDS or HIV), medical condition, marital status, sex, age, sexual orientation, gender identity, gender expression, military or veteran status, pregnancy, or childbirth and related medical conditions. This applies to both posted material, or material maintained in or on County equipment or personal property in the workplace.
4. Sexual Harassment – Any act which is sexual in nature and is made explicitly or implicitly a term or condition of employment, is used as the basis of an employment decision, unreasonably interferes with an individual's work performance or creates an intimidating, hostile or offensive work environment.
5. This policy is intended not only to address and correct acts of discriminatory harassment, but to prevent them. Therefore, the County, as part of the implementation of this policy, may act to correct what is viewed as discriminatory harassment prior to the behavior reaching the level that would constitute "discriminatory harassment" as defined in law.

Every department has an obligation to assure that the work environment is free from all types of unlawful discrimination. Prevention is the best tool. Prompt, appropriate action may help to avoid, or at least minimize, the incidence of discriminatory harassment.

By law, department heads, other managers and supervisors are responsible to ensure that employees, supervisors and managers are aware of the County's policy. Supervisors' training should include information about the County's Discriminatory Workplace Harassment Policy.

23.3 Employee Action

Some people are not aware that their behavior is offensive or potentially harassment. Often simply advising someone of the offensive nature of their behavior can resolve the problem. Whenever possible, employees should inform the harassing party that his or her behavior is unwelcome, offensive, in poor taste or highly inappropriate. If this does not resolve the concern or if an employee feels uncomfortable, threatened, or has difficulty expressing his or her concern, informal assistance or counseling should be sought from any supervisor, manager, department head or the County Human Resources Director.

Either person will have full authority to investigate all aspects of the complaint. The investigatory authority includes accessibility to records and cooperation of any involved employees. No influence will be used to suppress any complaint, and no one will be subject to any recrimination or reprisal for filing a complaint.

23.5 Informal Resolution

When any complaint is received, the department head or the County Human Resources Director will ask the complainant to define his or her perception of the problem and the desired solution. The department head or County Human Resources Director will explain the rights involved and discuss potential solutions. The department head or County Human Resources Director may conduct a brief informal investigation and make every effort to resolve the problem on a very informal basis.

If any informal investigation does not successfully resolve the issue, with the filing of a written complaint by the employee to the department head (with a copy to the Human Resources Director) or to the County Human Resources Director, or if in the opinion of the Human Resources Director and/or County Administrative Officer a formal investigation is warranted, a formal investigation will be initiated. As appropriate, the formal investigation may include, but not necessarily be limited to, the following:

- a. Obtaining the date and place of the alleged act and the names of persons alleged to be involved or to have relevant knowledge.
- b. Interviewing the persons named above and any other persons determined to possibly have relevant knowledge concerning the complaint. Providing a copy of the formal complaint to the employee or employees being accused of harassment insofar as it relates to them at the onset of the investigation.
- c. Reviewing any pertinent documents or records. Making a survey of action in similar situations involving other employees or applicants for employment.
- d. A written report, including a proposed resolution of the matter will be made. The report will be forwarded to and reviewed by the department head who will determine the appropriate resolution, including the possibility of formal disciplinary action.
- e. The department head will provide a confidential written response to the employee who filed the complaint advising the employee of the resolution to the extent legally permitted. A copy of this response will be provided to the alleged harassing party.

SECTION 24.0

ALCOHOL AND DRUG ABUSE POLICY

24.1 Purpose

Confidential, Probation Officers Safety, Fire Safety, Law, and Management Units, Deputy County Counsels and Assistant County Counsel

It is the intention of this policy to eliminate substance abuse and its effects in the workplace. While Sutter County has no intention of intruding into the private lives of its employees, involvement with drugs and alcohol off the job can take its toll on job performance and employee safety. Our concern is that employees are in a condition to perform their duties safely and efficiently, in the interests of their fellow workers and the public as well as themselves. The presence of drugs and alcohol on the job, and the influence of these substances on employees during working hours, are inconsistent with this objective. Drug and alcohol abuse increases the potential for accidents, absenteeism, substandard performance, poor morale and damages the public services of Sutter County. Involvement with drugs and alcohol can take its toll on job performance and employee safety.

Employees who think they may have an alcohol or drug usage problem are urged to voluntarily seek confidential assistance from the County's Mental Health Department or under the County's health plan. While the County will be supportive of those who seek help voluntarily, the County will be equally firm in identifying and disciplining those who continue to be substance abusers.

Supervisors will be trained to recognize abusers and become involved in this control process. Alcohol or drug abuse will not be tolerated, and disciplinary action, up to and including termination, will be used as necessary to achieve this goal.

This policy provides guidelines for the detection and deterrence of alcohol and drug abuse. It also outlines the responsibilities of County managers and employees. To that end the County will act to eliminate any substance abuse (alcohol, illegal drugs, prescription drugs or any other substance which could impair an employee's ability to safely and effectively perform the functions of the particular job) which increases the potential for accidents, absenteeism, substandard performance, poor employee morale or damage to the County's reputation. All persons covered by this policy should be aware that violations of the policy may result in discipline, up to and including termination, or in not being hired.

In recognition of the public service responsibilities entrusted to the employees of the County, and that drug and alcohol usage can hinder a person's ability to perform duties safely and effectively, the following policy against drug and alcohol abuse is hereby adopted by Sutter County.

- A. Managers and supervisors are responsible for reasonable enforcement of this policy. Managers and Supervisors are also responsible for communicating this policy to employees and volunteers and for participating in substance abuse training.
- B. Managers and supervisors, after consultation with the County Human Resources Department, may require that an employee submit to a drug and/or alcohol test when a manager or supervisor has a reasonable suspicion that an employee is intoxicated or under the influence of drugs and/or alcohol while on the job or on standby or call back status.

"Reasonable suspicion" is a belief based on objective facts sufficient to lead a reasonably prudent manager or supervisor to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or so that the employee's ability to perform his/her job safely is reduced.

In conducting a reasonable suspicion inquiry management and/or supervisors should evaluate the following, documenting the presence of any of the listed indicators:

1. Speech: Incoherent, confused, slurred, rapid, loud or rambling speech;
2. Balance: Staggering, swaying or falling;
3. Walking or movement: unsteady, staggering, swaying, stumbling, falling, pacing or rapid;

wearing sunglasses at inappropriate times, dry mouth, flushed or pale face, frequent sniffing.

The following factors, in combination with a reasonable number of the above, may constitute reasonable suspicion:

1. Experiences or causes an accident, injury or property damage, near-miss of serious accident, dangerous operation of equipment or vehicle;
 2. Verbal or physical abuse or altercation, inability to get along with others;
 3. Poor attendance or observation of work hours;
 4. Poor job performance including excessive mistakes, not following directions, lack of motivation;
 5. Possession of alcohol or drugs;
 6. Information obtained from a reliable person with personal knowledge.
- C. Any manager or supervisor requesting an employee to submit to a drug and/or alcohol test should document in writing the facts constituting reasonable suspicion that the employee in question is intoxicated or under the influence of drugs and/or alcohol. It shall then be routed to the Human Resources Department for consultation and advice prior to requiring any testing.
- D. Managers and supervisors shall not physically search the person or employees, nor shall they search the personal possession of employees without the freely given consent of, and in the presence of, the employee. Note: all searches must be cleared with the Human Resources Department.
- E. Managers and supervisors shall notify their Department Head or designee when they have reasonable suspicion to believe that an employee may have illegal drugs in his or her possession or in an area not jointly or fully controlled by the County. If the Department Head or designee concurs that there is reasonable suspicion of illegal drug possession, the Department Head shall notify the appropriate law enforcement agency.
- F. Where there is reasonable suspicion that the employee is then under the influence of alcohol or drugs, the manager or supervisor should assign the employee to no duty for a reasonable time until the employee can be safely transported home.

Absent justification satisfactory to management and/or supervision, in their sole discretion, an employee's refusal to submit to an alcohol or drug test required by this policy will be treated in the same manner as an employee who tested positive for alcohol and/or drugs. Tampering with or attempting to adulterate a specimen or violation of the collection procedure will result in termination of employment pursuant to Section 18.0, Discharge, Dismissal, Suspension, Reprimand, Reduction in Rank and Right of Appeal.

SECTION 26.0

VETERANS' PREFERENCE POLICY

26.1 Purpose

It is the intention of this policy to demonstrate the County's support and appreciation of our United States veterans and their surviving spouses by establishing a Veterans' Preference Policy pursuant to Board of Supervisors Resolution 09-060. Preference points will be awarded, per specified criteria, to veterans and their surviving spouses in the recruitment process for new hires. This policy will be effective September 1, 2009.

26.2 Definitions

Open Recruitment Process: Defined as a competitive recruitment for a Regular or Limited-Term position for the County (does not include Merit System Services Classifications).

Veteran: Defined in accordance with California Government Code 18973 which states that a veteran shall mean any person who has served full time for 30 days or more in the armed forces in time of war or in time of peace in a campaign or expedition for service in which a medal has been authorized by the government of the United States, or during the period September 16, 1940, to January 31, 1955, or who has served at least 181 consecutive days since January 31, 1955, and who has been discharged or released under conditions other than dishonorable, but does not include any person who served only in auxiliary or reserve components of the armed forces whose service therein did not exempt him or her from the operation of the Selective Training and Service Act of 1940.

Disabled Veteran: For the purposes of this policy, a disabled veteran is one who meets the definition above and has a service connected disability rating of no less than 10%.

Surviving Spouse: Must be the surviving spouse of a veteran defined above.

Eligible Service: For the purposes of this policy, a veteran must have served on active duty in the United States Armed Forces, National Guard or Military Reserve activated by the Federal Government for a period of at least one hundred and eighty (181) continuous days.

26.3 Eligibility

Military veterans or a veteran's surviving spouse shall be given preference points towards recruitment for initial appointment to County service, in accordance with this policy. To receive Veteran's Preference, the veteran or surviving spouse must meet the

minimum qualifications established for the recruited classification, and must attain a passing score in each phase of the examination process. Veteran's Preference is allowed only on initial entrance into County service. The veteran's service must have ended under honorable conditions.

The application of Veteran's Preference shall be exhausted upon first appointment to a regular/limited-term position. Any points for other recruitment, employment list, and/or certification list shall be cancelled upon the hiring of the candidate.

26.4 Veterans' Preference Points

For open recruitment processes resulting in a numerical score, Veterans' Preference Points will be awarded based on the following:

Surviving spouses require a DD1300 Form or equivalent. Veteran's Preference must be established separately for each recruitment. Failure to request Veterans' Preference Points on the application or to submit the required credentials (DD214 or DD1300) by the final filing date for the recruitment will be deemed a waiver of Veteran's Preference Points except for the following:

Veterans who are within 90 days of separation from military service may file a written statement showing the anticipated date of discharge and certifying that the discharge is for honorable reasons. Such statement must be filed no later than the final filing date for the recruitment. A veteran in the process of being discharged shall be entitled to Veteran's Preference pursuant to this rule only if a certified copy of the DD214 Form is filed with the Human Resources Department prior to the date of the certification list to a department for appointment. Until such proof is filed, the Veterans Preference Points will not be applied.

26.6 Certification for Interview

The hiring department(s) will request the number of ranks to be certified in accordance with Personnel Rules and Regulations 10.2. Preference Points will not affect the actual

ranking of the candidate on the Eligible List; however the additional Veteran's Preference Points may qualify the candidate for certification and interview along with the top ranked candidates. The candidate's combined Eligible List and Veterans Preference Points score must be equal to or greater than the top ranks being certified.
