

The Sutter County Human Services Department, Health Division, offers vaccination services to children who are:

- Medi-Cal eligible
- Uninsured
- American Indian or Alaska Native

Immunization Options for “Underinsured” Children Eligible for Vaccines for Children (VFC) Vaccine

We are **not** able to vaccinate children who are “underinsured.” Your child is underinsured if any of the following apply:

- Insurance does not cover vaccines
- Insurance does not cover certain vaccines
- Insurance covers vaccines, but has a fixed dollar limit or cap for vaccines

Underinsured children are eligible to receive VFC vaccine at Federally Qualified Health Centers and Rural Health Clinics:

Immunization Options for Children Covered by Private Insurance Plans

We are **not** able to vaccinate children enrolled in private medical plans that cover the cost of immunization services. Possible vaccination options for these children are as follows:

Primary care provider: contact your child’s primary care provider to schedule an appointment for immunizations. All medical services, including immunizations, are ideally received by the primary care provider. If your child’s primary medical provider does not offer vaccination services, you may wish to explore the following alternatives:

Pharmacies: Many pharmacies in this area offer vaccinations for children and adults.
