Winter provided an abundance of water for the first time in several years, but the County remains in drought conditions. Roads in the Sutter Bypass were closed for two weeks as runoff from the Sacramento River flooded the bypass.

TO: The Honorable Sutter County Board of Supervisors

RE: **Recommended Budget for Fiscal Year 2016-17**

I am submitting herein my Recommended Sutter County Budget for FY 2016-17. In the following, I will summarize the key features of the Recommended Budget, discuss some of the significant issues the County is likely to face in the coming fiscal year, and set forth my specific recommendations with respect to the Recommended Budget, including the scheduling of the requisite public hearings.

As the Board knows, the preparation of the Recommended Budget is a challenging and arduous endeavor. While I am responsible for its preparation and contents, I want to acknowledge that most of the work in developing the Budget has been performed by three members of my staff: Interim Assistant County Administrator Steve Smith, who functions as our de facto budget manager; Principal Analyst Tami Lukens; and Management Assistant to the CAO Lisa Bush. They have labored long and well, and I greatly appreciate their efforts and professionalism.

I also want to thank our Department Heads, who play an important role in the budget process. They uniformly submitted well-prepared budget requests and worked with us to analyze and resolve budgetary issues.

Summary of the Recommended Budget

As required by law, the Recommended Budget we are recommending to the Board of Supervisors is balanced, which means that the recommended expenditures (which are technically called "appropriations") are equal to the total estimated revenue. While the Budget certainly has some positive features, it would probably be accurate to characterize it as "status quo" in nature.

The Recommended Budget for FY 2016-17 totals \$276.6 million, which is an increase of \$13.5 million (5.1%) compared to the FY 2015-16 Final Budget. The General Fund is recommended at \$63.35 million, which is a decrease of approximately \$1.05 million (1.6%) compared to the prior year.

Overall, we are recommending the approval of 19 new positions, the reinstatement of seven positions which are currently frozen, and the elimination of ten positions. This represents a net increase of 15.4 FTEs. The specific positions involved, and their respective costs, are depicted on

the “Changed Positions List.” Two of the reinstated positions (Deputy Sheriff positions) and one of the new positions (Information Technology Security Analyst) resolve issues discussed during the FY 2015-16 Budget Hearings. One of the positions recommended for deletion (a Programming Analyst II position in the IT Division) is currently filled, and will require the issuance of a layoff notice. Most of the recommended new positions/reinstatements are either funded by sources other than the General Fund or have their cost offset by deleted positions.

The following chart summarizes the relative change in the County’s major operating funds.

Major Budget Impacts

This section includes discussion of a number of issues which have had a significant impact on the Recommended County budget for FY 2016-17.

<p>Health Insurance</p>	<p>The County joined the San Joaquin Valley Insurance Authority, on July 1, 2015, for the provision of health, dental, and vision insurances. The proposed rates were guaranteed for the 18-month period from July 1, 2015 through December 31, 2016. It is anticipated that there will be an increase in rates effective January 1, 2016. However those costs are unknown at this time; therefore, \$250,000 has been put into Contingency to help offset anticipated increases.</p>
<p>CalPERS Retirement</p>	<p>Sutter County, like most public agencies under contract with the California Public Employees’ Retirement System (CalPERS) for employee retirement benefits, has experienced continued increases in its employer costs. While significant cost increases resulted from market losses in prior years, the County’s plans had started on a road to improvement. However, in recent years, the CalPERS Board has taken several actions that have effectively taken back any of the plan’s funding improvements.</p> <p>In March 2012, the pension fund lowered its discount rate from 7.75 percent to 7.5 percent citing economic conditions. A year later, CalPERS changed its policies to recognize gains and losses over a shorter period and to use a 30-year fixed amortization period instead of a rolling 30-year period. In February 2014, the CalPERS Board of Administration approved new demographic assumptions, assuming that public employees will be living longer. The Board also adopted an asset allocation mix that lowers the CalPERS investment risk but largely keeps its investment strategy unchanged, holding the fund’s long-term assumed rate of return at 7.5 percent.</p> <p>While the actions of the CalPERS Board will help to stabilize pension costs over time and ensure that CalPERS will continue to meet its current and future pension obligation, the actions also result in higher employer pension costs for local agencies, now and in the future.</p> <p>CalPERS estimated that local government costs could rise from 5 percent of payroll to 9 percent of payroll over the five year phase in. This is in addition to cost increases experienced thus far. For local agencies, such as Sutter County, CalPERS implemented the additional cost increases this Fiscal Year with the cost spread over 20 years and annual rate increases phased in over five years. The future impact to Sutter County’s budget will need to be considered and monitored closely.</p>

<p>PARS - Pension Benefits Trust Fund and an Other Post-Employment Benefits (OPEB) Trust Fund</p>	<p>On April 26, 2016 the Board of Supervisors adopted a Resolution authorizing participation in the Public Agencies Post-Employment Benefits Trust Program to prefund Pension and Other Post-Employment Benefits obligations, to be administered by Public Agency Retirement Services (PARS). For FY 2016-17 staff has budgeted \$1,000,000 in Non-Departmental Expenses (1-103) with the anticipation to invest with PARS. Investment in PARS as a Section 115 Trust is enabled by Government Code 53216.1.</p>
<p>Tri-County Regional Juvenile Rehabilitation Facility and JPA</p>	<p>The Tri-County Regional Juvenile Rehabilitation Facility is jointly owned by Sutter, Yuba, and Colusa counties with operational costs split in a 44/44/12 ratio respectively, pursuant to a Joint Powers Agreement (JPA) amendment during FY 2015-16. Previously, operational costs were split in a 40/40/20 ratio. Planning and construction costs for the Tri-County Juvenile Rehabilitation Facility Construction Project remain split at the 40/40/20 ratio.</p> <p>For FY 2016-17, Sutter County’s share of cost is budgeted to increase by \$301,880 for operational costs. Part of the increase in the Juvenile Hall budget is due to the addition of a Supervising Probation Officer position that is responsible for conducting Internal Affairs investigations, applicant background checks, and training, and to assist Intervention Counselors with case planning. This is a new position that is needed to provide support and to carry out the aforementioned administrative duties.</p> <p>Through the SB81 Local Youthful Offender Rehabilitation Facilities Construction Grant process, the counties have been awarded just over \$15 million towards the construction of a new facility. The FY 2016-17 Recommended Budget includes \$310,000 to pay for Sutter County’s expected share of cost during the FY. The project is officially established with the State. It is expected that design will continue throughout FY 2016-17 with a projected ground-breaking during the summer of 2017. Occupancy is projected to begin during the spring or summer of 2019.</p>
<p>Plant Acquisition Projects & Jail Expansion Project</p>	<p>Major structural improvements (generally those over \$15,000) are classified as Plant Acquisition projects. Because of the size and complexity of these projects, they tend to span two or more fiscal years before they are completed. This year’s recommended projects include \$32,035 for on-going ADA Improvements at various County facilities, a re-budget of \$93,469 for a Fleet Oil-Water Separator for the vehicle washing facility, \$58,000 for replacement of the roof at 1130 Civic Center Blvd, \$50,000 to repair the floor and foundation at the Main Library, \$225,000 to construct and pave a parking lot at the Sheriff’s Office/Jail related to the Jail Expansion Project, \$25,000 to construct an awning at the Fleet Building, \$60,000 for Soil/Groundwater testing and Analysis at the Airport, \$124,113 for a remodel of the Health Laboratory, and three smaller projects which</p>

<p>Plant Acquisition Projects & Jail Expansion Project – Cont.</p>	<p>have been included in Plant Acquisition this fiscal year as they are either related to larger projects or have fund balance available to offset costs.</p> <p>The expansion of the Main Jail continues, and is anticipated to be a multi-year project. The project will remodel and expand the Medical Services and Kitchen Areas, and will expand the capacity of the Maximum Security facility by 42 beds.</p> <p>The project is benefitting from \$9,741,000 in State financing. The overall total project costs are currently estimated at \$13,334,832, of which \$9,741,000 will be reimbursed from State Grant Funding, approximately \$1.5 million will come from County Criminal Justice Development Impact Fee Fund (0-102) and the remaining estimated \$2.1 million will be covered by County General Funds. As the project evolves and construction starts the project costs are subject to vary. Future revenue received in Fund 0-102, beyond the current \$1.5 million fund balance, may also be used to offset General Fund costs. The FY 2016-17 Recommended Budget includes \$4.7 million for this project.</p>
<p>Information Technology ISF</p>	<p>Countywide Information Technology Interfund charges are increasing by \$69,082 for FY 2016-17. Major County IT initiatives include:</p> <ol style="list-style-type: none"> 1) The management of the Library’s IT systems. Supported systems cover a full range of technologies from security appliances, servers, and clients to the CENIC, public, and internal networks. 2) The migration from legacy enterprise applications to modern solutions. A joint effort with the Assessor, Auditor-Controller and Treasurer/Tax Collector to replace the County’s obsolete property tax application with Thomson Reuters Aumentum is planned. Also, a migration from the outdated justice system to a new case management system for the District Attorney is proposed. Funds for these projects are currently not included in the budget. 3) Three capital asset purchases, totaling \$193,000, are recommended this year to address the demand for Wi-Fi access in some County facilities (\$100,000), improve data backup and recovery capabilities (\$40,000), and replace two vehicles (\$53,000).
<p>Replacement Vehicles</p>	<p>This year, it is recommended that ten passenger vehicles be replaced -- a sedan for the Probation Department, three sedans for the Welfare Department, three sedans and a small SUV for Mental Health, a small SUV for Environmental Health, a small SUV for Building Inspection,</p>

**Replacement Vehicles
– Cont.**

and two hybrid sedans for the General Services Department – Information Technology Division. The Probation Department is replacing two patrol vehicles. The Agriculture Department will be replacing two pickup trucks and the Bi-County Farm Advisor will be replacing one ¾ ton pickup. The Road Division of Development Services will be replacing two Transfer Truck/Trailers with one Transfer Truck/Trailer.

In an effort to reduce the deferred costs for replacement of Sheriff’s patrol vehicles, the County Administrative Office is recommending the replacement of three patrol vehicles in the Sheriff’s Department.

As with the prior year, it is recommended that the purchases be funded with one-time monies.

The County deferred most vehicle replacement purchases during the economic downturn. Although the County has in concept “saved” the money required to purchase new vehicles during that time period, deferring replacement of an aging fleet inevitably leads to increasing maintenance costs in the short-term and a ballooning financial burden to provide County departments with suitable transportation in the long-term. It is currently estimated by the County’s Fleet Management division that the deferred 5-year total cost for replacing vehicles exceeds \$3.6 million for the total County, and \$2.4 million for just General Fund departments and the Sheriff’s Office. Using the County’s current fleet statistics and replacement policies, the average annual replacement expenses would be \$738,600 for the total County and \$495,720 for General Fund departments and the Sheriff’s Office

Other Significant FY 2016-17 Issues

Like many counties, Sutter faces a wide variety of issues. While many of the issues are addressed in the Recommended Budget, some have not evolved to the point at which a budget can be recommended to address them. These include:

County Facilities

The County has several acute facility issues. In addition to the project listed in the Recommended Plant Acquisition Budget, the County needs to complete the installation of sprinklers in a portion of the Mental Health Building; relocate some Welfare and Social Services functions to leased space at the former Sunridge Hospital Facility; complete the Jail Expansion/Remodel Project; remodel the portion of the Health Facility now occupied by Peachtree Clinic to accommodate the District Attorney's Office; and remodel 1130 Civic Center Boulevard for use by the Victim-Witness Program and the Development Services Department's Code Enforcement Program.

Sutter County is also in the early stages of evaluating the construction of a new Human Services Building adjacent to the Mental Health Facility, and of developing a new County Government Center. A possible remodel of 463 Second Street may also be considered when the State returns control of the building to the County.

As mentioned, the District Attorney's Office has not yet been moved to a location near the new courthouse. This is causing inefficiency as staff are now required to commute across town to attend court. Previously they could walk to court. A secondary impact is increased expense due to the requirement for additional vehicles. Currently, additional vehicles are being rented, however, plans are being made to either lease or purchase additional vehicles so the rental vehicles can be returned. This plan will need to be brought to the Board of Supervisors for consideration once a decision has been made.

I am concerned the County may not have the staff resources or the organizational structure sufficient to address these facility issues. I intend to discuss these issues with some of the Department Heads, and will, as necessary, return to the Board of Supervisors with appropriate recommendations.

Human Resources

Approximately two years ago the former CAO was, on his recommendation, also appointed as the Human Resources Director. Since being appointed in February, 2016, I have also been performing both the CAO and Human Resources Director functions.

In my opinion, this model does not work particularly well. The biggest issue is the amount of time spent on Human Resources issues. I intend to work with the CAO and Human Resources Departments to develop a better way of meeting the County's HR needs and responsibilities. I envision returning to the Board with some potential solutions for this issue before your new County Administrative Officer is hired.

Homelessness

The Board of Supervisors has had two study sessions on the issue of homelessness in our community, and has adopted a policy which will guide how the issue is addressed. I am currently

working with the Yuba City and Marysville City Managers, and the Yuba County CAO, to develop a regional plan for ameliorating this vexing problem. Whatever plan is developed may require the commitment of further resources later in the fiscal year.

Jail Operations

The Public Safety Realignment legislation enacted by the State of California in 2011 has significantly affected the County Jail and its operations. This is particularly true with respect to jail medical care, which the County is obligated to provide. The staff, including the Sheriff, is now studying the desirability of contracting with a private vendor for jail medical services. This may result in additional budgetary action being necessary later in the fiscal year.

Recommendations:

I recommend that the Board of Supervisors:

1. Approve the Sutter County Recommended Budget for FY 2016-17;
2. Set the Budget Hearings on the FY 2016-17 Budget to commence June 21, 2016, at 9:30 am, and continuing for up to 14 consecutive days; and order the publication of the required notices by the Clerk of the Board of Supervisors;
3. Effective June 8, 2016, authorize the Human Resources Director to issue an official layoff notice for a Programmer Analyst II position as described in this budget message;
4. Authorize the General Services and Development Services Departments to:
 - a) Continue work for the Plant Acquisition projects which were approved in FY 2015-16 and which are being re-budgeted in the FY 2016-17 Recommended Budget. Those projects are identified in the Plant Acquisition budget; and
 - b) Proceed with road projects that were approved by the Board in FY 2015-16;
5. Direct the Auditor-Controller, after all other accounting entries are made for FY 2015-16, and prior to closing the books on the fiscal year, to bring the fund balance of Funds 12, 14 and 15 to zero by returning any excess General Fund contributions to the General Fund.

Respectfully Submitted,

CURTIS R. COAD
INTERIM COUNTY ADMINISTRATIVE OFFICER

About Sutter County

Retired History Professor David Rubiales discussed the complicated and compelling cultural history of the Sacramento Valley during the opening of the permanent Mexican-American exhibit at the Community Memorial Museum of Sutter County.

About Sutter County

Sutter County is one of California's original 27 counties, founded in 1850. Agricultural and commercial operations in Sutter County pre-date California's entry into the United States. While its borders have changed somewhat since its founding (Auburn was once the County seat), Sutter County's chief economy remains agriculture and conservation of agriculture remains a shared goal of its residents and its government.

History

Sutter County is named after one of the state's more engaging and complex historical personalities, and an agricultural visionary. John Augustus Sutter, a German native born to Swiss parents, was one of the first to recognize the Sacramento Valley for its potential as an agricultural empire. His Hock Farm, established on the Feather River just south of present-day Yuba City, was the site of the valley's first large agricultural enterprise.

At the age of 31, Sutter left Europe on a French passport and traveled a circuitous route that took him from New York to Missouri to Oregon to Hawaii and then to Alaska. He sailed from Sitka, Alaska to Yerba Buena (San Francisco), arriving on July 1, 1839, at a time when California was part of Mexico. Sutter took Mexican citizenship on August 29, 1840 and between 1841 and 1844 was granted by Mexican authorities some 145,000 acres of land in the Sacramento Valley, including a portion he named New Helvetia that included parts of present day Sutter County. On some 600 acres along the Feather River in 1841, Sutter established Hock Farm, the first non-Indian settlement in the area. It became the site of a large grain, orchard, cattle and vineyards operation.

Yuba City, the County seat, was founded in 1849, and is the birthplace of John Joseph Montgomery (February 15, 1858), the first American to pilot an airplane, on August 28, 1883, 20 years before Orville and Wilbur Wright.

The world's largest earth-moving equipment manufacturer, Caterpillar, traces its roots back to Sutter County. Daniel Best, who designed tractors on his brother, Henry's, farm in the 1860s, founded the Best Tractor Co., which merged with Holt Tractor out of the Stockton area, to form Caterpillar.

Geography

Located in the heart of the Sacramento Valley, Sutter County's southern border is Sacramento County. It is bordered on the southwest by Yolo County, the northwest by Colusa County, on the north by Butte County, on the east by Yuba County, and on the southeast by Placer County. Sutter County is the only Sacramento Valley County with its boundaries located entirely on the floor of the valley.

Sutter County has a land mass of approximately 608 square miles, 88 percent of which is prime farm or grazing lands. Just 3 percent of the County is urbanized.

State highways 99 and 20 are the main traffic arteries through Sutter County, linking the County to Interstate 80 to the south and Interstate 5 to the west. They intersect at Yuba City, 45 miles north of the state capital, along the Feather River at its confluence with the Yuba River.

The Sacramento River drainage system that has provided rich soils and vast amounts of water for agriculture and industry also poses a physical threat to communities in Sutter County. Sutter County's battles against

About Sutter County

flooding are historic. Sutter County is the site of the first regional flood control effort in California—Levee District 1, created by the Board of Supervisors in 1868. When 19th century hydraulic mining for gold in the Sierra Nevada choked the rivers with debris and made flooding episodes more frequent and more damaging, Sutter County farmers spearheaded the formation of the Sacramento Valley Anti-Debris Association to force an end to hydraulic mining. Sutter County is bisected by a state flood control project—the Sutter Bypass—which diverts high water flows from the Sacramento River and channels them south. There are approximately 260 miles of earthen levees in Sutter County. Flood control is a constant priority for Sutter County government. In 2007, the County was instrumental in forming the Sutter Butte Flood Control Agency to provide regional flood control efforts in the 21st century.

Sutter County is home to the Sutter Buttes, a cluster of mountain peaks that rise in sharp relief to the flat landscape that dominates the Sacramento Valley. Seen for miles from every direction, the Sutter Buttes are the remnants of a volcano dormant for over a million years. Sometimes referred to as “The Smallest Mountain Range in the World,” they were known as *Histum Yani*, (variously translated as Middle Mountains of the Valley or Spirit Mountain) to the native Maidu who occupied Sutter County for perhaps as long as 10,000 years.

Climate

Like all regions with Mediterranean climate, Sutter County experiences relatively mild winters. Summers in Sutter County can be warmer than other regions of the Sacramento Valley that are closer to the origin of the Delta breezes that provide some relief in the evenings. Sutter County

has, on average, approximately 21 inches of rainfall each year. While temperatures sometimes exceed 100 degrees and infrequently fall below freezing, the average high temperature in July is 95 degrees and the average low temperature in January is 38 degrees. Snowfall is a rare occurrence, although it is less rare on the peaks of the Sutter Buttes.

Population

According to the US Census Bureau, Sutter County had a population of approximately 96,463 in 2015. More than two-thirds, 65,773, live in the City of Yuba City, the County seat. Another 8,488 live in Live Oak.

Government

Sutter County is a General Law County and is organized in accordance with the California Government Code and the California Constitution, with five elected members of the Board of Supervisors and elected positions of Sheriff-Coroner, District Attorney, Clerk-Recorder, Treasurer-Tax Collector, Auditor-Controller, and Assessor. The Board of Supervisors establishes and enacts local ordinances and establishes the policies under which the County operates. Based on these policy decisions, the County Administrative Officer manages the activities of the County’s departments. County Counsel provides legal counsel to the Board of Supervisors and the Departments.

Agriculture

In 2012, Sutter County had 1,358 farms (an eight percent increase over 2007) on 375,174 acres (a four percent increase over

2007), according to the U.S. Department of Agriculture. The value of 2014 farm production was \$726 million, with walnuts, rice, dried plums (prunes), peaches, tomatoes and nursery products as the leading agricultural commodities. The County also is an important producer of cattle and calves, melons, hay and alfalfa. Industries directly or indirectly tied to agriculture benefit from agriculture, which returned more than \$2.96 billion to the local economy in 2014.

Natural Gas Production

Falling prices and falling demand continue to impact Sutter County’s significant natural gas industry, which is centered in the Sutter Buttes and the Meridian basin. Gas well assessed value has dropped from \$141 million in 2011 to an estimated \$54 million in 2016.

Sutter County had approximately 418 natural gas wells in FY 2015-16 with approximately 280 on idle status; 138 were

considered active. The Assessor’s Office estimates 300 wells will be on idle status and only 118 wells will remain active for the FY 2016-17 roll. To date, there has been a loss of \$15 million in value from the previous year. No new wells have been constructed in the past 4-5 years as gas pricing has continued to remain low.

Employment

Sutter County is part of the Yuba City Metropolitan Statistical Area (MSA), which includes all of Sutter County and all of neighboring Yuba County. More than one-third of Sutter County residents commute outside of the County for work. Almost one in four people employed in the Yuba City MSA work for the federal, state, or local governments, including schools.

The chart below represents the March, 2014 Employment by Industry breakdown for the Yuba City MSA according to the Employment Development Department.

Total All Employment	45,700

- Protecting the health, safety, and welfare of Sutter County’s citizens

The Department fulfills its mission through the following programs:

- Pest Exclusion
- Pesticide Use Enforcement
- Pest Detection
- Fruit and Vegetable Standardization
- Egg Quality Control
- Pest Management
- Nursery Inspection
- Pest Eradication
- Seed Inspection
- Weights and Measures Enforcement

Major Budget Changes

Salaries & Benefits

- (\$88,344) Decrease in Salaries & Benefits due to several retirements and hiring new staff at lower steps

Capital Assets

- \$56,000 Replacement of two aging vehicles

Intrafund

- (\$194,093) Decrease in Intrafund Overhead (A-87) Cost Plan charges as provided by the Auditor-Controller’s Office

Residual Equity Transfer-Out

- \$10,349 Increase in Operating Transfer Out related to implementation of the Opterra Energy Efficiency Project offset by an anticipated reduction in Utilities expense

Revenues

- \$30,000 Increase in Mill Tax

Program Discussion

Major program and policy matters for this Department remain paramount to protect the public, environment, threatened and endangered species, and the consumer.

Critical pest exclusion and pest detection programs protect the public and environment from exotic, non-native species and the significant economic impacts those pests

would create. Pest detection and pest exclusion programs that remain in the forefront include:

- Plum Pox Virus
- Thousand Cankers Disease (of Walnuts)
- European Grapevine Moth
- Pierce’s Disease
- The Brown Marmorated Stink Bug (a host of more than 300 plants including fruits, vegetables, and ornamentals)
- The Asian Citrus Psyllid (vector of Huanglongbing disease),
- The Light Brown Apple Moth
- Tomato Yellow Leaf Curl virus (disease)

Our highly successful “Kill the Bug – Recycle the Jug” pesticide container recycling program will continue with a grant from the Feather River Air Quality Management District.

Other priorities include:

- Human Health and Safety (Pesticide Use Enforcement and Wildlife Services)
- Organic certification and food quality inspections
- Nursery inspection
- Inter-county coordination of rice herbicide application systems
- Cooperation with the Feather River Air Quality Management District, the rice industry and UC Cooperative Extension involving rice disease assessment
- Eradication and/or management of noxious weeds
- Weights and Measures enforcement

Additional responsibilities include land use planning issues outlined in the Agricultural Element of the General Plan.

Recommended Budget

This budget is recommended at \$2,584,839, a decrease of \$230,109 (8.2%). The General Fund provides 44.2% of the financing for the Department, and is decreased by \$263,275 (18.7%) compared to FY 2015-16.

Capital Assets are recommended at \$56,000 for the purchase of two replacement vehicles. The Department has requested two full-sized 4x2 Extra Cab ½ ton pick-up trucks.

Residual Equity Transfer-Out is budgeted at \$10,349 for payment of the Department's share of the Opterra Energy Efficiency Project. The Agricultural Commissioner/Farm Advisor facility on Garden Hwy had solar panels constructed that will offset Utility costs as well as Lighting and HVAC upgrades to help reduce the Departments energy usage.

The Agricultural Commissioner's Department was granted use of General Government Impact Fee (0-101) funds in prior years to help offset the cost of a facility expansion project, with the understanding that 40% of the funds would be reimbursed to the Fund using any unanticipated Unclaimed Gas Tax revenue. Excess Unclaimed Gas Tax revenue is to be used first to make progress toward repayment, prior to being used for extra projects or purchases. It is anticipated to make the final payment of \$62,115 to the General Government Impact Fee fund in FY 2015-16 due to projected savings.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Purpose

The California Business & Professions Code Section 12200 requires each county to establish an office of County Sealer of Weights & Measures and to appoint a person as the County Sealer of Weights and Measures. Each County Sealer is mandated, by Section 12210, to inspect, try and test all weighing and measuring devices used for commercial purposes within his/her jurisdiction. In order for the County Sealer to meet this mandated responsibility, it is necessary for the Sealer to purchase specialty testing equipment.

In 1989, the counties of Nevada, Yuba, and Sutter entered into a joint powers agreement (JPA) to jointly purchase and use a heavy capacity commercial vehicle (Weight Truck) for the purpose of testing large capacity commercial weighing devices.

Major Budget Changes

Capital Assets

- \$168,000 Rebudget of Replacement of Weight Truck, including fabrication, installation of a new bed (due to safety concerns), and transferring of existing articulating crane

Program Discussion

The 1989 JPA between the counties of Nevada, Yuba, and Sutter established a vehicle maintenance and replacement fund which is administered by Sutter County. Contribution percentages for each county were determined: Sutter County – 50%, Yuba County – 30%, and Nevada County – 20%. These percentages are applied to all contributions made. The JPA also authorized an Administrative Committee to review the

Agricultural Commissioner Wt Truck Replacement/Maintenance (0-290)

Lisa Herbert, Ag Commissioner

current use patterns and financial needs of this equipment on an annual basis to determine the counties' annual contributions to the fund.

Recommended Budget

This budget is recommended at \$174,000, of which \$168,000 is for a replacement Weight Truck. This budget unit does not receive any funding directly from the General Fund; however, \$6,500, which is Sutter County's portion of the Maintenance and Replacement costs, is budgeted as an Interfund expense in the Agricultural Commissioner's budget unit (2-601). The rest of the funding is provided by revenues collected from Yuba and Nevada Counties.

Due to current California Air Resources Board requirements, the County is required to replace this vehicle by the year 2020. Over the past three years, the Administrative Committee has been developing a plan for the replacement of this vehicle. The Committee is recommending increasing contributions into these accounts in order to purchase this replacement vehicle this fiscal year. The estimated cost of the replacement is \$168,000, which includes purchase of the vehicle, fabrication, installation of a new bed (due to safety concerns), and transferring of existing articulating crane. Other factors driving the decision to replace the vehicle in FY 2016-17 are: (1) 5% annual appreciation in the cost of a new vehicle, (2) safety concerns with existing truck bed and load securement, and (3) increasing on-going maintenance costs with the existing vehicle.

An update to the JPA will need to be developed and approved by the member jurisdictions and will be presented to the Board for consideration at a later date.

Use of Fund Balance

The Weight Truck Replacement/Maintenance Fund contains Restricted Fund Balance accounts for each county, which are used to retain the funds allocated for the replacement and maintenance of the weight truck.

Seven Restricted Fund Balance accounts have been established: three (one for each county) to account for the maintenance of the weight truck, three (one for each county) to hold funds for the future replacement of the vehicle, and one for interest earned.

The contribution rates for FY 2016-17 are recommended at:

	<u>Maintenance</u>
Sutter County	\$ 2,500
Yuba County	\$ 1,500
Nevada County	<u>\$ 1,000</u>
Total	\$ 5,000

	<u>Replacement</u>
Sutter County	\$ 4,000
Yuba County	\$ 2,400
Nevada County	<u>\$ 1,600</u>
Total	\$ 8,000

It is projected there will be a Restricted Fund Balance in the Replacement account, as of July 1, 2016, of \$104,070 (Sutter County - \$52,035, Yuba County - \$31,221, Nevada County - \$20,814). The balances for maintenance will be determined after actual maintenance costs are paid; however, it is estimated to equal approximately \$18,000 as of July 1, 2016. The projected interest balance is \$39,666.

Agricultural Commissioner Wt Truck Replacement/Maintenance (0-290)

Lisa Herbert, Ag Commissioner

A cancellation of Obligated Fund Balance of \$159,500 of the following accounts is recommended in order to purchase the Weight Truck replacement this fiscal year.

31170 – Rest Fund Balance: \$39,493
31180 – Rest. Wt. Mnt. – Nevada: \$2,946
31181 – Rest. Wt. Mnt. – Sutter: \$7,987
31182 – Rest. Wt. Mnt. – Yuba: \$5,004
31183 – Rest. Wt. Rep. – Nevada: \$20,814
31184 – Rest. Wt. Rep. – Sutter: \$52,035
31185 – Rest. Wt. Rep. – Yuba: \$31,221

Amounts will be based on final, actual expenditures and may change slightly during year-end closing.

Purpose

The Bi-County Farm Advisor Office (UCCE Sutter/Yuba Counties) operates under an agreement with the Counties of Sutter and Yuba and the University of California Cooperative Extension (UCCE). Its mission is to provide research-based educational programs to the residents of the two counties including:

- Agriculture & natural resources
- 4-H & youth development
- Nutrition education
- Home landscape/garden assistance

In addition, UC Agricultural and Natural Resource applied research is conducted with local producer operators.

Major Budget Changes

Salaries & Benefits

- \$14,335 General increase due to negotiated Salaries and Benefits

Capital Assets

- \$27,000 Replacement of an aging vehicle

Intrafund

- \$9,083 Increase in A-87 Building Maintenance Charges as proved by the Auditor-Controller's Office

Residual Equity Transfer-Out

- \$4,936 Increase in Operating Transfer Out related to implementation of the Opterra Energy Efficiency Project offset by an anticipated reduction in Utilities expense

- Plant nutrition
- Cultural practices
- Farm/ranch economic viability

Programs focus on local natural resources and economically important crops such as rice, walnuts, prunes, peaches, almonds, and kiwifruit; as well as interest in emerging or alternative crops.

Program Discussion

Today's UCCE Mission remains similar to that of 1918: to assist people at the local county level in accessing appropriate information to achieve their goals. This is accomplished through applied research and educational programs and events. In Sutter and Yuba Counties, programs are conducted related to agriculture, natural resources, youth development, home gardening, and nutrition education subject matters.

Agriculture and Natural Resource Advisors assist local clientele, through individual consultations and farm visits, with issues such as:

- Pest management
- Water quality/water use efficiency
- Plant variety selection
- Plant nutrition
- Farm and ranch planning
- Fire safety

In addition, advisors are responsible for identifying emerging issues and working with local clientele to develop and conduct research to address these areas of concern. Research activities in FY 2015-16 included:

- Water quality and irrigation timing
- Pest management
- New variety and rootstock evaluation
- Exotic and endemic pests

The 4-H Youth Development Program (YDP) is an organization for youth ages 5-19 that promotes hands-on, experiential learning. 4-H welcomes youth members and adult volunteers from all backgrounds and all locations. 4-H emphasizes enrichment education through inquiry-based learning.

Youth are encouraged to discover their passions, adopt a growth mindset, set goals and practice self-reflection. 4-H projects and programs are focused around the core content of citizenship, healthy living, science, engineering, and technology. These pivotal experiences build a foundation of leadership and skills for success in their future careers.

In FY 2015-16, the 4-H YDP expanded its influence with the start of the 4-H Food Smart Families program in after-school programming for Yuba City Unified and Marysville Joint School Districts. Using Teens as Teachers, the program creates more food secure homes by teaching families with limited resources how to shop for and cook nutritious meals on a budget. 4-H Food Smart Families teamed with the club program to provide the first Color Me Green 5K fun run. The 4-H Science in after-school program continues to thrive. It serves over 100 youth at three after-school sites within the Wheatland School District, one of which is located on Beale AFB.

The traditional club program continues to thrive with 16 clubs serving the bi-county area, including a club on Beale AFB. 4-H members in the club program participate in projects that are of interest to them. Each project is led by caring adults, who engage youth members in hands-on learning in the project area. Some of our projects include guide dogs for the blind, sewing, rocketry, shooting sports, robotics, livestock, Legos, community service, ATV repair, and gardening. Over 550 youth members and nearly 200 adult volunteers participate in the 4-H club program.

In FY 2015-16, the UC Sutter/Yuba Master Gardener Program recorded 6,500 individual contacts through the County office and outreach activities. In the summer of 2015 the Master Gardener Program teamed-up with the City of Yuba City and hosted several water-wise workshops. Over 50 Master Gardeners volunteered nearly 3,000 hours with a value of \$80,610 (2015 Independent Sector's value of volunteer time for California at \$26.87/hour) and participated in:

- The Yuba City Home and Garden Show
- Yuba City Farmers' Market
- Marysville Community Garden, workshops and plant clinics
- Spring and Fall plant clinics at local nurseries
- A gardening project and workshops at Yuba County Probation Department Day Reporting Center for inmates on release program
- Butchie's Pool Spring and Fall Plant Sale
- Gardening programs in Sutter and Yuba County elementary schools

- Home Gardeners Workshop and display booths
- Farm Day presentation to local school's 3rd and 4th graders
- Planning and planting the Water-wise garden at Gauche Aquatic Park
- Tomato Plant Sale
- Spring and late summer Home Orchard workshops at the Sierra Foothill Research and Extension Center
- Drought, Irrigation and Beneficial insect workshops at the Gauche Park water-wise garden

The UC CalFresh Nutrition Education Program works through local public school teachers and community based organizations to deliver researched based curricula related to healthy lifestyles and eating habits. A Sutter/Yuba-based UC Nutrition Educator manages and delivers the program to local clientele. This University position and program support are funded by a Federal USDA grant administered by the State CalFresh Office within the College of Agriculture and Environmental Sciences at UC Davis and has minimal impact on the County Budget.

Additional support, beyond that provided by the "resident advisors" in the bi-county office, is received from advisors in surrounding counties and campus-based specialists and/or faculty. For example, the UCCE Dairy Advisor in Glenn County also has responsibilities in Sutter and Yuba counties. She is conducting research on a bovine disease at a large Yuba County dairy.

The UC/County partnership provides programs that are designated for local needs and solutions, while leveraging the resources of the County/University partners. UCCE

Sutter/Yuba also secures grants and gifts to augment county and UC funding. This allows staff to conduct activities and purchase equipment that UC or county budgets do not permit. These grants directly support specific research and education programs in the areas of:

- Crop production
- Integrated pest management
- Water quality
- Watershed management
- Nutrition education
- Youth development

The University of California contributed in excess of \$1,000,000 to support the local UC Cooperative Extension office through direct and indirect support related to programs specific to the local office as well as statewide programs that benefit local clientele.

This budget unit is funded in the following manner:

- Sutter/Yuba Counties
 - Clerical support
 - Office space, supplies and expenses
 - Transportation
 - Fixed assets
- University of California
 - Salaries and benefits for the three University Advisors, two University Program Representatives, one Nutrition Educator, and other cross-county programmatic personnel
 - Other expenses related to programs as described below

Individual UC staff members have developed revenue streams to support additional field assistance, services, and/or equipment including computers, printers, cameras, audio-visual equipment, office equipment, tools, and labor. These items would typically be considered County funding responsibilities, but fiscal realities have required UC staff to develop significant external funding sources to meet these needs. University staff's travel to professional development activities such as national or international scientific conferences, technology workshops, and other learning opportunities is funded by a combination of UC and grant/gift money. Grant/gift funding also provides seasonal field/lab assistants for the advisors.

The Bi-County Farm Advisor's FY 2016-17 goal is to continue assisting local clientele by developing and delivering appropriate information to ensure goals and needs are met. This will be accomplished through applied research and educational activities. In addition, we intend to foster continued growth of the UC CalFresh Nutrition Education Program and further develop the 4-H Science in Afterschool program to address local critical challenges facing our young people.

Staff changes FY 2015-16

The University of California continues to demonstrate its commitment to local partners and clientele. A new Area Rice Advisor headquartered in Sutter/Yuba was hired and began on April 4, 2016. An Area Vegetable Crops Advisor housed in Colusa, and also serving Sutter and Yuba, was hired and began on April 11, 2016. Interviews were held in March 2016 for an Area Agronomy Advisor headquartered in Sutter/Yuba, also serving Colusa County. The Master Gardener

Program Rep has been reappointed for another year starting April 1, 2016.

Projected staff changes FY 2016-17

The Director of the Bi-County Farm Advisor Department was successful in having six UC academic advisor positions approved for hiring from summer 2015 through fall 2016 that will address critical local programmatic issues. These include the three Advisor positions listed above, and in order of planned recruitment: an Area Nutrition, Family and Consumer Science Advisor housed in Butte County, an Area Livestock and Natural Resources Advisor housed in Placer County, and an Area Forestry and Natural Resources Advisor housed in Sutter/Yuba. All of these positions will address critical needs in Sutter and Yuba Counties.

Sutter County is the designated lead agency for the Bi-County Farm Advisor Department, which is located in Yuba City. Sutter County bills Yuba County for its portion of the budget. Apportionment of costs, as agreed by the two funding counties, is 63% from Sutter County and 37% from Yuba County. This formula is based historically on a comprehensive evaluation of the workloads and an approximation of the time spent delivering UCCE programs in the respective counties.

Recommended Budget

This budget is recommended at \$270,262. The General Fund provides 63.6% of the financing for this budget unit and is increased \$35,899 (26.4%) compared to FY 2015-16.

Capital Assets are recommended at \$27,000 for the purchase of a replacement vehicle. The Department has requested a ¾ ton 4 x 2 pick-up truck.

Residual Equity Transfer-Out is budgeted at \$4,936 for payment of the Department's share of the Opterra Energy Efficiency Project. The Agricultural Commissioner/Farm Advisor facility on Garden Hwy had solar panels constructed that will offset Utility costs as well as Lighting and HVAC upgrades to help reduce the Departments energy usage.

Use of Fund Balance

This budget unit is within the General Fund.

The General Fund has a Committed Fund Balance for Farm Advisor/Agriculture Building to collect money to fund future improvements to the Sutter County owned Farm Advisor/Agriculture Building.

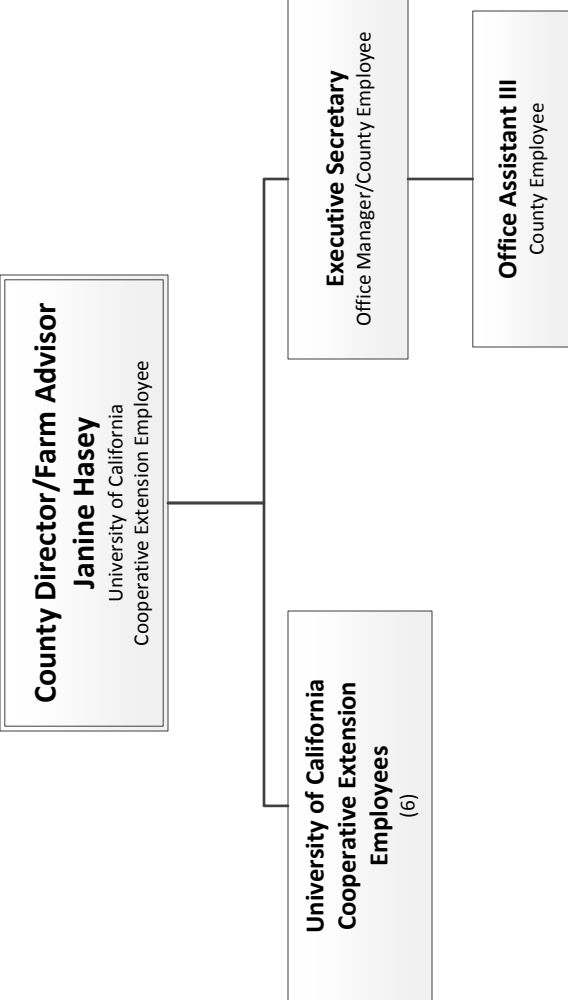

Each year, as directed by the Board of Supervisors through the annual budget, \$5,000 is budgeted in the Farm Advisor budget and in the Non-Departmental Expense budget unit #1-103 to increase the General Fund Committed Fund Balance for Farm Advisor/Agriculture Building account #37309.

Yuba County has agreed to participate in this expense and is billed annually for its proportionate share of the cost.

Purpose

The Library is a General Fund Department, supported by Sutter County, Friends of Sutter County Library, California Department of Education Literacy Grants, and the California State Library. The Live Oak Library Endowment Fund was established in 2009 by the Live Oak Women’s Club and the principal of this permanent County fund remains intact, with interest apportionment deposited in the Library budget for collection development at the Barber Branch Library. In the past year, the Library’s Children’s Services has also benefitted from the generosity of the Children and Families Commission, Dollar General, and many private donations. The non-profit Friends of Sutter County Library has many volunteers who donate hundreds of hours every year to fundraising efforts. Program Discussion

It is important to note that, in recent years, the library received some serious cuts in two areas which will require some attention concerning the future of library services and funding.

First, the drastic reduction of the computer hardware budget eliminated a computer replacement plan. The result is that some library computers are nearly nine years old. Most staff computers are unable to accept

software updates which are crucial to the circulation system. The library also experienced a catastrophic failure of a server last year and has been unable to replace it. The remaining library server hardware is end-of-life and unsupported.

To combat this, it is being requested that the Library join the County Information Technology replacement plan. This plan allows for library computers to remain viable by being kept up to date and refreshed on a periodic basis. The plan also includes monitors and desktop UPS equipment. Coverage for equipment failure is also provided by the IT replacement plan. It is also being recommended that the Library join the County network.

With the invaluable help of the Information Technology division, the library was finally able to connect to CENIC Broadband Network and was able to take advantage of a \$30,000 equipment grant through the California State Library during FY 2015-16. The Library's main branch and the three rural branches were each connected to 1Gbps fiber, vastly improving Internet speed.

Secondly, FY 2016-17 marks the fourth year in which Library Impact Fees are being used to sustain the library's collection following years of reduction. These funds are not unlimited and at some point it will be necessary to accommodate collection development in the budget.

Planning for the future is a top priority and Sutter County Library has been working with the Aspen Institute, in the past year, to re-envision services. As one of 20 libraries in the nation chosen by Aspen, Sutter County Library worked on a pilot program aimed at promoting public dialogues in communities that focus on the elements of

people, place, and platform. Aspen representatives have expressed interest in coming to Sutter County to facilitate a discussion.

Plans to provide new services and programs are being discussed with the Sutter County Memorial Museum. It is hoped that the Library's 100th anniversary of service in 2017 will result in some interesting collaboration.

The Friends of Sutter County Library are interested in supporting an innovation center in the library and it is hoped that the City of Yuba City will support this as well.

A robust circulation of books and other materials continues to keep library staff busy. Approximately 300 new library cards are issued each month and patronage is steady at roughly 40,000 card holders.

On a typical day, approximately 2,000 items are checked out and nearly the same numbers are returned. Items borrowed and loaned in conjunction with partner libraries in the Sacramento Public Library System total about 70,000 items a year passing through the back door.

Programs for all ages continue to be popular. The library is lively with children participating in the many weekly and seasonal programs offered. Teen and adult programs also enjoy strong attendance. The Literacy Services Program not only provides classes, but also many exciting events for the community each year.

Over the past several years, Sutter County Library Literacy Services has seen thousands of students benefit from their classes. Each year, approximately 700 students participate in ESL, Adult Literacy, Civics and Citizenship classes. The Literacy

staff and volunteers work hard to provide the services which are much needed in our community.

Recommended Budget

This budget is recommended at \$1,438,848, which is an increase of \$185,482 (14.8%) over FY 2015-16. The General Fund provides 75.4% of the financing for this budget and has increased \$214,753 (24.7%) compared to FY 2015-16.

Residual Equity Transfer-Out is budgeted at \$57,924 for payment of the Department's share of the Opterra Energy Efficiency Project. The Yuba City Library facility on Forbes Ave had rooftop solar panels installed that will offset Utility costs as well as Lighting upgrades to help reduce energy usage. In addition, all three Library locations had HVAC upgrades to help reduce the Departments energy usage.

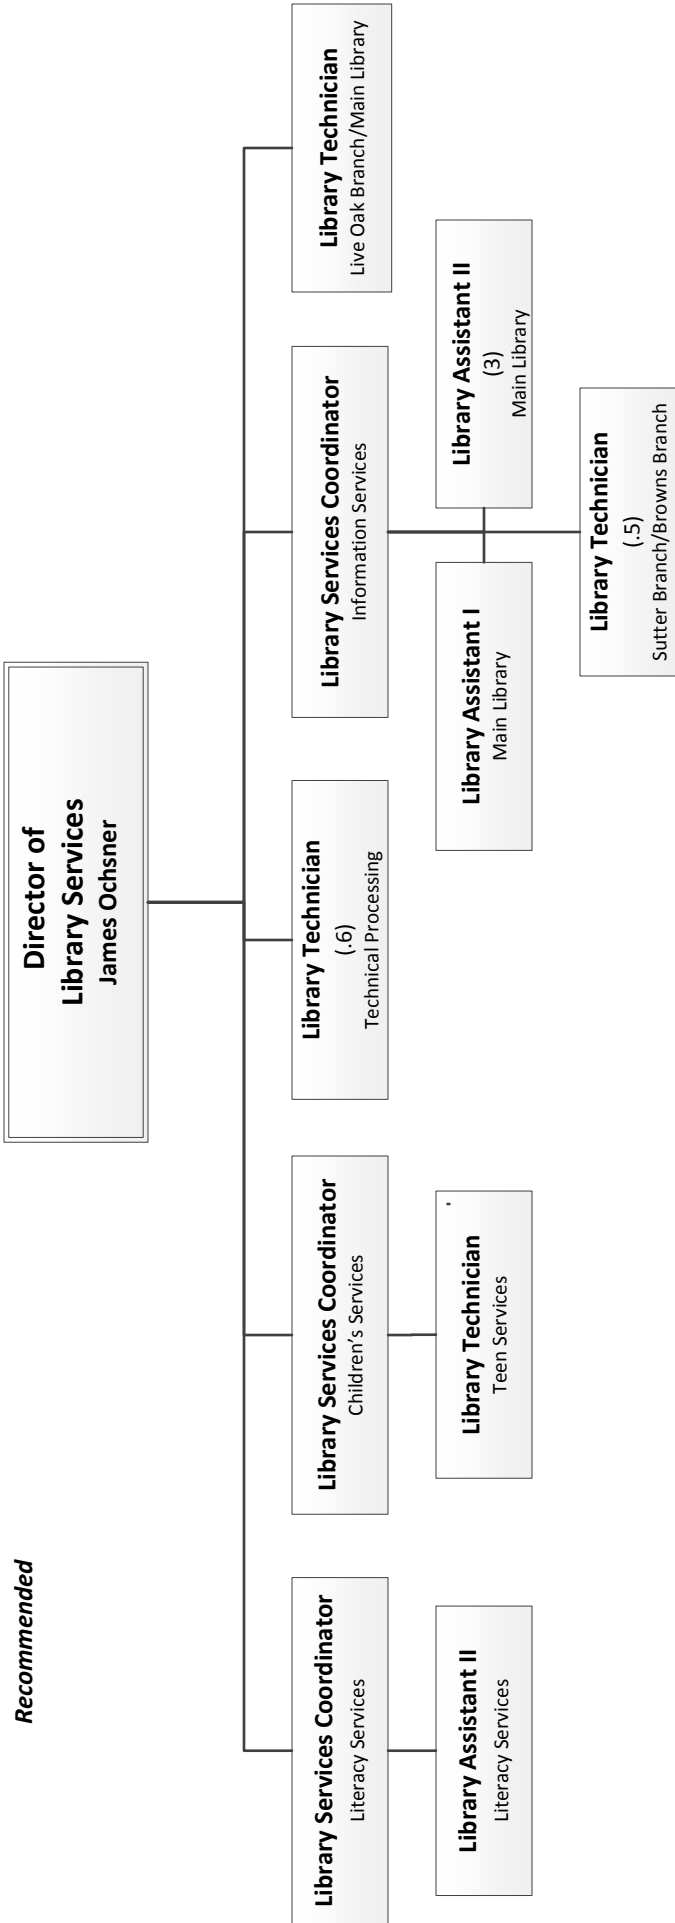

Over the years, staff has manually entered positions into the budget system. With the upgrade to ONESolution a reconciliation of the position allocation schedules has been done. For this budget unit, it was discovered that one unfunded position had been removed from the budget allocation table, while it has no net effect on budget it is important to have an accurate reflection of all positions.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Program Discussion

The Community Memorial Museum of Sutter County, built in 1975 through private donations and efforts of the Sutter County Historical Society, is a department of Sutter County government funded through a partnership of public and private funds. The Museum staff of two is responsible for maintaining professional standards of artifact

conservation, research, exhibits, and public education. Museum programs for community benefit are funded through private donations and public agency grants.

Museum operations are supported by the County of Sutter and the Community Memorial Museum Commission in the following manner:

- Sutter County provides funds for Salaries & Benefits, Liability Insurance, Copier Rental, and Information Technology charges for website presence
- Other County departmental budgets provide for maintenance of buildings and grounds, rental support for Ettl Hall, and utilities for the Museum facilities
- The General Fund absorbs all county-wide overhead costs
- The Museum Commission, through its ongoing fundraising efforts, provides funds for Extra Help staffing, postage, and Services and Supplies

The Ettl Hall building and Schnabel & Dean Patio have been utilized regularly by the Museum for educational programs, successful fundraisers, and other events. There are ongoing efforts to increase the frequency of rental of the hall and to increase awareness of the hall in the community. A Museum Commission committee is currently working to locate an appropriate patio covering for shade, which is an additional gift of the Schnabel-Dean family.

The Museum hosted 6,264 visitors in 2015.

The Museum provides the following programs to the community:

- Educational museum tours for school children: 20 in 2015
- Hosted 46 other groups
- Research requests for historical information and photograph reproduction: approximately 50 annually
- Temporary exhibits
- Educational programs for children and adults: 8 to 12 annually
- Educational resources in Museum Store

The day-to-day activities of the Museum are managed by two paid staff with the assistance of approximately 30 volunteers. A total of 2,537 hours were donated last year.

It is being requested to restore both Museum staff positions to full-time, increasing the museum's standing and reputation, allowing staff to offer better and more accurate programs and exhibits. Increasing hours will also allow staff to do the following:

- Catch up on multiple years' worth of accessioning artifacts for the collection
- Initiate a much-needed inventory of the artifacts in the museum's collection
- Spend more time researching and writing grants
- Research and create more temporary exhibits out of the museum's own collection
- Begin planning to update permanent exhibits
- Commit more time to fundraising activities

The Museum is currently open to the public:

- Wednesday through Friday from 9:00 a.m. to 5:00 p.m.
- Saturday from noon to 4:00 p.m.

Monday and Tuesday will now serve as staff workday to set-up and take down exhibits and perform much needed curatorial tasks which are difficult to complete during public hours and have fallen behind due to budget reductions in FY 2012-13.

Achievements for FY 2015-16 include:

- Installing a Point-of-Sale system for all financial transactions at the Museum
- Completing the Multi-Cultural wing, which was a 10-year project
- Physical overhaul and cleaning out of all office and storage spaces
- Very successful series of temporary exhibits, including *The Art of Survival: Enduring the Turmoil of Tule Lake*

Goals for FY 2016-17 include:

- Partnering with the Library to celebrate the 100th anniversary of the Library in the County
- Beginning a collections inventory
- Catching up on accessions work
- Begin plans to update permanent exhibits
- Design and have created a permanent Donor Wall for the Museum

Recommended Budget

This budget is recommended at \$224,010, which is an increase of \$11,239 (5.3%) over FY 2015-16. The General Fund provides 92.9% of the financing for this budget and it

is increased \$11,988 (6.1%) compared to FY 2015-16.

It is recommended to increase both the Museum Director-Curator and the Assistant Museum Curator from part-time (0.8 FTE) to full-time (1.0 FTE) effective July 1, 2016.

Revenue from the Museum Commission is recommended at \$15,772 which covers Extra Help staffing, postage, Services and Supplies, and \$1,000 for the increase in Intrafund Copier Rental (for two years, until the end of the current contract). The Museum Commission has expressed agreement with this recommended contribution. This revenue will be contributed based on actual costs, to be invoiced directly to the Commission on a quarterly basis. This is per an arrangement made between the County Administrative Office and the Museum Commission.

- Explaining eligibility standards for the various types of programs
- Referring ineligible persons to other sources of assistance
- Reviewing military medical treatment records and physicians' records of treatment received after discharge to develop disability, pension, or survivor's benefit claims
- Helping veterans obtain appointments for medical care or hospitalization at VA facilities

- Visiting veterans in nursing and care homes
- Conducting briefings at Beale Air Force Base for separating members who plan to remain in the community

Major Budget Changes

Other Charges

- \$19,663 Increase in Contribution to Other Agencies

Program Discussion

This office is a Bi-County function with Yuba County acting as the lead agency. The office staff consists of a full-time Veterans' Services Officer (VSO), a full-time Veterans' Representative, and an Office Specialist. These staff members are Yuba County employees. Sutter and Yuba Counties share net costs (total cost less revenue) on a 50-50% basis. Sutter County's share of the net cost is appropriated in this budget unit.

- Consulting with the Public Guardian, Health, Social Services and other County agencies to ensure that veterans are aware of other assistance available to them
- Providing information about CALVET home loans and VA loan guarantees, insurance, vocational rehabilitation, education, counseling, military discharge review and upgrade, and other programs

Revenues are derived from the following three sources: State Subvention program revenue administered and allocated according to a weighted factor of the claims filed by the office; the MediCal Cost Avoidance program granted by the State Department of Health under contract with CDVA and allocated on the basis of qualified referrals from Yuba and Sutter County Social Services' Departments; and the State Veterans' License Plate Fund derived from proceeds of Veterans' license plates and distributed according to each County's share of total statewide expenditures. As the lead agency, Yuba County receives all revenues; therefore, revenues are not reflected in the Sutter County budget.

Recommended Budget

This budget is recommended at \$111,185 which is an increase of \$19,663 (21.5%) over FY 2015-16. The General Fund provides 100% of the financing for Sutter County's share of the Veteran's Services Officer budget.

This recommendation reflects only Sutter County's net share of cost.

This budget unit is based on a Bi-County agreement and any changes to the budget would need to be negotiated with Yuba County.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

The Plan was originally a Habitat Conservation Plan/Natural Communities Conservation Plan that later included the Natural Community Conservation Plan (HCP/NCCP). Due to the City of Wheatland

withdrawing from the Plan, the Agencies will remove the NCCP and revert back to the HCP only.

The Division works with the Regional Housing Authority of Sutter and Nevada Counties to coordinate Community Development Block Grant (CDBG) applications overseen by the Housing Authority.

The Development Services Technician was a new classification recommended in FY 2015-16 in an effort to reflect the broad range of administrative duties that are required of positions in the Development Services Department. It is the intent that the new classification will assist the Department in providing adequate customer service and administrative support coverage.

- The property to be leased to SBRAA for management includes everything inside the airport perimeter fencing with the exception of the fenced and posted "restricted area" and the adjoining vegetation area south of the apron and bounded by the perimeter fence and the taxiway
- The County will remain the owner of record and is responsible for the safe and efficient operation of the Sutter County Airport and for compliance with all Federal regulations and obligations
- SBRAA agrees to manage the airport within all Federal, State, and local regulations
- Any future building must be approved by the Sutter County Board of Supervisors
- SBRAA agrees to provide all day-to-day operations including, but not limited to:
 - Billing
 - Setting rental rates
 - Maintenance and repairs
 - Fiscal management and reporting
 - Inspections
- SBRAA is to provide the required insurances

Program Discussion

The Board of Supervisors approval of the Facilities Management Agreement with SBRAA effectively transferred responsibility for the day-to-day operation and management of the County Airport to SBRAA.

One County Engineer is designated as the Airport Manager. Per the agreement with SBRAA, each year 40 hours of management time is contributed to the County Airport, and is considered the Sutter County General Fund

contribution to the Airport. The General Fund is also responsible for annual (A-87) Cost Plan charges, which is also considered a General Fund contribution to the Airport.

Recommended Budget

This budget is recommended at \$45,015, which is a decrease of \$519,898 (92%) compared to FY 2015-16. This is contributable to SBRAA taking over the daily maintenance and operations along with not anticipating any FAA projects for FY 2016-17. This budget unit does not receive any funding from the General Fund. Funding for this program now comes from the non-airport use entities land lease payments and will go to pay back the previous General Fund loan.

Use of Fund Balance

This fund contains a Committed Fund Balance in the amount of \$66,295, exclusive of long-term loan obligations, as of July 1, 2015. It is estimated the Committed Fund Balance will equal \$24,523 at July 1, 2016.

The FY 2016-17 Recommended Budget includes an increase to Committed Fund Balance in the amount of \$32,648.

Program Discussion

The Engineering Services budget unit provides funding for County engineering services, including services for the Road Fund, and services required by the Water Resources Division which exceed the staffing currently available in that budget unit. Much of the staff time for this budget unit is reimbursed by other Development Services Department budget units through the Inter/Intrafund Engineering accounts.

The Engineering Division provides the following types of services:

- Processes development permits, plan reviews, and drafts specific conditions of approval for planning applications
- Designs and oversees the construction of county buildings and building improvements
- Provides general engineering support to county activities such as the Road Fund, on a reimbursable basis
- Designs and performs contract management for road maintenance and road rehabilitation projects
- Provides pavement management planning, traffic planning and coordinates bridge maintenance
- Identifies potential projects, develops grant applications, administers consultant contracts and oversees all aspects of design and construction regarding the Sutter County Airport
- Completes Encroachment/Transport permitting
- Provides Capital Improvement Project programming and budgeting
- Develops the Annual Road Plan for all road and bridge work

On a reimbursable basis, Engineering Services staff will assist in selected design and maintenance related activities for other budget units such as:

- Airport (by agreement with SBRAA)
- Building Maintenance
- Parks and Recreation - including boat launch facilities
- Road Fund
- Streetlight Districts
- Water Agency/Water Resources

Staff responds to counter inquiries requesting information on maps, surveys, development, traffic, roads, water resources, and the processing of related fees.

The County Surveyor's Office is included in this budget unit. The Engineering Division assists in some of the County Surveyor functions:

- Reviews and processes subdivision maps, lot line adjustments, and records of surveys
- Maintain records of the County real property and public rights-of-way

Recommended Budget

This budget is recommended at \$716,069, which is a decrease of \$142,196 (16.6%) compared to FY 2015-16. The General Fund provides 3.2% of the financing for this budget and has increased \$5,447 (31.1%) compared to FY 2015-16.

Extra Help continues to be recommended to fund part-time County Surveyor work.

Residual Equity Transfer-Out is budgeted at \$7,326 for payment of the Department's share of the Opterra Energy Efficiency Project. The Development Services Building at 1130 Civic Center Blvd had Lighting and HVAC upgrades to help reduce the building's energy usage. In addition, the building will also benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects the Engineering Services' proportional share of the building's total payment.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Purpose

The Jail Expansion Project budget unit was created to account for costs incurred for the Main Jail Expansion project, as this is a major construction project for the County, which will span several years. The purpose of the project is to expand the capacity of the Maximum Security facility by 42 beds, and is made feasible due to \$9.7 million in lease-revenue bond-financing from the State. This budget unit is jointly administered by the Development Services Department and the County Administrative Office.

Major Budget Changes

Services & Supplies

- \$1,606,270 Increase in Professional & Specialized Services for contractor Mobilization Costs

Revenues

- \$206,841 Increase in Interfund Transfer In-Special Revenue from the Criminal Justice Development Impact Fee Fund (0-102)
- \$2,152,936 Increase in State Grant revenue

Program Discussion

In response to the California Department of Corrections and Rehabilitation Request for Applications, in January 2012, Sutter County submitted a financing application for funds made available through the AB 900 Phase II Construction/Expansion of County Jails program. The envisioned project will add 28 Maximum Security male beds in a new housing unit along with 14 Medium Security female beds in a new housing unit. Additionally, the project will remodel and

Development Services Department Jail Expansion Project (1-701)

Danelle Stylos, Director

expand the Medical Services and Kitchen Areas.

In April 2012, the project was selected by the State, with \$9,741,000 provided in State financing and the County providing \$514,000 as the required five percent funding match. The State Public Works Board authorized the County to proceed with the initial design phase in October 2013. Since that time, the County has awarded a design contract to an Architectural/Engineering Design team based in Sacramento, and acquired the services of a Construction Management (CM) Firm. The County with the Design/CM team has developed the construction documents along with a construction cost estimate.

The project's design phase is scheduled to be completed in April 2016. This will be followed by the construction phase lasting approximately 18 months. The project will receive State Bond financing once it's ready to be advertised for construction. Only after a construction contract has been awarded may the County begin to seek reimbursement for eligible design costs.

Recommended Budget

This budget is recommended at \$4,658,332, which is an increase of \$2,359,777 (102.7%) over FY 2015-16.

The overall total project costs are currently estimated at \$13,334,832, of which \$9,741,000 will be reimbursed from State Grant Funding, approximately \$1.5 million will come from County Criminal Justice Development Impact Fee Fund (0-102) and the remaining estimated \$2.1 million will be covered by County General Funds. As the project evolves and construction starts the project costs are subject to vary. Future revenue received in Fund 0-102, beyond the current \$1.5 million fund balance, may also be used to offset General Fund costs.

Because reimbursement cannot be claimed until the construction contract is awarded, this budget reflects the transfer-in of funds from the County's Criminal Justice Development Impact Fee Fund (0-102) to cover any required local match and to advance funds to complete the initial phases of the project prior to receiving reimbursement.

Use of Fund Balance

This budget unit is within the General Fund. This budget does not include the use of any specific fund balance.

Program Discussion

Environmental Health conducts inspections of food facilities, onsite sewage disposal systems, water wells, monitoring wells, state small water systems, jail facilities, and public

pools and spas. The Division investigates issues related to rabies control, vector control activities, and health and safety complaints. In addition, through the Certified Unified Program Agency (2-727) budget unit, it conducts inspections and provides consultation to businesses that handle and store hazardous materials.

The Division includes three primary programs:

Environmental Health Consumer Protection

The Consumer Protection Program's mission is to prevent illness and injury caused by unsafe or unsanitary conditions through 1) inspections and enforcement activities, and 2) the review of plan applications for food facilities and pool construction.

The Consumer Protection Program consists of several elements, including food facilities inspections, substandard housing investigations, environmental childhood lead assessments, vector control activities, jail inspections, rabies control, household garbage control, and monitoring of pools, spas, body art and safe drinking water supply.

Staff regularly contacts and inspects individual water systems serving retail food facilities, evaluating the water test results for safe drinking water compliance with the existing Health and Safety Code.

Hazardous Materials Program

The description of the Hazardous Materials Program is included in the Certified Unified Program Agency (CUPA) budget unit.

Environmental Health Land Use

The Land Use Program lends support to the Development Services Department to ensure that land use permit entitlements granted by the County prevent health hazards and to mitigate environmental degradation resulting from improperly planned developments. The Land Use Program protects public health through the proper sizing, design, construction, and operation of onsite sewage disposal systems. The program reviews adopted land use development projects and construction projects referred to the Planning and Building Division relative to liquid waste and drinking water supplies. The program also reviews and approves the design and construction of new onsite sewage disposal systems and repairs to sites where these systems have failed.

Recommended Budget

This budget is recommended at \$639,350, which is an increase of \$9,671 (1.5%) over FY 2015-16. This budget unit does not receive any funding from the General Fund.

The net cost of this budget unit is covered by permit revenues and an Interfund transfer from the Health Fund (1991 Realignment funding). The contribution from the Health Fund is recommended at \$340,452, an increase of \$10,217 compared to FY 2015-16.

Residual Equity Transfer-Out is budgeted at \$2,729 for payment of the Department's share of the Opterra Energy Efficiency Project. The Development Services Building at 1130 Civic Center Blvd had Lighting and HVAC upgrades to help reduce the building's energy usage. Purpose

Fire Services Administration is responsible for coordinating and administering the County's fire protection programs and the activities of four County Service Areas (CSAs) for which the Board of Supervisors is the governing board. CSAs provide fire protection from eight fire stations throughout the County. The Fire Services Manager/Fire Chief is the sole position in this budget unit.

The Fire Services Manager responds to emergencies and exercises overall supervision of rescue, firefighting, and hazardous materials release operations in the CSAs. The Fire Services Manager is responsible for coordinating the annual budgets, enforcing the adopted fire codes and ordinances, preparing apparatus specifications for the CSAs, and representing the County Fire Services with other jurisdictions, emergency personnel, governing officials, and citizens.

The Fire Services Manager also serves as the Operational Area Coordinator for California Office of Emergency Services and remains committed to the state mutual aid system. This position organizes and may participate in strike team deployment throughout the State as a local government or California Emergency Management Agency strike team leader.

Major Budget Changes

Salaries and Benefits

- (\$24,642) Decrease related to the retirement of the Fire Chief during FY 2015-16 and hiring a new Fire Chief at a lower step

Other Charges

- (\$26,372) Decrease in Interfund Overhead (A-87) Cost Plan charges as provided by the Auditor-Controller's Office

CSA-G

The County contracts with the Yuba City Fire Department for fire protection in CSA-G, which is the area formerly protected by the Walton Fire Protection District.

Program Discussion

The Fire Services Manager is responsible for coordinating the annual budgets, enforcing the adopted fire codes and ordinances, and preparing apparatus specifications for the CSAs. County Service Areas include CSA-C, CSA-D, CSA-F, and CSA-G.

Recommended Budget

This budget is recommended at \$229,921, which is a decrease of \$45,458 (16.5%) compared to FY 2015-16. The General Fund provides financing for Fire Services Administration and the unreimbursed cost of this budget unit is recommended at \$225,421, which is a decrease of \$43,958 (16.3%) compared to FY 2015-16.

CSA-C

Purpose

This budget unit represents County Service Area G, the area within Yuba City previously known as the Walton Fire Protection District. The County Service Area G budget unit is managed by the Development Services Department. Its purpose is to provide a means by which the County is able to record homeowner property taxes within the Walton District and transfer the funds to the City of Yuba City for services provided.

Major Budget Changes

There are no major budget changes for FY 2016-17.

Program Discussion

County Service Area G was established in May 2001 to provide fire protection services to the residents within the former Walton Fire Protection District area. Resulting from

anticipated growth and annexation of this area by the City of Yuba City from the County over a 25-year period, the Walton Fire Protection District Dissolution Agreement was created and signed in May 2002. The Agreement transferred fire protection responsibilities in this area to the City of Yuba City.

This program was created as a pass-through of property tax and other revenue representing the unincorporated portion of CSA-G pursuant to the Dissolution Agreement.

Recommended Budget

This budget is recommended at \$663,500, which is an increase of \$10,500 (1.6%) over FY 2015-16. This budget unit does not receive any funding from the General Fund. All funding is provided through property taxes and interest.

Use of Fund Balance

The CSA-G fund typically does not carry any fund balance; it is strictly a pass-through budget. Funds are transferred to the City of Yuba City, leaving an estimated fund balance of \$0 as of July 1, 2016.

Program Discussion

This budget unit operates three fire stations and has an equipment inventory of eight engines (Type I), five wild-land engines (Type III), one water-tender, and one heavy rescue/hazardous materials truck. Personnel

include two Battalion Chiefs, nine Captains, five Engineers, 25 volunteers. The 2010 Census report list the population as 28,002 including the contracted City of Live Oak.

The Fire Department has been rated by the Insurance Services Office (ISO) as Class 4 in the Sutter Community Services District, Class 4 in the City of Live Oak and Class 5 in all non-hydranted areas within five miles of a fire station (one of only three fire departments in the State of California with this rating for non-hydranted areas). Areas located beyond five miles of a fire station are rated as Class 10. Each rating number represents a fire defense and physical condition measurement relative to insurance risk. Lower values indicate less insurance risk.

During 2015, the Department collectively responded to 2,250 calls for service. All career personnel are certified Emergency Medical Technicians with a defibrillator endorsement (EMT-1D) and are Hazardous Materials Technicians or Specialists. Some of the volunteer members are similarly certified. Training is an ongoing process for all personnel, and the Department has always been supportive of advanced training regardless of the firefighters' career or volunteer status. State regulations require personnel to undergo more specialized training. Personnel have been trained and certified in confined space rescue, high angle rope rescue, swift water rescue, and trench rescue techniques.

The Department conducts numerous fire inspections, fire hydrant testing, fire investigations, and assists other fire departments in the County with those duties. In addition, the Department conducts fire prevention programs at all elementary schools within its jurisdiction.

The Sutter County Fire Department maintains a strong commitment to the State Mutual Aid System. The Department houses a fire engine provided by the California-Emergency Management Agency (Cal-EMA). The Sutter County Fire Department has responded to Mutual Aid requests in the El Dorado National Forest, Lassen National Forest, Butte, Placer, Lake and Shasta Counties during the 2015 wildland fire season.

The Sutter County Fire Department is a signatory agency to the Yuba Sutter Hazardous Materials Response Team (YSHMRT). This team will provide hazardous materials emergency response within Sutter and Yuba Counties.

Recommended Budget

This budget is recommended at \$2,532,346, which is an increase of \$2,197 (0.1%) over FY 2015-16.

Residual Equity Transfer-Out is budgeted at \$22,238 for payment of the Department's share of the Opterra Energy Efficiency Project. Fire Station #6 had solar panels constructed that will offset Utility costs as well as Lighting and HVAC upgrades to help reduce the Station's energy usage. In addition, the Oswald/Tudor Fire Station had HVAC upgrades.

This budget unit does not receive any funding from the General Fund. All funding is provided through property taxes, City of Live Oak contract revenues, and interest earnings.

Use of Fund Balance

The CSA-F fund contains a Restricted Fund Balance in the amount of \$122,556 as of July 1, 2015 (which does not include the outstanding loan from the General Fund for the construction of the Sutter Fire Station with a remaining balance, at that time, of approximately \$582,476). It is estimated that the Restricted Fund Balance will equal \$236,634 at July 1, 2016 (which does not include the current outstanding General Fund loan balance of \$538,527).

The recommended budget includes a cancellation of Obligated Fund Balance in the amount of \$113,086.

This is accomplished through a program of permitting, plan review, inspection and enforcement. Statutory authority is provided by the California Health and Safety Code Section 17920-17928 and 17960-17961.

The *Code Enforcement Division (program 32)* is responsible for the prevention, detection, investigation, and enforcement of violations of statutes and ordinances regulating public health, safety, business activities and consumer protection, building standards, land-use, and general welfare

Program Discussion

Planning Division

The Planning Division staff includes:

- Deputy Director – 50% (Vacant-unfunded)
- Principal Planner
- Senior Planner
- Associate Planner (Vacant-funded)
- Geographic Information Systems Analyst

The Planning Division reviews and processes general plan and zoning applications, land divisions, use permits, variances, design review and other development-related requests in conformance with all applicable state law requirements (i.e., CEQA – California Environmental Quality Act, SMARA – Surface Mining and Reclamation Act, Subdivision Map Act, etc.) and code enforcement violations relative to the Zoning Code. Additionally, the Division administers the County's Geographic Information System (GIS) data functions.

Large projects recently completed or currently in process by this Division include:

- Work continues on the Zoning Code update and completion in 2016 is anticipated.
- An Environmental Impact Report for the Sutter Pointe Wastewater Conveyance Project is underway.

The ongoing Yuba Sutter Regional Conservation Plan (YSRCP) is overseen by the Division with participation by Yuba County and the Cities of Yuba City and Live Oak. The Plan was originally a Habitat

Conservation Plan that later included the Natural Community Conservation Plan (HCP/NCCP). Due to the City of Wheatland withdrawing from the Plan, the Agencies will remove the NCCP and revert back to the HCP only. Staff provides review of the consultant documents, prepares staff reports and support documentation for plan committees, and coordinates public outreach efforts. Additionally, staff oversees Section 6 grant funding for both the Plan and the Environmental Impact Report and Environmental Impact Statement (State and Federal environmental review process) and provides contract administration.

The Division provides staff services to the Local Agency Formation Commission (LAFCO) in cooperation with the County Administrator's Office.

Building Division

The Building Division staff currently includes:

- Deputy Director – 50% (Vacant-unfunded)
- Building Inspector III
- Building Inspector III
- Building Inspector II (Limited Term)

The Building Inspection Division's operations include permit application and plans review, calculation of permit costs, inspections during the construction process, complaint investigations, support to other County departmental programs and public education relative to building regulations and Special Flood Hazard Area criteria.

The Sutter County Building Department is committed to becoming a premier Building and Safety Department, dedicated to creating a vibrant, livable, and sustainable County for

all citizens in the County of Sutter while ensuring building and occupancy safety. We are committed to improving our performance and developing procedures that are streamlined, understandable and most of all, promote efficiency.

In addition, the Building Division has included building and fire plan check review and structural inspections as needed to support Fire Services in the event of structural damage to a property.

The jurisdiction of Sutter County is approximately 592 square miles, excluding the City of Yuba City and the City of Live Oak. For calendar year 2015, there were 1,020 building permits issued with a construction value of \$45,993,505. This is an increase of 131 building permits with an increase in construction value of \$12,362,758. Staff completed 2,696 inspections and plan-check reviews for 617 sets of submitted building plans. This is an increase of 736 inspections and 311 plan-check reviews compared to calendar year 2014.

2015	# Permits	Valuation	Inspections	Plan Check
	1020	\$45,993,505	2,696	617
2014				
	889	\$33,630,747	1,960	306

Between 2014 and 2015, the Building Division continued to see an increase in building permit issuance, revenue, plan review, and building inspection services.

The Building Division provides support and inspection services for Planning, Fire Services, Zoning, Building and Fire Code compliance, Flood Plain Management, Emergency Response, and Code Enforcement.

The Permit Counter provides one-stop development services to the public and County departments. On January 1, 2015 the Sutter County Building Division implemented the use of an electronic permit software program. This addition has promoted efficiency when issuing permits, providing information to the customer, and has provided an accurate tracking method for day to day activities.

Code Enforcement Division

The Code Enforcement Division staff includes:

- Code Enforcement Officer (Vacant-funded)

In late 2013, the Board of Supervisors adopted a marijuana cultivation ordinance. This ordinance was updated in 2015 and a Code Enforcement position was established. Prior to this, the Planning Division developed and implemented this 2013 program as well as handled all the marijuana complaints (approximately 40% of Principal Planner’s time). The Building Division also coordinated all code enforcement complaints and responses in Sutter County as it relates to Building and zoning ordinance violations.

With the establishment of the Code Enforcement Program, these complaints will now be handled by the Code Enforcement Officer.

Recommended Budget

This budget is recommended at \$3,708,758, which is an increase of \$521,202 (16.4%) over FY 2015-16. The General Fund provides 43.5% of the financing for this

Development Services Department Planning and Building (2-724)

Danelle Stylos, Director

budget unit, and is increased by \$391,107 (32.0%) compared to FY 2015-16.

It is recommended the Deputy Director of Planning and Building position remain vacant and unfunded through FY 2016-17. This results in a cost reduction of approximately \$142,558. These duties continue to be shared by other Department management staff, including the Director of Development Services.

Due to a continued need for building inspection services, it is recommended the authorization for a Limited Term Building Inspector II position be extended through FY 2016-17. The Limited Term Building Inspector II was first approved in FY 2013-14. This Limited Term position is funded in concept with savings from leaving the Deputy Director position vacant and unfunded through FY 2016-17, and results in a relative cost decrease of approximately \$48,948.

Capital Assets are recommended at \$45,500. The Department has requested two new replacement vehicles. However, due to continued budget constraints and other needs within the County, it is recommended that one vehicle, in the amount of \$25,500 be replaced during FY 2016-17.

It is also recommended to re-budget \$20,000 to outfit the Code Enforcement Truck that was purchased in FY 2015-16 and to purchase a trailer for that truck.

Residual Equity Transfer-Out is budgeted at \$5,316 for payment of the Department's share of the Opterra Energy Efficiency Project. The Development Services Building at 1130 Civic Center Blvd had Lighting and HVAC upgrades to help reduce the building's energy usage. In addition, the building will also benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects the Planning and Building proportional share of the building's total payment.

Use of Fund Balance

The budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Purpose

The Road Fund budget unit is managed by the Development Services Department and includes Road Maintenance (43), Engineering (44), and Capital Improvement programs (45). The Fund provides resources to perform the inspection and maintenance of approximately 760 miles of County roads, bike and pedestrian ways, 89 bridges, and associated appurtenances such as delineation and signage.

The primary source of Road Fund revenues is the State Highway Users Tax Apportionment (HUTA). HUTA revenues are generated by a gas excise tax and, under California Law, may only be used for Road purposes. Other roadwork funding revenues are also placed in this fund. This includes State Transportation

Development Act, Federal Highways Administration grant, and State transportation grant revenues. This budget unit is a separate fund in order to meet State requirements and restrictions on use.

The Board of Supervisors approved the Annual Road Plan as required by the State Streets & Highway Code Section 2007 to account for the Road Fund use and demonstrate to the citizens of Sutter County the prudent and efficient use of limited transportation funding. A copy of that approved plan is included as part of the Recommended Budget.

Program Discussion

Development Services Department

Road Fund (3-100)

Danelle Stylos, Director

The Road Fund budget unit contains three programs that provide distinct services and purposes: Road Maintenance Program (43), Road Engineering Program (44), and Road Capital Program (45).

The Road Fund budget has 29 authorized positions, with 22 filled and 7 vacant and unfunded.

Due to increasing recurring costs, with minimal increases in annual recurring revenues, the seven vacant positions will be maintained in an unfunded status for the foreseeable future.

The mission and tasks assigned to the Road Maintenance Division have been adjusted to adapt to this lower staffing level. This program provides in-house staff and equipment to perform:

- Minor paved road repairs
- Unpaved road maintenance, repairs and improvements
- Bridge maintenance and minor repairs
- Culvert repair and maintenance
- Roadside drainage maintenance
- Roadside vegetation control
- Signage and markings installation and maintenance

The Assistant Director of Development Services – Public Works is allocated to this budget unit as the Road Commissioner. Engineering staff time dedicated to Road Fund projects is reflected in the Interfund charges to this Fund. The Road Fund continues to reflect the receipt of all revenues associated with Road project engineering services.

The Capital Program of the Road Fund

contains the major road and bridge repairs and improvement project work. The Program funds portions of the contracted construction work utilizing State and Federal highway program and grant revenues, and some one-time revenues, by the specific projects for which the revenues are designated.

Recommended Budget

This budget is recommended at \$9,905,864, which is an increase of \$442,601 (4.7%) over FY 2015-16. The Road Fund budget unit does not receive any funding support from the General Fund.

Capital Assets are recommended at \$298,600 to purchase the following items:

- \$170,000 10-Wheel Transfer Dump Truck to replace two trucks
- \$70,000 Pup Trailer for Transfer Truck listed above to replace two trailers
- \$8,600 New Sign Cutting Plotter
- \$50,000 Rebudget for major accessories to complete functional setup of a Water Truck purchased in FY 2015-16

Residual Equity Transfer-Out is budgeted at \$17,660 for payment of the Department's share of the Opterra Energy Efficiency Project. The Development Services Building at 1130 Civic Center Blvd had Lighting and HVAC upgrades to help reduce the building's energy usage. In addition, the building will also benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects the Road

Fund's proportional share of the building's total payment.

Because the construction season spans two fiscal years, the Recommended Budget includes funding and appropriations for the carryover of selected construction projects originally budgeted in the previous fiscal year and may contain portions of the previous fiscal year Road Plan.

The FY 2016-17 Recommended Budget includes the following Road Plan projects as adopted by the Board of Supervisors for FY 2015-16 (attached):

- County funds to match federal aid funds on the following Bridge Replacement Projects:
 - Pennington Road
 - Nicolaus Avenue
 - Larkin Road
 - Howsley Road
 - Kent Avenue
 - Tisdale Road
- Various ADA Project Sidewalk Reconstruction

The State Highway Users Tax Apportionment (HUTA) revenues are based on current market conditions. The revenues from HUTA sections 2104, 2105, and 2106 fund most of the in-house road program, and HUTA section 2103 is used to provide a portion of the major maintenance and rehabilitation programs in the Road Plan. State and Federal highway program and grant funds, when available, are also applied to this endeavor.

Annually, the County receives a portion of the Local Transportation Fund (LTF) under the Transportation Development Act (TDA). These funds are available for roadwork after public transportation needs have been met.

Under an agreement with the Yuba-Sutter Transportation Agency, an allocation of funds is made to the County, which is used for general road maintenance and repairs. The annual amount available depends on State revenues and is estimated at \$762,700 for FY 2016-17.

The County may also receive \$278,075 in State funds under a sub-program of Regional Surface Transportation Program (RSTP); an exchange for Federal funds. This is an annual amount provided to some counties and is being considered for elimination by the State.

Use of Fund Balance

The Road Fund contains the following Restricted Fund Balance accounts in the respective amounts as of July 1, 2015:

- Non-spendable Imprest Cash (Petty Cash): \$100
- Non-spendable Inventory: \$46,393
- Restricted - 5th Street Bridge Maintenance: \$116,081
- Restricted – FEMA/OES: \$70,000
- Restricted Fund Balance: \$8,844,470

It is recommended that the Restricted - 5th Street Bridge Maintenance fund balance be increased by \$5,000 in FY 2016-17 leaving an estimated June 30, 2016 ending balance of \$126,081. This reserve is maintained pursuant to an existing agreement with the City of Yuba City, the City of Marysville, and Yuba County. Each year, \$5,000 is placed into this account to pay for major maintenance projects affecting the 5th Street Bridge.

The FY 2016-17 Recommended Budget includes a cancellation of Restricted Fund

Balance in the amount of: (Program 43-Road Maintenance decrease \$556,758), (Program 44-Road Engineer decrease \$298,437), and (Program 45-Capital Improvement decrease \$90,964) for a total decrease of \$946,159.

No increases or decreases are recommended for FY 2016-17 in the Non-Spendable Imprest Cash or Restricted-FEMA/OES fund balances.

Purpose

Development Services staff plan and implement water resources programs such as ground water management, regional water/wastewater treatment, integrated regional water management, drainage, local grading oversight, and floodplain management in accordance with the provisions of Federal and State programs, laws, and regulations. The Road Maintenance Division performs maintenance of the Live Oak Canal for the Sutter County Water Agency (SWCA) and other publicly owned storm water storage and conveyance facilities in the unincorporated County area not within a drainage or reclamation District.

The ongoing activities of Water Resources are funded by the SCWA, SCWA Zones, Rio Ramaza Wastewater Fund, Waterworks District #1 (WWD1), and the General Fund. The Water Resources budget unit is managed

by the Development Services Department.

- \$111,110 Increase in Intrafund Engineer charges

Residual Equity Transfer-Out

- \$3,079 Increase in Operating Transfer Out related to implementation of the Opterra Energy Efficiency Project offset by an anticipated reduction in Utilities expense

Program Discussion

The Water Resources budget unit contains Engineering staff that perform the following duties:

- Floodplain management
- Managing an urban area NPDES storm water permit
- Planning and coordinating drainage studies and improvements, including

- new development reviews
- Implementing the County’s groundwater management plans
- Participating in integrated regional water management activities
- Coordinating selected flood control issues
- Water and Wastewater engineering for WWD#1 and Rio Ramaza

In support of the County’s Community Rating System (CRS) program, the Engineering staff participates in and manages activities such as public outreach workshops, review of compliance documentation for new construction within floodplains and coordinating with the Federal Emergency Management Agency (FEMA) and the State Floodplain Coordinator.

Reduction of arsenic in the drinking water provided by WWD#1 in the town of Robbins is required by new Federal Standards. In Fiscal Years 2012 through 2015, Water Resources staff have spent considerable time executing a grant for the Robbins Arsenic Remediation Feasibility Study. The Feasibility study was completed in the fall of 2015. Future efforts will be concentrated on obtaining a construction grant for the new well and treatment plant.

Many critical projects, some of which are funded by non-General Fund sources, require management by a licensed engineer. These projects include:

- Bridge/culvert crossing engineering
- Consolidation of Benefit Zones
- Sutter Pointe water/wastewater development
- National Pollution Discharge Elimination System (NPDES) Permit activity

- Yuba City Drainage Basin Study
- West Yuba City Drainage Plan
- Groundwater Sustainability planning
- SB5 Flood Protection (200 year) planning

Recommended Budget

This budget unit is recommended at \$713,209, which is an increase of \$316,906 (80.0%) over FY 2015-16. The General Fund provides 78% of the financing for this budget unit, which is an increase of \$311,004 (126.8%) compared to FY 2015-16.

The remainder is provided primarily through reimbursements from special districts that receive services from Water Resources staff.

It is recommended that this budget formally confirms the change of position (from Deputy Director of Water Resources to Senior Civil Engineer) as contemplated in FY 2014-15 and as the position was modified in FY 2015-16.

Residual Equity Transfer-Out is budgeted at \$3,079 for payment of the Department's share of the Opterra Energy Efficiency Project. The Development Services Building at 1130 Civic Center Blvd had Lighting and HVAC upgrades to help reduce the building's energy usage. In addition, the building will also benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects the Water Resources' proportional share of the building's total payment.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

The primary function of this budget unit is to appropriate the funding to support flood control efforts in Sutter County. The majority of expenditures in this unit are to support the Sutter-Butte Flood Control Agency (SBFCA) and to provide payments to support activities for Federal advocacy efforts to obtain funding for levee and flood control improvements.

Major Budget Changes

There are no major budget changes to this budget unit for FY 2016-17.

Program Discussion

This budget unit serves as a mechanism to provide reimbursement to SBFCA for Sutter Basin Feasibility Study activities initiated in 2000 by the United States Army Corps of Engineers, and recently completed.

SBFCA was formed by the Sutter-Butte Joint Powers Agreement (JPA) for the purpose of jointly exercising the powers of its members to provide flood control and protection. In December 2007, Sutter County, Sutter County Water Agency, Butte County, City of Yuba City, City of Live Oak, City of Biggs, City of Gridley, Levee District 1, and Levee District 9 signed a JPA establishing SBFCA. The members agreed to have the power and authorization to control and conserve waters for the protection of life and property that would or could be damaged by inundation caused by still or flowing water. This budget unit supports SBFCA by allocating State proposition monies to SBFCA.

The United States Army Corps of Engineers Sutter Basin Feasibility Study was initiated in 2000. The local share of this project is currently estimated to be \$2.8 million, of which \$2.05 million will be met using a Proposition 13 grant. Proposition 13 in this context is the Safe Drinking Water, Clean Water, Watershed Protection and Flood Protection Act of 2000.

This budget unit also appropriates funding, \$28,000, for costs incurred by Federal representatives that are actively advocating for funding for levee improvements and flood control related projects in Sutter County.

Recommended Budget

This budget is recommended at \$28,500, which is the same as FY 2015-16. The General Fund provides 100% of the financing for this budget unit.

Use of Fund Balance

The General Fund contains a Fund Balance Committed for Flood Control. The balance of this account is estimated to be \$1,388,000 as of the end of July 1, 2015. The recommended budget for FY 2015-16 did not include an increase to this Committed Fund Balance.

The recommended budget for FY 2016-17 does not include an increase to this Committed Fund Balance account.

Purpose

The Sutter County Water Agency (SCWA) was created by the Sutter County Water Agency Act of the California State Legislature, as described in Chapter 86 of the California State Water Code and is managed by the Development Services Department.

The Agency boundary encompasses all territory lying within the exterior boundaries of the County of Sutter and is governed by a Board of Directors. The Board of Supervisors of the County is the ex-officio Board of Directors of the Agency.

The SCWA has the power to:

- Control drainage waters within the agency
- Control flood and storm waters, and divert and transport such waters for beneficial uses

- Save or conserve in any manner all or any such waters
- Reduce the waste of water
- Protect the watercourses, watersheds, public highways, and life and property within the agency from damage created by any such drainage or flood and storm waters

Major Budget Changes

There are no major budget changes in FY 2016-17.

Program Discussion

The major source of revenue for the SCWA is County-wide ad valorem tax revenues for the general functions of the SCWA. Since 1975, the SCWA has also created and administered drainage Zones of Benefit for specific areas within the County.

Zones 2, 4-8, and 11-13 provide for the collection of development fees and construction of capital improvements to accommodate existing and future storm water runoff, particularly that created by new development. These have separate funds for accruing drainage connection/development fee revenues and expensing capital improvements.

Zones 4-9 have maintenance assessments for the operations and maintenance of drainage structures and facilities benefitting those zones. Zone 9 has a separate fund, Fund 0-331. Zones' 4-8 maintenance assessments are deposited directly into the Live Oak Canal Operations and Maintenance Fund (0-321), for maintenance of its tributaries and appurtenances.

The SCWA currently has no assigned staff and its functions are performed by County staff expensed in the Water Resources (1-922) budget unit. Personnel, supplies, and equipment costs for the engineering staff performing water resources management and floodplain management tasks are funded within the Water Resources budget unit and charged to this budget unit through the Interfund Water Resources account.

Recommended Budget

This budget is recommended at \$138,950, which is an increase of \$1,600 (1.2%) compared to FY 2015-16. This budget contains only routine maintenance in the zones, no projects. Maintenance budgeted at expected revenues. This budget unit does not receive any funding from the General Fund.

Use of Fund Balance

The Sutter County Water Agency fund contains a Restricted Fund Balance in the amount of \$324,700 as of July 1, 2015. It is estimated that the Restricted Fund Balance will equal \$335,982 at July 1, 2016.

The FY 2016-17 Recommended Budget includes an Increase in Obligated Fund Balance of \$12,830.

Purpose

Maintenance of the Live Oak Canal is the responsibility of the Sutter County Water Agency (SCWA) and is managed by the Development Services Department.

The canal drains the west Yuba City area into the State drain on the eastside of the Sutter Bypass. The canal was constructed by the SCWA and zones with maintenance tax assessments formed to fund the operations and maintenance of the canal.

The Live Oak Canal Operations Fund was established by resolution of the Sutter County Water Agency (SCWA) in March 2013. This separate fund was created for the operations and maintenance of the Live Oak Canal, its open channel tributaries and appurtenances. Tax assessment revenues for operations and maintenance are collected and deposited directly into this fund.

The use of this fund separates the operations and maintenance funds from capital funds derived from drainage connection, or impact fees, collected for new development impacts, which will remain in each individual zone fund. The operations and maintenance assessments can then be transferred as needed to the Water Resource 1922 fund in support maintenance activities along the Live Oak Canal.

The major source of revenue for the fund is the deposit of tax assessment revenues. Currently assessments are levied for SCWA Benefit Zones 4 through 8.

Major Budget Changes

There are no major budget changes in FY 2016-17.

Program Discussion

The Live Oak Canal Operations fund currently has no assigned staff and its functions are performed by County positions allocated in the Road Fund (3-100) and Water Resources (1-922) budget units. Personnel, supplies, and equipment costs for the operation and maintenance tasks are funded within the Road Fund budget unit (3-100) and charged to this budget unit through an Interfund account.

Capital improvements for new development impacts are funded within each water agency zone capital budget unit and are not part of this fund.

Recommended Budget

This budget is recommended at \$117,075, which is a decrease of \$50 (<1%) compared to FY 2015-16. This budget unit does not receive any funding from the General Fund. All funding is provided through tax assessments.

Use of Fund Balance

The Live Oak Canal Operations fund contains a Restricted Fund Balance in the amount of \$10,719 as of July 1, 2015. It is estimated the Restricted Fund Balance will equal \$13,819 at July 1, 2016.

The FY 2016-17 Recommended Budget includes an Increase in Obligated Fund Balance of \$3,050.

**** INDIVIDUAL ZONE BUDGETS FOLLOW NARRATIVE ****

Purpose

Sutter County Water Agency (SCWA) Zones 2, 11, 12 & 13 were created to provide the mechanism needed to collect funds from properties within the respective Zones to reimburse the SCWA and local developers for new development drainage capital improvement projects benefitting properties within the Zones. These Zones are managed by the Development Services Department.

Major Budget Changes

There are no major budget changes for FY 2016-17.

Program Discussion

Zone 2 was created on May 27, 1980 under SCWA Resolution 80-3 WA with fees established under Ordinance 2 WA for capital improvements; the construction of a storm drain lateral in Franklin Road. External reimbursement agreements have been satisfied and there are no outstanding liabilities of the SCWA for this Zone. Planned improvements are complete. Most of the area within the zone has been developed and staff is reviewing the needs of the Zone for future disposition.

Zone 11 was created on December 4, 1990 under SCWA Resolution 90-5 WA with fees established under Ordinance 12 WA (as amended by SCWA Ordinance 16 WA) for capital improvements; the construction of a storm drain main in Walton and Smith Roads and upsized lines in the Sanborn Estates and Cypress Subdivisions. The final

reimbursement agreement was paid in full during FY 2011-12. Planned improvements are complete.

Zone 12 was created on October 30, 1990 under SCWA Resolution 90-3 WA with fees established under Ordinance 13 WA (as amended by SCWA Ordinance 17 WA) for capital improvements; the construction of storm drain laterals in McKinley and Hooper Roads. The reimbursement agreement with Butte House Development, Inc. has not yet expired. Planned improvements are complete. No new development is expected this fiscal year. This agreement will expire March 25, 2017.

Zone 13 was created on February 18, 1992 under SCWA Resolution 92-2 WA (as amended by SCWA Ordinance 15 WA) for capital improvements; the construction of storm drainage facilities. The facilities have been completed and have no other obligations. Most of the area within the zone has been developed and staff is reviewing the needs of the Zone for future disposition.

These budget units are financed by drainage connection/capital impact fees that are collected as development occurs. Funds are used for capital improvements within the zone. No annual maintenance assessment fees are levied within these zones.

Recommended Budget

There are no recommended Professional and Specialized services costs for FY 2016-17, as there are no major projects anticipated for these zones. These budget units have minimal Interfund costs recommended for FY 2016-17.

**** INDIVIDUAL ZONE BUDGETS FOLLOW NARRATIVE ****

Purpose

Sutter County Water Agency (SCWA) Zones 4 through 8 were created to construct and maintain drainage structures to support new development on the West Side of Yuba City and are managed by the Development Services Department.

Beginning in FY 2013-14, these budget units only accrue the revenues derived from drainage connection/impact fees and expense for the construction of improvements planned for each zone. A separate budget unit, the Live Oak Canal Operations Fund (0-321) is used to consolidate the benefit assessment revenues for the five zones and expense the costs for operating and maintaining the Live Oak Canal and its appurtenances that benefit all five zones.

Zone 4 was created on April 13, 1982 under SCWA Resolution 82-3 WA with fees established under Ordinance 4 WA (as amended by SCWA Ordinance 14 WA and Ordinance 19WA) for capital improvements; enlarging all culvert crossings of the Live Oak Canal from Butte House Road to Franklin Road and enlarging the canal from Pease Road to Franklin Road. Some enlargement of the canal has occurred over the years and replacement of the pipe under Hwy 20 has been completed.

Zone 5 was created on May 1, 1984 under SCWA Resolution 84-2 WA with fees established under Ordinance 7 WA for capital improvements; enlarging all culvert crossings of the Live Oak Canal and the canal itself from Pease Road to Franklin Road. Some enlargement of the canal has occurred over the years and replacement of the pipe under Highway 20 has been completed.

Zone 6 was created on November 4, 1986 under SCWA Resolution 86-1 WA with fees established under Ordinance 8 WA (as amended by SCWA Ordinance 21 WA and Ordinance 8 WA) for capital improvements; enlarging all culvert crossings of the Live Oak Canal from Butte House Road to Franklin Road and enlarging the canal from Pease Road to Franklin Road. Some enlargement of the canal has occurred over the years and replacement of the pipe under Hwy 20 has been completed. On August 14, 2001, a reimbursement agreement was entered into with Harter Packing and The Home Depot for the construction of a main pipeline and canal along the Union Pacific Railroad (UPRR) right of way from the Harter Packing property to the Live Oak Canal. Sunset date on the reimbursement agreement is August 14, 2021.

Zone 7 was created on April 21, 1987 under SCWA Resolution 87-2 WA with fees established under Ordinance 9 WA for capital improvements; enlarging all culvert crossings of the Live Oak Canal and the canal itself south of Zone 7. Some enlargement of the canal has occurred over the years and replacement of the pipe under Highway 20 has been completed.

Zone 8 was created on September 12, 1989 under SCWA Resolution 89-3 WA (as amended by Resolution 02-001 WA) with fees established under Ordinance 10 WA (as amended by SCWA Ordinance 22 WA) for capital improvements; enlarging all culvert crossings of the Live Oak Canal and the canal itself south of Zone 8, construction of 6,200 feet main pipeline along the south side of Franklin Road from the Live Oak Canal to El Margarita Road and extending north 2,140 feet along El Margarita Road. On July 25, 2005 a reimbursement agreement was

entered into with Yuba City Unified School District for the construction of an oversized pipeline to provide capacity for the northern 225 acres of the zone. Sunset date on the agreement is July 26, 2035.

The Water Zone budgets are managed by the Water Resources Division of the Development Services Department.

Major Budget Changes

There are no major budget changes to these budget units for FY 2016-17.

Program Discussion

These funds are used primarily for capital improvements consistent with the project list in the engineer reports for each zone. Some projects benefit multiple zones. Revenues for each Zone of Benefit budget unit are collected from one-time fees for drainage connections as new homes and commercial structures are built. One-time revenues are reserved for designated upgrades and improvements to the system.

Recommended Budget

There are no recommended Professional and Specialized services costs for FY 2016-17, as there are no major projects anticipated for these zones. These budget units have minimal Interfund costs recommended for FY 2016-17.

Revenue from Interest earned is recommended as follows:

- Zone 4 (0-326) \$2,500
- Zone 5 (0-327) \$5,500
- Zone 6 (0-328) \$5,000
- Zone 7 (0-329) \$2,150
- Zone 8 (0-330) \$220

These budget units do not receive any funding from the General Fund. Assessments within the Zones of Benefit are reviewed and adjusted annually.

Use of Fund Balance

Each of the zone budget units contains a Restricted Fund Balance with the following July 1, 2015 Fund Balance and projected July 1, 2016 Fund Balances:

Purpose

Zone 9 was created on November 20, 1990 under SCWA Resolution 90-4 WA with an annual property tax assessment established under Ordinance 11-WA for operations and maintenance; the repair, maintenance, and administration of drainage facilities and structures that accommodate the storm water runoff from the Zone. The revenues pay for the costs to operate a collection system in the Zone, a detention/retention basin, and storm response to drainage problems.

SCWA Zone 9 is managed by the Water Resources Division of the Development Services Department.

No connection/capital impact fees are collected within the Zone.

Major Budget Changes

There are no major budget changes for FY 2016-17.

Program Discussion

Sutter County Water Agency (SCWA) Zone 9 was created to provide a mechanism to collect funds from properties to pay for operations and maintenance of the drainage system serving properties within the Zone.

This budget unit is financed by annual drainage maintenance assessment fees levied within this Zone. Although this pre-Proposition 218 assessment has an adjustment for inflation authorized, the adjustment was not made in recent years as decided by the SCWA Board of Directors, so the current

Development Services Department Sutter County Water Agency Zone 9 (0-331)

assessment is less than the maximum assessment allowed by law.

Revenues for the Zone of Benefit are collected from property assessments on the lots within the Zone of Benefit. Operations and maintenance for the zone is performed by Sutter County staff. Starting in FY 2010-11, per direction of the SCWA Board of Directors, this budget unit is directly charged for services as operations and maintenance services are provided.

Recommended Budget

This budget is recommended at \$5,560, which is the same as FY 2015-16. This budget unit does not receive any funding from the General Fund.

Use of Fund Balance

Sutter County Water Agency (SCWA) Zone 9 fund contains a Restricted Fund Balance in the amount of \$25,367 as of July 1, 2015. It is estimated the Committed Fund Balance will equal \$30,174 at July 1, 2016.

The FY 2016-17 Recommended Budget includes an increase in Obligated Fund Balance in the amount of \$4,057.

Purpose

The Sutter County Waterworks District No. 1 (District) is responsible for providing water and wastewater service to the community of Robbins. The water system currently operates one active ground water well, one backup ground water well, and one storage tank that provides the Community's residents with potable water. The water system supplies, on average, 41 million gallons of water per year. The wastewater system servicing the community is comprised of a Septic Tank Effluent Pumping (STEP) system, pressurized collection lines, and a biological filter treatment plant. The wastewater system treats, on average, 8.2 million gallons of wastewater per year.

The original water system in the community of Robbins was designed, installed, and maintained by the Sutter Basin Corporation, the company that created the subdivision of Robbins. Wastewater was disposed of using

private septic systems. At the request of the Sutter Basin Corporation, the Sutter County Waterworks District No. 1 was formed in 1986 for the purpose of upgrading water service infrastructure. In 1998, due to the inability of the septic services to properly operate in a high ground water environment, the District expanded its services to include sewer service.

The District is a separate, but dependent, district and the Sutter County Board of Supervisors sits as the Board of Directors of the District.

This budget is prepared and administered by the Administration Division of the Development Services Department. This budget unit operates as a separate fund and reflects the cost of operating and maintaining the water system and wastewater system at the Community of Robbins.

Major Budget Changes

In March 2016, the District Board of Directors approved a Line Item Budget for FY 2015-16 as compared to the previously used Managerial budgets. Annual Line Item Budgets will now be presented to the District Board of Directors for approval and recommendation to the Sutter County Board of Supervisors. This new direction will provide more adequate fiscal oversight and monitoring of the District's expenditures and revenues.

Program Discussion

The District provides resources to operate and maintain a public potable water system and a public wastewater system. The budget unit is divided into two programs: 4400-01 Water Service and 4400-02 Wastewater Service.

The Water Service Program (01) provides potable water service to a possible 94 connections; operating and maintaining a water treatment system with a chlorinated water well; a green sand filtration system for iron and manganese; and a water distribution system to individual parcels. The water system is a public water system and operates under the regulatory oversight of the California Regional Water Quality Control Board, Division of Drinking Water (DDW), System ID #5100107.

The Wastewater Service Program (02) provides wastewater service to a possible 94 connections, with on-site septic tank primary treatment; pressurized collection mains; and decant water secondary treatment plant with evaporation pond disposal of final treated effluent. The collection system and plant operate under the California Central Valley Regional Water Quality Control Board Waste

Discharge Requirements Order #96-137, as amended.

The Sutter County Development Services and General Services Departments provide State certified personnel to manage and operate the water and wastewater systems. Those costs are charged to the District.

Recommended Budget

The FY 2016-17 budget for Waterworks District No. 1 totals \$159,467 for the water system (01) and \$158,235 for the Wastewater Service (02). The budget reflects the total expenditures associated with Operations & Maintenance, Structure Improvements/Capital Expenses, and Depreciation Expense.

The majority of the District's expenses are associated with maintenance and operations. This category includes supplies and materials, electricity, chemicals, professional services, monitoring, state permits, repair and maintenance expenses, staff expenses for the operator and engineering support staff, and other costs associated with operating the water system. There are also administrative costs incurred by the District, such as costs associated with performing utility billing services and accounting for the District.

The District is under a Compliance Order for arsenic exceedance in the water service program. In order to comply with the order, the District needs to update the water treatment plant. The FY 2012-13, FY 2013-14, and FY 2014-15 budgets that were approved by the District's Board of Directors included expenses associated with an arsenic remediation feasibility study associated with the design of a new water treatment plant incorporating arsenic removal technologies. The Consultant Agreement, which includes design

recommendations, concluded September 2015.

In November 2013, a new monthly water fee of \$70.00 per EDU for water service was adopted by the District's Board of Directors. The new water fee went into effect on January 1, 2014. In March 2016, a new wastewater fee of \$103.50 per Equivalent Dwelling Unit (EDU) was adopted by the District Board of Directors to cover the actual ongoing operations and maintenance costs associated with operating the wastewater services for the District. The new wastewater fee went into effect on May 1, 2016.

Approved services rates do not generate enough operating revenue to cover the non-cash Depreciation Expense of \$126,069 for the wastewater system, or the Depreciation Expense of \$34,452 for the water system. Historically, the replacement costs for infrastructure have been provided by State grants.

Use of Fund Balance

This fund contains a Net Asset Balance in the amount of \$1,334,753 as of July 1, 2015, including long-term loan obligations and investment in fixed assets. It is estimated that the Net Asset Balance will equal approximately \$2,645,674 at July 1, 2016.

Program Discussion

Property Tax Value estimates are established by the Assessor and State Board of Equalization (BOE). These estimates form the basis for property taxes; providing revenue to the county, cities, state, schools and local benefit assessment districts.

Although secondary to establishing property values, the Assessor provides public service to the citizens, other County departments, outside agencies, and the cities by furnishing general information, answering property-related questions, researching ownership, assisting property owners with concerns regarding assessments, providing access to assessor’s maps and property characteristics data, and other related duties.

Throughout the past several fiscal years, the primary focus of this department has been to address declining property values pursuant to the provisions of Section 51 of the Revenue and Taxation Code (commonly referred to as “Prop 8”). Thousands of hours have been invested in order to review nearly every property in the County. This workload on the Assessor’s staff will continue until the real

estate market rebounds significantly. Currently there are in excess of 6,000 properties that are being reviewed annually. As appraisal staff has been processing the roll, staff has seen an increase in the market value of most of the single family homes in Sutter County, which will reflect positively upon the roll. With the improvement of the real estate market in the area, it is now more important than ever for the office to work diligently to help the taxpayers understand the complicated tax assessment process. The Department’s goal is to produce the annual property tax roll accurately and equitably for all Sutter County taxpayers.

During the 2015-16 budget year, another of the staff appraisers took a job as Chief Appraiser for another county leaving the remaining appraisal staff to take on the additional workload. The Assessor’s Office recently filled two Appraiser I positions. Despite the decrease in staffing, the Department has indicated that it will not request an extension to close the roll. Therefore, the FY 2016-17 roll will be delivered to the County Auditor on or before of July 01, 2016.

Looking Forward

Over the past couple of years, the Assessor, Treasurer-Tax Collector, Auditor and General Services – Information Technology division have been working towards a computer processing system designed specifically to be a fully integrated system to serve the Assessor, Treasurer-Tax Collector, Auditor-Controller and possibly the Clerk-Recorder. The Assessor’s Office believes this system is critical to keep pace with current and future demands.

Positions & Impact

The Assessor recognizes that budgetary constraints across the County require ways to be organized and run as efficiently as possible. As such, the Assessor intends to

reorganize some of the office structure without increasing costs to the County. The Chief Appraiser position will be unfrozen and the vacant Assessment Office Supervisor position will be eliminated, along with a vacant Assessment Technician I. The Assessor requests that one Assessment Technician I be promoted to an Assessment Technician II and one Assessment Technician II be promoted to an Assessment Technician III. After much thought and discussion, it is the Assessor's opinion that this will have the least amount of impact upon the County, cities, and citizens of Sutter County. The Assessor's Office will do its best to continue providing service to the public in a courteous and professional manner.

Recommended Budget

This budget is recommended at \$2,034,860. The General Fund provides 99.0% of the financing for the Department, and is decreased by \$9,970 (0.5%) compared to FY 2015-16.

It is recommended that funding be restored for one Chief Appraiser position. To help offset the long-term costs of this addition, it is recommended that one vacant Assessment Office Supervisor position be eliminated and one vacant Assessment Technician I be eliminated. It is recommended that these changes be effective July 1, 2016.

Two promotions within flexibly-staffed positions are recommended - Assessment Technician I to Assessment Technician II and Assessment Technician II to Assessment Technician II both effective July 1, 2016.

Over the years, staff has manually entered positions into the budget system. With the upgrade to ONESolution a reconciliation of the position allocation schedules has been done. For this budget unit, it was discovered that two unfunded eliminated position had not

been removed from the budget allocation table, while it has no net effect on budget it is important to have an accurate reflection of all positions.

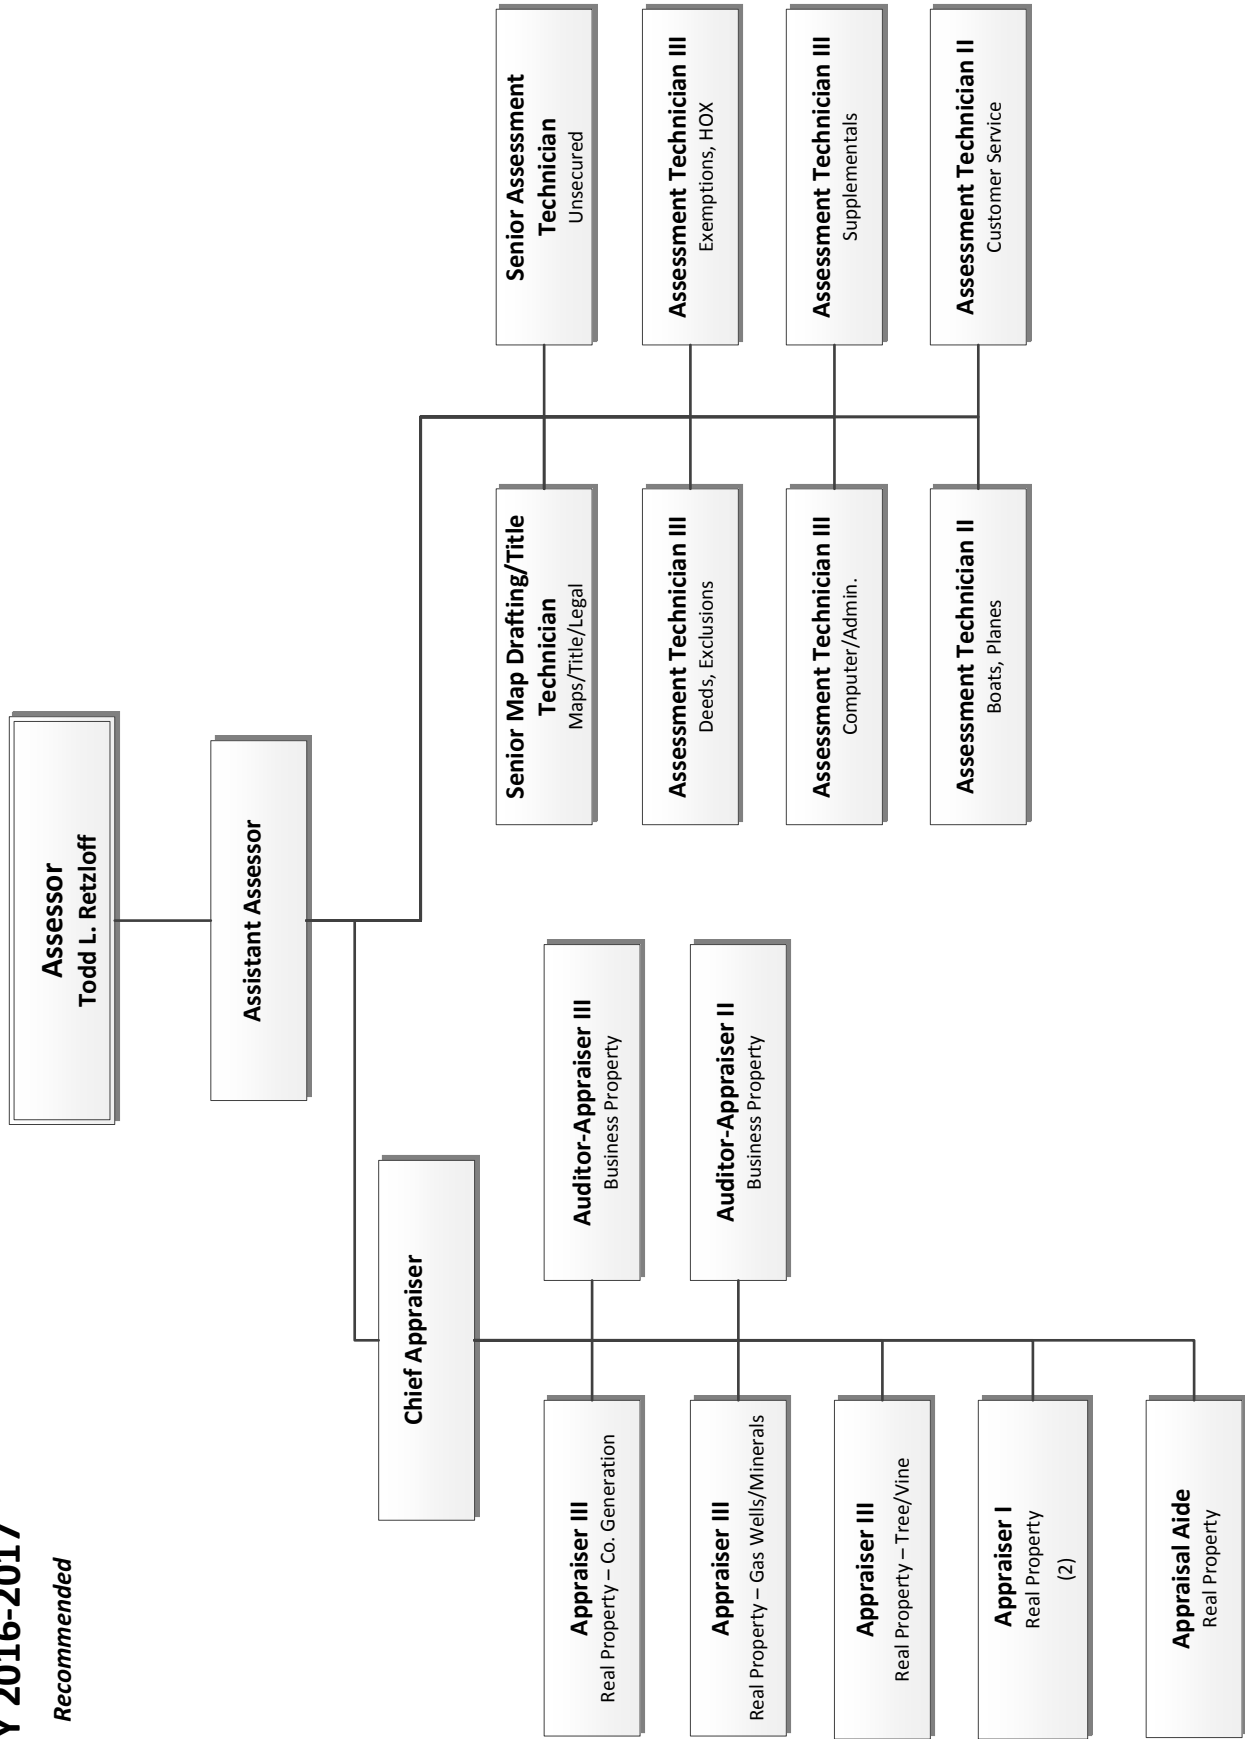

Residual Equity Transfer-Out is budgeted at \$17,745 for payment of the Department's share of the Opterra Energy Efficiency Project. The Administration Building at 1160 Civic Center Blvd had Lighting and HVAC upgrades to help reduce the building's energy usage. In addition, the building will also benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects the Assessor's proportional share of the building's total payment.

There was a significant increase in the Department's unreimbursed cost during FY 2014-15, primarily due to the reduction in the Interfund Transfer-In from the State-County Property Tax Program special revenue fund (0-181). This was first budgeted in FY 2010-11 to offset staff costs, in an effort to avoid further budget reductions in the Assessor's budget unit. With the FY 2014-15 budget, it was recommended that the Interfund Transfer-In be reduced to \$16,000. During FY 2015-16 this amount was again reduced to \$10,500. The funds in this special revenue fund reflect the remaining balance of funds received under the State's former State-County Property Tax Administration Grant Program, which was eliminated by the State Legislature effectively in FY 2006-07. This funding source previously provided additional revenue to augment staffing and for acquisition of new equipment and technology, necessary to enhance staff proficiency and productivity and to eliminate backlogs. As indicated above, these funds have been used recently to offset regular staffing costs in the Assessor's office, but those funds are now virtually depleted. It is anticipated that the remaining balance in the fund will be approximately \$21,100 at July 1, 2016.

Use of Fund Balance

This budget unit is within the General Fund.
The budget does not include the use of any
specific fund balance.

Purpose

The responsibility of the Auditor-Controller, an elected official, is specifically defined under Government Code Sections 26880 - 26886 and 26900 - 26922. Government Code Section 26881 mandates that “The county... auditor-controller shall be the chief accounting officer of the county. Upon order of the board of supervisors, the auditor or auditor-controller shall prescribe, and shall exercise general supervision, including the ability to review departmental and countywide internal controls, over the accounting forms and the method of keeping the accounts of all offices, departments and institutions under the control of the board of supervisors and of all districts whose funds are kept in the county treasury.” Additional authority is conferred upon the Auditor-Controller with respect to working capital funds [internal service funds] by Government Code Section 25260, “The board of supervisors may by resolution create one or more working capital funds. make available such amounts as are necessary to establish each fund and to maintain its solvency. At the beginning of any fiscal year the board may provide by resolution for the transfer of any or all of the moneys in any fund created pursuant to this section or for the abolishment of any such fund... All funds created pursuant to this section shall be accounted for as prescribed by the county auditor or controller.”

The State Controller’s Office requires the Auditor-Controller to sign the county’s cost plan as the “chief accounting officer for the county, normally the county auditor (or auditor-controller), or an authorized deputy” (Handbook of Cost Plan Procedures for California Counties, Section 1420).

The Auditor-Controller is a key part of the internal control process to ensure the accurate compilation of the adopted budget, “It shall be the responsibility of the administrative officer or auditor to revise the recommended budget to reflect the actions of the board

pertaining thereto in developing the adopted budget document” (County Budget Act, Section 29083).

Pursuant to Section 27131 and 27132(b), the Auditor-Controller may serve as a member of the Treasury Oversight Committee, known as the Sutter County Pooled Money Investment Board.

Internal Audit Program

With the sole purpose of focusing on improvements, the internal auditor will evaluate financial and operational processes and alert management to weaknesses making recommendations that result in increased efficiencies and a reduction in losses due to inefficiencies or fraud. With the internal audit division, proactive and preventative steps will be taken to thwart problems before they materialize in order to minimize losses in the future.

Internal audits will reduce county expenditures. Grants that require attestation services may be completed by the internal auditor saving the county costly fees to outside audit firms. Internal audits will improve efficiencies and increase the likelihood of grant funding.

The delay in issuance of the audit report jeopardizes grant funding. The internal auditor will work with departments to improve accounting procedures that will ensure the audit is completed timely. In addition to coordinating the annual external audit, under the supervision of the auditor-controller, the position will also be responsible for managing and updating the county's internal audit policy and performing audits in accordance with the annual audit

plan which will be prepared for approval by the Board of Supervisors.

The auditor-controller in coordination with the internal auditor will provide periodic updates of the progress of the audits to the audit committee and/or Board of Supervisors. Internal audits will support management efforts to establish a culture that embraces ethics, honesty, and integrity – assisting management with the evaluation of internal controls used to detect or mitigate fraud, evaluate the county’s assessment of fraud risk, and be involved in any fraud investigations.

Recommended Budget

This budget is recommended at \$1,590,729. The General Fund provides 96.1% of the financing for this budget unit and is decreased by \$98,523 (6.1%) compared to FY 2015-16. A portion of the costs for this budget unit, estimated by the Auditor-Controller at \$716,738, are recouped through the annual A-87 cost plan.

It is recommended that the Limited Term Account Clerk I position, authorized for FY 2015-16, be authorized through September 2016. This will allow time for the Auditor-Controller to fill the Senior Internal Auditor position, approved by the Board of Supervisors in April 2016, and ensure internal operations are adequately staffed until all permanent positions are filled.

Extra Help funding continues to include \$10,000 to fund approximately 620 hours of an Account Clerk I position to perform data entry duties which had been previously performed by the Computer Operator in the Information Technology Department. This change was first implemented in FY 2011-12.

The Plant Acquisition/Facilities Project Request for FY 2016-17 is not included in the Recommended Budget as an overall plan for the updating of the facility at 463 Second Street needs to be developed. The Auditor-Controller's Office will be included in those plans.

This budget is prepared by the County Administrator's Office.

Major Budget Changes

- \$27,205 General increase due to negotiated Salaries and Benefits

Program Discussion

This budget includes the five Board of Supervisors positions and the costs necessary to support their offices' operation.

In addition to receiving information and making decisions on hundreds of agenda items annually, members of the Board of Supervisors sit on a combined 40 committees dealing with issues ranging from regional transportation and flood protection to senior services and solid waste management. From July 1, 2015 through May 24, 2016, Supervisors acted on more than 653 agenda items, and are likely to reach the 700 mark by the end of the fiscal year.

Public Safety is a major focus for the Board of Supervisors. As a founding member of the Sutter Butte Flood Control Agency, two members of the Board of Supervisors sit on the SBFCA Board, which broke ground in June of 2013 on the first phase of a 44-mile levee rehabilitation project along the west

Board of Supervisors (1-101)

bank of the Feather River. The effort is currently on track for completion in 2016, although the construction work has disturbed several Native American burial sites requiring determination of proper disposition of the remains. SBFCA will continue to work closely with the California Native American Heritage Commission and the U.S. Army Corps of Engineers in a good faith effort to resolve conflicting priorities, concerns, and laws.

The Sutter Forward committee, formed in 2013 to focus on economic development, continued its work in FY 2015-16. Two Supervisors serve on the committee, which is focusing its efforts on creating capacity for industrial development along Highway 99 between Yuba City and Live Oak as a priority economic development strategy.

In FY 2015-16, the Board accomplished the following:

- The Board appointed an interim CAO, Curtis R. Coad, when the former CAO's contract expired. Mr. Coad, a former Sutter County Assistant County Administrator, returned to Sutter County to head administrative efforts while the Board finds a permanent executive officer.
- As part of the process for recruiting a CAO, the Board conducted two strategic planning sessions in which department heads and Supervisors met in informal sessions to develop a vision for the County and to list the qualifications they would like to see in a chief executive.
- As part of a regional effort to address homelessness issues, the Board of Supervisors conducted a study session to review the current situation. The Human Services Department and several homeless service providers participated

in the study session. Several residents also expressed their opinions.

- Two years after adopting its first marijuana cultivation ordinance, the Board revised the ordinance, limiting grows to an 80 square foot area of an enclosed, ventilated structure not attached to a house, and requiring a permit. For the first time, the Board created a Code Enforcement Officer position to process marijuana ordinance complaints and other code enforcement issues in the County.
- The Board created the position of Senior Internal Auditor to help departments comply with grant requirements and to add a layer of internal oversight. Although there has not been an internal auditor position in more than 25 years, external audits have been conducted each year.
- The Board authorized participation in the Public Agency Retirement Services (PARS) Joint Benefits Trust program to begin prefunding pension and other employment benefit obligations.
- The Board held a series of joint meetings with the Sutter County Planning Commission to discuss proposed changes to the County's Land Use Ordinance to bring it into compliance with the General Plan. Discussion areas included truck parking, signage in the rural area, small businesses, and the Highway 99 corridor between Yuba City and Live Oak which is to be a focus of potential future industrial development.
- Throughout the year, the Board continued to renew its official drought declaration as the County is in a state of local emergency. The Board asked residents and businesses to voluntarily

Board of Supervisors (1-101)

cut water usage by 20 percent. The statewide drought is in its fourth year and threatens to continue.

- The Board of Supervisors hosted its second high school speech contest. The *Public Business from the Floor Speech Contest* required participants to speak for no longer than three minutes to the Board of Supervisors about topics of interest to Sutter County. Nine students from four high schools participated. The Active 20-30 Clubs of Marysville-Yuba City contributed \$750 in cash prizes.
- Recognizing that obesity occurs at alarming rates in Sutter County, the Board of Supervisors challenged residents to participate in the Big2Little Weight Loss Challenge. Approximately 450 people signed up to participate in the challenge, and more than 110 carried through on the effort and weighed in after three months.

This budget is recommended at \$369,731, which is an increase of \$39,429 (11.9%) compared to FY 2015-16. The General Fund provides 100% of the funding for this budget unit.

Elections that are administered for other entities are consolidated with countywide elections, and the County is reimbursed for the other jurisdictions' proportionate share of costs.

There is one election anticipated for this year which is the November 2016 Presidential General Election. Costs for Presidential General Elections are high due to the increased number of registered voters, and higher voter turnout.

Goals for FY 2016-17 in addition to the primary goal of conducting the election, include increasing voter registration, and increasing online voter services.

Recommended Budget

This budget is recommended at \$867,261, which is an increase of \$56,421 (7.0%) over FY 2015-16. The General Fund provides 58.7% of the financing for the Clerk-Recorder's Department and is increased in the Elections budget unit by \$47,321 (6.4%) compared to FY 2015-16.

Previous budgets have included funding for smaller, less frequent landowner and utility district elections (UDEL). This budget does not include funding for these elections. specified portion of these fees are set aside into special revenue funds for specific recorder projects. These special revenue funds and their purposes are: 1) the Micrographic Fees Fund (0-237), which funds the cost of converting the document storage system to micrographics, 2) the County Recorder Upgrading Fee Fund (0-232), which funds the support, maintenance, improvement and provision of the Recorder operation for modernized creation, retention, and retrieval of information in the County's recorded document system, 3) the Vital Statistics Trust Fund (0-288), which funds the modernization of vital records operations, and 4) the Social Security Truncation Program Fund (0-280), which funds the redaction of social security numbers on recorded documents. A small portion of the budget is funded by the General Fund to cover the mandated no fee recordings on behalf of other governmental agencies and County departments.

Recommended Budget

This budget is recommended at \$607,470, which is an increase of \$46,904 (8.4%) over FY 2015-16. The General Fund provides 58.7% of the financing for the Clerk-Recorder's Department and is increased in the Recorder budget unit by \$16,164 (50.0%) compared to FY 2015-16.

The recommended budget includes the addition of one Office Assistant I position to be split between the County Recorder budget unit (0.6 FTE) and the County Clerk budget unit (0.4 FTE). This position is partially funded with a decrease in Extra Help costs and an increase in Passports revenue and Other Charges Current Services revenue in the County Clerk budget unit. It is recommended the position be authorized to be filled as of July 1, 2016.

The recommended budget maintains one frozen and unfunded Deputy Clerk-Recorder position, which was defunded in FY 2011-12.

Program Discussion

The County Clerk budget unit funds the County Clerk operations, which include the acceptance of Passport applications, Fictitious Business Name Statements, as well as marriage licenses and ceremonies.

As the local post offices ceased processing of passports, demand has increased substantially, resulting in the request for an Office Assistant I position to be split between the County Clerk and Recorder budget units. Sufficient increased revenue over last fiscal year covers the increase in salary and benefits for this position.

Purpose

The County Administrative Officer (CAO) is appointed by the Board of Supervisors to manage the day-to-day operations of the County and to provide staff support to the Board of Supervisors. The duties of the CAO and his staff include attending all Board meetings; providing policy recommendations for matters being considered by the Board; preparing and submitting the annual recommended County budget to the Board of Supervisors; and monitoring the fiscal condition of all County departments. Additionally, the CAO assists the Board in administering policy, including managing County operations to ensure overall effectiveness. This department is also responsible for representing the Board of Supervisors to other jurisdictions such as the Cities of Yuba City and Live Oak, neighboring counties, and the State of California. In addition, the CAO acts as

Executive Officer to the Local Agency Formation Commission (LAFCO).

Major Budget Changes

Salaries & Benefits

- (\$62,559) General decrease due to staff turnover and expected vacancies

Residual Equity Transfer-Out

- \$5,467 Increase in Operating Transfer Out related to implementation of the Opterra Energy Efficiency Project offset by an anticipated reduction in Utilities expense

Program Discussion

The County Administrative Office is the administrative arm of the Board of Supervisors. The CAO provides leadership and guidance in the implementation of the policies of the Board of Supervisors. The CAO analyzes issues and makes recommendations to the Board regarding the administration and operation of County departments and programs. The CAO and staff coordinate and oversee the County budget and monitor the use of financial and human resources. The Public Information Officer, housed within the CAO's Office, provides public communications, media relations and related support to all departments, and specialized public information assistance regarding emergency events.

The CAO's Office oversees the SB 90 state mandate reimbursement contract, and approves interdepartmental rates charged to departments by the Information Technology and Fleet Services internal service funds.

The CAO's Office also prepares and administers the budgets for Non-Departmental Expenses (1-103), General Revenues (1-209), Contingency (9-900), Subsidy Requests (7-202), three Court-related budgets (2-109, 2-110, and 2-112), the Board of Supervisors (1-101), Economic Development Block Grant funds, the nine County Share budgets representing the County General Fund contributions to other funds, and other special revenue funds not specifically under the purview of another department.

Major projects in FY 2015-16 included:

- In conjunction with County Counsel, the Development Services Department and

the Human Resources Department, developed and implemented a Marijuana Ordinance and Code Enforcement program to define how Sutter County will handle issues related to marijuana, including cultivation and complaints.

- Continued coordination with the Counties of Yuba and Colusa to plan and construct the new Tri-County Regional Juvenile Rehabilitation Facility, to replace the existing aging Bi-County Juvenile Hall.
- The County successfully transitioned to the San Joaquin Valley Insurance Authority Joint Powers Authority for the administration/provision health, dental, and vision insurance, saving the County well over \$1 million over prior year costs, and avoiding anticipated cost increases in FY 2015-16.

The County Administrative Office goals for FY 2016-17 include:

- To work with the Board of Supervisors and all County departments to successfully develop a strategic plan, including recruitment of a new County Administrative Officer.
- To continue collaboration with the Counties of Yuba and Colusa toward the design and construction of the Tri-County Regional Juvenile Rehabilitation Facility.
- To continue coordination with the Information Technology Department on the implementation of the new budgeting module provided through the countywide SunGard project, and develop appropriate training for County staff that use the budget system. The implementation of a new countywide budgeting system will

be a primary focus for County Administrative Office staff in FY 2016-17.

Recommended Budget

This budget is recommended at \$1,049,131. The General Fund provides 100% of the financing for this budget unit, and is decreased by \$50,103 (4.6%) compared to FY 2015-16. A portion of the costs for this budget unit are recouped through the annual A-87 Cost Plan.

Residual Equity Transfer-Out is budgeted at \$5,467 for payment of the Department's share of the Opterra Energy Efficiency Project. The Administration Building at 1160 Civic Center Blvd had Lighting and HVAC upgrades to help reduce the building's energy usage. In addition, the building will also benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects the County Administrator's Office proportional share of the building's total payment.

The County Administrative Office assumed oversight responsibility for the Human Resources and Emergency Services functions of the County in FY 2014-15. Due to continued budget constraints and other needs within the County, it is recommended that no position be added back to this budget unit in this fiscal year. Therefore, it is recommended that the Human Resources function of the County remain assigned to the County Administrative Office for FY 2016-17 with no additional staff within the Human Resources Department to augment the related functions.

The County Administrative Office will also continue to oversee the Emergency Services budget unit in FY 2016-17, including oversight of the inter-related functions of Risk Management and Loss Prevention Services. The Recommended Budget and Organization Chart reflect these assignments.

The budget continues to maintain the Senior Analyst position as vacant and unfunded. This position was first left vacant and unfunded in FY 2010-11.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Program Discussion

As indicated above, this budget unit finances certain general service costs of County government, which are not readily allocated to any specific department. Typical costs financed by this budget unit include

professional services for legislative advocacy and conducting the annual independent audit of County government finances.

This budget unit includes \$7,500 for an annual employee appreciation event. Funding for the event was reinstated in FY 2013-14. It is anticipated that the event will be produced at minimal expense.

This budget unit also includes \$11,841 to pay for a portion of the Yuba City Unified School District's annual assessment from the Sutter Butte Flood Control Agency, pursuant to a 2010 agreement.

Revenues include an Interfund transfer from non-General Fund departments to pay for their proportionate share of the annual County financial audit.

Recommended Budget

This budget is recommended at \$1,844,561. The General Fund provides approximately 97.8% of the financing for this budget unit and increased \$1,257,033 (229.5%) over FY 2015-16.

Audit Fees are recommended at \$85,000 for annual Independent Audit costs. This will be the third year of a three-year contract.

The Professional and Specialized Services account is recommended at \$145,000, and includes \$10,000 for the Management Training program along with other general contract services currently in place or which may be required during the year.

The Contribution to Other Agencies account continues to reflect the County's contribution to the Area 4 Agency on Aging (pursuant to a current Joint Powers Agreement).

The Contribution to Other Agencies account also reflects the \$52,000 annual contribution to the Yuba Sutter Economic Development Corporation, which was moved to the NDE budget unit from the Subsidy Request budget unit (7-202) in FY 2013-14.

The Contribution to Other Agencies account reflects \$1,000,000 anticipated to be invested with Public Agency Retirement Services (PARS). PARS enables the County to establish a Pension Benefits Trust Fund and an Other Post-Employment Benefits (OPEB) Trust Fund in order to pre-fund a portion of unfunded pension and OPEB actuarial liabilities. Investment in PARS as a Section 115 Trust is enabled by Government Code 53216.1.

Interfund transfers include \$310,000 to reflect Sutter County's proportional share of the Tri-County Regional Juvenile Rehabilitation Facility Construction Project. This amount is budgeted to be transferred to the Juvenile Hall (2-309) budget unit for payment to Yuba County.

Intrafund Transfers include a negative \$5,000 (essentially a revenue) in Intrafund Rents/Leases related to the Farm Advisor's building lease. This account is budgeted each year.

Use of Fund Balance

Increases in Obligated Fund Balance are recommended at \$107,418:

- \$5,000 is recommended to be placed in the Committed Fund Balance for Farm Advisor/Ag Building account (#31205). This designation will be used to offset costs for any future improvement to or replacement of the joint Agricultural

County Administrative Office

Commissioner/Farm Advisor facility.

- \$25,000 is recommended to continue to fund the Telephone System Equipment Replacement reserve account (#31214) over time. These funds are cancelled and used when General Fund departments require major phone system repair, replacement, or improvement.
- \$77,418 is recommended to be placed in the Committed Fund Balance - OPEB account (#31227) as a reserve to reflect the annual amortized cost for OPEB costs. This funding mechanism was established in FY 2012-13.

In the Recommended Budget, the estimated undesignated fund balance expected to be available is included in the General Revenues budget. These general revenues finance the "Unreimbursed Cost" of all other budget units within the General Fund.

This budget is prepared by the County Administrator's Office.

- \$15,000 Increase in interest revenue

Program Discussion & Recommended Budget

The estimate for the General Revenue category (including Intrafund revenue) is \$38,100,941, which is an increase of \$1,565,475 (4.3%) compared to the FY 2015-16 Adopted Budget.

The increase is primarily due to two increases in two primary sources of General Fund revenue: (1) an increase in secured property tax; and (2) an increase in property tax in-lieu of vehicle license fee revenues.

The County's three major General Revenues have traditionally been the property tax, the sales tax, and the motor vehicle in-lieu payments from the State. However, significant changes occurred in FY 2004-05 regarding how two of these major revenue streams, the sales tax and the motor vehicle in-lieu (MVIL) payments, are received from the State.

The voter approved Proposition 57 (The Economic Recovery Bond Act, 2004), implemented a set of transactions, also known as the “Triple Flip,” whereby a share of revenues that had previously appeared under the Sales and Use Taxes account are now shown in the related In-Lieu Local Sales and Use Tax account. The amount that each county receives for In-Lieu Local Sales and Use Tax is provided each year by the State Controller’s Office. This “temporary” shift of revenues by the State was to last until all revenue bonds issued by the State, pursuant to Proposition 57, were paid off. As planned, the Triple Flip ended in FY 2015-16 with the final payment expected in June 2016. The Bradley-Burns local tax rate was returned to the full 1 percent on January 1, 2016.

For FY 2016-17, the In-Lieu Local Sales and Use Tax account has been budgeted at \$0, while the Sales and Use Taxes account has been increased by \$837,324. These changes have been implemented due to the end of the Triple Flip and the return of the full 1% Bradley-Burns local tax rate.

Prior to 2004, a primary source of revenue for California counties was the motor vehicle in-lieu. Due to the voter approved Proposition 1A (Protection of Local Government Revenues Act of November 2004), the State now receives the motor vehicle in-lieu revenues and have “swapped” that revenue for property tax. That revenue is budgeted in the Property Tax In-Lieu – Vehicle License Fee account. The intent of Prop 1A was to protect revenues collected by local governments (cities, counties, and special districts) from being transferred to the California state government for statewide use. This was a permanent change to the County-State relationship regarding these revenues, and the County will continue to receive Property Tax revenues in lieu of

County Administrative Office General Revenues (1-209)

Curtis R. Coad
Interim County Administrative Officer

MVIL. Property Tax In-Lieu - Vehicle License Fee revenues are calculated each year by a formula determined by the State Controller's Office. It should be noted that these In-Lieu Property Tax revenues are not related to, nor should they in any way impact, the amount received in the Property Tax – Secured account.

For FY 2015-16, property tax revenues (including secured, unsecured, and property tax in lieu of Motor Vehicle License Fees) are projected to be approximately \$24.4 million. This represents a combined increase of \$1,748,000, or 7.7%, from the FY 2015-16 Adopted Budget. Estimates for property tax and related revenues have been developed based on an evaluation of estimates and projections received from the Auditor-Controller's Office and developed jointly by the County Administrative Office and the Auditor-Controller's Office. While it appears that revenues are increasing, estimates for improvements in property tax revenues remain comparatively conservative. The County Administrative Officer and the Assessor estimate that secured property tax revenue will increase by 1.1% over FY 2015-16 actual receipts based on recent market activity. These estimates represent an increase of 6.9% over two years based upon FY 2014-15 actual receipts.

The Auditor-Controller's Office has provided the County Administrative Office with estimates indicating that current supplemental property tax revenue, current unsecured property tax revenue, and other related revenues will increase for FY 2015-16. As mentioned previously, these estimates were developed jointly and agreed upon by the Auditor-Controller's Office and County Administrator's Office. The recommended revenue amounts, based on recent and historic activity, are slightly less

conservative in nature compared to the County's past budgeting approach.

The budget for sales and use tax revenue, including in-lieu revenue, is recommended at approximately \$3.3 million. Sales tax based revenues declined substantially in FY 2008-09 and FY 2009-10; however, the decline in sales tax revenues appears to have leveled off starting with FY 2011-12. Sales and Use Tax has remained flat from FY 2013-14 through FY 2014-15. Due to the ending of the Triple Flip, it is difficult to project Sales and Use Tax for FY 2016-17. However, the current estimate of \$3.3 million represents a 4.3% increase compared to the FY 2015-16 Adopted Budget. Sutter County has averaged an increase of 5.5% for sales and use taxes over the past three completed fiscal years (FY 2011-12 through FY 2014-15).

The County receives Franchise Fee revenue from three sources: PG&E, Recology Yuba-Sutter, and Comcast, with the majority of the fee revenue coming from PG&E. Because the PG&E franchise fee is tied to electric and gas use, this revenue source fluctuates from year to year. However, overall, Franchise Fee revenue from PG&E has gradually declined over the past three years. Total franchise fee revenue is budgeted at \$1.25 million, a decrease of \$50,000 (3.8%) compared to FY 2015-16.

Revenue from Interest earned on monies held by the General Fund in the pooled treasury has decreased substantially over the past five years. This decrease is primarily due to the combination of a decrease in the general fund balances held in the pooled treasury and a general decrease in the overall pooled treasury interest rate. However, projections for FY 2015-16 show a slight increase in this

County Administrative Office General Revenues (1-209)

Interim County Administrative Officer

revenue and therefore, the FY 2016-17 estimate for Interest revenue is increased by \$15,000 to \$265,000.

The estimated available Fund Balance from FY 2015-16 is \$4.65 million. This represents carry-forward monies generated from on-going County operations which can be, and need to be, used to fund on-going County expenditures. This represents an increase of approximately \$1.65 million from the amount that was budgeted to be available in the FY 2015-16 Recommended Budget.

It should be noted that the actual estimated available Fund Balance will not be known until the financial books of the County are closed by the Auditor-Controller and it is likely that the actual fund balance will differ from what is included in this recommendation. At this time, it is anticipated that any change in Fund Balance available that results from the closing of the County books at year-end will be adjusted to increase Unassigned Fund Balance in the General Fund. If significantly less revenue is received than anticipated, staff will return to the Board of Supervisors with revised recommendations.

Use of Fund Balance

The Board of Supervisors established the Designation for Williamson Act Subvention in 2004 as a means of accumulating and saving these State subvention revenues for the purpose of using the funds to offset any future decline or elimination of the subvention in the State budget. The subvention was effectively eliminated by the State in 2009. The County is no longer entering into new contracts, but is renewing existing contracts with a nine (9) year term. Therefore, it is recommended that \$51,150 of

the Committed Fund Balance for Williamson Act Subvention account (#31217), be cancelled in FY 2016-17 to offset the loss of that revenue source.

It is recommended that \$192,000 held in the General Fund's Committed Fund Balance Designated for Capital Projects account (#31265) be liquidated to cover the cost of four (4) replacement vehicles for the Sheriff's Department. These vehicles have historically been purchased from current year revenues. In recent years, due to budget constraints, the Sheriff had also purchased a portion of the limited number of replacement vehicles using Special Revenue Fund monies.

It is recommended that \$100,000 held in the General Fund's Committed Fund Balance Designated for Capital Projects account (#31265) be liquidated to cover potential General Fund costs associated with anticipated, pending, or existing litigation. This expenditure is included in the County Counsel budget unit (1-301); funds are available for use only for the specified purposes.

It is recommended that \$45,000 held in the General Fund's Committed Fund Balance Designated for Capital Projects account (#31265) be liquidated to cover potential General Fund costs associated with one-time expenses for development and water management related contracts. This expenditure is included in the Development Services Planning and Building budget unit (2-724); funds are available for use only for the specified purposes.

It is recommended that \$437,035 held in the Committed Fund Balance Designated for Capital Projects account (#31265) be

County Administrative Office General Revenues (1-209)

Interim County Administrative Officer

liquidated in FY 2016-17 to fund the cost of General Fund projects in the Plant Acquisition budget unit (1-801).

It is recommended that \$12,000 held in the Committed Fund Balance – Transient Occupancy Tax account (#31245) be cancelled in FY 2016-17 to fund the replacement of the ceiling in Whiteaker Hall. This project is discussed in the Plant Acquisition budget unit (1-801).

It is recommended that \$6,175 held in the Committed Fund Balance – Farm Advisor/Agriculture Building account (#31205) be cancelled in FY 2016-17 to fund the painting of the Farm Advisor offices. This project is discussed in the Plant Acquisition budget unit (1-801).

It is recommended that \$100,935 held in the General Fund's Committed Fund Balance Designated for Future Pension Cost Increases be cancelled to offset the increase in required contributions to CalPERS for FY 2016-17. This fund was established by the Board of Supervisors in FY 2012-13 for the purpose of reducing the impact to the General Fund that would result from anticipated PERS Retirement plan cost increases resulting from recent actions by the CalPERS Board of Directors. The current balance of this account is \$272,690. The recommendation is the same as the prior year's recommendation and allows the County to maintain sufficient funds available to help offset additional increases anticipated to impact counties and other public agencies in FY 2016-17 as a result of additional actions by the CalPERS Board.

It is recommended that \$83,710 held in the General Fund's Committed Fund Balance Designated for Future Vehicle Replacement be used in FY 2016-17 to fund the purchase of vehicles for General Fund funded departments. These vehicle purchases are discussed in the individual budget units.

This year, no Obligated Fund Balance monies are recommended to be liquidated to meet on-going financing requirements.

The total Cancellation of Obligated Fund Balance, from all accounts, in the General Revenues budget unit for FY 2016-17 is recommended at \$2,407,042.

Purpose

These funds are appropriated to be available for unanticipated expenses or unanticipated revenue shortfalls in the County General Fund. Transfers of funds from contingency accounts require approval by a 4/5ths vote of the Board of Supervisors.

This budget is prepared by the County Administrator's Office.

Program Discussion

The General Fund Contingency budget is used for unanticipated requirements occurring in all General Fund related County operations during the fiscal year. It acts as a hedge against unanticipated adverse state and federal budget actions, may fund mid-year employee salary and benefits adjustments, and provides funds for unanticipated needs that may occur during the course of the fiscal year. The recommended amount of \$864,112 represents approximately 1% of recommended total General Fund expenditures, plus \$250,000 for possible health insurance increases that are yet to be determined.

The zeroes shown in the "Actual" columns for prior years can appear misleading. To avoid double-counting of expenditures within the General Fund, the Auditor-Controller's Office reduces the budgeted amount in the Contingency Reserve and adds to the budgeted amount in the receiving budget unit when a transfer is made or, if additional funding comes into a fund other than the General Fund, the Contingency Reserve is increased.

As of May 10, 2016, the Adjusted Budget for FY 2015-16 shows \$592,962 available instead of the \$550,000 originally recommended for that fiscal year. Some actions during the year increase the Contingency fund, while other draw on, or reduce, the Contingency. Any funds not transferred out of Contingency during a given fiscal year remain in the General Fund and are available for appropriation in the following year.

County Administrative Office Contingency (9-900)

Recommended Budget

The recommended Appropriation for Contingency is \$864,112 and is increased by \$334,181 (63.1%) when compared to FY 2015-16.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Program Discussion

The Emergency Management Division is responsible for developing and maintaining plans in preparation for emergencies, assisting in the coordination of responses to emergencies, and pursuing assistance in the process of recovery from emergencies. This includes the incorporation of the National Incident Management System (NIMS), the National Response Framework (NRF) and the Standardized Emergency Management System into these plans. It acts as the primary liaison between the State and the County for general mutual aid purposes (law enforcement and fire having their own mutual aid systems), and administers related grant programs.

As the local Operational Area Coordinator, the Emergency Operations and Loss Prevention Manager (EOM) coordinates and/or provides training emergency operations personnel, and disaster services workers to ensure preparedness. The Operational Area Coordinator assists the cities of Yuba City and Live Oak, Special Districts, and Private/Non-Profit Organizations with emergency mitigation, preparedness, response, planning, and recovery activities.

The Emergency Operations and Loss Prevention Manager is also responsible for

managing identified countywide safety efforts, which overlap with countywide emergency management and communication duties.

There are currently two active programs within the Emergency Management Division: Administration and Grants Management.

Administration

The Emergency Operations and Loss Prevention Manager coordinates training and operational exercises for County personnel, develops public awareness programs in conjunction with the County Public Information Officer, and develops the basis for cooperation with other jurisdictions in preparing for the response to emergency situations. Management of identified countywide safety efforts, which overlap with countywide emergency management and communication duties, was added to this program during FY 2014-15.

Grants Management

Grant programs are actively sought for funding to supplement County resources. Grants can often be used for the purchase of incident response equipment, preparedness assessment activities, public education programs and the training of personnel in response to a disaster.

Current grants include:

Emergency Management Performance Grant (EMPG) - Funds are used to offset the salary of the OEM and the expenses associated with the day-to-day operations of the Office of Emergency Management. This is a 50/50 match of funds from the County and EMPG grant. These funds contribute to the County's ability to prevent, prepare for, mitigate,

respond to, and recover from emergencies and disasters.

2015 Homeland Security Grant – \$172,501 has been budgeted in FY 2016-17 for purchases to be made by the City of Yuba City Police and Fire Departments, Sutter County Public Health, Sutter County Fire and Sutter County Sheriff and Sutter County OEM. There are no related General Fund Costs.

Recommended Budget

This budget is recommended at \$393,896, which is an increase of \$129,523 (49.0%) over FY 2015-16. This budget unit is within the Public Safety fund; however, it is considered to be funded primarily by the General Fund, which provides 28.3% of the financing for this budget unit. This is an increase of \$39,828 (55.7%) compared to FY 2015-16. The increase is primarily related to the retirement and subsequent deletion of the Emergency Operations Manager position and the hiring of the Emergency Operations and Loss Prevention Manager position.

For FY 2015-16, the division is staffed by an Emergency Operations and Loss Prevention Manager Position allocated at 0.7 FTE in this budget unit and 0.3 FTE in the Liability Insurance ISF budget unit (4-590). The Public Information Officer Position allocation is recommended to remain at 0.2 FTE in this budget unit.

The remaining thirty percent (0.3 FTE) of the Emergency Operations and Loss Prevention Manager's 1.0 FTE allocation for FY 2016-17 will be dedicated to managing identified countywide safety efforts, which overlap with countywide emergency management and communication duties. The County is eligible for reimbursement for these duties, and any revenue received will be deposited into the Refund account within the Liability Insurance ISF budget unit.

Use of Reserves/Designations

The budget unit is within the Public Safety Fund. The budget does not include the use of any specific fund balance.

Purpose

The Human Resources Department is a centralized merit systems agency providing personnel and human resources management services to County departments.

Major Budget Changes

Services & Supplies

- (\$15,000) Decrease in Professional and Specialized Services related to reduction in investigation fees being directly billed to departments
- (\$6,000) Decrease in Professional and Specialized Services related to flexible spending account administration fees being covered by SJVIA premium

- (\$48,596) Decrease in Interfund Information Technology charges as provided by the General Services Department
- (\$34,475) Decrease in Interfund Projects costs related to the implementation of the IFAS Personnel/Payroll system

Residual Equity Transfer-Out

- \$3,395 Increase in Operating Transfer Out related to implementation of the Opterra Capital Project offset by an anticipated reduction in Utilities expense

Program Discussion

The FY 2016-17 budget reflects costs to provide the following centralized services to all County departments: labor relations; recruitment and certification for selection; review of and compliance with non-discrimination laws; health insurance and benefit administration; classification and salary analysis; administration of personnel rules and regulations; County-wide training; deferred compensation administration; unemployment insurance administration; and a variety of other compliance programs relating to personnel which are mandated by law. The risk management and loss prevention management functions of Human Resources are contained in the Workers Compensation and Liability budget units.

Costs related to specialized recruitments and classification and compensation studies are contained in the Professional/Specialized Services account.

Recommended Budget

This budget is recommended at \$682,879, which is a decrease of \$100,850 (12.9%) compared to FY 2015-16. The General Fund provides 96.3% of the financing for this budget unit and is decreased by \$101,661 (13.4%) compared to FY 2015-16. A portion of the costs for this budget unit are recouped from outside and subvented funds through the annual (A-87) Cost Plan.

This recommended budget reflects the continued elimination of the Human Resources Director position. The Human Resources function of the County was reassigned to the County Administrative Office for FY 2014-15. It had been anticipated that a lower-level Human

Resources manager position would be added back to the budget once County revenues increased sufficiently. However, due to continued budget constraints and other needs within the County, it is recommended that no position be added back to this budget unit in this fiscal year. The Director position had historically been included in both the Human Resources (1-401) budget unit (80%) and the Workers' Compensation (4-591) budget unit (20%). There is no recommendation to allocate County Administrative staff to the Human Resources budget unit. However, 10% of the County Administrative Officer position has been included in the Workers' Compensation budget unit. The organizational structure of the department will continue to be evaluated during FY 2016-17.

It is recommended that the Extra Help budget remain defunded for FY 2016-17. The Department has been closed to the public during the noon hour (from 12:30 p.m. to 1:30 p.m.) due to the loss of extra-help front desk assistance in FY 2012-13.

The Department is reducing its Professional and Specialized Services expenses by \$21,000. This amount reflects a decrease in flexible spending account administration fees (this cost is included in insurance premiums with SJVIA) and a decrease in investigation fees as departments for whom the investigations are being conducted are funding the cost of outside investigators as needed.

Contract negotiations will take place with all bargaining units in FY 2016-17 and the department will request additional funding if necessary once a negotiator and cost has been determined.

County Administrative Office Human Resources (1-401)

Curtis R. Coad

Interim County Administrative Officer

Residual Equity Transfer-Out is budgeted at \$3,395 for payment of the Department's share of the Opterra Energy Efficiency Project. The Administration Building at 1160 Civic Center Blvd had Lighting and HVAC upgrades to help reduce the building's energy usage. In addition, the building will also benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects the Human Resource's proportional share of the building's total payment.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Purpose

This budget unit finances miscellaneous insurance costs for the following areas: Property insurance; employee bond and crime insurance; automobile physical damage; construction equipment physical damage; watercraft physical damage and liability; and boiler and machinery physical damage.

The primary factor driving the General Insurance and Bonds budget is the cost of maintaining the various insurance programs together with the associated costs to administer these programs in a cost effective and efficient manner.

Major Budget Changes

There are no major budget changes for this fiscal year.

The County of Sutter self-insures for Property Insurance through Trindel Insurance Fund up to \$5,000, per occurrence. Losses exceeding these limits are covered by an excess insurance policy purchased through the California State Association of Counties-Excess Insurance Authority (CSAC-EIA), by way of Trindel Insurance Fund. The County also has a \$10,000,000 Faithful Performance Bond, and a \$10,000,000 Money and Securities Bond with a \$25,000 deductible each. A recent actuarial evaluation performed by Bickmore Risk Services found the County's self-insurance reserves, through Trindel Insurance Fund, to be adequately funded.

Program Discussion

This budget unit is used solely to finance miscellaneous general insurance costs. General insurance premium costs are charged to County departments using the Interfund and Intrafund General Insurance and Bonds accounts.

In the case of the FY 2016-17 General Insurance and Bonds budget, the change in actual annual premiums is negligible, and for all intents and purposes is consistent with the FY 2015-16 Adopted Budget.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Recommended Budget

This budget is recommended at \$79,673 (when Intrafund revenue is included). This results in an increase of \$2,278 (2.9%) over FY 2015-16.

There are no other changes recommended in this budget unit. Because this budget unit reflects only the cost of insurance premiums which are provided to the County by the carrier, there is no practical ability for the County to affect budget reductions in this budget unit in the short-term.

Purpose

This budget represents the County's share of cost for the operation of the Sutter Animal Services Authority (SASA), a joint agency of the cities of Live Oak and Yuba City, and Sutter County, established for the purpose of providing efficient and cost effective animal control services.

SASA is responsible for enforcing local, state, and federal laws and regulations pertaining to animals and their care for all member jurisdictions. Providing for the health and welfare of animals (as well as the welfare of people in contact with animals) is accomplished by administering a mandated rabies control program, impounding stray or vicious/potentially dangerous animals, monitoring a quarantined animal program and responding to complaints of cruelty, neglect, and the inhumane treatment of animals.

The Animal Shelter cares for sick and injured animals, shelters animals no longer in the care of their owners, returns impounded animals to their owners, secludes potentially sick or dangerous animals from other animals for quarantined periods of time and adopts out animals to new families.

In November 2011, Sutter County and the cities of Live Oak and Yuba City entered into a Joint Powers Agreement (JPA) to form the Sutter Animal Services Authority (SASA) with Sutter County designated as the lead agency for operations and Yuba City designated as the lead agency to construct a new facility. The agreement specified that, at the completion of construction, the County's historical management of Animal Services operations would transfer to Yuba City.

The City of Yuba City assumed lead agency responsibility in July 2013. The new facility was completed in August 2013.

Major Budget Changes

Salaries & Benefits

- \$5,602 General increase due to negotiated Salaries and Benefits (reimbursed by City of Yuba City)
- (\$2,000) Decrease in Overtime for employees assigned to SASA (reimbursed by City of Yuba City)
- \$22,174 Increase in Workers' Compensation costs (paid by Sutter County) as provided by the Human Resources Department

Other Charges

- \$28,986 Increase in Contribution to Other Agencies based on Sutter County's share of the SASA budget

Intrafund Transfers

- (\$13,137) Net decrease in residual Intrafund Overhead (A-87) costs as provided by the Auditor-Controller's Office

Program Discussion

The recommended budget reflects the County's proportionate share of the SASA operating budget, along with residual County costs that will not be shared by the other jurisdictions.

By agreement, the three jurisdictions represented by the Board will budget the

responsibility of operational expenses for FY 2016-17 as follows:

City of Yuba City	69%
Sutter County	22%
City of Live Oak	9%

The County and City of Yuba City entered into an Employee Services Agreement in 2013 in order to retain existing County employees and allow them to continue to provide services to Animal Control Services, as the lead agency responsibilities transferred from Sutter County to the City of Yuba City. Therefore, SASA shelter and field services are staffed with a combination of Yuba City employees and Sutter County employees, pursuant to the Employee Services Agreement. There are currently three Sutter County employees under this Agreement. The number of employees under the Agreement will be reduced each time a Sutter County employee leaves service for any reason, and the position will change to a Yuba City position. The contracted employee costs are reimbursed to Sutter County by Yuba City.

Recommended Budget

This budget is recommended at \$561,225. The FY 2016-17 General Fund cost for this budget unit is \$353,769, or 63.0% of the total budget. The General Fund's cost for this budget unit has increased by \$38,156 (12.1%) as compared to FY 2015-16.

It was recommended to add one Animal Control Officer I position in the Yuba City budget along with other general increases.

Yuba City provides Workers' Compensation benefits for all employees including the employees contracted from Sutter County. However, because Workers' Compensation

costs are allocated to all Sutter County departments utilizing a formula that includes a 10-year experience factor, there is a residual cost for the coverage provided in prior years by Sutter County while it acted as lead agency. This residual cost (\$156,723 for FY 2016-17) will be borne by Sutter County alone and is reflected in this recommended budget. This residual amount will eventually decrease and be reduced to zero.

This budget consists of the following primary expenses and related revenues.

- Contribution to Other Agencies, recommended at \$237,031, reflecting Sutter County's 22% share of the SASA operating budget. Sutter County's share of cost for FY 2015-16 is based on population, and has been reduced from 25% in prior years.
- The residual Intrafund Overhead (A-87) charge of \$44,771, not shared by the SASA jurisdictions, reflects an adjustment to credit costs paid by Sutter County in the prior year. This item was removed from the shared SASA budget in FY 2011-12 and will eventually be reduced to zero.

- The Yuba City Animal Control revenue line item, \$207,456, which reflects the actual cost of employees contracted to Yuba City.

Eventually, the General Fund cost for this budget unit will reduce each year to reflect the reduction of residual costs and any changes that may occur to the agreement for employee services with the City of Yuba City. At some time in the future, this budget unit will reflect only Sutter County's proportionate share of the approved SASA operating budget.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Purpose

This budget identifies the annual expenditures for the operation of the Self-insured Liability program, which is established as an Internal Service Fund (ISF). The costs for operation of this budget are allocated to the other operating budgets of the County. This budget provides funds for the administration, adjustment, and defense of liability claims against the County and the purchase of excess insurance, should the County sustain a catastrophic loss.

Major Budget Changes

Services & Supplies

- \$48,890 Increase in Insurance Premiums

Program Discussion

The primary factor that drives this budget is the cost of maintaining the self-insured liability program and associated costs.

The County of Sutter self-insures for Liability Insurance through Trindel Insurance Fund. The County self-insures, through Trindel Insurance Fund, losses up to \$100,000 for all risk liability and \$20,000 for auto liability, per occurrence. Losses exceeding these limits are covered by excess insurance policies purchased through the California State Association of Counties-Excess Insurance Authority (CSAC-EIA), by way of Trindel Insurance Fund. The excess policies provide coverage for liability losses up to \$25 million. A recent actuarial evaluation performed by Bickmore Risk Services found the County's self-insurance reserves, through Trindel Insurance Fund, to be adequately funded.

County Administrative Office Liability Insurance (4-590)

Curtis R. Coad
Interim County Administrative Officer

Recommended Budget

This budget is recommended at \$769,413. The County's Liability self-insurance was transitioned to Trindel during FY 2014-15.

The Liability Insurance budget unit operates as an ISF and must balance revenues to expenditures within the fund.

The recommended budget increases result in a \$46,281 (6.4%) increase in the Interfund Liability Insurance ISF premium charges to County Departments as compared to FY 2015-16. The amount budgeted in the Interfund Liability Insurance ISF line item reflects the total charges made to County departments for liability insurance premiums, management of the liability fund, and loss prevention efforts. Therefore, the increase in this account equals the amount that has been increased in County department budgets for FY 2016-17.

Use of Fund Balance

The fund contained Net Assets of \$473 as of July 1, 2015. Net Assets are estimated to equal \$5,473 as of July 1, 2016.

The County Administrative Office is responsible for the administration and management of the Workers' Compensation program. Elements of the Workers' Compensation program include: claims management, coordination of third party claims administration, monitoring departmental safety and accident prevention programs, tracking job-related accidents and injuries and the maintenance of appropriate reports, records and statistics.

Major Budget Changes

Services & Supplies

- \$38,691 Increase in Workers' Compensation Self-Insurance Premium

- (\$14,778) Decrease in Professional/Specialized Services

Other Charges

- \$6,003 Increase in A-87 Cost Plan charges as provided by the Auditor-Controller's Office

Revenues

- \$8,287 Increase in Interfund Workers' Compensation program charges to County departments

Program Discussion

The County Administrative Office is responsible for the administration and management of the Workers' Compensation program, which includes claims management, third party claims

administration, safety, and accident prevention programs, work-related accidents and injuries, and development of corresponding reports.

This budget unit is an Internal Service Fund; therefore, all revenues and expenditures are accumulated within the fund and net costs are allocated to individual County departments based on a standard allocation methodology.

The primary factors that affect the cost of this budget unit are salaries and workers' compensation insurance premiums, both primary and excess workers' compensation.

On a year-over-year basis, insurance premiums are subject to a number of economic stimuli - global market conditions, available insurance capacity by the underwriting community, claims loss history, and the overall state of the economy. As such, Sutter County can expect to experience an annual swing in premium rates dependent on any or all of the variables mentioned above.

On July 1, 2015 Sutter County transitioned from CSAC-EIA primary workers' compensation program to the Trindel Insurance Fund program. The County self-insures, through Trindel Insurance Fund, losses up to \$300,000 for Workers' Compensation. Losses exceeding these limits are covered by an excess insurance policy purchased through the California State Association of Counties-Excess Insurance Authority (CSAC-EIA), by way of Trindel Insurance Fund. The excess policy provides coverage for Workers' Compensation losses at the statutory limits. A recent actuarial evaluation performed by Bickmore Risk Services found the County's self-insurance reserves, through Trindel Insurance Fund, to be adequately funded.

Recommended Budget

This budget is recommended at \$2,678,216, which is an increase of \$37,523 (1.4%) over FY 2015-16.

It is continued to be recommended that 20% of the Risk Manager position be allocated to the Workers' Compensation budget unit (4-591) to reflect management of that fund and the oversight of the County's loss prevention efforts. These staffing costs were previously recorded through an Interfund transfer (Interfund Administration – Misc. Departments).

Because the net costs of this fund are allocated to all County departments, including General Fund departments, a significant effort has been made to contain costs in the Workers' Compensation Fund.

Over 80% of the cost of the County's Workers' Compensation program is driven by insurance premium costs. Initial insurance premium estimates received from the carrier indicate an increase over the prior year budgeted amount, driven primarily by escalating workers' compensation insurance rates from the underwriting markets.

Use of Fund Balance

The fund contained Net Assets of \$36,623 as of July 1, 2015. Net Assets are estimated to equal \$102,271 as of July 1, 2016.

- \$24,000 Increase in Prof & Spec Medical Services for Lab and Prescription Expenses

Revenues

Program Discussion

This budget unit is used solely to finance Employee Wellness Services program costs. Employee Wellness Services program costs are charged to County departments using the Interfund EE Wellness Services account.

The primary factor driving the Employee Wellness Services budget is the cost of the Medcor contract which has a set 3% increase for FY 2016-17.

Recommended Budget

This budget is recommended at \$738,312, which is an increase of \$45,779 (6.6%) compared to FY 2015-16.

Because the net costs of this fund are allocated to all County departments, including General Fund departments, a significant effort has been made to contain costs in the Employee Wellness Services Fund.

from the Public Safety
Augmentation Fund (0-282)

This budget unit, which is prepared by the County Administrator's Office, was created by the Board of Supervisors in 1993. It shows both the revenue derived from the ½ percent sales tax increase the State's voters approved when they passed Proposition 172 in November 1993 and the contribution from the County General Fund necessary to finance public safety costs. The General Fund contribution is budgeted in the Public Safety - County Share budget unit (2-215).

Program Discussion/ Recommended Budget

The Revenue for this budget is recommended at \$24,814,532, which is an increase of \$2,458,486 (9.6%) compared to FY 2015-16. The recommended General Fund contribution is \$17,414,532, which is an increase of \$2,458,486 (16.4%) compared to FY 2015-16.

Major Budget Changes

Revenues

- \$2,458,486 Increase in Interfund General Fund Cost
- (\$288,347) Decrease in Interfund Transfer In-Special Revenue

California voters enacted Proposition 172 in 1993, which established a permanent statewide half-cent sales tax for support of local public safety functions. Proposition 172 funding is budgeted at \$7.4 million for FY 2016-17. The full amount received is to be transferred from the Public Safety Augmentation Fund (0-282) to the Public Safety Fund (0-015) in FY 2016-17.

County Share Budgets

Public Safety - General (2-210)

It should be noted that the decrease of \$288,347 in Prop 172 revenue accounts for a one-time deposit of additional Prop 172 revenue that occurred in FY 2015-16. Otherwise, the FY 2015-16 Prop 172 budgeted amount would have been \$7.1 million, while the FY 2016-17 amount is \$7.4 million.

In FY 2016-17, the General Fund is budgeted to contribute approximately \$17.4 million in funding to the Public Safety fund in excess of the Proposition 172 funding. The General Fund contribution to the Public Safety fund is recommended to increase by \$2,458,486.

Purpose

The Health Care - General budget unit includes Health Realignment Revenue received by the County and a contribution from the County General Fund which constitutes that fund's share of health costs. It should be noted that Health Realignment Revenue is transferred into the Health Fund from Special Revenue Fund (0-247) and consists of two components: Motor Vehicle In-Lieu Revenue (MVIL) and Sales Tax Revenue.

In March 2014 AB-85 came into effect, which redirected how sales tax and MVIL will be distributed as well as ceased the pass-through of CMSP funds.

This budget unit is prepared by the County Administrator's Office.

Major Budget Changes

- \$103,963 Increase in Interfund Transfer In- State
- (\$508,221) Decrease in Interfund General Fund Cost

Program Discussion/ Recommended Budget

This budget is recommended at \$6,261,186 which is an increase of \$234,826 (3.9%) over FY 2015-16.

The County's contribution to the Health Fund is recommended at \$2,371,354. This contribution includes \$674,240 to satisfy the County's AB8 required match (which is interpreted to remain intact following the passage of AB85); and \$188,781 for the County's required CMSP Participation Fee,

which pursuant to Welfare and Institutions Code Section 16809.3(d) may not be paid with Health Realignment funds and pursuant to Welfare and Institutions Code Section 16990(e) may not be included in determining compliance with any other statutory Maintenance of Effort provisions. After these deductions, the net General Fund contribution to the Health Fund equals \$1,508,333.

MVIL Realignment revenues are recommended at \$3,782,869, which is an increase of \$638,493 (20.3%) compared to FY 2015-16. In March of 2014, AB85 came into effect, which redirected how sales tax and MVIL will be distributed, as well as ceased the pass-through of CMSP funds. MVIL Realignment revenues will continue to be monitored to see how that revenue stream may affect this budget unit throughout the coming fiscal year.

The Realignment revenue amounts are set each year by the State Controller's Office. It should be noted that these budgeted figures are subject to change once revenue estimate information becomes available from the State Controller's Office later in the year.

Purpose

The Health Fund – County Share budget unit includes the County’s share of the cost of the budget units and programs of the Health Services Fund (0-012). This budget unit also includes Health Realignment Motor Vehicle In-Lieu (MVIL) revenue. Health Realignment MVIL revenue is budgeted as a pass-through in this budget unit in order to meet the intent of State law, which requires that Realignment MVIL revenue be first placed in the General Fund and, upon receipt, be transferred to the Health Realignment Special Revenue Fund (0-247). While Realignment MVIL funds are constitutionally General Fund dollars, the intent of statute, in essence, is to require counties to deposit a like amount of funds to a county’s Health Fund. Sutter County accomplishes this by simply transferring all Realignment funds to the Health Fund.

This budget is prepared by the County Administrator's Office.

Other Charges

- (\$508,221) Decrease in Interfund General Fund Cost

Program Discussion/ Recommended Budget

This budget is recommended at \$6,154,223.

The County’s General Fund contribution to the Health Fund is recommended at \$2,371,354 a decrease of \$508,221 (17.6%) compared to FY 2015-16. This contribution includes \$674,240 to satisfy the County’s AB8 required match (which is interpreted to remain intact following the passage of AB85); and \$188,781 for the County’s required CMSP Participation Fee, which pursuant to Welfare and Institutions Code Section 16809.3(d) may not be paid with Health Realignment funds and pursuant to Welfare and Institutions Code Section

Curtis R. Coad

Interim County Administrative Officer

16990(e) may not be included in determining compliance with any other statutory Maintenance of Effort provisions. After these deductions, the net General Fund contribution to the Health Fund equals \$1,508,333.

MVIL Realignment revenues are recommended at \$3,782,869, which is an increase of \$638,493 (20.3%) compared to FY 2015-16. In March of 2014, AB85 came into effect, which redirected how sales tax and MVIL will be distributed, as well as ceased the pass-through of CMSP funds. MVIL Realignment revenues will continue to be monitored to see how that revenue stream may affect this budget unit throughout the coming fiscal year.

A policy direction which is recommended for implementation during FY 2016-17, in preparation for the production of the FY 2017-18 Recommended Budget, is to change the method for transferring the County's AB8 Match contribution and the County required CMSP Participation Fee.

It is recommended that a process be developed, in conjunction with the Auditor-Controller's Office and the Health Department, to transfer these General Fund contributions *first* through the Health Realignment Trust Special Revenue Fund (0-247) and then to the Health Fund (i.e., to the Health Care – General budget unit 4-110). These amounts are currently transferred from the General Fund directly to the Health Fund. The incumbent Human Services Director concurred with this recommendation.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Purpose

The Welfare and Social Services General budget unit is a revenue-only budget unit that is used to balance the Welfare and Social Services Fund (0-013) to the total cost of all budget units within the Welfare and Social Services Fund. This budget unit contains revenue from the Social Services Realignment Special Revenue Fund (0-248) and a revenue contribution from the General Fund. The latter constitutes the County's share of aggregate Welfare and Social Services' costs. The County's share of the cost is shown as a corresponding appropriation in the Welfare - County Share budget unit (5-113). The revenue included in this budget unit equals the sum of the unreimbursed costs of all the other budget units in the Welfare and Social Services Fund.

This budget is prepared by the County Administrator's Office.

Major Budget Changes

Revenues

- (\$2,821,090) Increase in Interfund MVIL Transfer Welfare
- \$2,991,437 Increase in Interfund Transfer In- State

Program Discussion/ Recommended Budget

In March 2014 AB85 came into effect, which redirected how sales tax and MVIL portions of the Social Services Realignment Revenues (SSRR) would be distributed. Revenues will continue to be monitored to see how they may affect this budget unit throughout the coming fiscal year.

The recommended revenue is \$5,009,072, which is an increase of \$170,347 (3.5%) compared to FY 2015-16.

The recommended amount for the sales tax portion of the SSRR, which, by statute, is first

County Share Budgets *Curtis R. Coad, Interim County Administrative Officer* Welfare/Social Services General (5-110)

deposited to the Welfare and Social Services Realignment Fund, is recommended at \$4,344,072. This is an increase of \$2,991,437 over FY 2015-16 and is attributable to the increase in unreimbursed cost of the budget units within the Welfare and Social Services fund as well as AB85.

The recommended budget for the MVIL portion of the SSRR is \$216,000, which is a decrease of \$2,821,090 compared to FY 2015-16 and is attributable to AB85. The Motor Vehicle In-lieu (MVIL) portion of the SSRR is first deposited in the General Fund and is then transferred to this budget unit.

The SSRR amounts are set each year by the State Controller's Office. It should be noted these budgeted figures are subject to change once revenue estimate information becomes available from the State Controller's office later in the year.

Administrative Staff

All administrative positions for the General Services Department are included in this budget unit.

- General Services Director
- Administrative Services Officer
- Procurement/Contract Analyst
- Central Services Assistant III
- Account Tech II
- Account Tech I
- Office Assistant III
- Office Assistant II

These positions provide management and support services to all functions and budget units within the General Services Department.

Purchasing

Sutter County purchasing utilizes a centralized purchasing model which is coordinated by the County Purchasing Agent. The Board of Supervisors has designated the Director of General Services as the County Purchasing Agent. The Purchasing Office assists County departments by providing product information, locating sources of supply, and explaining procurement options.

Purchasing is responsible for telephone communications and copier services as well as leasing facilities for County activities and renting and leasing County land and facilities to the public.

The Purchasing Office also provides procurement assistance to departments on major purchases of services and supplies with the following exceptions:

- Computers and software are procured by the Information Technology ISF which is now a division within General Services. These procedures have been incorporated and streamlined in the overall purchasing function.
- Construction services are procured separately by the Development Services Department
- Procurement of most office supplies is decentralized and is performed by individual departments

The objective of Purchasing is to obtain the maximum value for each dollar expended, utilizing open competition, and impartial evaluation of alternate products. The Purchasing Office works to procure all equipment, supplies, and services, consistent with the quality, quantity, and delivery requirements of the requesting department,

while adhering to County and State regulations, laws, rules, policies, and procedures. Purchasing also operates an interdepartmental courier service.

Costs for purchasing activities are allocated through the A-87 Cost Plan based on the number of purchase orders issued. Some tasks are directly charged to the supported activity.

Central Services

As with the purchasing function, Sutter County utilizes a centralized organization, historically called Central Services, for the provision of postage services, printing services and copier lease services to County departments.

Copier leases are allocated and billed to user departments based on copier machine rental costs. During FY 2014-15, it was determined that it would be prudent to separate the charges for copier leases from the “per click” charges that vary from month to month depending upon how many pages are printed. This allows departments to clearly see lease costs versus printing charges. Per the Auditor-Controller, starting in FY 2015-16, copier lease charges were moved from Rents and Leases Equipment to principle and interest accounts to comply with capital lease accounting requirements.

Postage is also allocated and billed based on the postage costs for mail processing for each department. Printing services are directly billed to user departments based on the cost of printing. At one time, Sutter County operated an in-house printing service, though now the majority of printing services involve managing outside vendor contracts and large print orders.

FY 2013-14 Reorganization

In FY 2013-14, the Board of Supervisors approved a reorganization that established General Services as a stand-alone department and integrated the Information Technology Department as a division within General Services. The reorganized department includes:

- Fleet Services
- Purchasing (including Central Services functions)
- Facilities Management
- Information Technology
- Veterans Memorial Building
- Ettl Hall
- Live Oak Park Campground and County boat launch facilities
- Plant Acquisition

During FY 2014-15, the Water/Wastewater budget unit (1-702) was established and added to the General Services Department. Previously, this function was managed by the Development Services Department.

Recommended Budget

This budget is recommended at \$850,109, which is a decrease of \$38,439 (4.3%) compared to FY 2015-16. The General Fund provides 28% of the financing for this budget unit and is increased by \$5,377 (2.3%) when compared to FY 2015-16.

Budget Changes

This budget unit historically provided mail services for the Sutter County Superior Court and billed for the cost of postage. The Courthouse has moved to a new location and has opted to provide its own mail services. This is reflected in the budget as a decrease

in postage and a decrease in Court Reimbursement revenue.

The Auditor-Controller has determined the County's copier lease is a capital lease as opposed to an operational lease. This is reflected by a decrease in Rents and Leases Equipment and an increase in Residual Equity Transfer Out.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Program Discussion

The Building Maintenance budget unit contains three programs that provide three distinct services: Building Maintenance (70), Grounds Maintenance (71), and Custodial Services (72).

Building Maintenance staff performs preventative maintenance and routine repairs for County-owned facilities, including the repair of electrical, plumbing, HVAC, roofing, and structural systems. Utilities costs for most General Fund departments are budgeted in this budget unit.

The Grounds Maintenance staff maintains the grounds of 22 buildings and 8 recreation areas. Grounds Maintenance responsibilities include:

- Mowing
- Edging
- Weed control
- Leaf removal
- Tree pruning and trimming
- Irrigation maintenance/repair
- Fertilization
- Litter removal

Custodial staff performs cleaning services for County buildings, including the 24/7 Mental Health Inpatient Unit. These responsibilities include:

- General cleaning
- Vacuuming
- Trash and recycling removal
- Restroom cleaning with restocking of supplies
- Carpet cleaning
- Window washing

Products and consumable cleaning items for the majority of County buildings are also budgeted within this program.

Selected staff oversee outside service contracts such as those for inspecting and maintaining fire suppression and security systems, custodial services, landscaping services, and minor renovations.

Costs for all three of these programs are allocated through the (A-87) Cost Plan based on labor, with the exception of utilities, which are allocated by square footage attributed to County activities. The (A-87) Cost Plan is produced each year by the Auditor-Controller's Office.

Recommended Budget

This budget is recommended at \$3,211,497, which is a decrease of \$271,704 (7.8%) compared to FY 2015-16. The General Fund provides 82% of the financing for this budget unit and is decreased by \$365,280 (12.2%) compared to FY 2015-16.

A portion of the costs for this budget unit are recouped from outside and sub-vented funds through the annual (A-87) Cost Plan.

The Chevron Energy Savings and Infrastructure Upgrade Project, now managed by Opterra Energy Services, is in its second year, and is expected to be completed in June 2016. Project costs and utility reductions are reflected in this budget.

The budget includes the following recommended staffing changes in the Building Maintenance program (70):

- Eliminate one (1.0 FTE)) vacant Senior Building Maintenance Worker position
- Add one (1.0 FTE) Building Maintenance Worker position

No Capital Assets are requested for this budget; however, two D-rated pickups will be replaced by two B-rated pickups transferred from Information Technology.

Building Maintenance

Professional and Specialized Services are recommended to include known recurring contract work such as elevator maintenance, fire extinguisher maintenance, pest control services and card access system repairs and monitoring. This budget includes \$140,000 for an anticipated building security services contract to provide security guards at vulnerable locations.

Maintenance of Structure & Improvements is recommended at \$92,000 to cover planned maintenance projects not budgeted in Plant Acquisition (1-801).

This budget includes a request to purchase the Facilities module of the WIN-CAMS cost system. This module will provide:

- A Building Ledger with Occupancy and Asset Values
- Tracking Costs associated with each building based on Services Types, Projects and Occupancy
- Work Order system
- Preventative Maintenance system
- Reporting

This module will work in conjunction with the General Services and Fleet modules of WIN-CAMS and will allow for greater efficiencies for staff as well as a complete asset system for each of the buildings, including electronic versions of construction and remodel plans, age of HVAC systems and repairs made, and tracking of all occupancies. The cost for this module is \$13,600 with an ongoing annual maintenance cost of \$1,050.

In order to most efficiently utilize this module, the budget also includes a \$10,000 request for tablets for the Building

General Services Department Building Maintenance (1-700)

Megan M. Greve, Director

Maintenance staff to access the system while away from the office. This will improve efficiency by allowing staff to complete work and move on to other jobs without having to return to Facilities.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Local support from the Fish and Game Commission includes donations to local organizations that support the Fish and Game Commission goals. These donations are not to exceed \$1,000 per group for a total not to exceed \$7,000 awarded for the year. Several of the organizations that have benefited from the donations in the past include Westside Anglers, California Deer Association, Sutter Sportsman Association, various duck egg recovery projects and various school educational activities.

Program Discussion

The goal of Fleet Management is to provide the highest possible quality vehicle and equipment maintenance and repair at the lowest possible cost; while ensuring the customer’s maintenance and safety needs are met with the utmost courtesy and professionalism.

The ISF includes four staff positions: one Heavy Equipment Mechanic positions, two Equipment Mechanic II (light vehicle) positions and a Fleet Maintenance Supervisor position. The Fleet Management staff operate out of a maintenance facility located at the County Corporation Yard in Yuba City. Staff provide vehicle maintenance services and related vehicle administration services for County vehicles. Fiscal functions funded by this unit are provided by the General Services Department budget unit (1-205) and are reflected in the Interfund Administration Miscellaneous Department account.

Administrative services provided include:

- Fleet inventory
- Licensing, utilization
- Tracking of associated costs
- Replacement recommendations
- Access to the fuel card-lock system
- Vehicle disposal

Maintenance services include:

- Preventative maintenance
- Inspection
- Unscheduled maintenance
- Accident repair
- Special contract repair
- Warranty repair

Fleet Management staff also oversee adherence to government mandates such as:

- State unleaded and diesel smog inspections
- California Highway Patrol Biennial Terminal Inspections (BIT)
- California Air Resource Board (CARB) on-road and off-road regulations
- Heavy-Duty Vehicle Idling Emission Reduction Program
- Periodic Smoke Inspection Program (PSIP) for heavy-duty diesel vehicles
- Emission Control Label regulations
- Compliance with CARB Tire Inflation Regulations

Fuel card-lock interface and transaction auditing involves checking fueling details and quoted pricing from fuel vendors.

Fleet provides vehicle utilization informational reports to the County Administrator's Office and each department. This utilization information is made available to promote consistency in vehicle utilization and aid decisions regarding replacement of aging vehicles. Collectively with Fleet, the County continues to recognize the importance of extending the life of vehicle and equipment assets.

Costs for Fleet are charged in three ways:

- Costs for the repair of vehicles and equipment charged to the Department that operates the vehicle and/or equipment
- Costs of processing and procuring parts, supplies and outside repairs charged as a markup of the purchase price and charged to the Departments that operate the vehicle and/or equipment
- Administrative costs for managing the Fleet charged to the Departments, allocated semiannually

Recommended Budget

This budget is recommended at \$1,605,197 which is an increase of \$29,292 (1.9%) over FY 2015-16. The Fleet Management budget unit operates as an ISF and must balance revenues to expenditures within the fund.

This budget includes a recommendation to eliminate one (1.0 FTE) Equipment Mechanic II position and replace it with a Heavy/Light Equipment Mechanic position. There was a retirement during FY 2014-15 of a Heavy Equipment Mechanic and that position was eliminated in the FY 2015-16 budget. With approval of the Board, during FY 2015-16, the General Services Department, in conjunction with the Human Resources Department, explored the possibility of evaluating the job descriptions and adding a mid-range position between the Heavy Equipment Mechanic and the Equipment Mechanic II. During FY 2015-16, the Equipment Mechanic II staff were offered training to prepare them to fill this requested position. One staff member elected to take the training and is ready to fill the position when implemented in

FY 2016-17. It is requested that the position be allowed to be filled effective July 1, 2016 and the vacant Mechanic II position be eliminated.

Due to the volatility in the price of fuel, it is difficult to accurately estimate future cost. Based on current fuel prices and recent fluctuations, the Recommended Budget for FY 2015-16 includes \$506,688 for the purchase of fuel for the majority of County departments. This represents a 4.1% increase compared to FY 2015-16.

The Recommended Budget includes \$118,469 in Interfund Plant Acquisition charges for two projects.

Oil/Water Separator

The present vehicle washing system does not have the capability to separate the water from oil. This is a re-budget from an approved project in FY 2015-16 for \$93,469.

Awning

The budget also includes a request to add an awning to the building to help shield the sun and deflect the rain coming in when the doors are open. The estimated cost is \$25,000.

Use of Fund Balance

The Fleet Management ISF contains a Net Assets balance in the amount of \$292,391 as of July 1, 2015. This amount represents the division's 60-day working capital needs. It is estimated the Net Assets balance will increase to \$292,572 by July 1, 2016.

During FY 2015-16, Obligated Fund Balance of \$89,323 was cancelled to offset costs charged to departments. There is no further fund balance available to cancel, which accounts for increased charges to County departments.

Purpose

The Information Technology Internal Service Fund (ISF) is a division of the General Services Department and provides services to other County departments. As a centralized service, Information Technology (IT) is able to efficiently and cost-effectively handle the large volumes of systems and data that must be managed as part of the on-going and varied activities of the County.

These services include such tasks as: responsibility for the management of enterprise network, communications, hardware and software resources; feasibility and evaluation studies necessary for acquisition of potential new applications; system development activities; datacenter operations activities; coordination and application of web technologies to serve the

County internally and externally; and other client computing related activities.

Program Discussion

The Information Technology Division provides a variety of services and functions addressing automation needs throughout the County. The Division is divided into four

functional areas: Operations, Network Support, PC/Desktop Support, and Programming.

The General Services Department provides overall management, budgeting and fiscal services, payroll, purchasing and contracting oversight for IT.

For FY 2016-17, it is requested that one Network Administrator I position be added and one filled Programming Analyst II position be deleted. This is due to the shifting focus of the Information Technology division and to better meet the technical support needs of the County. The management of planned and recently implemented cloud, security and network-based systems necessitates this change in business operations and staffing.

Operations is responsible for the day-to-day functioning of the datacenter, system backup and recovery, routine and special job production, secure file transmissions, as well as building security systems, shipping and receiving, equipment preparation and surplus, and forms and consumable inventory control.

Network Support is responsible for the County's network. This includes the fiber optic system, file and application servers, routers, switches, firewalls, security appliances, directory and email services, web access and security, connections with State and Federal agencies, remote access, virus protection, and software distribution and updates.

PC/Desktop Support provides direct desktop support for all the PCs, laptops, and electronic devices that are in place throughout the County. Staff is responsible for the troubleshooting, repair, replacement, and support of end user devices.

Additionally, they support a variety of specialized applications in the various departments and provide extensive support to the devices, applications, and services in the Sheriff's Office.

Programming is responsible for the development and support of the County's legacy applications as well as the development, support, and routine maintenance of the County's web presence. This group supports such applications as Financial, Human Resources/Payroll, Health, Criminal Justice, Property, and Budgeting systems, in addition to a wide variety of web applications for both internal and external users. Several of these systems are outdated and staff, in conjunction with other departments, are looking at updated systems and the costs associated with these updates.

SunGard OneSolution

On March 31, 2009, the Board of Supervisors approved a contract with SunGard Public Sector, Inc., to implement a new software system for Personnel, Payroll, Purchasing, and Budgeting. The intermediate upgrade of the financial module and the HR/Payroll module was completed in FY 2014-15. During FY 2014-15, the Board approved an amendment to the contract to assist in the implementation of the remaining modules and upgrade the entire system to the most current version. This project was substantially completed in FY 2015-16. This budget includes \$30,000 in Analyst on Demand expenses to finalize the work on the last modules.

Enterprise Agreement – Office 365

The FY 2015-16 budget included a renewal of the Enterprise Agreement (EA) which provides for the purchase of Microsoft software products. Under the new EA, the County will purchase bundled software products including Office 365 that will help the County sustain a reliable and cost-efficient IT infrastructure with robust security technologies, while advancing employee productivity and the value of our existing IT investment. This project was implemented in March 2016 and there will be additional work to deploy new software platforms by the staff during FY 2016-17. There is no additional cost anticipated at this time.

Recommended Budget

This budget is recommended at \$4,546,479. The Information Technology budget unit operates as an ISF and must balance revenues to expenditures within the fund. The recommended budget results in a decrease of \$175,337 (3.7%) in Interfund Information Technology charges to County departments compared to FY 2015-16. The Interfund Information Technology account represents the total of all charges made to County departments for Information Technology services. Therefore, the decrease equals the amount that has been decreased in other County department budgets for FY 2016-17.

The Information Technology division is undergoing modernization efforts. The future direction of technology in the County is transitioning from developing and supporting custom in-house legacy applications to web-based and commercial "off the shelf" solutions. This change in vision and mission requires more network and system administrators and fewer programmers in order to succeed. Due to this change, it is recommended that one (1.0 FTE) Network Administrator I position be added and one

(1.0 FTE) Programming Analyst II position be eliminated, which results in a layoff. This change results in a budget savings of \$29,432.

The Recommended Budget also includes the addition of one (1.0 FTE) Information Security Analyst position. This position will be responsible for planning and implementing security measures to protect computer systems, networks and data. The analyst will also be responsible for preventing data loss and service interruptions by researching new technologies that will effectively protect a network. Additional duties include:

- Creating, testing and implementing network disaster recovery plans
- Performing risk assessments and testing of information systems
- Installing firewalls, data encryption and other security measures
- Recommending security enhancements and purchases
- Training staff on network and information security procedures.

Capital Assets are recommended at \$193,000 as follows:

- **Enterprise Wireless Network Implementation: \$100,000**

This recommendation is for the deployment of a County-wide enterprise wireless network. Wi-Fi has become ubiquitous in everyday life and our customers have come to expect Internet access in county facilities. Providing Wi-Fi service has become essential, and as technology has advanced, both County staff and guests want secure, easy access and a fast connection. This project

includes multiple integrated systems/software.

- **Deduplication Backup Target Appliance: \$40,000**

This recommendation will upgrade the enterprise data protection architecture with a deduplication backup target appliance. The appliance is an easy-to-manage platform that consolidates backup, archive and disaster recovery. The appliance will allow us to reduce backup costs by reducing tape media. Deduplication reduces the amount of disk storage needed for backup data by an average of 10-30 times and is an economical replacement for tape. Greatly increased backup and recovery speeds will also be realized by using an appliance and will result in better backup and recovery service levels.

- **Two Replacement Vehicles: \$53,000**

It is recommended to replace two 14 year old B-rated small Ford Ranger pickup trucks with compact, energy efficient CMAX type vehicles. Information Technology no longer has a use for pickup trucks because the items transported have become much smaller and lighter weight: LED monitors and small form factor PCs. In addition, IT no longer performs dump runs nor has a need to transport large quantities of equipment.

The two B rated pickups will be transferred to Facilities Management and two D rated pickups will be sent to surplus.

It is recommended that the recommended capital assets be approved for purchase effective July 1, 2016.

Use of Fund Balance

The fund contains a Net Assets balance in the amount of \$417,976 as of July 1, 2015. This amount represents the Division's 60-day working capital needs. It is estimated that the Net Assets balance will be increased to \$463,007 at July 1, 2016.

Purpose

This budget unit, which is managed by the General Services Department, reflects all major County capital improvement and maintenance projects. The budget is prepared jointly by the County Administrator's Office, the Development Services Department, and the General Services Department.

Program Discussion

Plant Acquisition projects are funded by a variety of funding sources, including State grants, Special Revenue funds, and the County General Fund. The Unreimbursed Cost shown in this budget unit represents the total General Fund cost. Each project that is financed by sources other than General Fund reserves is shown with a matching revenue account. If a project is being undertaken with a split financing arrangement, that split is also indicated on the revenue line. The project ledgers will show the corresponding

revenues and clearly demonstrate when a project has been fully reimbursed.

Plant Acquisition projects are primarily budgeted between two expenditure accounts. Projects budgeted in account (#52130), Maintenance/Structures and Improvements within the Services and Supplies object level, include the larger maintenance and remodel projects that should not be capitalized as they do not appreciably add to the life of the facility. Projects budgeted in Capital Assets account (#54200), Structures and Improvements, are capital projects that are new acquisitions or major improvements that appreciably extend the life of the facility. In some cases, budget account (#52180), Professional and Specialized Services, is used when the project is a study, a plan, or an assessment.

Generally, those major projects budgeted at a cost of \$15,000 and over, which can be reimbursed directly from outside revenue sources, or which are performed directly by

General Services Department Plant Acquisition (1-801)

an outside contract, are included in the Plant Acquisition budget unit. General maintenance projects that are budgeted less than \$15,000, which are performed by County staff, and which should be reflected in the County's A-87 Cost Plan, are generally included in the Building Maintenance budget unit (1-700).

Recommended Budget

This budget is recommended at \$697,792. The recommendation includes one project that were authorized in prior years and are continuing in FY 2016-17, as well as 11 new projects for FY 2016-17.

It is recommended that immediate authorization be given to continue work on the prior year projects that are being re-budgeted and both Development Services

and General Services departments to commence work on the new projects, without waiting for the adoption of the final budget resolution.

Both the Development Services and General Services Departments concur with this recommendation.

Continuing Projects

The Development Services Director, General Services Director, and County Administrator are recommending that one previously authorized project, an Oil/Water Separator System Project for Fleet Management, be rebudgeted in FY 2016-17. This continuing project, which ensures environmental wastewater compliance, totals \$93,469.

Funding Source	Project No.	CONTINUING PROJECTS - DESCRIPTION	Amount
Fleet Management ISF	1602	Installation of Oil/Water Separator System at Fleet Building	\$93,469

Recommended New Projects

The chart on the following page summarizes the 11 new projects recommended for approval, and indicates the funding source for each project. The total of the newly requested projects for FY 2016-17 is \$604,323. Of this, \$485,232 is estimated to be a General Fund Cost.

Since 2011, Sutter County has been making ongoing improvements to its facilities to ensure compliance with the Americans with Disabilities Act. These improvements are budgeted at \$32,035 for FY 2016-17

Use of Fund Balance

It is recommended that \$437,035 of this budget be funded with monies from the General Fund Committed Fund Balance Designated for Capital Projects account (#31265).

It is recommended that \$12,000 of this budget be funded with monies from the General Fund Committed Fund Balance for Transient Occupancy Tax account (#31245) for the Whiteaker Hall Ceiling Replacement Project.

It is recommended that \$6,175 of this budget be funded with monies from the General Fund Committed Fund Balance for Farm Advisor/Agriculture Building account (#31205) for the Farm Advisor Painting Project.

This one-time revenue is included in the Cancellation of Obligated Fund Balance account (#49995) in the General Revenues budget (1-209).

Program Discussion

The Board of Supervisors (BOS) approved the Energy Services Contract with Chevron Energy Solutions on February 25, 2014 along with a funding source agreement; PNC Equipment Financing Lease Agreement for \$9,109,446.

The funding source agreement requires the debt to be repaid by annual payments over a fifteen (15) year period. Payments of principal and interest will be made from this capital projects budget unit, which will then be reimbursed by Interfund transfers from the benefiting departments.

Recommended Budget

This budget is recommended at \$656,001. The recommendation includes the principal and interest payment amount due for FY 2016-17.

Use of Fund Balance

This budget unit is within the Capital Projects Fund. The budget does not include the use of any specific fund balance.

rent on a first come, first served basis. Those organizations or individuals renting the building are granted use of the main auditorium and the kitchen. The rental fees collected are used to help offset the costs of maintenance and improvements.

An online reservation system is available to the public to check the availability of the building, reserve dates, and track payments and documents required for use.

The General Services Department is responsible for the ongoing operation and maintenance of the Veterans' building. Maintenance duties include grounds keeping and facility repair. Staff interacts regularly with the public by providing information on regulations, collecting fees, responding to community questions, and coordinating rentals with other agencies.

During FY 2015-16, overall use of the facility increased:

- 59 Paid events
- 117 Un-paid events
- 75 Un-paid Tucker Room events

Based on the increased usage, this budget contains an increase in expected revenue of \$5,000 compared to FY 2015-16.

Purpose

The Ettl Hall meeting room is adjacent to the Community Memorial Museum and includes the Schnabel and Dean patio. This budget unit reflects the expenses of operating and maintaining the building, and related rental revenue.

The Hall was constructed using public and donated funds. Sutter County applied State Park grant funds to construct a meeting and event hall and Dorothy Ettl, a Meridian native and a longtime volunteer with the Community Memorial Museum of Sutter County, made a generous donation in her will to help provide meeting space for activities. The County uses the space for exhibits and meetings supporting the County Museum and rents the space to the public along with the Rose Garden.

Activities related to the Community Memorial Museum, such as school tours, programs, and fundraising events, are

conducted in this Hall at no cost. This facility is also available for individuals, groups, and other organizations to rent. The proceeds of rentals are applied back to the costs of operating the Hall and the Museum and to pay back the loan provided by the General Fund to complete the project.

The Ettl Hall budget unit is managed by the General Services Department.

Major Budget Changes

Intrafund Transfers

- \$8,297 Increase in Intrafund (A-87) Cost Plan Building Maintenance charges as provided by the Auditor-Controller's Office

Program Discussion

Ettl Hall is operated by the County as a service to the community. The Community Memorial Museum has priority use of the facility for museum and educational related events at no cost. At other times, the Hall is available to the community for rent on a first come, first served basis. Those renting the Hall are able to rent the Hall, the patio, and rose garden area, or a combination thereof. An on-line reservation system is available to the public to check the availability of the building, reserve the facility, and track payments and documents required. The rental fees collected are used to help offset the costs of operations and maintenance. One half of the rental income, in excess of these expenses, is transferred to the Museum Commission. The County General Fund covers the remainder of expenses. The rates to be charged for rental of the facility are set by the Board of Supervisors.

The General Services Department is responsible for the ongoing management, operation and maintenance of the Hall. Maintenance duties include grounds keeping and repair of the facility. Staff interacts regularly with the public by providing information on scheduling, regulations, collecting fees, responding to community questions, and coordinating rentals.

Recommended Budget

This budget is recommended at \$34,532, which is an increase of \$7,226 (26.5%) over FY 2015-16. The General Fund provides 72.2% of the financing for this budget unit and is increased by \$4,826 (24.0%) compared to FY 2015-16.

The Recommended Budget includes estimated rental revenues of \$9,600, an increase of \$2,400 for FY 2016-17. This increase reflects actual rental revenue over the past four years.

During FY 2015-16 rentals included:

- 16 Paid
- 11 Un-Paid

The Community Memorial Museum Commission is estimated to receive \$4,134, which represents half of the net rental revenue (less rental expenses). The remaining half of the net rental revenue is returned to the General Fund to repay the General Fund loan used to construct the facility.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

- Rio Ramaza Community Service District (0-395) budget unit
- Parks and Recreation (7-101) budget unit (Live Oak Park)

The funding for the operations and maintenance of these systems is contained in the appropriate budget units and will be transferred to this budget unit as Water/

Wastewater Operator labor and services are used. This budget unit is also responsible for assisting the Building Maintenance Division, as assigned.

This budget unit is managed by the General Services Department.

Major Budget Changes

Intrafund Transfers

- \$8,909 Increase in Intrafund Administration Services revenue (shown as a negative expense)

Program Discussion

This budget unit primarily reflects the costs for the maintenance and operations of the water / wastewater systems in the County. Assistance is also provided to the Building

General Services Department Water/Wastewater Facilities (1-702)

Megan M. Greve, Director

Maintenance Division, as assigned. Because these duties are better supported by facilities management where the County's other maintenance functions are budgeted, this budget unit was assigned to the General Services Department starting in FY 2014-15.

The Water / Wastewater Operator position allocation and related funding was previously in the Water Resources (1-922) budget unit in the Development Services Department.

When the budget unit was created, some expenses were extracted from the Water Resources budget unit and some remained due to uncertainty in methodology for these items. During FY 2014-15, the General Services Department staff and the Development Services Department staff made adjustments to the methodology used for purchasing supplies and charging labor costs to each budget unit. It was determined that it would be appropriate for the Water / Wastewater budget unit to provide all of the services and supplies and charge those, along with the labor, for the operations. The budget has increased accordingly; however, there is a corresponding decrease in the Water Resources budget unit.

Recommended Budget

This budget is recommended at \$205,095. This is a decrease of \$11,046 (5.1%) compared to FY 2015-16. The General Fund does not provide funding for this budget unit. All funding is provided by the water/wastewater systems maintained by the Water/Wastewater Operator position.

The budget includes \$58,000 in Maintenance of Structures as follows:

- Clay Valve Replacement - \$5,000
- Booster Pump Rebuilds - \$10,000
- Back Wash Tank Cleaning / Repairs - \$23,000
- Step Tank Cleaning - \$20,000

There is \$15,000 budgeted in General Supplies to cover supplies needed for operations including:

- Chlorine
- Pumps
- Step Tanks
- General Supplies
- Replacement of worn filters/pumps

The budget contains \$24,000 in Professional and Specialized Services to cover costs related to operations such as:

- Step Tank Pumping \$15,000
- Water Sample Testing \$7,200
- Other misc. services \$1,800

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Purpose

The Rio Ramaza Wastewater Fund (RRWF) was originally established to provide sewer and water service to the Rio Ramaza Mobile Home Park. These utility services were assumed by Sutter County when the Rio Ramaza Community Services District was dissolved by resolution of the Local Agency Formation Commission on April 12, 1972. In 1992, individual wells for the remaining nine service connections were installed using CDBG funding and the community water system was shut down. Only wastewater service is currently provided to the community of Rio Ramaza.

This budget unit is funded by both monthly user fees and local ad valorem tax revenues on the parcels in the Rio Ramaza subdivision.

This budget unit was previously administered by the Water Resources Division of the

Development Services Department. Beginning in FY 2014-15, the budget unit is administered by the General Services Department, with services provided by the Water/Wastewater Facilities budget unit (1-702).

Major Budget Changes

Services and Supplies

- \$14,638 Increase in Interfund Water Agency related to change in account number to more accurately depict expenses

General Services Department

Rio Ramaza Wastewater Fund (0-395)

Megan M. Greve, Director

Revenues

- (\$11,034) Decrease in cancellation of obligated fund balance reflecting a decrease in overall cost to the fund

Program Discussion

The Rio Ramaza Subdivision is located on the southern edge of Sutter County, just north of the Sacramento International Airport.

The RRWF provides resources to operate and maintain a wastewater collection system with collection mains and a pumping station. The plant consists of an evaporation pond and operates under the California Central Valley Regional Water Quality Control Board Waste Discharge Requirements Order #88-012. The Sutter County General Services Department provides State certified personnel to manage and operate the system. Those costs are charged to the RRWF.

The RRWF receives revenues from user fees, currently at \$55.00 per residence (equivalent dwelling unit), per month, and an ad valorem property tax on all parcels in the park. The annual user fees and tax revenues are less than the costs to operate the system. However, the fund still has a balance from the proceeds of the dissolved Community Services District that is reduced every year to operate the system.

Most of the properties served in the Subdivision are vacant and many are owned by Sacramento County. Nine active accounts remain in the system. Due to the subdivision's location along the flight path of the airport, the Sacramento County Board of Supervisors has allocated, and continues to allocate, funds to the Sacramento Metro Airport Authority for the acquisition of all properties in the Rio Ramaza Subdivision. Properties are to be acquired only when the property owner wishes to sell.

Recommended Budget

This budget is recommended at \$24,613, which is a decrease of \$11,013 (30.9%) compared to FY 2015-16. This budget unit does not receive any funding from the General Fund.

Use of Fund Balance

The Rio Ramaza Wastewater Fund contains a Restricted Fund Balance in the amount of \$198,313 as of July 1, 2015. It is estimated the Restricted Fund Balance will equal \$172,657 at July 1, 2016.

The FY 2016-17 Recommended Budget includes a Cancellation of Obligated Fund Balance in the amount of \$14,622, leaving an estimated ending balance of \$158,035.

Purpose

The Human Services-Administration budget contains the salary, benefits, and related support costs of the Director of Human Services and support staff. The Director provides executive leadership for the Department of Human Services, Sutter County's largest department, which is comprised of three divisions: the Public Health Division, the Mental Health & Substance Use Disorder Division, and the Welfare and Social Services Division.

Major Budget Changes

Salaries & Benefits

- (\$18,971) Decrease related to anticipated reduction of starting step of new Human Services Director from the retired incumbent

Other Charges

- \$57,200 Increase in Interfund Capital Projects

Program Discussion

This budget funds the Director and support staff that provides leadership and administrative support functions for the Department of Human Services.

FY 2016-17 will be the fourth year of the Department's involvement in the implementation the Affordable Care Act (ACA). The three divisions of the Human Services Department are each affected differently by the ACA. The Welfare and Social Services Division has had the primary responsibility of enrolling beneficiaries in the expanded Medi-Cal system. Mental Health and Substance Use Disorder Division has an expanded population they are servicing while at the same time working with the Medi-Cal

Human Services Administration (4-120)

managed care plans to coordinate services. The Public Health Division has also been working with the Medi-Cal managed care plans and the providers to coordinate services for this population. Continual changes at the State and Federal level will most likely require ongoing adjustments in the Department's operations.

Mental Health

In the 2016-2017 budget year, new space is being proposed for Mental Health Children's Outpatient Services which will allow for removal of the modular units currently housing staff at 1965 Live Oak Blvd. There will be one time moving costs that will be reflected in the Mental Health budget, as well as a share of cost to remove the modular units.

Mental Health management staff is in discussion with leadership of Rideout Regional Health Care to relocate much of the Psychiatric Emergency Services from the current 1965 Live Oak Blvd. location to the new emergency department of the hospital in Marysville, California. This is anticipated to be a much improved service location benefiting the patients served by the Mental Health Program, Rideout Regional Health Care, and local law enforcement. Mental Health Staff is working with hospital staff to create a separate psychiatric crisis recovery center in the hospital Emergency Department.

Welfare and Social Services

In the 2016-2017 budget year, new space is being proposed for the Child Protective Services and the Adult Protective Services functions of this division. This is also in connection to the removal of the modular units at the 1965 Live Oak Blvd location. As

with Mental Health, there will be some one time relocation costs as well as a share of cost to remove the modular units. This relocation will provide additional space to accommodate the continual growth the Welfare and Social Services Division is experiencing by the increase demand created by the Affordable Care Act.

Public Health

In the 2016-2017 budget, there will be a reduction due to the closure of the Public Health Laboratory. A small amount of funding will be retained to accommodate shipment of specimens to designated laboratories for testing. Additionally, Peach Tree Healthcare will be leaving the Public Health Building in mid to late summer; this will result in a revenue loss due to rental income but current plans include the District Attorney moving into vacated space and costs related to space utilization will be included in the Public Health budget.

Recommended Budget

This budget is recommended at \$501,330, which is an increase of \$39,151 (8.5%) over FY 2015-16.

The \$131,833 unreimbursed cost, which is an increase of \$60,221 (84.1%) compared to FY 2015-16, represents the Public Health Department's share of the Human Services Administration budget. This increase is primarily due to an additional \$57,200 budgeted in Interfund Capital Projects. This Unreimbursed Cost is, in concept, partially funded by the General Fund through the General Fund's contribution to the Health Fund.

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the

Human Services Administration (4-120)

Edmund C. Smith, Interim Director of Human Services

Health Information Technology for Economic and Clinical Health (HITECH) Act require health care providers to have in place privacy and security protections for health information. These privacy and security protections were required to be in place in 2005-06. Part of this process included a risk analysis to conduct an accurate and thorough assessment of the potential risks and vulnerabilities to the confidentiality, integrity, and availability of electronic protected health information. Since it has been about ten years since this was last accomplished the Department is recommending that another risk analysis be performed; \$25,000 has been included in the Professional and Specialized Services account to accomplish this task.

Renewed efforts are being made to evaluate the feasibility of creating a “one stop shop” for the Human Services Department functions. Additionally, discussions have been held with Rideout Regional Healthcare to lease the former Sun Ridge Hospital property on Stabler Lane for our CPS/APS, Children’s Mental Health Outpatient and System of Care programming. Relocation of the CPS/APS and Youth Services programs will serve to address concerns voiced in past years by the Sutter County Grand Jury regarding the condition of the modular units that currently house those functions. The FY 2016-17 budget includes \$57,200 in Capital Projects funding for consultant and engineering expenses associated with these projects.

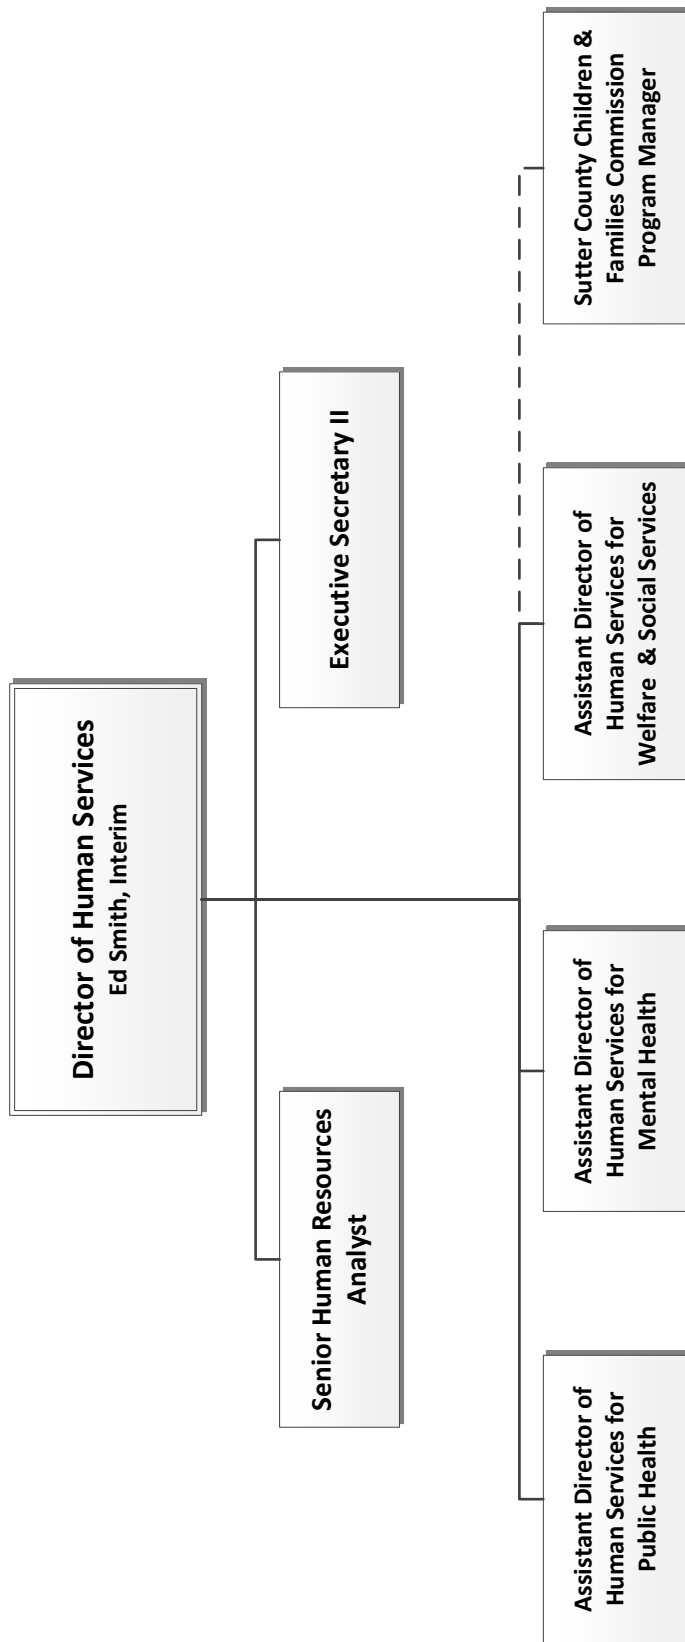

Use of Fund Balance

This budget unit is within the Health Fund. The budget does not include the use of any specific fund balance.

Purpose

The Sutter County Human Services-Health Division is responsible for the provision of health care services to residents of Sutter County. The Division accomplishes this through the operation of three distinct medical service areas: Public Health, Indigent Care Services, and Jail Medical Services.

Public Health is responsible for providing basic preventive health services to the residents of Sutter County to improve the health and wellness of the individual in accordance with the mandates of the Health and Safety Code, the California Code of Regulations, Title 17 and Title 22. Under Health and Safety Code §101025, counties have a broad mandate to preserve and protect the public health of their communities. Traditional public health functions focus on the overall health of our communities in ways that are usually beyond the scope of health insurance, such as

monitoring, investigating, and containing communicable and food-borne disease outbreaks; planning for and responding to local disasters; ensuring our water supplies are safe; educating the public about emerging health risks and prevention measures; and tracking the health status of our communities in order to develop community-based responses.

The Indigent Care component of the Division addresses the non-emergency and emergency medical care to Sutter County indigent residents. The County Medical Services Program (CMSP) fulfills the County Welfare and Institutions Code §17000 requirement to provide medical care to residents who are indigent. CMSP program is discussed in a separate budget unit (4-201). An Emergency Medical Services (EMS) Fund, established as required by law, reimburses physicians and medical facilities for emergency services provided to patients who do not pay for the cost of their medical care. The EMS program is

Human Services Health (4-103)

discussed in a separate budget unit (0-252). In addition, since June 2011, there has been a contract with PeachTree Healthcare for the management and provision of services through what used to be the County operated Outpatient Clinic for non-emergency medical care services.

The Jail Medical Services unit is responsible for the provision of healthcare to individuals held at or incarcerated in the County Jail, the Jail Medical Services budget is discussed in a separate budget unit (4-134).

Program Discussion

This budget funds the Health Division that staffs and operates the County's Public Health programs and oversees the provision of services to medically indigent Sutter County residents.

The Public Health services and programs are dedicated to promotion, protection, and improvement of the health of Sutter County residents. The goal of the services and programs is to optimize the health and well-being of the people in Sutter County,

primarily through population-based programs, strategies, and initiatives.

Historically, the top priorities have included communicable disease control, environmental health services, and child health programs. In recent years the priorities have included the provision of a number of special programs for community and individual wellness and improvement of lifestyle, with the goal of reducing chronic disease incidence. The Division is also responsible for preparing for and responding to public health emergencies, including natural disasters, acts of terrorism, and pandemic diseases.

Indigent Health Care

Welfare and Institutions Code §17000 requires counties to provide health care to indigent adults. Medi-Cal expansion as a result of Affordable Care Act (ACA), passed by Congress in March 2010, covers adults up to 138% of Federal Poverty Level (FPL). Adults with incomes between 138% and 400% FPL are eligible for subsidized coverage through Covered California. However, unlike Medi-Cal, these adults have limited windows to enroll in coverage. If an adult misses open enrollment, he or she will have to wait for the next open enrollment period. In the meantime, that adult may qualify for a county indigent program.

All counties have retained responsibilities for public health and health care services for indigent adults. Funding for these services was addressed through AB85.

Jail Medical Services (JMS)

The Health Division also operates Jail Medical Services at the Sutter County Jail. The Jail medical costs and program description are

Human Services Health (4-103)

Edmund C. Smith, Interim Director of Human Services

reflected in the Jail Medical Services budget unit (4-134). Prior to FY 2012-13, this program had been combined in the Health budget unit (4-103).

Public Health Laboratory Services

Since the establishment of Local Public Health Laboratories (LPHLs) in the 1950's, a number of PHLs have closed and Counties have either contracted with a neighboring lab or consolidated labs through a Joint Powers Agreement as a cost savings measure and due to reduced lab testing.

Sutter County has maintained a PHL to provide testing for water samples, rabies, and other items. Over time demand for testing has declined to the point that maintaining a laboratory did not appear to be in the best interest of Sutter County. As mentioned above many counties have created alliances whereby they contract with other agencies for all Public Health Laboratory services. During FY 2015-16 Sutter County did the same and will experience significant budgetary savings. Sutter County entered into a contract to outsource all laboratory testing to a regional laboratory and reassigned one staff member

Specialized Health Programs

Current Programs

The Health Division budget also funds various specialized health programs through a combination of grant and County funds. These include administration of the California Children's Services (CCS) Program; Child Health and Disability Prevention (CHDP) program; Tuberculosis Control Program; HIV/AIDS Surveillance program; Communicable Disease (CD)

Control program; Health Care Program for Children in Foster Care (HCPCFC); Community Chronic Disease Prevention Program; Public Health Immunization and TB skin testing Clinic; Childhood Lead Prevention Program; Childhood Injury Prevention Programs including Bicycle Helmet and Car Seat programs; Medi-Cal Outreach and Enrollment program; Medi-Cal Administrative Activities (MAA) program; Vital Statistics Registration for Births and Deaths; administration of the Proposition 99 Tobacco Tax Fund and 1991 Realigned Health Fund components; administration of the Emergency Medical Services Maddy Act Funds; representation of Sutter County to the County Medical Services Program (CMSP); Public Health Emergency Preparedness program; Pandemic Influenza program; and the Women, Infants, and Children's (WIC) Supplemental Nutrition program as well as the Supplemental Nutrition Assistance Program Education (SNAP-Ed) grant program. The latter programs, WIC and SNAP -Ed are on a federal fiscal year (FFY). The SNAP -Ed program, in FFY 16 (FY 2015-16) received a one-time increase in funding. This required the addition of two limited term full time Health Program Specialist (HPS) positions in order to complete the Scope of Work for that year. At the time of this writing, the program was anticipated to return to the original funding which would reduce the HPS positions in Health due to lack of grant funding.

Requested Programs

Public Health is seeing a crisis playing out on the streets of our county's communities. These are the homeless men and women, some living with disabling conditions. It is a common goal of many of our community leaders and residents to end homelessness in general for those homeless community

members who share this goal. To achieve this goal, attention has to be given to useful interventions. Interventions that are data driven, are research informed, and prioritize more immediate access, for example, to permanent housing. Intervention strategies that work have to be reinforced and attention to applying for governmental or private grants to address those strategies is crucial. The Health Division proposes to assign a portion of a Health Program Specialist (HPS) to work with local partnerships to apply for grant resources to address the needs of the homeless population. In addition, this position would apply for other grants to enhance the Public Health services to the general county population.

The Health Division is preparing to become an accredited “Public Health Department”. Public Health Accreditation is the measurement of health department performance against a set of nationally recognized, practice-focused and evidenced-based standards. It is the issuance of recognition of achievement of accreditation within a specified time frame by a nationally recognized entity.

The goal of the voluntary national accreditation program is to improve and protect the health of the public by advancing the quality and performance of our Public Health Division as well as to improve service, value, and accountability to stakeholders. A designated Accreditation Coordinator is desired who would be responsible for managing and coordinating the accreditation process within the Health Division Accreditation Team from early preparation for accreditation, through the accreditation decision, and the post-accreditation annual reports to PHAB. It is requested that a portion of a HPS position would have the role of the Accreditation Coordinator who would be the primary and

single point of contact for communication between the Health Division and PHAB staff throughout the entire accreditation process.

Funding of the Health Division

Overall, the FY 2016-17 Health Division budget reflects an attempt to maintain programs at a consistent level to protect the public health of the community, with consideration given to current funding and actual needs of the community. Health Division services are financed through a combination of County General Fund dollars, State grants, and 1991 Realignment funds (as modified by AB85).

The Health Division oversees six special revenue funds, where certain grant revenues are designated for specific program uses. These funds are: Bioterrorism Trust Fund (0-124), Emergency Medical Services Fund (0-252) Bicycle Helmet Safety Fund (0-178), Tobacco Education Trust Fund (0-246), Vital Statistics Trust Fund (0-287), and Child Passenger Restraint Fund (0-298). Revenue from these special revenue funds are transferred into the Health Division budget as needed to support the designated programs and related services, as dictated by the individual fund requirements. The Local Health and Welfare Trust Fund (0-247) has historically been overseen by the staff in the County Administrative Office.

Future Considerations

Public Health Emergency Preparedness (PHEP) and Pan Flu grant funding has provided the opportunity to plan and support surge capacity in the medical care and public health systems. Funding for these programs is from Federal and State funds that support the Department’s emergency preparedness activities. There is uncertainty if the funding for PHEP and Pan Flu programs will continue

after the current funding cycle that ends in FY 2016-17. The Division has incorporated some of the PHEP tasks into the roles of employees outside of these programs. However, ongoing updates and training for emergency preparedness will be unavailable if the funding is discontinued.

Chronic Disease Control efforts continue with the health care agency community, to improve individual and population health outcomes. The Division continues to promote healthy behaviors related to obesity, diabetes prevention, and cardiovascular health. The goal is to increase healthy communities using evidence-based prevention strategies that reached the largest number of Sutter County residents. Two staff who were trained in the Stanford Chronic Disease Self-Management program retired in FY 2015-16. Staff training for additional staff will be required to provide low-cost programs that help individuals with chronic conditions learn how to manage and improve their own health.

Communicable Disease Control program continues to work to prevent and control infectious diseases. These include illnesses such as Measles, tuberculosis, and emerging infections such as Ebola and Zika Virus. Increasing staffing in this area in the future is critical to Public Health for timely response and control of communicable disease incidence in the community.

According to the *Cost of Smoking in California* report which analyzes the economic burden of smoking report, in Sutter County alone, smoking costs our community more than \$56 million every year. Sutter County adults and youth have a higher rate of smoking than the State average. Our Tobacco Control program's goals are: achieve fewer smoking-attributable deaths;

reduce real costs of smoking; and lower smoking prevalence rates. Targeted efforts will continue in the following areas: (1) to have eighty-percent of a multi-unit public housing complex be designated as tobacco free; (2) work with community tobacco retailers in reducing availability of tobacco and electronic nicotine delivery devices (ENDDs) to youth; and, (3) provide support and education that encourages smoke free campuses in the community.

Recommended Budget

This budget is recommended at \$6,327,755, which is an increase of \$105,275 (1.7%) over FY 2015-16.

The County has a required contribution of \$674,240 to satisfy the County's AB8 required match (which is interpreted to remain intact following the passage of AB 85). The County's contribution is reflected in the Health General budget unit (4-110) and the Health – County Share budget unit (4-112). The balance of cost for the Health budget unit is covered by 1991 Realignment revenue.

Due to the closure of the Public Health Laboratory it is recommended to eliminate one vacant and defunded Public Health Microbiologist position and one vacant and defunded Director of Public Health Lab. In FY 2015-16 it was recommended to eliminate a vacated Public Health Lab Technician.

In addition the following position changes are recommended effective July 1, 2016.

- Eliminate one vacant and defunded Account Clerk I/II position
- Eliminate one vacated Account Clerk III position.

Health Officer position out of Jail Medical (4-134) back to the Health budget unit

The Department anticipates a reduction in SNAP-Ed grant funding, therefore instead of defunding one (1.0 FTE) Health Program Specialist position in SNAP-Ed effective October 1, 2016, it is being recommended to use the existing full time HPS to fulfill the combined duties of addressing the Homeless population health concerns, grant writing, and Accreditation Coordinator duties. In essence this position would no longer be grant funded, but covered with County contribution and 1991 Realignment.

Capital Assets are recommended at \$77,000 for a telephone system and keycard security system upgrade.

Residual Equity Transfer-Out is budgeted at \$71,261 for payment of the Department's share of the Opterra Energy Efficiency Project. The Health facility had solar panels constructed that will offset Utility costs as well as Lighting and HVAC upgrades to help reduce the Departments energy usage.

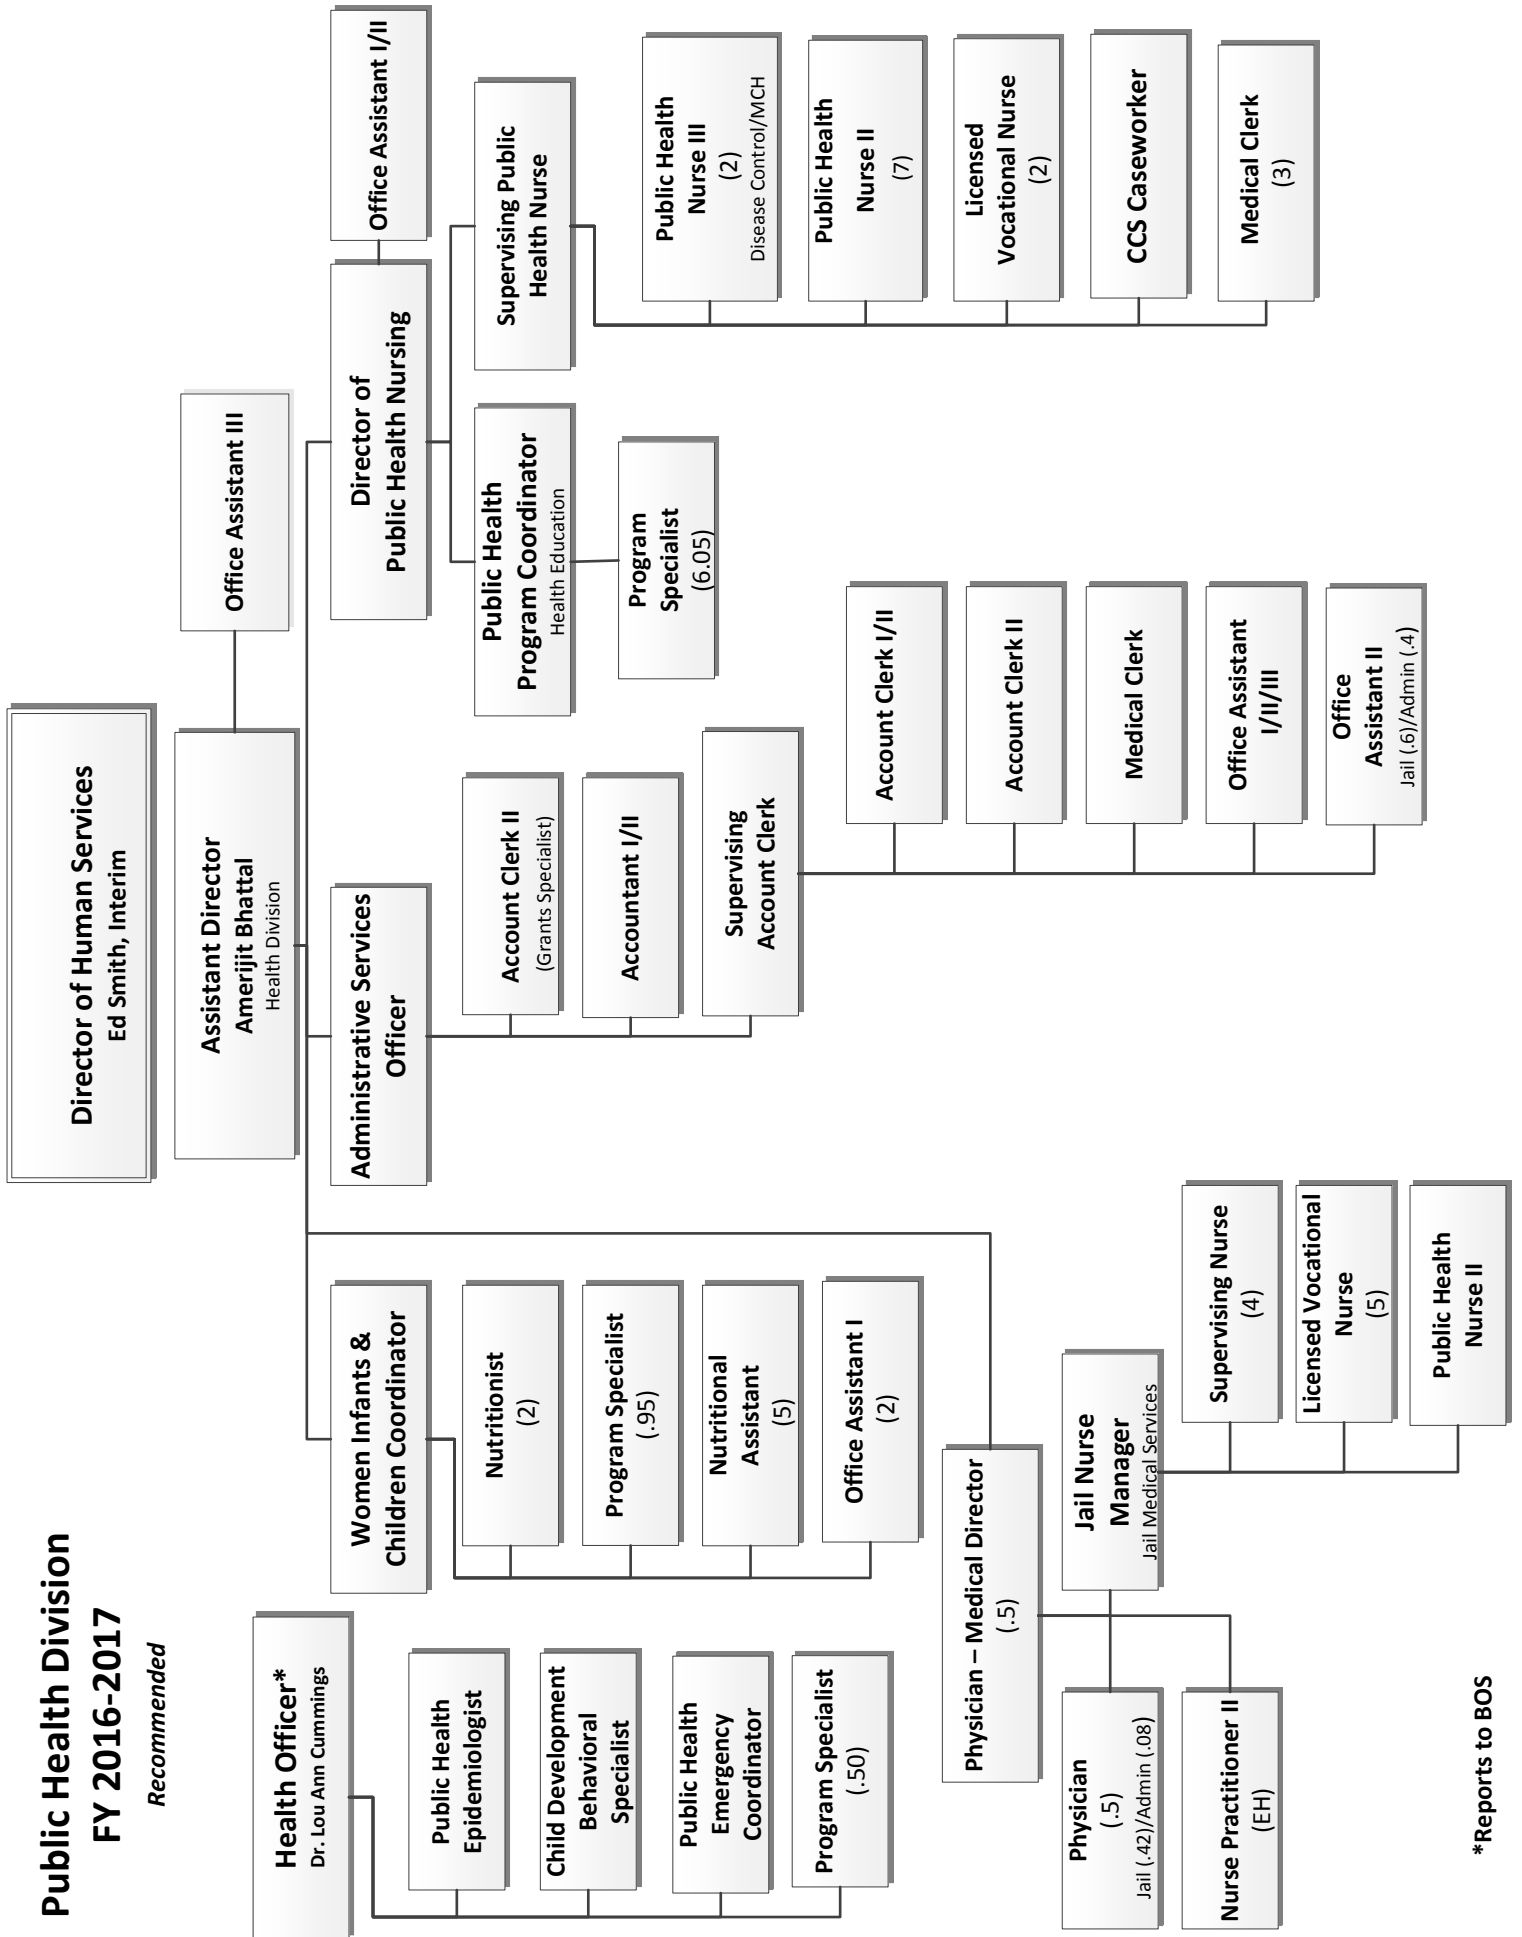

Of the 51.98 FTE positions contained in the Health Division budget, 29.55 FTE positions are directly grant funded.

Purpose

The operation of the Jail Medical Services program is the responsibility of the Sutter County Department of Human Services. The Director of Sutter County Human Services or his/her designee is the Health Authority responsible for the arrangement of all levels of healthcare, including medical and nursing coverage.

Jail Medical Services are provided to inmates in conformance with an Amended Settlement Agreement the County entered into in 1994 with the United States District Court for the Eastern District of California, and in accordance with the minimum standards of the California Board of Corrections and Title 15 of the California Code of Regulations.

Program Discussion

The Jail Medical Services budget represents the costs of providing nursing coverage in the jail seven days per week, 19.5 hours per day; sick-call coverage by Physicians and/or Nurse Practitioners; medical supplies including pharmaceuticals; emergency room care; inpatient hospital care; referrals to medical specialty providers; and dental care.

Jail Medical Staffing

The Jail Medical Services (JMS) program is maintaining its current level of staffing. Staffing is budgeted to have one Registered Nurse (RN) and one Licensed Vocational Nurse (LVN) assigned for each of the two shifts, seven days per week. In order to cover the staffing requirements for holiday coverage and other anticipated and unanticipated leaves of absence, the Jail Medical Services program has historically hired Extra Help nursing staff to create a “pool” of nurses to draw upon.

The complexity of inmate health and longer inmate stays due to the State’s implementation of the AB109 Public Safety Realignment has added complexities to meeting the healthcare needs of inmates. In FY 2013-14, two additional permanent positions, a Public Health Nurse (PHN) and

an LVN, were added to the budget and paid for by a transfer-in of AB109 revenue. The LVN, serves as support staff for the Physician and/or Family Nurse Practitioner and works in the medical clinic, which has resulted in an increase in the number of patients that are seen in a day. The PHN assists inmates in the application process for medical insurance prior to their release. This position also coordinates healthcare with medical providers to continue care for some of the medically high-risk inmates.

In FY 2015-16, a full-time Nurse Practitioner assigned to the JMS program retired and the position was vacant for a majority of the year as there were no applicants in the recruitment process. A Professional and Specialized Services Agreement was secured with a local physician who specializes in Internal Medicine and Infectious Diseases to cover the medical service needs. It is planned to continue the Agreement in FY 2016-17 with the physician and use a currently employed Extra Help Nurse Practitioner to cover some of the other services.

Continued Impacts of 2011 Realignment & Proposition 47

According to the Board of State and Community Corrections, the average length of stay, in days, for sentenced inmates has increased by ten percent since implementation of AB109. In addition, there has been a gradual increase in average length of stay prior to release for all sentenced and non-sentenced inmates. Demand on jail medical services continues as the overall complexity and serious nature of inmate healthcare needs remain high.

On November 4, 2014, California voters approved Proposition 47, which makes significant changes to the state’s criminal justice system. Specifically, it reduces the

Human Services

Edmund C. Smith, Interim Director of Human Services

penalties for certain non-violent, non-serious drug and property crimes. This will reduce the short-term incarcerations, but could ultimately result in a higher population in County jails as space is made available for those with longer sentences.

The severity of inmate health, mental health, and substance use disorders and the problems presented upon booking continue to result in high utilization of inpatient hospital days, emergency room visits, pharmaceutical costs, and JMS staff time. Specialty medical services such as kidney dialysis, orthopedic surgeries, and high medication costs associated with HIV infections, diabetes, as well as liver and kidney diseases have jointly contributed to an increase in medical supply costs and expenses related to the support and care of inmates.

Future Considerations

The JMS nursing and medical staff have been working to update policies and procedures to meet the National Commission on Correctional Health Care (NCCCHC) standards for health services in correctional facilities. The JMS program have thus far met seventy-five percent of the requirements for accreditation (50 out of the 67 set of nationally recognized standards) and are currently close to meeting one hundred percent for NCCCHC accreditation.

Accreditation compliance provides the necessary reports and data to make fact-based, informed management decisions. It also strengthens an agency's accountability, within both the agency and the community, through a continuum of standards that clearly define authority, performance, and responsibilities. Being NCCCHC accredited can limit an agency's liability and risk exposure because it demonstrates that internationally recognized standards and best practices for correctional healthcare settings have been met.

The JMS program is planning to submit the application for NCCCHC accreditation in FY 2016-17. It is believed that with the accreditation, there is objective validation of the areas in which our healthcare services are meeting national standards. They also help identify areas for improvement. Accreditation will help promote and document an efficient, well-managed system of healthcare delivery and as stated previously, minimizes the occurrence of adverse events, thus reducing healthcare-related liability.

Recommended Budget

This budget is recommended at \$2,687,172, which is an increase of \$6,182 (0.2%) over FY 2015-16.

The following position changes are recommended effective July 1, 2016: add a part-time (0.5 FTE) Physician - Contract position to serve as the Medical Director for the Jail, eliminate vacant Nurse Practitioner II position, and transfer a portion (0.1 FTE) of the Health Officer out of Jail Medical back to the Health budget unit (4-103).

Costs related to the provision of health care to individuals held at or incarcerated in the County Jail, including administration costs, have traditionally been funded by a combination of 1991 Realignment funding and General Fund contributions (prior to the State's implementation of 1991 Realignment, services were funded through a combination of general revenues and AB8 funding). For the fiscal years 2012-13 through 2014-15, due to a significant decline in 1991 Realignment revenues and other county revenue sources (related to the Recession) and based on a request from the Human Services Director, it was recommended that all Jail Medical services costs be removed from the Health budget unit (4-103) and placed into a separate budget unit

Human Services

Jail Medical Services (4-134)

Edmund C. Smith, Interim Director of Human Services

(4-134), and that any costs not funded by AB109 Public Safety Realignment funds be funded entirely by the General Fund. Beginning again for FY 2015-16, due in part to an increase in MVIL 1991 Realignment funding through the recent passage of AB85, a relatively small portion of expense currently shown in the Jail Medical budget unit is recommended to be funded by 1991 Realignment funds. This budget recommendation, in essence, funds \$365,355 of Jail Medical expenses with 1991 Realignment funds, with the balance funded by approved AB109 funds and the General Fund.

The total cost of Jail Medical services is cost-applied back to the Jail budget through a separate Interfund Transfer between the Jail budget unit (2-301) and the General Revenues budget unit (1-209). It should be noted that this transfer is for presentation purposes, and does not result in any increased cost or revenue in the overall budget.

Support & Care of Persons expense reflects direct expenditures related to the hospitalizations and other outside care of inmates. This line item is recommended at \$628,258, which is a decrease of \$71,742 compared to FY 2015-16. During FY 2014-15 the County signed a contract with CorrectCare-Integrated Health, Inc. to provide claims processing services and utilization management, which should continue to decrease the expenditures related to Support and Care.

Use of Fund Balance

This budget unit is within the Health Fund. The budget does not include the use of any specific fund balance.

Program Discussion

Emergency Medical Services

This budget unit appropriates Sutter County's cost for participation in the Joint Powers

Agreement for the Sierra Sacramento Valley Emergency Medical Services (S-SV EMS) Agency. S-SV EMS is a nine county Joint Powers Agency that is designated as the local EMS agency for Placer, Yuba, Sutter, Nevada, Colusa, Butte, Shasta, Tehama, and Siskiyou Counties under the authority of the Government Code, State of California (Section 6500, et seq.). Sutter County's share in the EMS Agency is based on the per capita population rate of forty-one cents (\$0.41), plus a \$10,000 base, for a total of \$51,208. The calculated cost for participation in this joint powers agreement is based on California State Department of Finance projections for the population of Sutter County. It is anticipated that additional funds may be required for this item should the Department of Finance population projections for Sutter County differ from those used by the Health Division or if the per capita rate of \$0.41 changes. A portion of this fee is offset by the use of Emergency Medical Services Fund (Maddy Act) undesignated funds (0-252), reflected as an Interfund revenue in this budget unit.

The S-SV EMS Agency performs the duties of qualification, accreditation, and authorization of all pre-hospital care personnel, EMS system design, and compliance with related local and state regulations.

County Medical Services Program

Sutter County participates in the County Medical Services Program (CMSP) through an agreement between the County and Governing Board of the CMSP. CMSP provides limited-term health coverage for uninsured low-income, indigent adults that are not otherwise eligible for other publicly funded health programs, in 35 rural and semi-rural counties. CMSP and its authority are established in California Welfare and Institutions Code Section 16809 et seq. This budget contains the CMSP Participation Fee of \$188,781, an amount set by legislation for the County to participate in the CMSP. The County's required CMSP Participation Fee, which pursuant to WIC Section 16809.3(d) may not be paid with Health Realignment funds, and pursuant to WIC Section 16990(e) may not be included in determining compliance with any other statutory Maintenance of Effort provisions, is paid for with a General Fund contribution (reflected as revenue in the Health – General budget unit). This participation fee was not eliminated with Health Realignment and AB 85. However, in FY 2014-15 and FY 2015-16, actual expenses decreased by \$188,781 due to a waiver of the CMSP Participation Fee. It is not known if this fee waiver will be applied in subsequent years.

Sutter County has participated in the CMSP since 1983. The County has the option of continuing participation in this program or operating its own medical services program for indigent adults. CMSP is a fee-for-services program with the scope of services similar to the Medi-Cal program. Should Sutter County

operate its own program, the County would determine the scope of services and a provider group eligible for payment.

The Governing Board has received funding from counties participating in CMSP and funds allocated to CMSP from State Health Realignment revenues. As a part of the FY 2013-14 State Budget, changes were enacted that reduced Health Realignment funding provided to counties and the CMSP Governing Board for the delivery of healthcare services through CMSP. The changes pertaining to CMSP counties and the Governing Board were a part of a set of changes that redirected Health Realignment funding from all counties to the State beginning in January 2014.

Welfare and Institutions Code Section 17600.50(a) was enacted as part of the Realignment Trailer Bills to the FY 2013-14 State Budget and reduced overall funding for CMSP beginning January 2014. A redirection of 60% of the Health Realignment revenues that would otherwise be provided to CMSP counties and the Governing Board now goes to the new State Account, the Family Support Services Subaccount. Importantly, the new law limits the amount of Health Realignment funds that will be redirected from each CMSP county in any year to the amount each county would otherwise pay to the CMSP Governing Board to participate in CMSP. Section 17600.50(a) effectively protects County Health Realignment funding for local purposes and limits each CMSP County's Health Realignment contribution to the State, and provides funding to CMSP to assist in providing services for the remaining uninsured.

The expansion of the Medi-Cal program due to the implementation of the Affordable Care Act (ACA) has resulted in a significant reduction in the number CMSP enrollees throughout the counties including Sutter County. The

Human Services

Non County Providers (4-201)

Edmund C. Smith, Interim Director of Human Services

Governing Board will consider proposing revisions to its mission to include developing pilot projects and alternative products that support improved delivery of health care services.

Environmental Health

In FY 1993-94, the Board of Supervisors transferred environmental health services from Public Health to the Community Services Department (now the Development Services Department). Since that time, the unreimbursed cost of the Environmental Health program has been reflected in the Non-County Providers budget unit. A Memorandum of Understanding between the Health Officer and the Director of Environmental Health specifies the relationship of the Environmental Health service to the Public Health Division.

Therefore, this budget unit includes an amount to be transferred to the Environmental Health budget unit (2-725), a division of the Development Services Department. The amount budgeted in the Interfund account for Environmental Health is based on the Environmental Health division's budgeted Unreimbursed Cost for FY 2016-17. Environmental Health service is part of the County's required healthcare programs following 1991 Realignment. As long as Sutter County continues to meet its overall expenditure level for healthcare, for the receipt of 1991 Realignment dollars within the Health Fund, a reduction in the Interfund transfer to Environmental Health will ultimately reduce the amount of General Fund dollars that need to be transferred to the Health Fund to support public health activities.

Recommended Budget

This budget is recommended at \$599,370, with a net cost of \$574,370, which is an increase of

\$2,746 (0.5%) over FY 2015-16.

The County is currently in a multi-year contract with Bi-County Ambulance Services for indigent medical transportation. The annual cost for these services is \$26,400.

The County share for participation in the EMS Agency is recommended at \$51,208. The anticipated cost for participation in this joint powers agreement is based on California State Department of Finance projections for the population of Sutter County. This cost is partially offset with a transfer in from the Emergency Medical Services Special Revenue Fund (0-252), in the amount of \$25,000.

This budget continues to reflect the CMSP Participation Fee of \$188,781, as set by statute, for the County to participate in the CMSP.

The budget also includes \$332,981 to be transferred to the Environmental Health budget unit (2-725).

Use of Fund Balance

This budget unit is within the Health Fund. The budget does not include the use of any specific fund balance.

Purpose

The California Children's Services (CCS) Program is a State mandated program to the County under Article 2, Section 248 of the Health and Safety Code.

Major Budget Changes

There are no major budget changes for FY 2016-17.

Program Discussion

California Children's Services

The California Children's Services (CCS) program has been in continuous operation since it was established in 1927 by the State Legislature. CCS is a statewide tax-supported program of specialized medical care and rehabilitation for eligible children. It is a program that is administered as a partnership between county health

departments and the California Department of Health Care Services (DHCS). The program provides diagnostic and treatment services, medical case management, and physical and occupational therapy services to children under the age of 21 with a CCS-eligible medical condition for which families cannot afford wholly, or in part, to pay. Examples of CCS-eligible conditions include, but are not limited to, chronic medical conditions such as cystic fibrosis, hemophilia, cerebral palsy, heart disease, cancer, traumatic injuries, and infectious diseases producing major sequelae.

DHCS and Sutter County professional medical staff work in partnership to manage the caseload of children enrolled in this program. Sutter County CCS program is considered a Level II program, which includes additional roles such as Durable Medical Equipment authorization, extension of treatment authorization, and annual medical review (reviews continued medical eligibility – not initial medical eligibility).

Human Services California Children's Services (CCS) (4-301)

Edmund C. Smith, Interim Director of Human Services

Therapy services are provided at the county level, while diagnostic and treatment services are provided by private medical providers. The Medical Therapy Program (MTP) provides physical therapy, occupational therapy, and Medical Therapy Conference (MTC) services for children who have handicapping conditions, generally due to neurological or musculoskeletal disorders. MTP services for Sutter County are provided in an outpatient clinic setting at the Virginia School in Wheatland, with Yuba County providing therapy staff. Sutter County reimburses Yuba County for a portion of the cost, based on claims submitted by Yuba County. One of the therapy staff, a Physical Therapist who worked in the MTP clinic for two decades or more, retired from Yuba County. At the time of this writing, the position was vacant due to lack of responses to Yuba County's recruitment efforts. Joint efforts between Sutter County and Yuba County are continuing to explore options to fill this void.

Prior to FY 1991-92, the cost of services provided under the CCS program was shared between the State and the County on a 75/25 percent basis, respectively. The State's "realignment" of health, mental health, and social services programs, which was enacted in 1991, shifted a higher percentage of the costs to counties. The cost-sharing ratio is now 50/50. The additional 25% of cost shift to Sutter County is offset from the 1991 Realignment funds shifted to the County from the State. CCS Realignment funds are, per statute, placed in the Social Services Trust Account. The assumption made in placing CCS funds in the Social Services Trust Account was that it would assure funding of caseload growth every year. The 25% realigned amount that is transferred from the Social Services Trust Account is the only amount within the Health Division that

is subject to the Realignment growth allocation.

State statute requires a minimum county share of cost for the CCS program equal to at least 50% of the total actual expenditures for the CCS program in FY 1990-91, unless the State certifies that a smaller amount is required. Sutter County's share of cost is established at \$154,465, with the State then matching that amount on a dollar-for-dollar basis. Historically, Sutter County policy had been to budget an "overmatch" to the State's contribution of \$154,465, with the understanding that the State would contribute additional matching funds as needed. The county share of cost is met with Realignment revenues.

Cost for actual services provided can vary widely from year to year. Annual service related expenditures have ranged between \$82,647 and \$225,629 since FY 2009-10. Any significant growth in CCS caseloads would place demands both on the service delivery side (particularly due to a decreasing pool of specialists and/or therapists and due to necessity for County staff to review each case in order to authorize services) and on the financing of the program.

In FY 2011-12 the County CCS program expenses for the Basic CCS cases (non-Medical or non-Healthy Families cases) exceeded the State allocation and Emergency Relief Funding was granted by the State, which covers 100% of most costs, with the exception of Vended Therapy. The relief funds are available on a first come first served basis and are not guaranteed. If State or Realignment funds were to not be available to pay claims, the County would be required to pay for services rendered to Sutter County children, or services would be suspended by the State.

CCS and Managed Care

Existing law provides for the Medi-Cal program, which is administered by the DHCS and under which qualified low-income persons receive health care benefits. Existing law provides for DHCS to enter into contracts with managed care systems, hospitals, and prepaid health plans for the provision of various Medi-Cal benefits. Existing law prohibited services covered by the CCS program from being incorporated into a Medi-Cal managed care contract entered into after August 1, 1994, until January 1, 2016, except with respect to contracts entered into for county organized health systems in specified counties. AB 187/Bonta was introduced in January 2015 which would extend the termination of the prohibition against CCS covered services being incorporated into a Medi-Cal managed care contract entered into after August 1, 1994, until January 1, 2017. On October 10, 2015, the Governor signed AB 187/Bonta into law, which extends the carve out for the California Children's Services program to January 1, 2017.

DHCS continues to pursue pilot projects to examine organized healthcare delivery models for CCS eligible children. It is desired by the local counties and DHCS to work together thoughtfully, responsibly and appropriately to transform the CCS program.

DHCS has developed a proposed "Whole-Child Model" to be implemented in specified counties only. This model is described as an organized delivery system that will assure comprehensive, coordinated services through

enhanced partnerships among Medi-Cal managed care plans, children's hospitals, specialty care providers, and counties. There are 33 counties where the Whole-Child Model is not offered, Sutter County being in this group of counties. DHCS proposes to extend the CCS carve-out for three years, to January 1, 2019 in these counties.

Recommended Budget

This budget is recommended at \$280,848, which is increased by \$445 (0.2%) over FY 2015-16.

At this time, the State has not determined the amount of its contribution to the Sutter County CCS Program for FY 2016-17. As mentioned above, in the past, as a policy item, the County has budgeted an amount in excess of the county share of cost in order to meet the potential demand for service, which can be very volatile. The budget recommendation for \$210,368 is consistent with the Board of Supervisors' past policy in this area and is the same as the prior year's Adopted Budget. However, the Board could opt to reduce this budget request to the minimum county share of cost of \$154,465, to match a potential reduced State contribution. At this time it is not known whether the State contribution would match the amount appropriated.

Use of Fund Balance

This budget unit is within the Health Fund. The budget does not include the use of any specific fund balance.

Purpose

Sutter County Health Department is responsible for the administration of the Emergency Medical Services (EMS) Fund.

In 1987, State Senator Ken Maddy authored legislation that allowed counties to establish an EMS Fund. The County Board of Supervisors established such a fund in 1990 (Resolution 90-22), and designated the Health Department (which is now a division of the Human Services Department) as the administrative agency for the fund.

Major Budget Changes

There are no major budget changes for FY 2016-17.

Program Discussion

The EMS Fund (hereafter referred to by its more common name, ‘Maddy Fund’) is intended to reimburse physicians and medical facilities for emergency services provided to patients who do not pay for the cost of their medical care. With more patients eligible for Medi-Cal because of the Medi-Cal expansion as a result of Affordable Care Act (ACA), passed by Congress in March 2010 and patients eligible for other insurances through Covered California, it is anticipated that there may be fewer patients who do not pay for the cost of their medical care. Maddy Fund revenues are derived from penalty assessments on various criminal offenses, motor vehicle violations, traffic violator school fees, and revenues from taxes on tobacco products under Proposition 99 (the Tobacco Tax and Health Protection Act of 1988).

Counties must use Maddy revenues for

Emergency Medical Services Fund (0-252)

purposes established in the statute. A county can use an amount equal to actual expenditures or up to 10% of total Maddy revenues for administration of the fund. Of the remaining funds, 58% is allocated to an account for physicians and surgeons who provide emergency medical services (and are not employed in county hospitals), 25% is allocated to an account for hospitals that provide emergency services, as defined in State law, and 17% is allocated to an account for discretionary emergency medical related services as may be determined by the county.

For Maddy Funds established before July 1, 1991, such as Sutter County's, the law specifies a limit on the amount of revenues that counties can deposit in the fund. This limitation restricts the annual increase in revenues to no more than 10% and is tied to the annual growth, if any, in the county's total penalty assessments. The law allows counties that had not established a Maddy Fund before July 1, 1991, to receive Maddy revenues from county penalty assessments without limitations on annual growth. Changes were made to the law in 2002 to establish limits on the amount of Maddy revenue that a county may retain in an Emergency Services Fund reserve from year to year.

It should be noted that the majority of the revenues in the Restricted Fund Balances were received prior to 2002, before the current reserve limits were established in law. The Restricted Fund Balances do not appear in the budget because they are, theoretically, not being made available for current budgeted expenses. However, with Board approval through the budgeting process, these reserve funds can be used in the event that the EMS Fund cannot make payments for claims or transfers, in a given year, from current year revenues.

Recommended Budget

This budget is recommended at \$174,402, which is an increase of \$5,500 (3.3%) over FY 2015-16.

Use of Fund Balance

The EMS fund contains Restricted Fund Balance accounts for each type of expenditure, as established by statute. Allocated funds that are not spent within the fiscal year are placed in the respective Obligated Fund Balance account.

The fund also includes a Restricted Fund Balance account for EMS funds collected prior to 2002. Monies held within these accounts may be used, with Board approval, in the event collections in the EMS fund decrease below current levels. The recommended budget includes a cancellation of \$1,282 from the Restricted Fund Balance 2002 account (#31108) to offset a portion of the County's share of cost in the Sierra Sacramento Valley Emergency Medical Services (S-SV EMS) Agency. This total cost is currently recommended at \$51,208, in the Non-County Provider budget unit (4-201).

Projected Physician Revenue for FY 2015-16 is less than projected Physician Expenses; therefore, the recommended budget includes a Cancellation of Obligated Fund Balance from the Restricted Fund Balance Physicians account (#31113) in the amount of \$15,000, the same as FY 2014-15, to fund anticipated Physician Expense claims for FY 2015-16.

Purpose

Bi-County Mental Health, also referred to as Sutter-Yuba Mental Health Services (SYMHS), is a division of the Sutter County Human Services Department. Under a Joint Powers Agreement entered into between the counties of Sutter and Yuba in 1969, SYMHS provides specialty mental health services to residents of both counties. Subsequently, in the mid-1970s, by resolution of both Boards of Supervisors, it was determined that SYMHS would also provide bi-county drug and alcohol services. SYMHS provides the full range of specialty mental health services to eligible Sutter and Yuba County Medi-Cal beneficiaries; provides crisis and specialty mental health services for all Sutter and Yuba County residents regardless of payer status; administers managed-care contracts for

mental health services with private for-profit and non-profit agencies; and provides a comprehensive system of care for the seriously mentally ill, to the extent resources are available.

Program Discussion

Sutter-Yuba Mental Health Services (SYMHS) has served between 5,500 and 6,000 unique mental health clients each year, for the last several years. There has been a significant increase in demand for mental health services due in part to expanded children's services supported by Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) funds which became available in 1995. This, together with the Medi-Cal consolidation that became effective in 1998, and growth in local population, has resulted in the level of service provided today by SYMHS to mental health clients in Sutter and Yuba Counties.

Under Medi-Cal consolidation, SYMHS has been the Mental Health Plan for more than 40,000 Medi-Cal beneficiaries in Sutter and Yuba Counties. Mental health treatment is an entitlement under Medi-Cal. SYMHS is responsible for assessing and treating, or referring for treatment, all Medi-Cal eligible individuals who meet medical necessity criteria and seek Specialty Mental Health Services on either an inpatient or outpatient basis. In addition to providing direct services, SYMHS has established contracts with licensed therapists in the local community

and statewide to serve area children who have been placed out-of-home.

In 1991, responsibility for providing Specialty Mental Health Services was realigned from the state to counties. Revenue to fund these services came from dedicated shares of Vehicle License Fees (VLF) and sales taxes. During FY 2011-12, the State realigned responsibility for additional mental health and Substance Use Disorder (SUD) services to counties along with an additional dedicated portion of sales taxes to fund them. The areas realigned are:

- EPSDT
- Mental Health Managed Care
- Drug Courts
- Drug Medi-Cal
- Non-Drug Medi-Cal Treatment Services

All of these were previously funded by State General Fund monies.

SYMHS has a long-term contract relationship with Victor Community Support Services, Inc. (VCSS). VCSS provides assessment and treatment services to youth on school campuses. These services are funded through a combination of Medi-Cal and EPSDT.

SYMHS provides substance use disorder treatment services to local residents under contracts with the California Department of Health Care Services (DHCS), which include significant funding from federal Substance Abuse Prevention and Treatment (SAPT) block grants.

SYMHS provides a number of judicially-linked programs. These include drug diversion services authorized under section 1000 of the California Penal Code;

Human Services

services to individuals referred by the courts in both counties for mental health treatment and substance abuse counseling; psychiatric services to youth in juvenile hall and youth in the Maxine Singer Youth Guidance Center; services to inmates in both counties' jails; and services to individuals involved in drug courts in both counties.

During FY 2011-12, Public Safety Realignment shifted responsibility for certain offenders from the state to counties and funding became available to continue and expand services in collaboration with the Probation Department. SYMHS now has four Intervention Counselor positions and one Mental Health Therapist position that are stationed at Sutter County Probation to provide services related to Public Safety Realignment.

SYMHS also provides an intensive day treatment program to pregnant women and women with small children under its First Steps program. First Steps is widely recognized to be a very effective substance abuse treatment program with many successful graduates in our communities.

Although responsibility for Drug Medi-Cal (DMC) services has been realigned to counties, local DMC providers are still contracted directly with DHCS. There are currently two of these agencies in the community. It is anticipated that SYMHS will eventually assume responsibility for oversight of these contractor-provided services.

SYMHS, under funding agreements with Sutter and Yuba Counties' Social Services agencies, provides additional treatment services in the Child Protective Services and the California Work Opportunity and

Responsibility to Kids (CalWORKs) programs of both counties.

Healthcare Reform has impacted SYMHS. Impacts include changes in the clients SYMHS will serve, increasing linkages to primary care providers, new requirements for claims submission and cost reporting, etc. These impacts are evolving and SYMHS has not attempted to budget specifically for implementation of new requirements and revenues related to Healthcare Reform. As new requirements become clear, SYMHS may return to the Board with budget adjustments to reflect these anticipated changes.

During the last year, SYMHS has entered a new relationship with Rideout Memorial Hospital. Psychiatric Emergency Services (PES) Crisis Counselors are embedded 24/7 at the Rideout Emergency Room. Individuals placed on an involuntary hold under Welfare and Institutions Code Section 5150 are now taken directly to the Rideout ER for assessment. This arrangement is beneficial for SYMHS, Rideout, and the community. Crisis services are still available for voluntary clients 24/7 at the main SYMHS facility on Live Oak Boulevard.

As this budget was being prepared, work was in progress to move Mental Health's youth outpatient programs, along with Social Services programs and other portions of the Welfare and Social Services Division, to a facility on Stabler Lane. This would empty the modular building at the Live Oak Boulevard site, which has exceeded its useful life span. Following the move, the modular building will be removed and returned to its owner.

Work has resumed to evaluate the feasibility of constructing a new Human Services building on the Live Oak boulevard site.

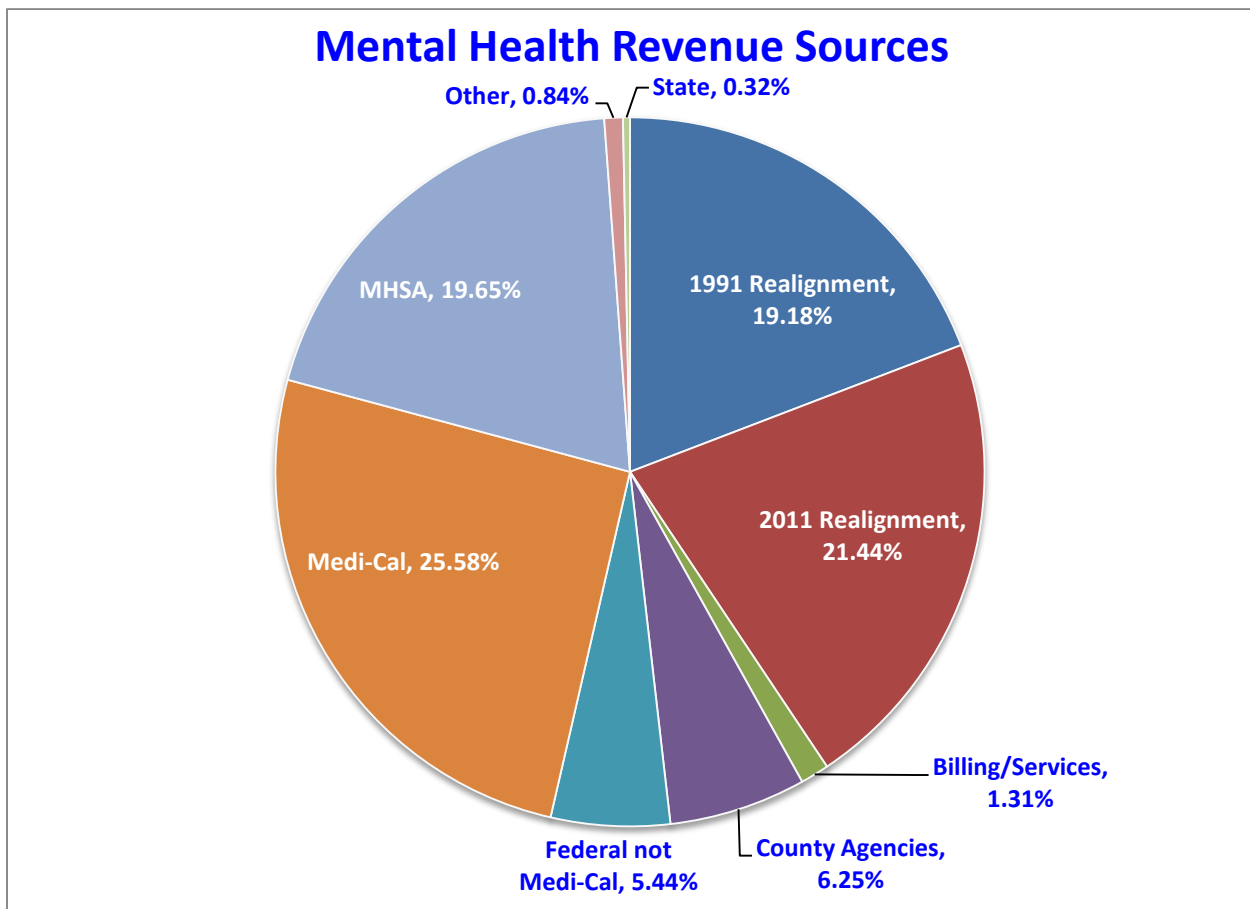

FY 2016-17 Budget Discussion

SYMHS' rates are required by federal law to be based on actual costs. Medi-Cal is billed using interim rates, estimated based on costs from a prior year, and these rates are then reconciled to actual costs at the end of each fiscal year through a mandated cost report process. For FY 2016-17, SYMHS will charge \$1,136.55 per day on the Inpatient Unit. Other services are charged by the minute: \$8.23 per minute for Medication Support, \$3.42 per minute for Case Management/Brokerage, \$4.42 per minute for Mental Health Services, and \$6.57 per minute for Crisis Intervention. These interim rates are based on the FY 2013-14 Cost Report and may be adjusted upon completion

of the FY 2014-15 Cost Report.

In addition to the above, the rate for the First Steps perinatal substance abuse treatment program is \$118.94 per day. Clients are charged for these and for other substance use disorder treatment services on a sliding fee schedule based on ability to pay.

From a financial perspective, several factors are affecting the FY 2016-17 Mental Health budget. Until recently, both locally and statewide, Mental Health Realignment allocations remained flat or declined. Mental Health Realignment (1991) revenue was originally based on portions of sales taxes and motor vehicle license fees but, due to 2011 Realignment, beginning in FY 2011-12 it is based only on an increased portion of sales tax revenue. Statewide growth in Realignment funding paid for increasing caseloads in Child Welfare Services, Foster

Human Services Mental Health (4-102)

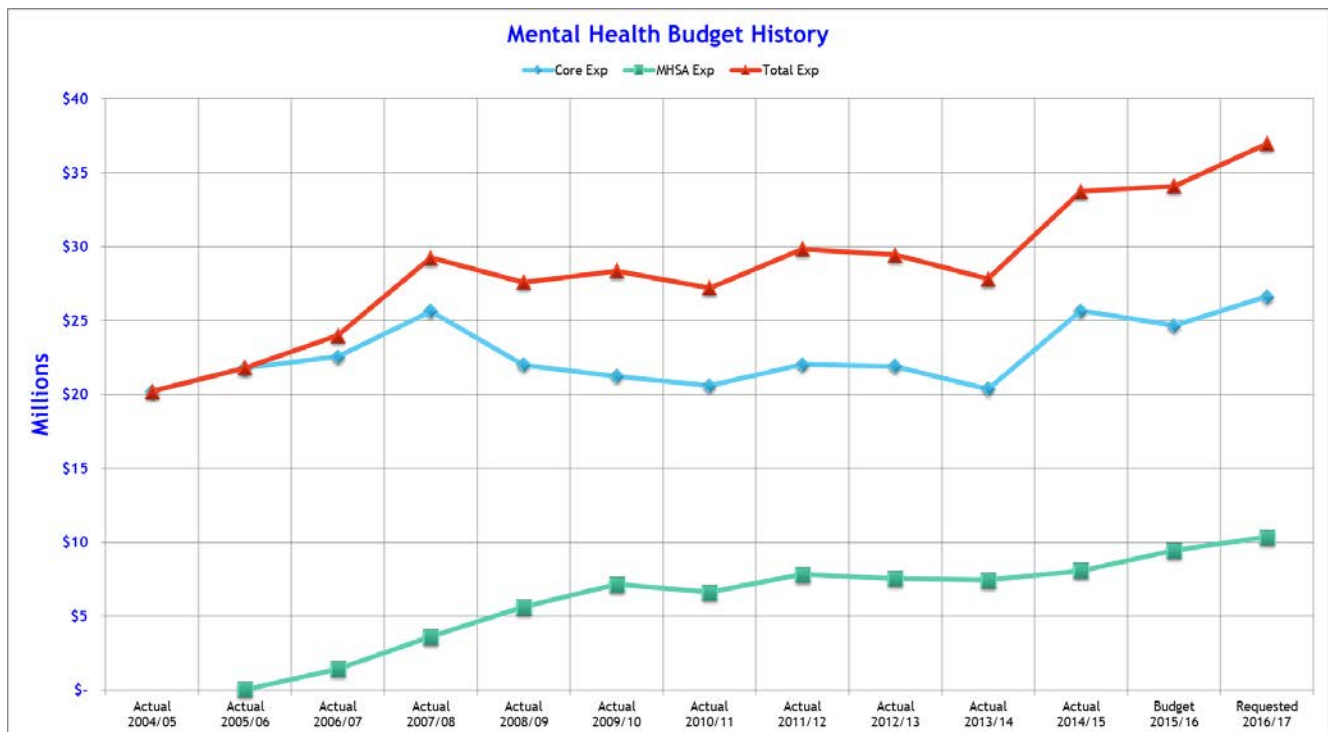

Edmund C. Smith, Interim Director of Human Services

Care, and/or In Home Supportive Services; programs which, by statute, have first draw on Realignment growth dollars. Mental Health has start receiving Realignment growth. The Mental Health Division uses Realignment funding as match to draw down the Federal contributions to Medi-Cal.

- The State Budget Act in 2011 enacted Public Safety Realignment transferring approximately \$5.6 billion in State fiscal responsibilities for public safety programs from the State to the counties. Funding for the programs is provided largely through a dedicated portion (1.0625 percent) of State sales and use taxes, and a small portion of redirected Vehicle License Fee revenues. Proposition 30, approved by the voters in November 2012, provided constitutional protections for this revenue source. While nearly all 2011-realigned programs were transferred to counties in FY 2011-12, Medi-Cal Specialty Mental Health Services, which includes EPSDT services for children and youth, was not realigned until FY 2012-13 because the Legislature diverted \$861 million in Mental Health

Services Act (MHSA) funds to support those programs in FY 2011-12.

- For FY 2012-13 and subsequent fiscal years, the Legislature enacted SB 1020 of 2012, which establishes a permanent financial structure for 2011 Realignment. This bill together with SB 1009 of 2012 includes changes to state laws governing Medi-Cal Specialty Mental Health to effectuate its 2012-13 realignment to counties. State General Fund monies that previously funded EPSDT and mental health managed care have been replaced by 2011 Realignment sales tax revenue. The mental health services previously mandated by AB 3632 for special education students are now the responsibility of the schools.
- Funding for Substance Use Disorder (SUD) prevention and treatment has remained flat or declined slightly for the last several years. New funding under Criminal Justice Realignment has allowed the addition of SUD programs at Probation and in the Jails.

Human Services

Mental Health (4-102)

Edmund C. Smith, Interim Director of Human Services

The complexity of mental health and SUD funding and programs has increased for a variety of reasons, including 2011 Realignment and major changes to MHSA's payment methodology. This increased complexity has required added administrative staff in the Business Office and in Quality Assurance.

Extra hire personnel are still essential to the business model for operation of Mental Health's Psychiatric Health Facility (PHF), which provides inpatient treatment, and Psychiatric Emergency Services (PES), which provides crisis services, both of which operate on a 24 hour per day, 7 days per week basis. Extra hire personnel provide essential flexibility in meeting staffing requirements for the PHF that vary based on patient census and acuity. They also provide standby services for both the PHF and PES. Mental Health has worked closely with the Human Resources Department and the County Administrator's Office to ensure use of extra hire personnel in compliance with the Affordable Care Act.

2011 Realignment has decreased the State's practice of deferring payments to counties as a means of addressing its fiscal shortcomings. The Board of Supervisors assisted SYMHS in meeting the difficult cash flow problems caused by the State's past deferral of payments to counties by authorizing borrowing from other funds of the Mental Health Department. SYMHS pays interest on these cash flow loans, but the State does not pay interest on the payments it defers, so an added cost is imposed on SYMHS as a result. SYMHS continues to pay down this borrowing.

An additional area of concern is the effect of prior year audits. Before its dissolution, the State Department of Mental Health Audit Division became much more aggressive in

their audit reviews. Generally these audits occur between four and five years after the year the services were provided. This means that any process error that is discovered may have continued to be made in subsequent years. In effect, a relatively minor error made in one year could have a significant impact over time if that error continued to be made in subsequent years. Responsibility for these audits has now transitioned to the Department of Health Care Services, timeliness and consistency of audits remain ongoing issues for counties.

Recommended Budget

This budget is recommended at \$26,313,210, which is an increase of \$1,699,343 (6.9%) over FY 2015-16.

This budget unit receives no financing from the General Fund. The sources of funding for Sutter-Yuba Mental Health Services are shown in the *Mental Health Revenue Sources* chart. Mental Health's funding history is shown graphically in the *Mental Health Budget History* chart.

The increase in total cost is largely due to increased costs for personnel and for contracted services.

The following new positions are recommended to be effective July 1, 2016:

- Add one Rehabilitation Clinician position to be recruited as a registered occupational therapist or recreational therapist - 62.5% funded by the Mental Health budget with the remainder funded by the Mental Health Services Act budget (4-104)
- Add one Crisis Counselor - 50% funded by the Mental Health budget with the

Human Services

Mental Health (4-102)

Edmund C. Smith, Interim Director of Human Services

remainder funded by the Mental Health Services Act budget (4-104)

- Add one flexibly-staffed Psychiatric Technician/LVN position
- Add one flexibly-staffed Medical Clerk I/II position

Capital Assets are recommended at \$99,450 for the purchase of four replacement vehicles. The Department has requested three mid-sized sedans and one small SUV.

Residual Equity Transfer-Out is budgeted at \$46,698 for payment of the Department's share of the Opterra Energy Efficiency Project. The Mental Health Building on Live Oak Blvd had Lighting and HVAC upgrades to help reduce the building's energy usage. In addition, the properties on Plumas and E. Onstott Rd will benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects Mental Health's proportional share of the payment.

It remains SYMHS' objective to keep the Mental Health budget and the Mental Health Services Act budget in balance and to fully utilize all available funding in a fashion most advantageous to our counties.

Use of Fund Balance

The Mental Health fund contained a Restricted Fund Balance in the amount of \$310,386 as of July 1, 2015. It is estimated that the Restricted Fund Balance will equal \$2,477,080 at July 1, 2016. It is recommended that \$1,038,551 of the Restricted Fund Balance be cancelled in FY 2016-17 for use in the Mental Health budget.

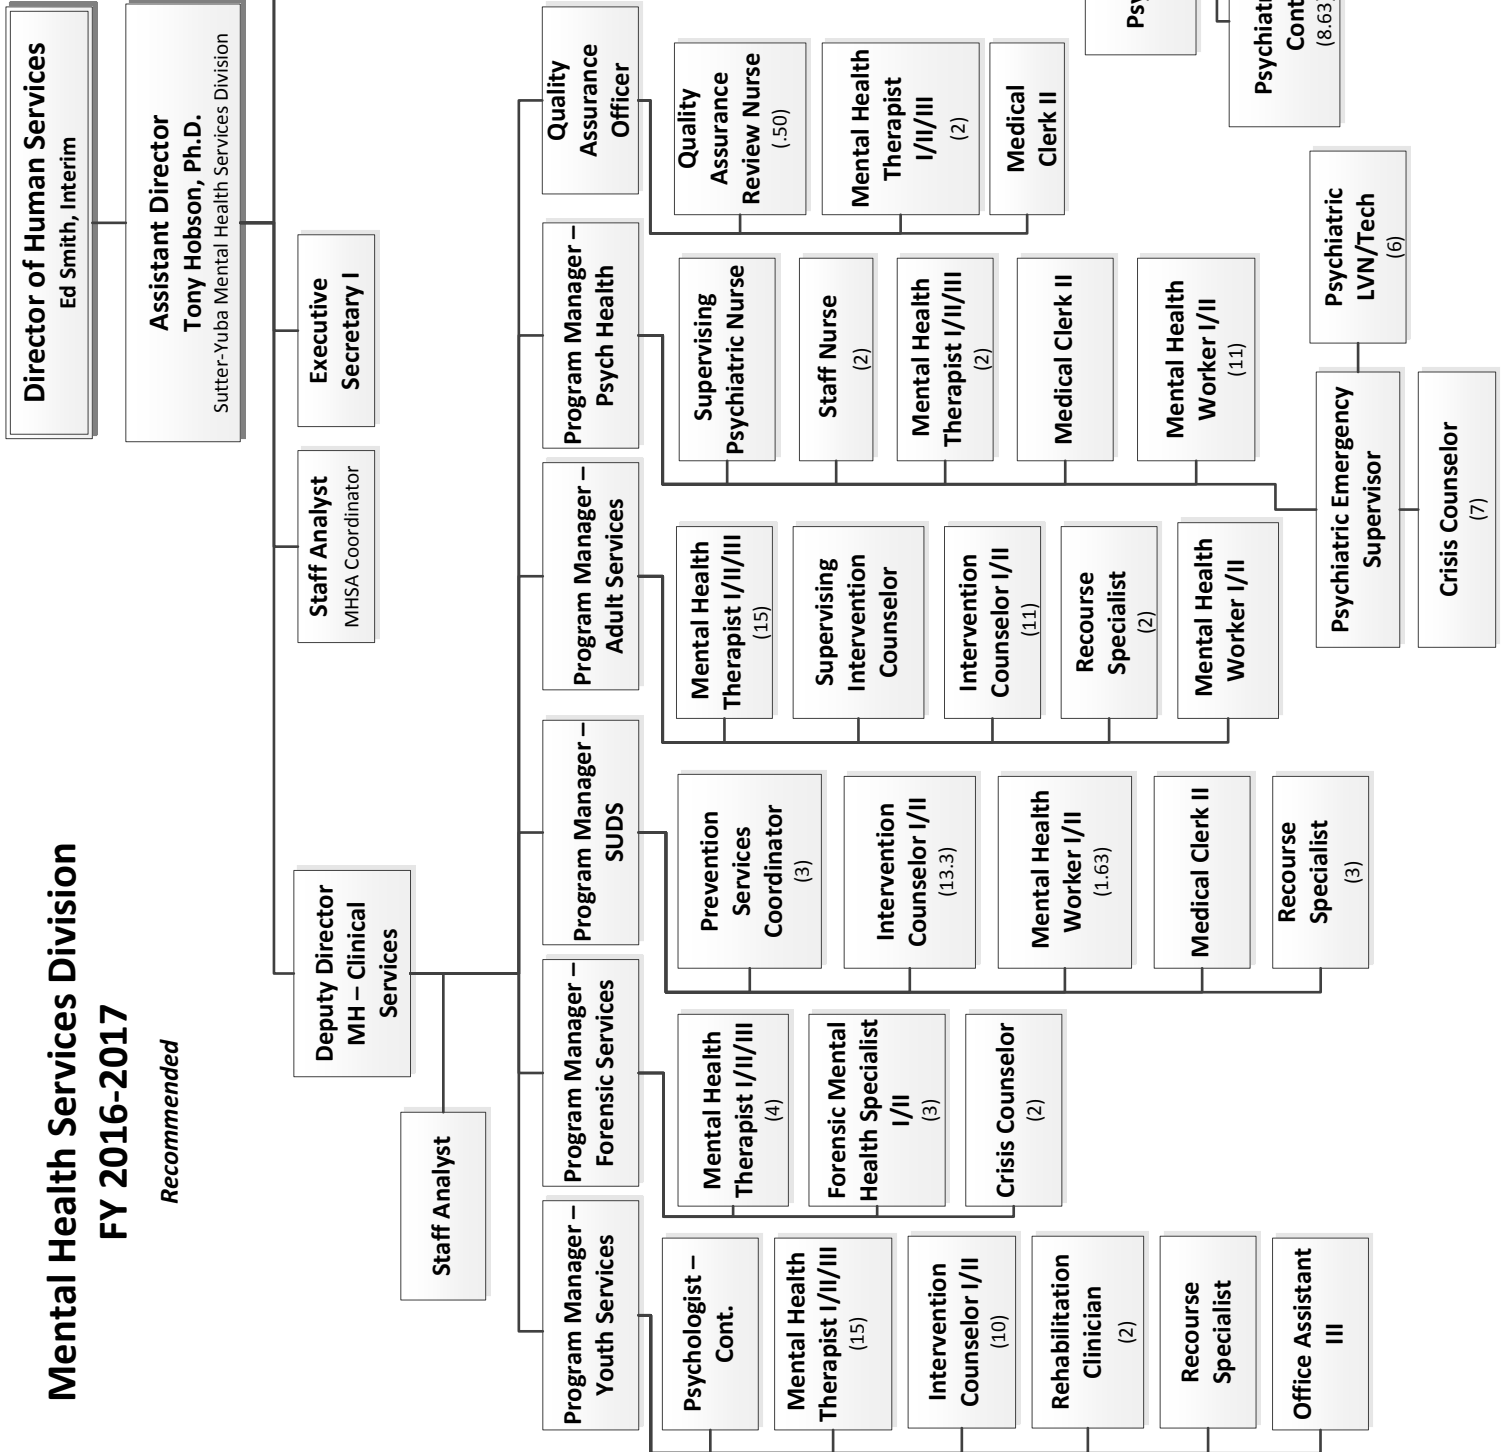

The Mental Health fund also contains a Restricted Fund Balance for Sutter County use in the amount of \$51,419. There are no planned uses for this fund balance.

Purpose

The passage of Proposition 63, known as the Mental Health Services Act (MHSA), in November 2004, provided the first opportunity in many years for Sutter-Yuba Mental Health Services (SYMHS) to provide increased funding, personnel, and other resources to support county mental health programs and monitor progress toward statewide goals for children, transition age youth, adults, older adults, and families. The MHSA addresses a broad continuum of prevention, early intervention, and service needs and the necessary infrastructure, technology, and training elements that will effectively support this system.

The MHSA budget unit (4-104) was created in FY 2005-06, beginning with the Community Services and Supports component. The Mental Health Services Act requires counties to place

MHSA funds in a local Mental Health Services Fund, invest the funds consistent with County practice for other funds, and transfer any interest earned back into the Fund. The MHSA prohibits using MHSA funds to supplant funding that was previously provided for Mental Health Services by other sources.

Program Discussion

The Mental Health Services Act (MHSA), also known as Proposition 63, was passed by the voters in November 2004. MHSA funds for counties are used to expand and transform mental health services. The MHSA has five components:

- Community Services and Support
- Prevention & Early Intervention
- Innovation
- Capital Facilities and Technological Needs
- Workforce Education and Training

Sutter-Yuba Mental Health Services (SYMHS) has approved programs in all five MHSA components. These components and programs are listed below. It should be recognized that the capacity to accept clients into these programs is directly related to available staffing.

Community Services and Supports (CSS) Component

The Urgent Services Program has been developed to serve all ages with distinct, age-appropriate services for youth and adults who have acute mental health issues and are at greatest risk of harming themselves, or others, at risk of hospitalization, or are at risk of incarceration in jails or juvenile justice institutions. SYMHS also works with

Human Services

Mental Health Services Act (4-104)

Edmund C. Smith, Interim Director of Human Services

school-based counselors and other school personnel to identify children at greatest risk.

The Older Adult Services Program has been developed to serve older adults, aged 60 and over, who are physically or geographically isolated and who have psychiatric disabilities. Further priority is given to those whose cultural identity places them in underserved populations within our community. This program enables participants to obtain and maintain positive social connections; experience respect from their providers of mental health services; feel empowered and listened to in the process of planning and obtaining their services; and have continuity in their providers. This program also incorporates peer-delivered services; uses a family-friendly approach to service planning and delivery; and provides housing services and treatment leading to recovery, to promote the program's goals of reducing disparities in services and decreasing homelessness for mentally ill clients.

The Ethnic Outreach Program targets our major underserved populations: Latino, Hmong, and Punjabi-speaking Asian Indians. Each program is intergenerational, serving children, youth, transition-aged youth, adults, and older adults within each cultural group. Within these broader categories, females are specifically targeted, as they are more likely to be underserved in our system, and specifically within these cultures. This program enables participants to obtain and maintain positive social connections; live in safety and in a setting which is of their choosing; and have access to integrated mental health and drug and alcohol treatment for those with co-occurring disorders. Participants can also obtain assistance to engage in meaningful activities such as employment or education/training; receive

services which recognize their developmental process as "normal" and do not marginalize issues of wellness; and experience respect from their providers of mental health services. As a result, clients feel empowered and listened to in the process of planning and obtaining their services; have continuity in their providers; and have individualized service plans which recognize the uniqueness of each person within the context of their ethnic/racial/cultural identity.

The approved FY 2015-16 MHSA Annual Plan Update included a significant change for the Ethnic Outreach Program: establishment of a Latino Outreach Center to provide a new service location at Holly Oak Square on Garden Highway. This proposal was developed in collaboration with stakeholder groups from the Latino community to provide culturally-competent services in an environment with reduced stigma and near affordable housing that is home to many Latino Medi-Cal beneficiaries. The Center is now up and running with the goal of reducing disparities in behavioral health services provided to the Latino community. Services are provided by bi-lingual SYMHS staff.

The Integrated Full Service Partnership Program serves individuals from all age groups with serious mental illnesses or serious emotional disturbances. This population is significantly more at risk for victimization, addiction disorders, overuse of emergency rooms, psychiatric hospitalizations, and incarceration in jails and juvenile justice institutions. Transition age youth are especially at risk to enter into the cycle of homelessness, unemployment, and substance abuse.

Within the Integrated Full Service Partnership, specific services are available to serve children ages 0-5 and youth aged 6-15

who have severe emotional disturbances or severe mental illnesses that result in significant social, emotional, or educational impairments and/or who are at risk of homelessness or going into out-of-home care. Children ages 0-5 are the most underserved population and have the most potential to need extensive resources over the longest time should they go untreated. SYMHS works with the Ethnic Outreach programs to find children whose cultural identity places them in underserved populations within our community (Hispanic, Asian Indian, and Hmong) and who are in need of mental health services.

Services are available for Transition Age Youth (TAY) aged 16-25 who have severe emotional disturbances or mental illnesses that result in significant social, emotional, educational, and/or occupational impairments or who are at risk of homelessness. TAY within our community who are unserved, underserved, or inappropriately served include young women with self-harming, high-risk behaviors; youth aging out of foster care; and youth transitioning from children's mental health or probation systems to adult systems. Priority for services is given to those with co-occurring substance abuse and mental health disorders, those at significant risk of gang involvement, the uninsured, and those whose cultural identity places them in underserved populations within our community.

Services are available for adults and older adults who have co-occurring mental health and substance abuse disorders and who are homeless, or at risk of homelessness. Priority will be given to those whose cultural identity places them in underserved populations within our community (Latino, Asian Indian, and Hmong).

The Wellness and Recovery Center serves adults and older adults with serious and persistent mental illness who meet the target population criteria established by Sutter-Yuba Mental Health Services.

Prevention and Early Intervention (PEI) Component

The PEI component of MHSAs was approved by the State and implemented by SYMHS during FY 2009-10. PEI approaches are intended to be transformational by restructuring the mental health system to a "help-first" approach. Prevention programs bring mental health awareness into the lives of all members of the community through public education initiatives and dialogue. PEI builds capacity for providing mental health early intervention services at sites where people go for other routine activities (e.g., health providers, education facilities, community organizations). A goal of PEI is to help mental health become part of wellness for individuals and the community, reducing the potential for stigma and discrimination against individuals with mental illness.

The SYMHS implementation of PEI has two major components:

- The Community Prevention Team is intended to serve individuals experiencing onset of serious psychiatric illness; children and youth in stressed families; children and youth at risk for school failure; children and youth at risk of or experiencing juvenile justice involvement; and underserved cultural populations. The team works with agencies in the community to enhance overall community capacity for prevention and early intervention. They will expand mentoring

Mental Health Services Act (4-104)

programs for youth, expand use of the Strengthening Families model throughout the community, and support recreational opportunities for youth that fight stigma and build self-esteem.

- The First Onset component is directed toward individuals experiencing the first onset of serious psychiatric illness. It includes mental health consultation with pediatricians or other primary care providers to improve individuals' access to quality mental health interventions by increasing providers' capacity to offer effective mental health guidance and early intervention service; implementation of Teen Screen, a program of voluntary school screening to identify youth at risk for suicide and potentially suffering from mental illness; provide Aggression Replacement Training® to aid in early identification of mental illness and address stigma issues with the goal of improving social skill competence, anger control, and moral reasoning; and provide education and training at sites in the local community.

In addition to the above PEI programs, MHSA includes, within PEI, funding for the following statewide projects: Suicide Prevention, Student Mental Health Initiative, and Stigma and Discrimination Reduction. Funding for these projects is allocated to each county, but the projects will be executed on a regional or statewide basis. SYMHS has joined with mental health agencies in 48 other counties to form the California Mental Health Services Authority (CalMHSA) under a Joint Exercise of Powers Agreement (JPA) to implement these projects. SYMHS has

reassigned its FY 2008-09 and FY 2009-10 allocations totaling \$300,400 to CalMHSA. Allocations for two additional years have not yet been assigned. Counties formed CalMHSA to ensure the priorities of counties were truly reflected in the execution of these important projects. The alternative was to assign this funding to the former Department of Mental Health.

Capital Facilities and Technology Needs Component

During FY 2010-11, SYMHS received approval for its Wellness & Recovery Center Project. This provides \$197,550 to remodel the former nurses' quarters of the old county hospital, also known as the "little white house," to serve as the main activity space and offices for the Wellness and Recovery Program. The cost for this project came in significantly higher than the initial estimates and the project was discontinued. The current Annual Plan Update instead proposed to use the MHSA Capital Facilities funds for a much-needed expansion of the Psychiatric Emergency Services (PES) area at SYMHS' main site on Live Oak Blvd. The need for the PES expansion was overcome by events when PES services for individuals on involuntary holds under Welfare and Institutions Code Section 5150 was relocated to the Rideout Memorial Hospital Emergency Room. The FY 2016/17 Annual Plan Update currently in process would redirect these funds toward remodeling space in the main clinic building for educational programs directed primarily towards Wellness and Recovery Program clients.

In late FY 2010-11, SYMHS received approval for its Electronic Health Record (EHR) System Project. This provided \$1,567,750 to implement EHR infrastructure, practice management, clinical data

Human Services Mental Health Services Act (4-104)

Edmund C. Smith, Interim Director of Human Services

management, and computerized provider order entry. The Anasazi system was selected to replace SYMHS's 1980s-vintage, COBOL-based information system with a modern EHR and billing system. This is a critical step toward compliance with upcoming federal mandates for implementation of EHRs and Health Information Exchange. EHR implementation began in FY 2011-12 and is proceeding in phases that will continue into FY 2016-17.

Work is also under way to select and implement an outcome measures tracking system. This system would pull data on patient and program outcomes from the EHR for analysis to provide information for data-driven decision-making.

Workforce Education and Training (WET) Component

During FY 2011-12, SYMHS received approval for its WET Component. This provides \$180,000 annually for five years for training and higher education scholarships. This program was coordinated by a consultant who assisted SYMHS in developing and implementing the training and scholarship programs and is now coordinated by a Staff Analyst who serves as the MHSA Coordinator. Trainings focus on cultural competencies, service delivery, and workforce preparedness. Work is in progress toward implementation of an online training service.

Innovation

A plan to implement certain innovative practices has been approved by the State Mental Health Services Oversight and Accountability Commission. One project is to assign a Mental Health Therapist to each County's Probation Department to provide

treatment services, one within the jail setting, and another at the day reporting center. The second project provides additional support to TAY after they age out of the program with the objective of reducing addiction disorders, overuse of emergency rooms, psychiatric hospitalizations, and incarceration in jails and justice institutions. The third project is to increase cooperation between traditional Hmong Healers and Mental Health professionals in order to improve mental health outcomes among Hmong clients.

FY 2016-17 Funding

MHSA is a volatile and economically sensitive funding source. This funding decreased during the recent economic downturn, but is now recovering. SYMHS intends to direct MHSA funding that exceeds the amounts in their approved plans into the Prudent Reserve called for in the MHSA.

The process by which counties receive their MHSA funding changed in FY 2011-12. Counties previously received funds 18 to 24 months after the State received the related tax revenue. However, funds are now being transferred to counties monthly based on their allocations and approved MHSA plans, as tax revenue is received. This process is managed by the State Department of Finance.

MHSA revenue is projected to increase in FY 2016-17, but revenue above the requirements of the approved MHSA Plan will be retained in the Mental Health Services Fund for future use or for inclusion in the Prudent Reserve consistent with the Mental Health Services Act.

The Governor's May Revision to the proposed FY 2016-17 State Budget included support for a Senate measure to divert Mental Health Services Act funds to securitize a \$2

Human Services Mental Health Services Act (4-104)

Edmund C. Smith, Interim Director of Human Services

billion bond for chronically homeless individuals. The amount to be diverted statewide is up to \$130 million per year for 20 years. The estimated impact on Sutter and Yuba Counties is a reduction in MHSA revenues of up to \$600,000 per year based on current MHSA funding allocation methodologies. As proposed, the funds would be administered by the Department of Housing & Community Development and counties would have to compete for grant funding for homeless housing projects.

Recommended Budget

This budget is recommended at \$10,406,385, which is an increase of \$235,110 (2.3%) compared to FY 2015-16. MHSA program expenses are funded by revenue from the State and from the Federal share of reimbursement for services claimed to Medi-Cal. This budget unit receives no financing from the General Fund. See Figures 1 and 2 in the Mental Health (4-102) budget narrative for information on Mental Health funding sources and history.

The following new positions are recommended to be effective July 1, 2016:

- Add one Rehabilitation Clinician position to be recruited as a registered occupational therapist or recreational therapist - 37.5% funded by the MHSA budget with the remainder funded by the Mental Health budget (4-102).
- Add one Crisis Counselor - 50% funded by the MHSA budget with the remainder funded by the Mental Health budget (4-102).

It remains SYMHS' objective to keep the Mental Health budget and the Mental Health Services Act budget in balance and to fully utilize all available funding in a fashion most advantageous to our counties.

Use of Fund Balance

The MHSA fund contained a Restricted Fund Balance in the amount of \$6,662,407 as of July 1, 2015. It is estimated the Restricted Fund Balance will equal \$5,644,340 at July 1, 2016. It is recommended that \$1,486,319 of the Restricted Fund Balance account (#31170) be cancelled in FY 2016-17 for use in the MHSA budget.

The MHSA fund also contains Non-Spendable Fund Balance amounts of \$874,458 (#31014) for housing and \$2,184,370 (#31031) recognizing the cash advance to the Mental Health Fund (0007).

Program Discussion

The responsibilities of the Welfare and Social Services Division of the Human Services Department include eligibility determinations for assistance programs, CalWORKs Employment Services, Child and Adult Protective Services, and other related activities as mandated by Federal and State law.

Human Services Welfare Administration (5-101)

Edmund C. Smith, Interim Director of Human Services

The Welfare Administration budget unit does not include the direct cost of aid payments (for example TANF or Adoptions Assistance Program payments) to recipients. These costs are reflected in their own budget units within the Welfare and Social Services Division.

The FY 2011-12 State budget permanently shifted 1.06% of existing State Sales Taxes from the State General Fund to a Special Local Revenue fund for counties to fund “public safety” programs, which include Child Welfare Services, Foster Care, Adoptions (administration of services and assistance payments), and Adult Protective Services. The State budget also included the shift of Adoption services to the County, with the option for the County to contract back with the State for those services. The Department has chosen to contract with the State to provide adoption services for the County, and use the designated Realignment funding to pay for the service.

A continuing endeavor of the Employment Services Branch is facilitating the employment and self-sufficiency of all TANF/CalWORKs recipients. Employment Services will continue to work with these clients in collaboration with private employers and private non-profit agencies. Effective January 1, 2013, SB1041 implemented a number of significant programmatic changes to the CalWORKs program. Major changes included new rules for Annual Reporting for Child Only (ARCO) cases, Semi-Annual Reporting (SAR), Welfare to Work (WTW) 24 Month Time Clock Limit, redesign of the WTW Assessment, Appraisal and Plan writing components, alignment of required WTW participation hours with Federal TANF hourly requirements, re-engagement of individuals who were previously exempt for

care of young children, and elimination of core/non-core activities. The Department serves approximately 1,041 adults that were affected by the redesign, which require WTW re-engagement coordination and WTW supportive services.

AB74 implemented Early Engagement strategies by provided funding to counties to expand or implement a Subsidized Employment Program for CalWORKs clients. Effective July 1, 2014 CalWORKs expanded our collaboration with Sutter County One Stop to include Subsidized Employment services such as employer development, case management, payroll, and employer of record responsibilities. Subsidized employment creates job opportunities by providing the client a connection to the labor force and the development of employment skills leading to job retention and more employable candidates transitioning to self-sufficiency as well as meeting the State required Work Percentage Rate. During FY 2014-15, 46 individuals were placed in jobs for up to 6 months, 24 attained unsubsidized employment, and 9 families no longer needed CalWORKs assistance. Through December 31, 2015, 54 have been placed, 6 attained unsubsidized employment, and 6 families no longer need CalWORKs assistance.

Family Stabilization Services were implemented May 1, 2014, providing intensive case management, and specialized services to adults and children in CalWORKs who are experiencing an identified hardship or crisis that is destabilizing the family and would interfere with their ability to work or participate in WTW activities. Services and Resources include Emergency or Transitional Housing; Mental Health and Substance Abuse Services; Transportation Assistance, and intensive case management

Human Services Welfare Administration (5-101)

Edmund C. Smith, Interim Director of Human Services

to offer comprehensive services and consistent life skills reinforcement.

The Online CalWORKs Appraisal Tool (OCAT) was implemented October 1, 2015 providing a standardized statewide WTW appraisal tool that will provide in depth appraisals of client strengths and barriers to employment. Use of the OCAT will lead to greater opportunities for CalWORKs clients by identifying strengths and barriers immediately upon a client's entry into the WTW program.

The Child and Adult Protective Services branch continues to work collaboratively with Mental Health, Health, Probation, the Courts, and other public service agencies by using a multidisciplinary team approach to address the problems of families and adults.

One purpose of the Patient Protection and Affordable Care Act (ACA) of 2010 is to provide affordable healthcare for all Americans. Health Care Reform legislation required that County Welfare Departments begin open enrollment on October 1, 2013 for Health coverage to begin January 1, 2014. Sutter County was approved for funding to implement a Customer Service Center using C-IV Customer Service Center hardware and software technology. A Task Based business model has allowed workers to manage ongoing cases more efficiently by processing specific tasks rather than managing entire caseloads. During FY 2012-13, the Board of Supervisors approved the initial plan and expenses, including the conceptual plan for FY 2013-14 with budgeted cost of \$1,092,432. The Customer Service Center continuing cost on production operation charges is budgeted at \$244,655 for FY 2014-15, \$243,274 for FY 2015-16 and \$245,400 for FY 2016-17.

Counties have experienced a dramatic increase in demand for Medi-Cal and the CalFresh programs over the last 10 years due to regulatory changes, the recession, and subsequent job loss or reduction in work hours.

In Sutter County, the Medi-Cal caseload, or number of households, grew approximately 146% from October 2006, at 6,889 cases, to October 2015, at 16,944 cases. As of February 2016, the Medi-Cal caseload has slightly decreased to 17,025 cases.

Approximately 32,000 individuals in Sutter County are receiving Medi-Cal benefits. In 2014, Sutter County added over 5,000 additional households to Medi-Cal under the Affordable Care Act who qualified for Medi-Cal on January 1, 2014 under the Affordable Care Act's expanded Medicaid eligibility criteria.

The ACA has significantly expanded the scope of the Medi-Cal program which results in programmatic changes that requires additional on-going analytical work.

The CalFresh caseload has grown approximately 122% from October 2006 at 2,617 cases to October 2015 at 5,812 cases. As of February 2016, the CalFresh caseload has increased to 5,912 cases.

Human Services Welfare Administration (5-101)

Edmund C. Smith, Interim Director of Human Services

Recommended Budget

This budget is recommended at \$23,561,071 which is an increase of \$1,122,653 (5%) compared to FY 2015-16. The Welfare and Social Services fund, as a whole, receives \$449,000 in financing from the General Fund in order to meet the County's Maintenance of Effort (MOE) for receipt of CalWORKs and related Realignment funding.

Capital Assets are recommended at \$66,000 for the purchase of three replacement vehicles. The Department has requested three mid-size sedans.

It is recommended to add the following positions effective July 1, 2016:

- One Office Assistant II position
- Two Staff Services Analyst positions
- One Social Worker III - Child Services position
- One Program Manager position

Residual Equity Transfer-Out is budgeted at \$44,082 for payment of the Department's share of the Opterra Energy Efficiency Project. The Welfare facility at 190 Garden Hwy had solar panels constructed that will offset Utility costs as well as Lighting and HVAC upgrades to help reduce the

Departments energy usage. While the Welfare facility at 539 Garden Hwy will benefit from the Acacia property Solar Panel array that will offset Utility costs.

During FY 2011-12, Public Safety Realignment was implemented, which realigned the responsibility for many programs from the State to counties. Because of this shift in funding, Sutter County was mandated to establish the County Local Revenue Fund 2011 (0-140). For FY 2012-13, the Social Services Realignment Fund 2011 (0-245) was established to transfer funds from the County Local Revenue Fund 2011 to the operating budgets of the Welfare and Social Services Division. The shift in funding simply changed the flow of funding from the State to the County without affecting the overall amount of funding for programs. The County Local Revenue Fund 2011 and the Social Services Realignment Fund 2011 are discussed in greater detail in their own budget narratives.

Use of Fund Balance

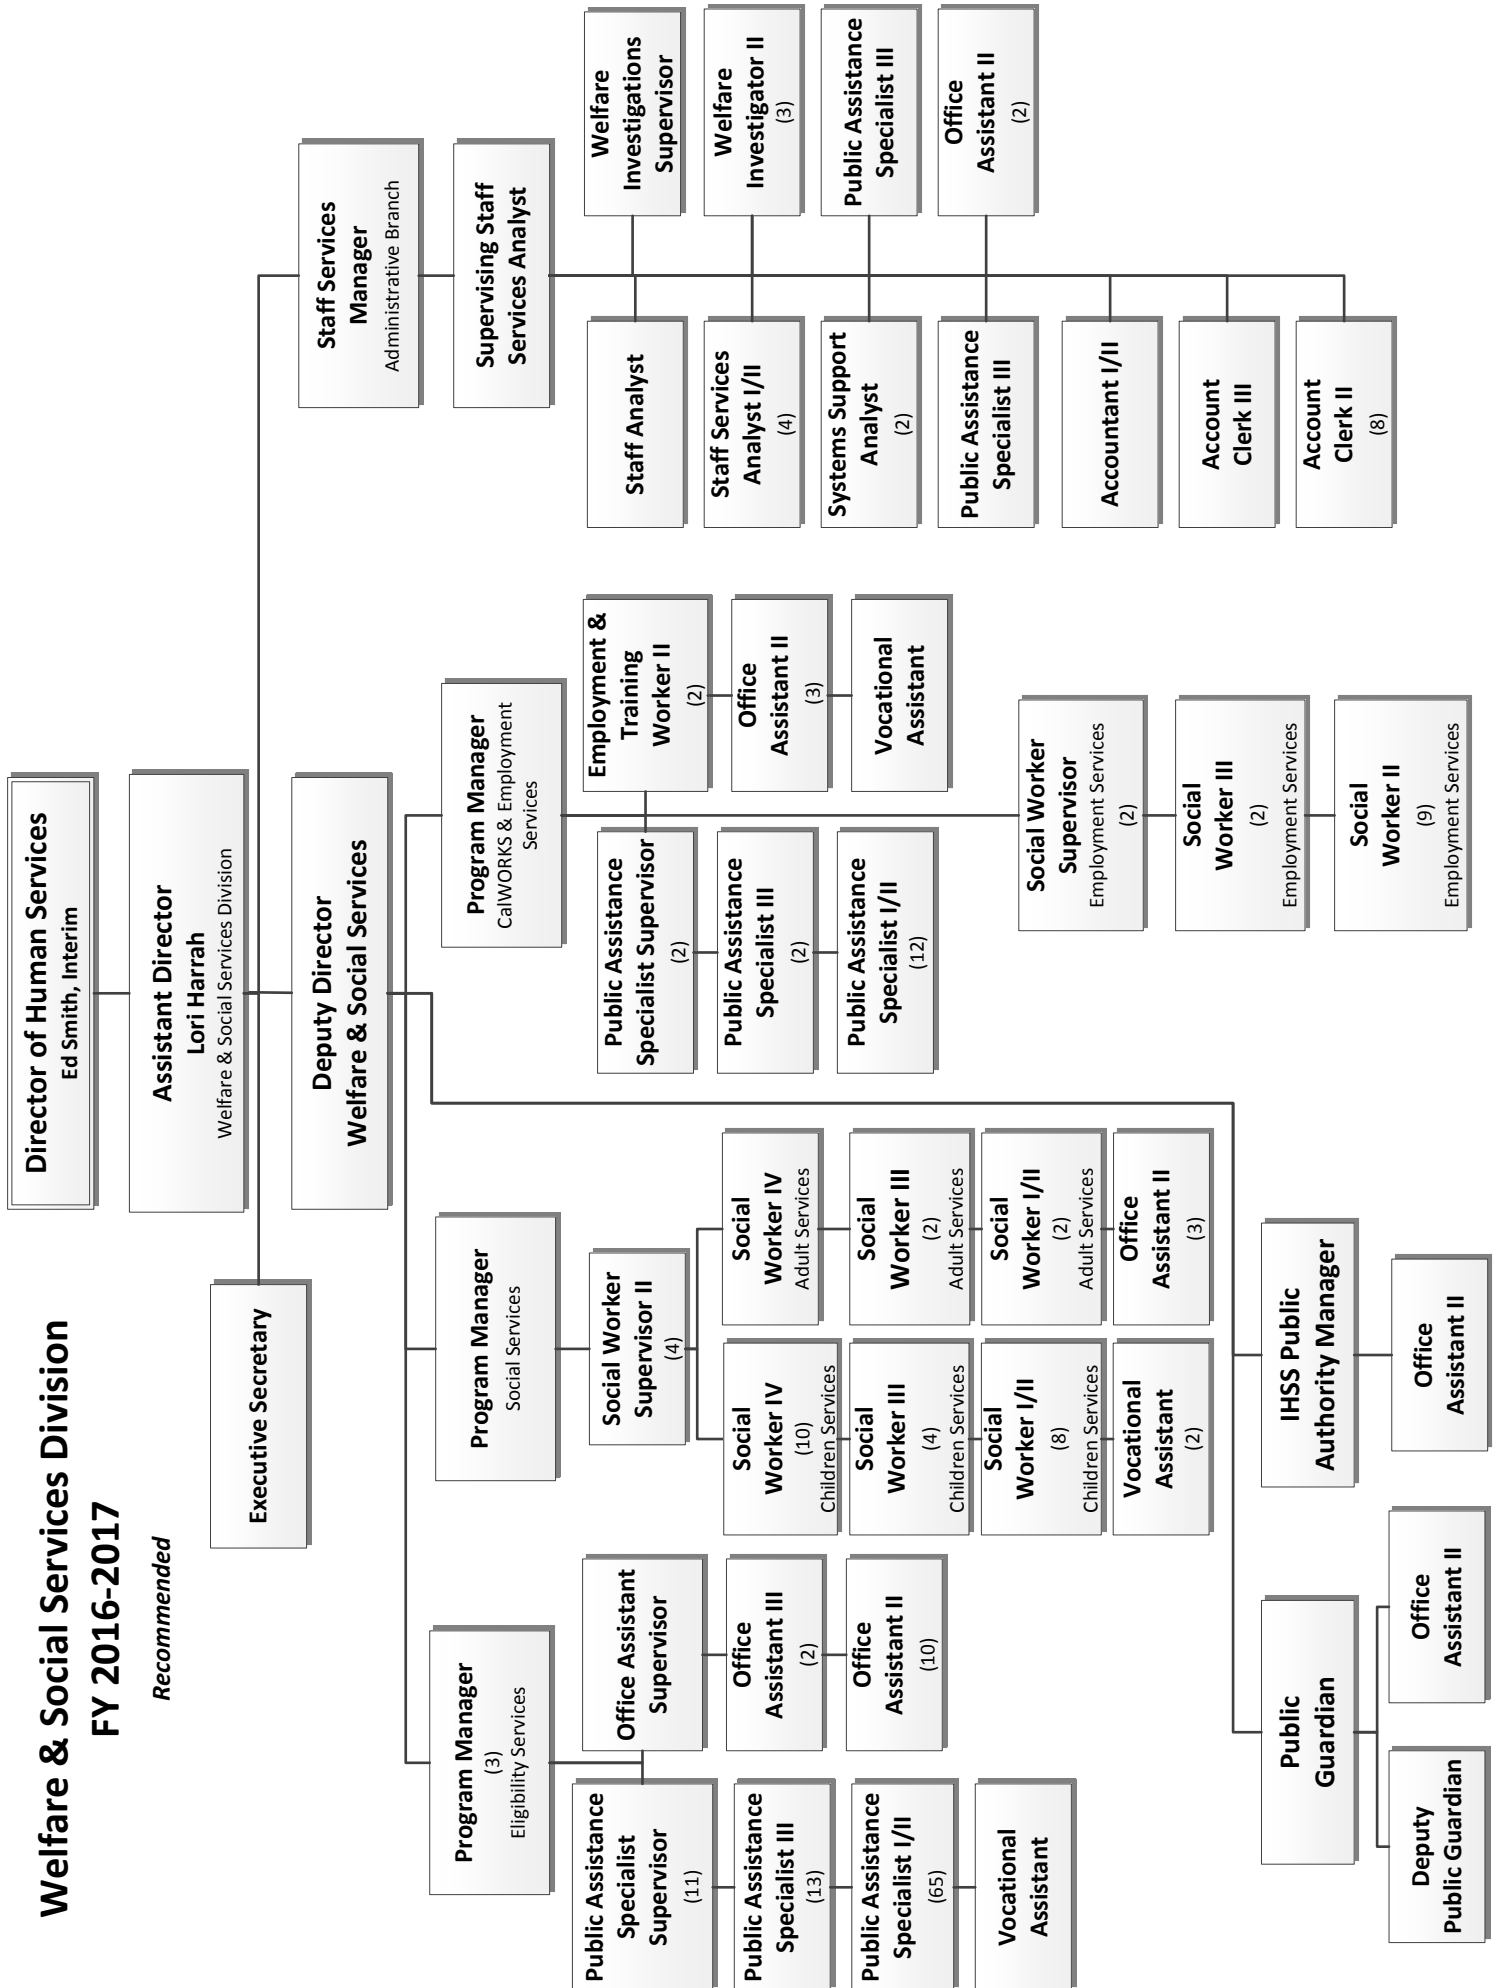

This budget unit is within the Welfare and Social Services Fund. The budget does not include the use of any specific fund balance.

Program Discussion

The Public Guardian-Conservator provides two types of conservatorships: Mental Health Conservatorships and Probate Conservatorships.

Lanterman-Petris-Short (LPS) Act (Cal. Welfare & Institutions Code, sec. 5000 et seq.), Mental Health Conservatorships, are reserved for persons requiring mental health treatment that often requires placement in locked psychiatric facilities.

Probate Conservatorships are for individuals that have a prominent medical condition that renders the person unable to make daily decisions about his/her care and/or finances.

Individual persons are referred to the Public Guardian-Conservator through a multitude of local service providers based on a specific disorder or medical condition.

Since a conservatorship is an action of “last resort,” the Public Guardian program is administered with the highest ethical regard for the conservatee’s best interests.

The Public Guardian’s office has three full-time staff, one Public Guardian, one Deputy Public Guardian, and one Office Assistant II.

Currently, the Public Guardian’s office has sixty-six (66) Conservatees, twenty-five (25) of which are probate cases and forty (41) of which are LPS (mental health) cases.

Recommended Budget

This budget is recommended at \$272,341, which is a decrease of \$8,790 (3.1%) compared to FY 2015-16. The General Fund provides 27.1% of the funding for this budget unit.

The percentage and manor in which the Mental Health budget unit (4-102) is paying for LPS cases, through Interfund MH Admin Conservator Services account (#46519), was evaluated and the Department provided an update to the payment process and amounts which resulted in an increase in interfund revenue.

Use of Fund Balance

Purpose

In-Home Supportive Services (IHSS) is a statewide program under the direction of the California Department of Social Services (CDSS).

The Sutter County IHSS Public Authority Governing Board was established in 2002 in response to Assembly Bill 1682 (Chapter 90, Statutes of 1999), to act as the employer of record for Sutter County IHSS providers for the purposes of negotiating salary, benefits, and work related issues.

The IHSS program pays providers to care for qualified aged, blind, or disabled individuals who require personal care and/or homemaking assistance in order to continue living in their homes. CDSS makes the payments to the providers, and then invoices the County for its share of the costs. Commencing July 1, 2012, SB 1036 requires all counties to have a County IHSS Maintenance of Effort (MOE) and pay the County IHSS MOE instead of paying the

non-federal share of IHSS services, IHSS administration, and Public Authority administration. Effective July 1, 2014 the County IHSS MOE base shall be adjusted by an inflation factor of 3.5%. This budget unit funds the County IHSS MOE requirement.

Revenues

- \$822,000 Increase in Interfund Transfer-In Realignment
- \$2,180,490 Increase in State Aid related to the CalWORKs general

Program Discussion

TANF is a public assistance program which provides for children who are deprived of the care and support of one or both of their parents. In most cases it also provides for the child's caretaker(s).

A child is considered to be deprived of care and support if one of the following situations exists:

1. Either parent is physically or mentally incapacitated
2. Either parent is deceased
3. The parent who is the primary wage earner is unemployed

Temporary Aid for Needy Families (5-204)

4. Either parent is continually absent from the home in which the child resides.

If any of the above circumstances exists, and the child plus his/her caretaker meets the property and income tests, a TANF case including the child, his/her caretaker, and other related children living in the home, if eligible, may be established. Most qualified persons also receive a Medi-Cal card and CalFresh Supplemental Nutrition Assistance.

All able-bodied adults receiving TANF are required to participate in the CalWORKs Employment Services program. The program requires recipients to participate in a work training or job search activity for a minimum number of hours each week in order to remain eligible for assistance. In addition to participation requirements, there is a time limit for adults on cash assistance.

Recommended Budget

This budget is recommended at \$9,660,000, which is a decrease of \$180,000 (1.8%) compared to FY 2015-16.

The FY 2013-14 State budget passed by the Legislature includes funding to provide a five-percent grant increase effective March 1, 2014. AB 85 amended the Welfare and Institutions Code Section 17600.10(a)(5) that requires counties to establish a new subaccount wherein funds for the five-percent grant increase will be deposited. The five-percent increase will be funded through the redirection of 1991 Realignment general growth revenues from Social Services and Health to a new 1991 subaccount created for this purpose. Counties will not have a share of cost for grant increases provided from funding in the new subaccount, the Family Support Fund (0-227).

Also effective FY 2013-14, the State has started remitting SB1041 TANF child support collections pass-through funds to the County.

Commencing FY 2014-15, Welfare and Institutions Code Section 17601.50 requires the State to provide additional funding to the Family Support Fund for CalWORKs grant increases. This is funded through the redirection of 1991 Realignment sales tax and sales tax growth revenues from Social Services and Health.

The General Fund does not provide any financing to this budget unit. The County's share of cost is met with Welfare and Social Services 1991 Realignment funds.

As in previous fiscal years, the State's share of TANF costs, which is realized as revenue by the County, flows through the County Local Revenue Fund 2011 (0-140) as opposed to being directly received by the Division through the Welfare and Social Services Fund as had occurred in the past. The County Local Revenue Fund 2011 is discussed in greater detail in its own budget narrative.

These programs are financed by County funds except for funds received from burial permits and reimbursement from Interim Assistance payments. All able-bodied persons receiving General Relief must participate in a job search and work project.

As stated in the Sutter County Indigent Burial Policy, approved by the Sutter County Board of Supervisors on August 16, 2005, the amount of money authorized to be paid for each individual service or product shall be adjusted every year beginning July 1, 2006 and on July 1 of each year thereafter. Program Discussion

The Department of Child Support Services is responsible for:

- Establishing paternity and child support orders;
- Enforcing the obligation of parents to provide child support and medical support to their minor children; and
- Recouping from non-custodial parents a portion of the Temporary Assistance for Needy Families (TANF) grants paid to families who are dependent on CAL-WORKs.

Department mandates involve:

- Locating and determining the income and assets of non-custodial parents;
- Enforcing support obligations; and
- Collections and disbursement of child support to families.

The Department establishes paternity through court actions that follow DNA genetic testing of parents and children. The Department has the authority to attach income; place liens on

real and personal property; intercept Federal and State tax refunds; report delinquencies to credit bureaus; and suspend or withhold business, professional, and driver's licenses.

Local program costs are 100% reimbursed by Federal funding (66% share) and State funding (34% share). For FY 2015-16 the funding consisted of three allocations: the Base Admin Allocation funding (\$2,890,188), Revenue Stabilization Augmentation (\$79,450), and the Electronic Data Processing (EDP) funding (\$6,714). The EDP funding is an annual request and cannot be relied upon for approval each fiscal year.

With the continuation of the Revenue Stabilization Augmentation (RSA) and the State Department of Child Support Services (DCSS) funding, the Department continues to target Early Intervention programs and monitor the progress of this program. This funding allows the Department to maintain current staffing levels.

Recommended Budget

This budget is recommended at \$2,979,852, which is a decrease of \$323 (0.0%) compared to FY 2015-16. This budget unit does not receive any funding from the General Fund. All funding is provided through State and Federal sources as set forth above.

It is recommended to defund and hold vacant one (1.0 FTE) Child Support Specialist I position and eliminate one (1.0 FTE) vacant Child Support Specialist I position.

Over the years, staff has manually entered positions into the budget system. With the upgrade to ONESolution a reconciliation of the position allocation schedules has been done. For this budget unit, it was discovered that one unfunded position had been removed from the budget allocation table, while it has

no net effect on budget it is important to have an accurate reflection of all positions.

Residual Equity Transfer-Out is budgeted at \$11,858 for payment of the Department's share of the Opterra Energy Efficiency Project. Child Support Services will benefit from the Acacia property Solar Panel array that will offset Utility costs.

Use of Fund Balance

The Child Support Services fund contains a Restricted Fund Balance in the amount of \$190,564 as of July 1, 2015. It is estimated that the Restricted Fund Balance will remain the same at \$190,564 at July 1, 2016.

The FY 2016-17 Recommended Budget includes no change to the Fund Balance.

Program Discussion

The District Attorney is responsible for both adult and juvenile criminal prosecution. The District Attorney also administers the grant-funded Victim/Witness Assistance Program and provides legal and investigative assistance to other departments and agencies.

During FY 2015-16, four (4) of the 22 positions in the District Attorney's Office were reimbursed by State programs. This included Welfare Fraud Investigation, the Victim-Witness Assistance program and Public Safety Realignment (AB 109) funds

through the Community Corrections Partnership (CCP).

The District Attorney currently maintains nine (9) Attorney positions, five (5) Investigator positions, three (3) Victim/Witness positions and six (6) Administrative positions. In FY 2014-15 the District Attorney's Office received an approximate total of 4,885 cases. The District Attorney's Office filed 3,713 cases, disposed of 2,340 cases and rejected 585. A remaining 1,373 cases have yet to be resolved. In addition, prosecution included 24 jury trials ranging from misdemeanors to violent crimes.

Victim / Witness Assistance Program

The Victim/Witness Program provides support services to victims and witnesses of crimes as constitutionally required under the Victims' Bill of Rights Act of 2008: Marsy's Law. This program provides victims with information and referrals to other service agencies and provides victims and witnesses with court support services including a general orientation to the criminal justice system, information on case status and disposition and court transportation and escort when required. Victim Advocates also assist victims with claims for assistance from the California Victim Compensation Fund. The Victim/Witness Program assists approximately 300 new victims of crime every quarter.

Sutter County currently receives the Victim/Witness Assistance grant in the amount of \$174,152. In addition, for FY 2016-17 the District Attorney's Office has applied for the Unserved/Underserved Victim Advocacy and Outreach Program grant, in the amount of \$175,000 per year, and the County Victim Services Program

grant, in the amount of \$224,981 for a two year grant period.

The Victim/Witness Assistance Program is currently undergoing reorganization. In FY 2015-16 the Sutter County Board of Supervisors approved a position to create a Victim Witness Assistance Manager to increase services to victims in Sutter County. In addition, with the new grant funding the District Attorney's Office requests to hire (2) Victim Advocate I/II, (1) Deputy District Attorney I/II/III, and (1) Senior Criminal Investigator that will specialize in victim assistance and violent crimes.

Child Victim Crimes

The District Attorney is currently prosecuting multiple child abuse cases. The major cases currently involve complex issues including severe injuries, analysis, professional opinion and expert witness of medical records and defendants with extensive criminal records that require intensive investigation. Included in preparation and execution of these cases are requirements for expert witnesses and professional opinions to support evidence to obtain convictions.

District Attorneys are mandated to provide Child Abduction Program services under the provisions of California Family Code §3130. The Uniform Child Custody Jurisdiction and Enforcement Act requires the District Attorney to assist the Courts in locating and returning children who are unlawfully removed and detained from the Court's jurisdiction. The District Attorney's Office is currently investigating multiple child abduction cases.

Sexual Crimes

The District Attorney's Office is currently in various stages of prosecution of numerous sexual crimes and in litigation of four (4) high profile sex crimes. These crimes include victims that are children and adults. Sex crime cases bring additional expenditures that cannot be budgeted with any degree of accuracy. The preparation, research, investigation, evidence and forensics required to prosecute the cases creates an exceedingly lengthy process. Additional expenditures include possible changes of venue, multiple professional opinions and expert witnesses, intensive investigation and research.

Drug Crimes

The District Attorney's Office prosecutes juvenile and adult drug crimes that consist of possession, manufacturing, sales and distribution. Every drug related case involves State of California Department of Justice (DOJ) analysis of substances, as well as expert witness testimony. Drug crimes also cross prosecutorial categorization of adding additional charges, such as child endangerment, when children are present in the residence (requiring evaluation from qualified Drug Endangered Children Investigators, DEC), and additional firearm and/or gang enhancements. The institution of Prop 47 has increased, and is expected to continue to increase, recidivism among defendants. Prop 47 decreases felony drug charges, which has substantially increased the volume of the misdemeanor charge caseload. Trial, whether it is felony or misdemeanor, maintains the same requirements and preparation for prosecution.

Gang Crimes

The Sutter County Gang Task Force was formed by action of the Sutter County Board of Supervisors in October of 2008. Yuba County and Yuba City took similar action at that time. The intent was to accomplish better investigation and prosecution through a cooperative and focused approach. The Sutter and Yuba County District Attorney's offices formed a bi-county prosecution team in February 2015 wherein they meet monthly to staff cases and legal issues, combine resources and knowledge, and increase effective gang prosecution.

There has been an increase in gang activity in the last decade and cases where gang enhancements are charged. Gang cases are always difficult and time-consuming to prosecute because of the need of expert witnesses and professional opinions, determination of gang affiliation, and victims and witnesses are often themselves gang members and often refuse or are reluctant to cooperate with law enforcement.

Current major cases include gang related murders, attempted murder and felony assaults. Many of the defendants are multiple offenders which require intensive investigative efforts.

Property Crime

The District Attorney's Office is currently prosecuting multiple complex and highly technical property crimes. These crimes require advanced technological analysis, substantial records and data analysis and intensive coordination with state and federal agencies.

In August of 2015, the District Attorney's Office created its Fraud Unit, a collaborative task force investigating and prosecuting fraud

throughout the County. This includes postal fraud, identity theft, check fraud, counterfeiting, embezzlement, and forgery. Fraud cases are, by nature, voluminous and complex, requiring increased expertise. One (1) prosecutor and one (1) investigator have been assigned full time to the Fraud Unit.

Prop 47

Due to the 2014 passage of Prop 47, a law that significantly changed a large amount of Penal Code and Health & Safety Code Sections, the Sutter County Court created a new calendar to address the volume of cases where Prop 47 petitions are being litigated. This has resulted in an increased workload for all attorneys, victim witness advocates, and secretarial staff.

General Criminal Prosecution

The District Attorney's Office is in various stages of prosecution of five (5) murder cases. The costs associated with a murder trial can be significant and the number of cases pending is unusually high compared to prior years in Sutter County. The Criminal Division budget does not include any provision for the cost of changes of venue or for special prosecutions as that cost is too speculative to budget with any degree of accuracy.

The District Attorney's Office caseload consists of prosecution of cases that have multiple applicable charges that cross prosecutorial categorization. In addition to the prosecution of cases and the additional services that are offered by the District Attorney's Office, the Office appears at numerous additional Lifer prison parole hearings throughout the year.

In the past, the District Attorney's Budget and the General Fund have benefited from various grants which paid for the prosecution and

investigation of specific categories of crimes. These categories included the investigation and prosecution of sexual assault, domestic violence, child abduction and drug related crimes. In addition, the District Attorney's Office has seen an increase in felony and misdemeanor crime along with an increase in violent crime and enhanced gang related criminal charges. Although these categories of crimes continue to increase throughout Sutter County and all of California, most of the grant funding is no longer available.

Investigative Division

The District Attorney Investigative Division increased its community outreach in FY 2015-16, this is expected to continue. Such outreach includes county-wide safety and preparation trainings, assisting local law enforcement in public safety investigations, participating in the writing of and execution of search warrants, making arrests, and many other duties.

A significant number of cases the District Attorney's Office prosecutes require forensic analysis. Local law enforcement agencies are struggling to fund and staff forensic analysis units. The District Attorney's Investigative Unit has trained two (2) investigators in computer and cell phone forensics and has begun investigative forensic analysis in criminal investigations and prosecutions.

The Sutter and Yuba County District Attorney's offices, Sutter and Yuba County Sheriff's offices, and Yuba City Police Department formed a bi-county Officer Involved Shooting and Critical Incident Task Force in November 2015. This task force is headed by the Sutter County District Attorney Chief Investigator and all District Attorney Investigators are participants. This task force responds to critical incident and

shooting scenes, evaluates photographs and analyzes the forensics, scenes, and evidence, conducts witness and suspect interviews, documents autopsies, and generates final reports.

Recommended Budget

This budget is recommended at \$4,084,137, which is an increase of \$456,771 (12.6%) over FY 2015-16. The General Fund provides 58.2% of the financing for the District Attorney's Office and is increased by \$402,612 (13.3%) compared to FY 2015-16.

It should be noted that these funding calculations reflect the addition of Public Safety Augmentation Funds (Proposition 172), which are transferred into the Public Safety fund through the Public Safety General budget unit (2-210). California voters enacted Proposition 172 in 1993, which established a permanent statewide half-cent sales tax for support of local public safety functions. Proposition 172 funding is budgeted at \$7.4 million for FY 2016-17. The full amount received is to be transferred from the Public Safety Augmentation Fund (0-282) to the Public Safety Fund (0-015) in FY 2016-17. In FY 2016-17, the General Fund is budgeted to contribute approximately \$17.4 million in funding to the Public Safety fund in excess of the Proposition 172 funding.

The new Sutter County Courthouse opened on January 19, 2016 on Civic Center Boulevard. The District Attorney's Office has not yet been moved to a location near the new courthouse. This is causing inefficiency as staff are now required to commute across town to attend court, where staff previously could walk to court. A secondary impact is increased expense due to the requirement for additional vehicles. Currently, additional

vehicles are being rented; however, plans are being made to either lease or purchase additional vehicles so the rental vehicles can be returned. This plan, with a budget amendment, will be brought before the Board of Supervisors for consideration once a decision has been made.

A new location for the District Attorney's Office is being sought. It is expected that the Office will be able to move during FY 2016-17. Any related expenses, such as remodeling of office space, will also be brought separately to the Board of Supervisors for consideration.

Two Senior Criminal Investigator positions, previously funded by the Welfare and Social Services Division of the Department of Human Services have returned to full-time work in the District Attorney's Office. These positions are recommended to be maintained and funded due to the greatly increased need for investigated services that has accompanied the highly technical nature of criminal activities within the County that require extensive investigation. This includes technology based investigative requirements such as cell phone and computer forensics.

It is recommended to restore funding for one Deputy District Attorney I position effective July 1, 2016. This is recommended due to increased caseloads, in addition to the complexity of cases being prosecuted. This position will be funded by the General Fund for FY 2016-17.

It is recommended to add one Deputy District Attorney I position effective July 1, 2016. This is a grant funded, Limited Term position in the Victim/Witness Assistance Program.

It is recommended to restore funding for one Senior Criminal Investigator position effective July 1, 2016. This is a grant funded, Limited Term position in the Victim/Witness Assistance Program.

Lastly, it is recommended to add two Victim Advocate positions effective July 1, 2016. These are grant funded, Limited Term positions in the Victim/Witness Assistance Program.

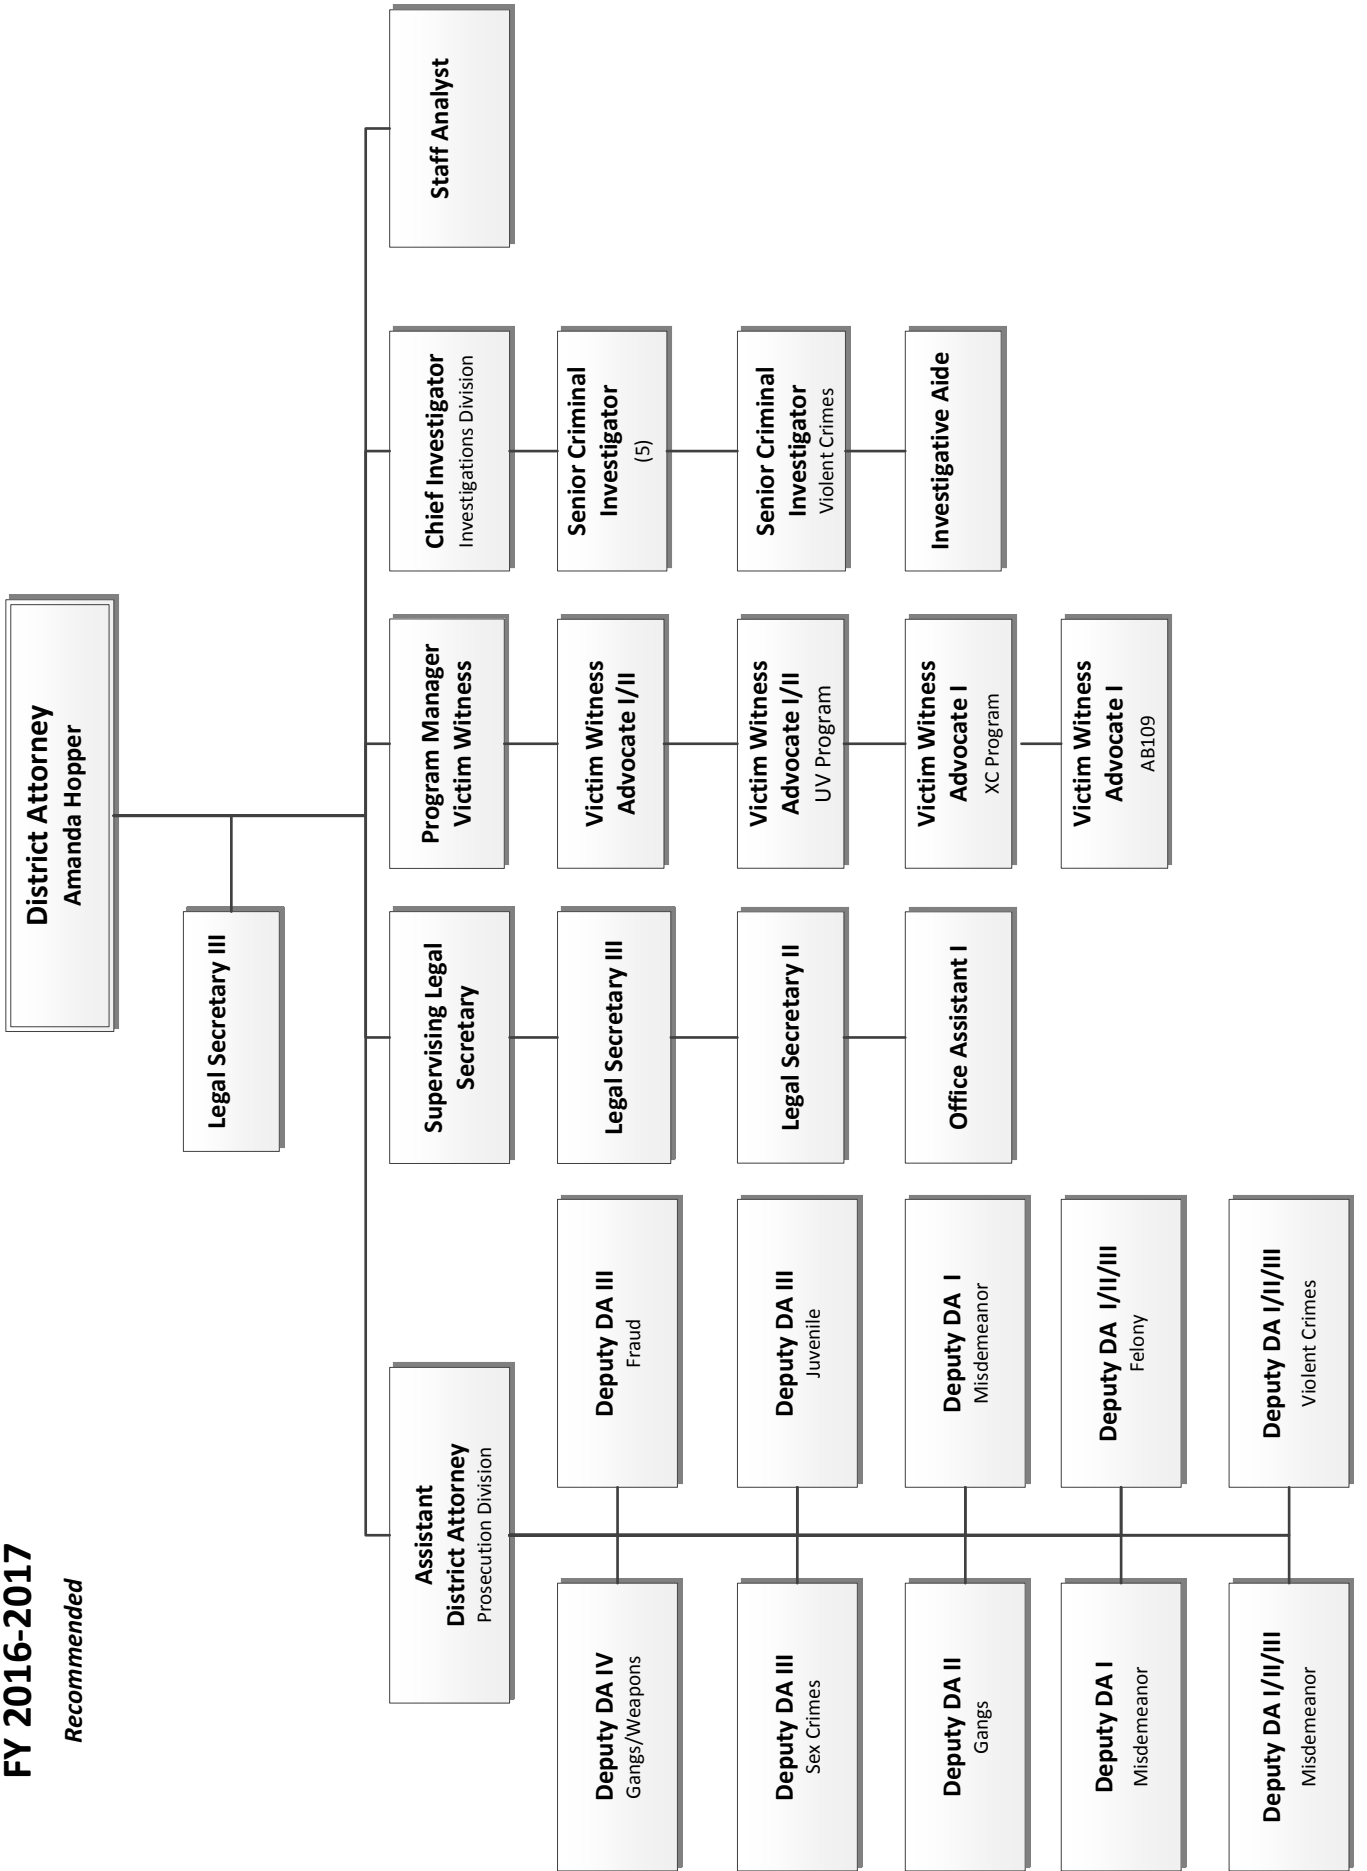

The recommended budget does not include the use of Local Anti-Drug Programs (0-264) funds and District Attorney Asset Forfeiture Trust (0-293) funds at this time. These special revenue funds supplement the District Attorney's Office's efforts to investigate and prosecute crime. As of July 1, 2016, the fund balance of Local Anti-Drug Programs Fund (0-264) is projected to be \$29,000. The fund balance of District Attorney Asset Forfeiture Trust Fund (0-293) is projected to be \$47,500.

Purpose

The Grand Jury is impaneled once each year and has three basic functions: weigh criminal charges and determine whether indictments should be returned; weigh allegations of misconduct against public officials and determine whether to present formal accusations requesting their removal from office; and act as the public's "watchdog" by investigating and reporting upon the affairs of local government.

Major Budget Changes

There are no major budget changes for FY 2016-17.

Program Discussion

The Grand Jury serves as an ombudsperson for citizens of the County. It may receive and investigate complaints by individuals concerning the actions and performances of public officials.

The Grand Jury's 19 members are appointed by the Superior Court. Grand jurors generally serve for one year. Some jurors may serve for a second year to provide an element of continuity from one jury to the next. Continuity of information is also provided by documents collected and retained in the Grand Jury library. The Superior Court provides staff services to the Grand Jury.

Members of the Grand Jury are sworn to secrecy and most of the jury's work is conducted in closed session. All testimony and deliberation are confidential.

Money appropriated in this budget is used for office supplies, clerical support, grand juror training, travel expenses and other costs incurred by the Grand Jury members.

Recommended Budget

This budget is recommended at \$42,173, which is an increase of \$497 (1.2%) over FY 2015-16. The General Fund provides 100% of the financing for this budget unit.

Grand Jury (2-104)

It should be noted that many of the expenditures incurred by each year's Grand Jury are authorized in Government Code and are not restricted by the County's annual budget. These expenditure items are based on the needs of each year's Grand Jury and may vary from year to year. The County ultimately has limited ability to affect or predict expenditures.

Use of Fund Balance

This budget unit is within the General Fund. The budget does not include the use of any specific fund balance.

Purpose

“Within an environment of integrity and professionalism, the Sutter County Probation Department provides for the welfare and safety of the community through prevention, intervention, and enforcement efforts; thereby emphasizing accountability and self-sufficiency.”

The Probation Department provides programs, services and supervision for both juveniles and adults. The Department serves as an arm of the Court preparing court investigations, including contact with victims, handling juvenile delinquency matters and supervising juvenile and adult offenders. The Department also operates a wide variety of prevention and intervention services. In October 2011, the Department assumed responsibility for Post Release Community Supervision (PRCS) and other non-serious, non-violent cases that were

previously supervised and housed with the State. The Probation Department also began supervision of Mandatory Supervision (split sentence) offenders in May 2012, and began a Pretrial Services Program in May 2013.

The Chief Probation Officer of Sutter County is appointed by the Board of Supervisors upon recommendation from the County Administrative Officer and the Presiding Judge of the Superior Court. Welfare & Institutions Code §270, et seq. and Penal Code §1203, et seq. delineate the responsibilities of the Department related to juveniles and adults falling under their purview.

Program Discussion

Adult Unit

The Adult Unit performed 988 Criminal Court investigations in 2015, down from 1,353 in 2014, and supervised on average 792 largely felony offenders (not including those with active warrants), down from 854 in 2014. The Adult Unit also supervised an average of 80 Post Release Community Supervision (PRCS) cases, up from 70 in 2014, and 44 Mandatory Supervision cases, up from 28 in 2014, with the ultimate goal of reducing offender risk and recidivism, while improving offender outcomes and public safety. Beginning January 1, 2015, all offenders being sentenced to local prison pursuant to Section 1170(h)(5)(B) PC, are presumed to be eligible for a split sentence unless found to be an unusual case by the Court. This statutory requirement resulted in a slight increase in Mandatory Supervision cases to be supervised by the Probation Department but did not have an impact on the number of referrals received from the Court for investigation reports in 2015.

Probation Department

Probation (2-304)

Donna Garcia, Chief Probation Officer

Reduced caseloads incorporating the use of evidence-based practices (EBP) and counseling staff for drug offenders, continue to be provided through funding from the Community Corrections Performance Incentive Fund (CCPIF/SB 678), Public Safety Realignment (AB109) and a long term Drug Court grant. One Officer is also assigned to the NET-5 Task Force and oversees an average caseload of 27 commercial drug offenders. This officer also performs task force enforcement duties.

Public Safety Realignment (AB109)

The Department is now entering its sixth fiscal year of Public Safety Realignment, which was implemented in October 2011.

Post-Realignment, the Department continues to supervise and provide services for PRCS and mandatory supervision offenders. Further, the number of mandatory supervision cases continued to increase in FY 2015-16.

Pursuant to AB109, the Chief Probation Officer is the designated chair of the Community Corrections Partnership (CCP), which designs the local approach to Realignment. The mission and goal of the Sutter County CCP continues to be to comply with the Public Safety Realignment Act by adopting evidence-based, cost-effective policies and practices that reduce recidivism, improve offender outcomes and promote public safety.

The programs and services provided in the Probation Department's Resource Center have been in place for approximately five years, and probation staff continue to supervise offenders according to risk level while addressing their criminogenic needs. In FY 2015-16, the Department continued to employ an evidence-based journaling curriculum called Courage to Change to be used with adult offenders either while in custody, out of custody, in a group

setting or individually. In FY 2014-15, the Department began to offer a 52-week Batterer's Treatment program for male and female offenders at the Probation Department, free of charge except for the cost of class materials. This program utilizes the Moral Reconciliation Training curriculum specific to domestic violence. Currently, four officers have been trained to facilitate the groups. Finally, programs and services at the jail, including educational and substance abuse services, continue to be offered.

The Pre-Trial Services Program was implemented in May 2013, with the goal of reducing the pre-sentence jail population. In 2015, a total of 1,599 cases were considered for Pretrial Services. Pretrial Services Officers interviewed 507 offenders for consideration of Own Recognizance (OR) release, and supervised 51 offenders who were released by the Court on their OR to be supervised by the Probation Department. Fifty-five percent of those offenders supervised on Pretrial Services completed successfully in 2015. Twenty-five percent of these supervised offenders were still pending at the end of 2015, and twenty percent had their OR revoked by the Court.

The CCP continues to evaluate local needs and allocates Realignment funds as critical needs are identified. In January 2015, the CCP voted to fund a mental health worker to be stationed full-time at the Sutter County Jail to immediately assess inmates for mental health needs. In FY 2016-17, the majority of Realignment funds will continue to be allocated across several agencies including the Probation Department, District Attorney's Office, Mental Health Services, Public Defender, Health Department, Sheriff's Office and Sutter County One Stop. The CCP has continued long-term budget forecasting to prevent funding for crucial programs and services from being in jeopardy in the future.

**Community Corrections Performance
Incentive Fund (CCPIF/SB678)**

The Department anticipates that revenue for the programs and services the Department put in place for adult felony probationers will continue to be received from the State pursuant to CCPIF/SB678; however, with the most recent change in the funding formula and an increase in the number of offenders sentenced to prison from Sutter County after violating their terms of supervision, the anticipated funding for FY 2016-17 will be reduced by approximately 50%. The shortfall will be covered by reserve funds in FY 2016-17. As required by statute, this funding will continue to support the use of EBP, including risk-based supervision, and the identification of and response to the criminogenic needs of offenders.

The Chief Probation Officers of California (CPOC) worked with the Governor and Legislature in FY 2013-14 to remove the sunset clause in this program, originally set for January 1, 2015. This was crucial as it allowed this Department to fund the same level of staffing, programs and services for offenders on probation in both FY 2014-15 and FY 2015-16, and now into FY 2016-17. Currently, there are 5 FTE positions funded by SB678 funds. For FY 2014-15, 0.5 FTE of the Deputy Probation Officer assigned to Drug Court was moved from a General Fund position to an SB678 position. In FY 2015-16, this position was changed back to a 0.5 FTE General Fund position in response to the passage of Proposition 47, which reduced many drug offenses to misdemeanors, thus rendering the offenders supervised pursuant to Penal Code Section 1210 as ineligible for prison and, thus not appropriate to be funded by SB678.

Juvenile Unit

In 2015, the Juvenile Unit provided intake services for 402 minors referred for new law violations and violations of probation, and supervised an average of 95 minors. The ultimate goals of juvenile services continue to be to reduce the number of offenders who enter the juvenile justice system or to minimize their time within the system with the intent of reducing offender risk and recidivism while improving offender outcomes and public safety.

The Department's philosophy regarding reducing juvenile delinquency continues to be the same as in years past – intervention and prevention services at the earliest possible age, in coordination with families, to provide education and support regarding risk factors and to build and emphasize protective factors. Prevention and intervention services continue to be provided through Yuba City Unified School District (YCUSD) via probation officers assigned to each of the two high schools, Gray Avenue Middle School and truancy. Additionally, the Sutter County Superintendent of Schools office partially funded a probation officer to be assigned full-time to Feather River Academy. In addition, several officers continue to facilitate the Gang Resistance Education and Training (GREAT) program for elementary and middle school students, on top of their regular assignments.

Specialized caseloads include out-of-home placement, Aftercare Supervision for Camp Singer Wards, Intensive Supervision, including minors with multi-disciplinary teams, and caseload carrying School Resource Officers for Feather River Academy, Yuba City High School, River Valley High School, Gray Avenue Middle School, and support services for Albert Powell High School.

Support services continue to be provided to youth and their families by probation officers, including Functional Family Therapy (FFT), Cognitive Behavioral Therapy (CBT), Moral Reconciliation Therapy (MRT), Forward Thinking, via The Change Companies curriculums, Seeking Safety, and “The Parent Project.”

Department of Juvenile Justice (DJJ)

Effective February 2011, AB 1628 transferred responsibility for DJJ Wards to community supervision under the jurisdiction of the Courts and supervision of county probation upon their discharge from the institution, in return for \$15,000 per Ward. Juvenile commitments to DJJ that previously cost the County \$2,650 per year now cost \$24,000 per year. The Department has one Ward that qualifies for this charge, and commitments of this type can occur at any time. If additional youth are committed to DJJ during FY 2016-17, the Department may need to return to the Board of Supervisors for consideration of a budget amendment.

Funding Concerns for Juvenile Services

Comprehensive juvenile services have historically been supported via a complex combination of State, Federal and local funding, including Juvenile Justice Crime Prevention Act (JJCPA), Juvenile Probation and Camp Funds (JPCF), Title IV-E, Youthful Offender Block Grant (YOBG), Yuba City Unified School District, and Sutter County Superintendent of Schools revenues.

In November 2013, the Department received notification from the State that the Federal government had placed a cease order on Title IV-E revenue beginning October 1, 2013. This was a result of a review conducted by the Federal government in two California counties during which time significant systemic

concerns regarding Title IV-E administrative claims arose. The cease order directly affected the Department’s budget as the anticipated \$340,000 in Title IV-E revenue for FY 2013-14 was drastically reduced. The cease order was lifted in July 2014, and the Department has since submitted retroactive claims for the second through fourth quarters of FY 2013-14. However, this revenue was significantly reduced from prior years’ levels. The Department contracted with Justice Benefits, Inc. (JBI), a government consulting firm, in July 2014, to assist in Title IV-E claiming. JBI has also been assisting in preparing the Department for successful audits by the California Department of Social Services. These audits directly affect Title IV-E claiming and provide oversight.

In FY 2014-15, the Department was asked to reduce its proposed budget, which facilitated eliminating a full time School Resource Officer at Gray Avenue Middle School, within the Yuba City Unified School District (YCUSD). This reduced the number of School Resource Officers from four to three for that school year and the next. For FY 2016-17, YCUSD agreed to resume funding 50% of four School Resource Officers. The officers provide intervention services at the following sites: Yuba City High School, River Valley High School, Gray Avenue Middle School and one district wide Truancy officer.

Sutter County and YCUSD have had an agreement for over 25 years to work together to provide oversight of probation youth in the schools, to provide truancy services in an effort to keep youth in school, and to provide early intervention and prevention services to reduce the number of youth committing delinquent acts. Three of the four school officers carry probation caseloads, making this relationship an integral part of Probation’s core juvenile services.

Departmental Needs & Future Goals

The Department is requesting funding to contract with Lexipol, a California Law Enforcement Policy Manual Service, to assist in the creation and implementation of a department policy manual, and to provide ongoing support via a Daily Training Bulletin service. This service is vital to the Probation Department to create an up-to-date, comprehensive policy manual. With the need to stay abreast of the constantly changing legislation and case law affecting law enforcement, coupled with the need to provide training to staff, with documentation of that training, in an effort to ensure officer safety, and reduce liability, the services provided by Lexipol are invaluable. The costs to utilize Lexipol's services would likely be mitigated with the minimization of risk and litigation to the County. In addition, to effectively create and train on an updated department policy without the assistance of Lexipol would require many hours of labor from current staff, taking them away from their regularly assigned work, and resulting in a much longer time-frame for the completion and adoption of an updated department policy manual. The proposed cost to develop a policy manual for the Probation Department is approximately \$45,000, plus an additional annual subscription fee of \$9,328 which includes scenario-based training that reinforces agency policies and procedures, and regular updates related to statutes, case law and regulations.

The Department is also requesting to add a sixth foreign language interpreter slot in the budget for FY 2016-17. Currently, there are four Spanish language interpreters and one Punjabi interpreter, with three of the Spanish interpreters and the one Punjabi interpreter assigned to the Juvenile unit. There is a need for a second interpreter, either Spanish or Punjabi, to be assigned to the Adult unit as the

other interpreters are not always readily available to assist in the Adult unit which, at times, causes undue delays in conducting presentence investigations, victim interviews, and supervision office visits.

In FY 2015-16 the Department has continued to maintain the same program levels for both adult and juvenile offenders. It should be noted that maintaining the same program levels in the juvenile division for FY 2016-17 is possible in part due to the Department utilizing reserves from non-General Fund juvenile funding sources.

Recommended Budget

This budget is recommended at \$6,670,112, which is an increase of \$572,773 (9.4%) over FY 2015-16. The General Fund provides approximately 43.8% of the funding for this budget unit and is increased by \$266,555 (10.0%) compared to FY 2015-16.

In FY 2014-15, two positions were unfunded (one vacant Supervising Probation Officer and one vacant Deputy Probation Officer) coupled with the deletion of an Accounting Technician II position, to reduce the overall General Fund contribution to the Department. In FY 2015-16, an additional funded, but vacant Deputy Probation Officer position was left vacant in order to comply with a status quo budget recommendation. While it is recommended that the previously unfunded positions remain frozen in FY 2016-17, non-General Fund monies are now available to fill the vacant, allocated Deputy Probation Officer position. The position will be filled and utilized as a school resource officer at Gray Avenue Middle School.

The current organizational structure represents a reasonable span of control for all supervisory positions within the Department. Specifically,

Probation Department

Probation (2-304)

Donna Garcia, Chief Probation Officer

the supervisor-to-staff ratio for the Supervising Probation Officer positions as recommended is one supervisor per 6.2 officers (1:6.2). The probation industry standard ranges between one supervisor for every six officers (1:6) and one supervisor for every eight officers (1:8).

It is recommended that one additional bilingual slot be added to the Department, which allows for six total bilingual slots.

Capital Assets are recommended at \$98,500 for the purchase of three replacement vehicles. The vehicles requested to be replaced are at least 15 years old, have high mileage and are in poor condition. Recommended replacement vehicle purchases are as follows:

- \$38,500 for a Patrol Utility Vehicle funded by a cancellation of obligated fund balance from the General Fund's Designation for Future Vehicle Replacement account (#31209)
- \$37,500 for a Patrol Utility Vehicle funded by JJCPA funds
- \$22,500 for a Mid-Size Sedan funded by YOBG funds

Residual Equity Transfer-Out is budgeted at \$44,574 for payment of the Department's share of the Opterra Energy Efficiency Project. The Probation Department facility on Boyd Street had solar panel covered parking constructed that offsets Utilities costs as well as Lighting and HVAC upgrades to help reduce the Departments energy usage. In addition, the Probation building on Center St will benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects the Probation Department's proportional share of the total payment.

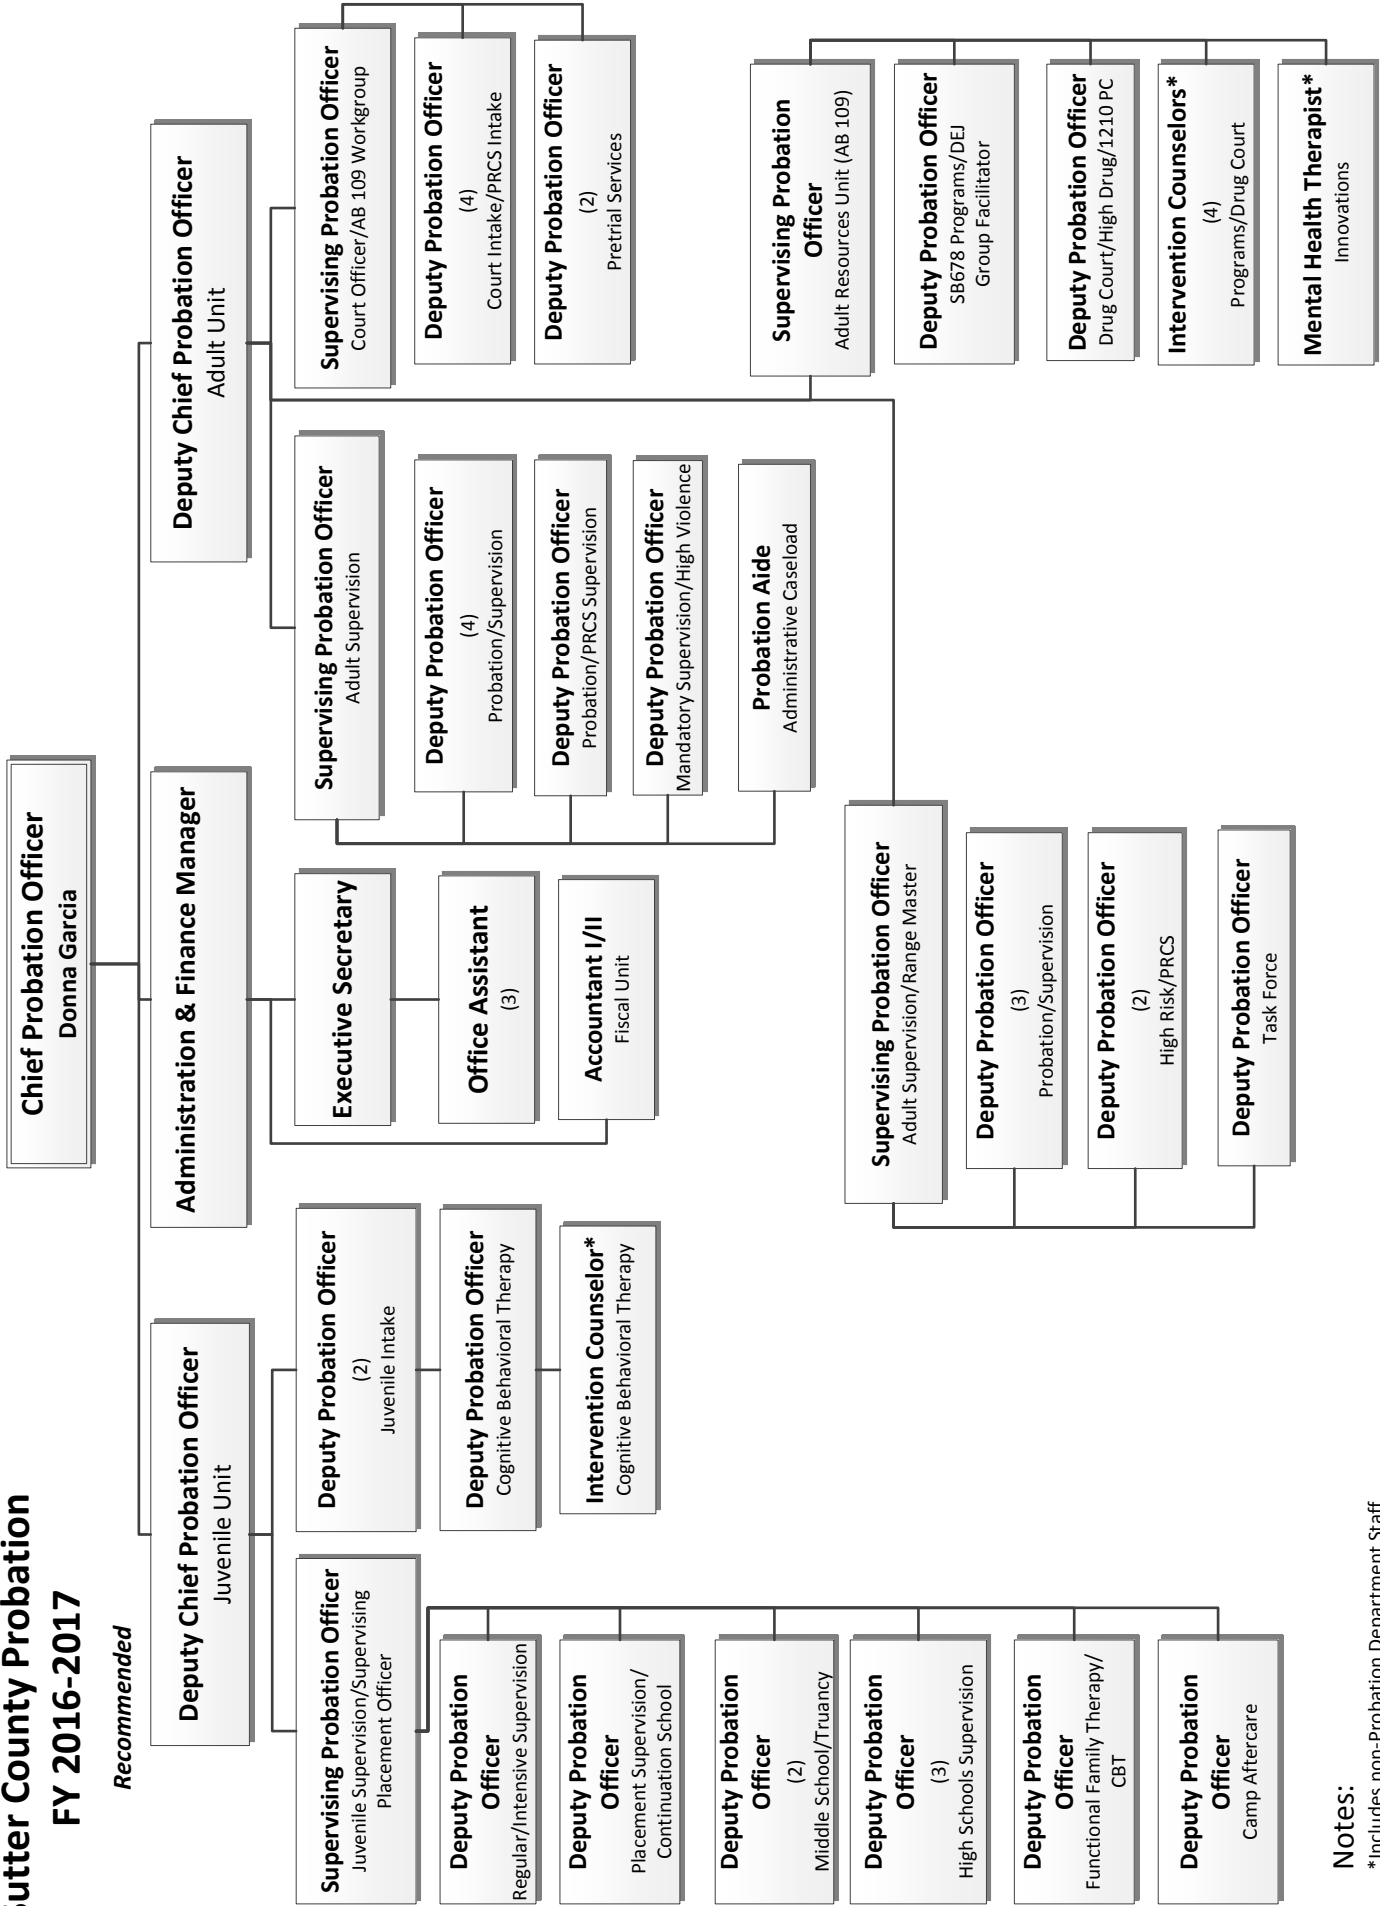

This budget unit receives \$71,000 in Realignment (1991) funds, which are transferred from the Local Health and Welfare Trust, Social Services Fund (0-248).

Use of Fund Balance

This budget unit is within the Trial Court Fund. The budget does not include the use of any specific fund balance.

The Juvenile Justice and Delinquency Prevention Commission (JJC) provides oversight of juvenile justice programs and delinquency prevention activities as determined by the Commission. Activities include inspection of the Bi-County Juvenile Hall/Maxine Singer Youth Guidance Center, and sponsorship of public awareness events.

County Sheriff’s Office. The Commission anticipates hosting another “Prescription Drug Drop-Off” event in 2016.

Refreshments are acquired for public awareness events and to thank commissioners for their voluntary participation in commission activities. Funds are also used to compensate student commissioners for travel costs and other costs related to public awareness activities.

Program Discussion

The Commission membership is composed of no fewer than seven and no more than twelve adults and students. The Juvenile Court Judge appoints members of the Commission.

Recommended Budget

This budget is recommended at \$1,000, which is the same as FY 2015-16. This budget unit does not receive any financing from the General Fund as it is funded by Realignment funds, which are transferred from the Local Health and Welfare Trust, Social Services Fund (0-248).

This budget remains at a constant level each year. In April 2015, the Commission sponsored a booth at the “Run Drugs out of Town” event to help educate youth on the dangers of drug use. The Commission also had a “Prescription Drug Drop-Off” booth at this event. The event was staffed by commissioners and Yuba City Police Cadets, with the assistance of the Sutter

Purpose

The Tri-County Juvenile Hall and the Maxine Singer Youth Guidance Center are administered by Yuba County, and all Juvenile Hall and Camp staff are employed by Yuba County. Juvenile Hall's main purpose is the detention of youth pending Court proceedings, although some commitments are made to the facility. The Camp provides a multi-faceted long term commitment program. The Tri-County facilities provide services to the three member counties of Sutter, Colusa, and Yuba.

Program Discussion

In FY 2014-15, the Juvenile Hall and Maxine Singer Youth Guidance Center became the Tri-County Regional Juvenile Rehabilitation Facility, owned by Sutter, Yuba and Colusa Counties. Pursuant to the Joint Powers Agreement (JPA), which was approved by the Sutter County Board of Supervisors during FY 2013-14, each of the respective counties have an ownership interest in these facilities, including the Secure Housing Unit. The Tri-County facility includes 60 beds within the Camp, 45 beds for temporary detention in the Juvenile Hall building (which will increase to 48 beds once construction of the new juvenile facility is complete), and a 15-bed Secure Housing Unit. The combination of the Camp, the Juvenile Hall, and the Secure Housing Unit allows the three counties to provide comprehensive programs for minors locally. This budget reflects Sutter County's share of operational costs of the Tri-County facilities. The JPA gives ownership interest of the Juvenile Hall, Maxine Singer Youth Guidance Center, and the Secure Housing Unit to each of

Major Budget Changes

Services & Supplies

- \$301,880 Increase in Support & Care of Persons due to increase in operating costs
- \$310,000 Increase in Contribution to Other Agencies for Sutter County share of new facility project costs

the respective counties. Before FY 2015-16, the ownership share between the counties was as follows: Sutter County 40 percent, Yuba County 40 percent, and Colusa County 20 percent. In FY 2015-16, the ownership share was adjusted per an amendment of the JPA as follows: Sutter County 44 percent, Yuba County 44 percent, and Colusa County 12 percent. Fixed costs will be shared among the three participating counties at the same 44/44/12 share of ownership. Those costs which fluctuate based on population will be divided among the three participating counties on a pro-rata basis, based on the daily population that is attributable to each county.

Plans for the construction of a new Tri-County Juvenile Rehabilitation Facility have continued in FY 2015-16. Colusa County was previously awarded an SB81 Local Youthful Offender Rehabilitation Facilities Construction Grant through the Board of State and Community Corrections (BSCC). At the joint request of Yuba, Sutter, and Colusa Counties, the grant was redirected by the BSCC to the proposed new Tri-County facility, with Yuba County acting as the lead agency. In the spring of 2015, Yuba County applied for a second round of funding through the SB81 Local Youthful Offender Rehabilitation Facilities Construction Grant in the amount of \$9,600,000. The application was approved and, combined with the grant received by Colusa County, will be used to construct the 48 bed facility in Yuba County. It is anticipated that ground breaking will take place in the spring of 2017, with a projected completion date in December 2018.

Historically, Sutter and Yuba Counties have strived to keep the Camp Singer program open even through difficult fiscal times. Yuba County continues to seek contracts with several other counties for use of the program in exchange for much needed revenue, estimated at \$488,400 for FY 2015-16. The Camp

program also benefits from State Juvenile Probation and Camp Funding (JPCF) that further offsets the costs of the program, with an estimated \$295,000 for FY 2016-17.

Youth who were previously sent to group homes out of the area are able to participate in a camp program in their own community, along with their families, while also giving back to the community with extensive community service. There continues to be a need for both facilities, as they serve very different needs. The Juvenile Hall is reserved for short-term detention or, in rare instances, long-term commitments for youth who have failed all other programs, or some youth who are being tried as adults for more serious crimes. Conversely, the Camp is a long-term treatment program. Both programs are needed in order to maintain a continuum of graduated sanctions using the principles of effective intervention. Yuba, Sutter, and Colusa County youth will continue to benefit from the availability of these two programs.

Recommended Budget

This budget is recommended at \$2,181,880, which is an increase of \$611,880 (39.0%) over FY 2015-16. The General Fund provides 59.5% of the funding for this budget unit (as explained below) and is increased by \$301,880 (19.4%) for FY 2016-17.

It should be noted that these funding calculations reflect the addition of Public Safety Augmentation Funds (Proposition 172), which are transferred into the Public Safety fund through the Public Safety General budget unit (2-210). California voters enacted Proposition 172 in 1993, which established a permanent statewide half-cent sales tax for support of local public safety functions. Proposition 172 funding is budgeted at \$7.4 million for FY 2016-17. The full amount received is to be transferred

Probation Department Juvenile Hall Unit (2-309)

Donna Garcia, Chief Probation Officer

from the Public Safety Augmentation Fund (0-282) to the Public Safety Fund (0-015) in FY 2016-17. Annual Proposition 172 revenue, is projected to equal \$7.4 million for FY 2016-17. In FY 2016-17, the General Fund is budgeted to contribute approximately \$17.5 million in funding to the Public Safety fund in excess of the Proposition 172 funding.

Part of the increase in the Juvenile Hall budget is due to the addition of a Supervising Probation Officer position that is responsible for conducting Internal Affairs investigations, applicant background checks, and training, and to assist Intervention Counselors with case planning. This is a new position that is needed to provide support and to carry out the aforementioned administrative duties. In FY 2015-16, the JPA approved three additional Juvenile Correctional Officer positions, and an Intervention Counselor position to comply with Federal Title 15 regulations regarding staff to youth ratios, and assessment and case planning requirements.

The project to build the new Tri-County Regional Juvenile Rehabilitation Center is continuing to progress. The cost of design and construction of the new facility is to remain at the previously agreed upon ratio of 40/40/20 for Sutter, Yuba and Colusa counties respectively. For Sutter County's share of project costs in FY 2016-17, \$310,000 has been budgeted in Contribution to Other Agencies.

Purpose

The Public Defender’s Office, when appointed by the Court, represents Defendants charged with crimes committed in Sutter County who cannot afford their own attorney. These crimes include felonies, misdemeanors, and juvenile crimes. In addition, the Public Defender’s Office is appointed to represent parents in Juvenile Dependency actions involving the Welfare & Social Services Division, individuals being requested for appointment of conservatorships through the County Counsel’s Office, along with Writ of Habeas Corpus filings and Reise filings for those individuals detained at the Sutter-Yuba Mental Health facility or local private facilities and parole hearings related to Public Safety Realignment. On civil matters, the Public Defender’s Office is appointed on Contempt matters involving the Family Support Division and when private attorneys file complaints for contempt against an indigent person and to those whose parental

rights are being requested to be terminated in adoption matters.

Major Budget Changes

There are no major budget changes for FY 2016-17.

Program Discussion

This budget funds the Sutter County Public Defender’s Office. The Sutter County Public Defender is a County Department Head. Attorney Services are provided by outside attorneys specializing in: Criminal Felony appointment and Violation of Probation cases, Parole Violation appointment cases, Misdemeanor appointment cases, Juvenile Delinquency appointment and Dependency appointment cases, and Conservatorship hearings, Writ of Habeas Corpus proceedings, and Reise hearings. In addition, the Public Defender’s Office represents individuals charged in homicide cases, Petition for Involuntary Treatment under Penal Code §2970, sexually violent predator

cases, termination of parental rights, family law and child support contempt actions, individuals seeking relief from firearms prohibition under Welfare and Institutions Code §8103, appointments on mental health issues arising from a local private facility and individuals seeking relief under Proposition 47.

In comparing appointed felony and misdemeanor cases for the first eight months of FY 2014-15 with the first eight months of FY 2015-16, there was a slight increase of 1% in felony violation of probation cases and a decrease of new felony appointments by 9%. Misdemeanor cases have increased by approximately 29%, in part because of Proposition 47's reclassification of certain felonies as now misdemeanors. The Public Defender's Office appears at custody arraignments under the Probation Department's pretrial service program and bail reduction request.

The Public Defender's Office utilizes one investigator who handles the investigative work for all cases assigned to the office for the Felony, Misdemeanor, and Juvenile attorneys.

The Public Defender's Professional and Specialized Services account makes up 73.5% of the Public Defender budget. These funds are designated solely for the services of the Deputy Public Defenders assigned to felony, misdemeanor, juvenile, and conservatorship cases and the costs associated with the investigator.

Recommended Budget

This budget is recommended at \$690,272, which is an increase of \$2,441 (0.4%) over FY 2015-16. The General Fund provides 92.2% of the financing for this budget unit and is decreased by \$1,762 (0.3%) compared to FY 2015-16.

Though the Superior Court is ordering in some cases, as a condition of probation, payment of a nominal fee for reimbursement to the County of Sutter for the services of the Public Defender's Office, it is difficult to predict how much revenue will be received for FY 2016-17. The Sutter County Public Defender's Office has been able to collect for services rendered to those who have been involuntarily held at private psychiatric centers. Based upon the first 10 months of FY 2015-16, it is anticipated the Department should receive reimbursement revenues totaling \$6,200 for FY 2016-17.

County Local Revenue Fund 2011 (0-140)

****INDIVIDUAL BUDGETS FOLLOW NARRATIVE****

Purpose

The County Local Revenue Fund 2011 (0-140) was established in FY 2011-12 pursuant to legislation enacting Public Safety Realignment. This fund was required by AB 118 to be established by the County for the purpose of receiving revenue from the State to fund realigned public safety programs.

Major Budget Changes

Any major budget changes are addressed individually in the department sections below.

Program Discussion

In FY 2011-12, several bills were passed by the California Legislature, which provided the framework for Public Safety Realignment. The initial Public Safety Realignment legislation was titled AB 109 and was signed into law on April 4, 2011. Subsequently, AB 117 amended the program structure established in AB 109, while AB 118 established the financial structure for Public Safety Realignment.

Legislation required several accounts, established by Sutter County as new departments within fund 0-140, to be created for receipt of realigned funds during FY 2011-12. These departments are:

- Trial Court Security 2-105
- District Attorney & Public Defender 2-120
- Local Law Enforcement Services 2-203
- CCP Planning 2-306
- Local Community Corrections 2-307
- Juvenile Justice Account 2-308
- Health and Human Services 4-105

- Mental Health Account 4-106
- Behavioral Health Subaccount 4-108*

*On June 28, 2012, SB 1020 was signed into law and mandated the creation of an additional department: Behavioral Health Subaccount (4-108). This budget unit was established during FY 2012-13. SB 1020 also contained detailed percentages of growth revenues to be allocated to each account and subaccount from FY 2012-13 through FY 2015-16 and beyond. Growth funds are deposited into the matching account or subaccount as allocated from the State.

The County Local Revenue Fund 2011 is designed to be a “pass-through” budget with the intent that, upon deposit, funds will immediately be transferred out to the appropriate operating budget or special revenue fund, as budgeted.

Trial Court Security 2-105

This department receives money to fund security services for the Sutter County Superior Court provided through the Sheriff’s Court Bailiffs budget unit (2-103). Security is provided by the Bailiffs who are responsible for the courts’ security and decorum, and for the care and custody of inmates present in the court. Bailiffs also provide for the care and security of the jury. This budget is recommended at \$758,206, which is an increase of \$2,364 (0.3%) compared to FY 2015-16.

District Attorney and Public Defender 2-120

This department receives money to enhance the District Attorney’s budget unit (2-125) and Public Defender’s budget unit (2-106) to mitigate the expected increase in caseload due

County Local Revenue Fund 2011 (0-140)

to Public Safety Realignment. There are no budget changes for FY 2015-16. This budget is recommended at \$55,486, which is an increase of \$406 (0.7%) compared to FY 2015-16.

Local Law Enforcement Services 2-203

This department receives money for a variety of purposes and programs including Jail Booking Fees (2-301), Rural County Sheriff's funding (2-201), and California Multijurisdictional Methamphetamine Enforcement Team (2-202) funds for the Sheriff's Office, Juvenile Probation funding for the Probation Department (2-304) and Citizens' Option for Public Safety (COPS) funding for the District Attorney (2-125), Sheriff-Coroner (2-201), County Jail (2-301), and Probation (2-304) departments. This budget is recommended at \$1,376,390, which is a decrease of \$5,550 (0.4%) compared to FY 2015-16.

CCP Planning 2-306

This department receives money for funding the Community Corrections Partnership (CCP) start-up and planning. The CCP is responsible for designing the local approach to Realignment implementation. The mission and goal of the Sutter County CCP is to comply with the Public Safety Realignment Act by adopting evidence-based, cost-effective policies and practices that reduce recidivism, improve offender outcomes and promote public safety. The Probation Department (2-304) has responsibility for this department. This budget is recommended at \$100,000, which is the same as FY 2015-16.

Local Community Corrections 2-307

This department receives money to fund the majority of programs implemented by the CCP. The Probation Department (2-304) has

responsibility for this department. These funds are used at the discretion of the CCP and primarily pay for AB 109-related staffing in Probation (2-304) and the Jail (2-301). This budget is recommended at \$3,090,105, which is a decrease of \$95,392 (3.0%) compared to FY 2015-16.

Juvenile Justice Account 2-308

This department receives money for juvenile probation programs including the Youthful Offender Block Grant (YOBG) program and the Department of Juvenile Justice (DJJ) Re-Entry program. The Probation Department (2-304) has responsibility for this department. This budget is recommended at \$456,701, which is an increase of \$136,547 (42.7%) compared to FY 2015-16.

Health and Human Services 4-105

This department receives money for a variety of Welfare & Social Services (5-101, 5-206, and 5-209) programs including Adult Protective Services, Foster Care Assistance, Foster Care Administration, Child Welfare Services, Adoption Services and Child Abuse Prevention. Previously, Mental Health Services (4-102) programs including Drug Court and both Drug Medi-Cal and Non-Drug Medi-Cal Substance Abuse Treatment Services received funding through this department. In FY 2013-14, the Behavioral Health Subaccount (4-108) was established, per SB 1020, for this purpose. This budget is recommended at \$6,735,370, which is an increase of \$664,774 (11.0%) compared to FY 2015-16.

Mental Health Account 4-106

This department receives money to fund the California Work Opportunity and Responsibility to Kids (CalWORKs) Maintenance of Effort (MOE) payment through Welfare & Social Services (5-204).

County Local Revenue Fund 2011 (0-140)

This budget is recommended at \$9,587,540, which is an increase of \$1,452,910 (17.9%) over FY 2015-16. 1991 Realignment funds no longer pass through the Local Health and Welfare Trust – Mental Health Fund (0-249), but instead pass through this budget unit to the Mental Health Services Department (4-102). This change first occurred during FY 2012-13.

Behavioral Health Subaccount 4-108

This department receives money to fund Mental Health Services (4-102) programs including Drug Court, Drug Medi-Cal Substance Abuse Treatment services, Non-drug Medi-Cal Substance Abuse Treatment services, Medi-Cal Mental Health Managed Care services and Early, Periodic Screening, Diagnosis and Treatment (EPSDT) services. Managed Care and EPSDT were newly realigned for the FY 2013-14 budget, whereas the other programs above were previously budgeted in Health and Human Services (4-105). This budget is recommended at \$8,040,393, which is an increase of \$1,235,261 (18.2%) as compared to FY 2015-16.

Recommended Budget

This budget is recommended at \$30,200,191, which is an increase of \$3,391,320 (12.7%) compared to FY 2015-16. All funding is provided by the State through Public Safety Realignment.

As previously stated, this fund is designed to be a “pass-through” budget where, upon deposit, funds will immediately be transferred out to the appropriate operating budget or special revenue fund, as budgeted. Funds budgeted to be used completely each fiscal year will pass through to an operating budget, while funds not used completely in a single fiscal year will pass-through to a special revenue fund, such that any unused funds will remain separate across budget years. This prevents fund balances from becoming co-mingled and will allow each department responsible for these realigned funds to accurately and more easily track the expenditure and fund balance of individual revenue streams.

Use of Fund Balance

This budget unit should contain no fund balance at year-end as each revenue stream is immediately transferred upon receipt to either a corresponding operating budget or a special revenue fund for holding.

Program Discussion

The Communications Center has the responsibility of answering incoming 9-1-1 calls as well as non-emergency calls for service. Radio-dispatching services for the Sheriff's Office as well as the Fire Department are provided. At times the Communications Center also assists and communicates with Animal Control, Public Works, and Fish & Game field personnel. The Communications Center is staffed 24 hours per day, 365 days per year, with a minimum of two dispatchers on duty at all times.

The Criminal Records Technicians provide a wide range of functions including fingerprinting, permit issuance, criminal offender registration, records release requests, and maintenance of agency reports and records including court mandated functions.

The Civil Unit is charged with the processing of civil process as prescribed by law. It is the goal of the Civil Unit to serve all received process in a reasonable and timely manner while maintaining an impartial stance between all parties involved. The civil process includes summons and complaints, small claims documents for a civil lawsuit, restraining orders, and any other notice or order from the courts. The civil unit is also charged with placing a levy on bank accounts, wages, vehicles, or any asset of the judgment debtor.

Recommended Budget

This budget is recommended at \$3,474,720, which is an increase of \$545,802 (18.6%) over FY 2015-16. The General Fund provides approximately 55.9% of the financing for the Sheriff's Department and is increased in the Communications budget by \$626,785 (23.2%) compared to FY 2015-16.

It should be noted that these funding calculations reflect the addition of Public Safety Augmentation Funds (Proposition 172), which are transferred into the Public Safety fund through the Public Safety General Budget unit (2-210). California voters enacted Proposition 172 in 1993, which established a permanent statewide half-cent sales tax for support of local public safety functions. Proposition 172 funding is budgeted at \$7.4 million for FY 2016-17. The full amount received is to be transferred from the Public Safety Augmentation Fund (0-282) to the Public Safety Fund (0-015) in FY 2016-17. In FY 2016-17, the General Fund is budgeted to contribute approximately \$17.4 million in funding to the Public Safety fund in excess of the Proposition 172 funding.

It is recommended that the requested position changes – restore funding for one Supervising Public Safety Dispatcher position, eliminate one vacant Public Safety Dispatcher position, and restore funding for one Criminal Records Technician position - be approved effective July 1, 2016.

Capital Assets are recommended at \$574,749 for three radio dispatch stations, which includes a contingency of 10%. It is recommended that the purchase of the three replacement radio dispatch stations be approved for purchase as of July 1, 2016 to ensure the replacement project is completed

before the current systems are no longer serviceable.

Use of Fund Balance

This budget unit is within the Public Safety Fund. The budget does not include the use of any specific fund balance.

Purpose

The Sheriff's Court Bailiffs budget provides bailiffs for the Sutter County Superior Court under a contract. The bailiffs are responsible for the Court's security and decorum, and for the care and custody of inmates present in the Court. Bailiffs also provide for the care and security of the jury.

Major Budget Changes

Salaries & Benefits

- \$24,851 General increases due to negotiated Salaries and Benefits
- \$84,172 Increase related to the addition of two Deputy Sheriff position approved during FY 2015-16

Revenues

- \$110,338 Increase in Security Services due to agreement with Superior Court

Program Discussion

The Sheriff's Court Bailiffs unit provides security services for courtrooms in the Sutter County Superior Court. One Deputy Sheriff, one Correctional Sergeant and seven Correctional Officers are assigned to this unit.

Recommended Budget

This budget is recommended at \$868,544, which is an increase of \$108,630 (14.3%) compared to FY 2015-16. The General Fund does not provide any financing for this budget unit as it is funded by Realignment revenues and an agreement with the Superior Court for security services.

The new Sutter County Courthouse opened on January 19, 2016. Funding for two additional Correctional Officer positions (Bailiffs), approved during FY 2015-16, is provided by the State through Public Safety Realignment. Funding for one Deputy Sheriff position to provide security services at the main entrance of the Courthouse is provided through an agreement with the Superior Court.

Trial Court Security was a component of Public Safety Realignment in FY 2011-12. Therefore, funding is first deposited into the County Local Revenue Fund 2011 (0-140) in the Trial Court Security (2-105) budget unit before it is transferred into this operating budget. The County Local Revenue Fund 2011 is discussed in greater detail in its own budget narrative.

Use of Fund Balance

This budget unit is within the Trial Court Fund. The budget does not include the use of any specific fund balance.

Program Discussion

The Sheriff's Office patrols approximately 604 square miles of unincorporated Sutter County as well as a portion of Yuba City's incorporated area under contract.

The Sheriff's Office is also the County Coroner and is responsible for determining the circumstances, manner, and cause of all deaths reportable to the Coroner. Field death investigations, postmortem examinations, and related forensic tests are used to establish a medical cause of death. Autopsies are provided to the Coroner through a contract with Forensic Medical Group, based in Fairfield, while morgue services are provided via contract by three local mortuaries.

Recommended Budget

This budget is recommended at \$7,225,353, which is an increase of \$469,589 (7.0%) over FY 2015-16. The General Fund provides approximately 55.9% of the financing for the Sheriff's Department and is increased in the Sheriff-Coroner budget by \$473,165 (7.6%) compared to FY 2015-16.

It should be noted that these funding calculations reflect the addition of Public Safety Augmentation Funds (Proposition 172), which are transferred into the Public Safety fund through the Public Safety General budget unit (2-210). California voters enacted Proposition 172 in 1993, which established a permanent statewide half-cent sales tax for support of local public safety functions. Proposition 172 funding is budgeted at \$7.4 million for FY 2016-17. The full amount received is to be transferred

from the Public Safety Augmentation Fund (0-282) to the Public Safety Fund (0-015) in FY 2016-17. In FY 2016-17, the General Fund is budgeted to contribute approximately \$17.4 million in funding to the Public Safety fund in excess of the Proposition 172 funding.

It is recommended to restore funding to two (2.0 FTE) Deputy Sheriff positions effective July 1, 2016.

Since FY 2008-09, the average number of filled Deputy Sheriff positions in the Sheriff-Coroner budget unit has been 29. The current recommendation provides for 31 filled Deputy Sheriff positions for FY 2016-17.

Capital Assets are recommended at \$192,000 for the purchase of three (3) replacement patrol vehicles.

Residual Equity Transfer-Out is budgeted at \$16,607 for payment of the Department's share of the Opterra Energy Efficiency Project. The Development Services Building at 1130 Civic Center Blvd had Lighting and HVAC upgrades to help reduce the building's energy usage. In addition, the building will also benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects the Sheriff's proportional share of the building's total payment. In addition, the Sheriff's Training Center received Lighting and HVAC upgrades to help reduce the building's energy usage.

COPS funds are not currently budgeted in the FY 2016-17 Recommended Budget. The Sheriff has not yet determined how these funds will be used. Once that determination is made, the Sheriff will present his recommendations to the Board of Supervisors along with a recommendation to amend the budget. COPS funds may not be used to supplant current

County Public Safety funding and therefore do not reduce the General Fund contribution to the Public Safety Fund. It is anticipated the Sheriff-Coroner will have approximately \$340,000 in COPS front line law enforcement funding available for use by the end of FY 2016-17 with an additional \$100,000 in COPS funding available for use specifically in the Jail.

Use of Fund Balance

This budget unit is within the Public Safety Fund. The budget does not include the use of any specific fund balance.

Purpose

The Narcotic Enforcement Team (NET 5) is a task force composed of the Yuba City Police Department and the Sheriff's Offices of Sutter and Yuba Counties. Each agency contributes one third of the funding. This budget unit finances Sutter County's share of costs, which include the salaries of a Commander and a Legal Secretary, building rental, and services and supplies used in NET 5 operations.

Major Budget Changes

There are no major budget changes for FY 2016-17.

Program Discussion

As of January 1, 2012, the California Office of Justice, Bureau of Narcotics Enforcement is no longer participating in NET 5. This situation

gave the County the choice of either eliminating the NET 5 program or self-financing the program with CalMMET funds along with the City of Yuba City and the Yuba County Sheriff's Office. The NET 5 program is vital to law enforcement operations within both Sutter and Yuba counties; therefore, the decision was made to continue the operation of NET 5.

Recommended Budget

This budget is recommended at \$135,585, which is an increase of \$1,707 (1.3%) over FY 2015-16. This small increase is offset by revenue from the other two participating agencies and CalMMET revenue transferred in from the County Local Revenue Fund 2011 (0-140) and results in no unreimbursed cost for the General Fund. The County Local Revenue Fund 2011 is discussed in greater detail in its own budget narrative.

The NET 5 Secretary - Law position is allocated in this budget unit. Sutter County pays one third of the cost of the position's salary and benefits.

Use of Fund Balance

This budget unit is within the Public Safety Fund. The budget does not include the use of any specific fund balance.

boating safety presentations, and evacuation of citizens in flood conditions.

Several boats and water crafts of various sizes and designs are used to accomplish the unit's mission. The unit will also summon surrounding counties for mutual aid from their sheriff's boat patrol units as the need arises.

Major Budget Changes

There are no major budget changes for FY 2016-17.

Recommended Budget

This budget is recommended at \$350,657, which is a decrease of \$10,562 (2.9%) compared to FY 2015-16. The General Fund provides approximately 55.9% of the financing for the Sheriff's Department and is decreased in the Boat Patrol budget by \$10,181 (7.9%) compared to FY 2015-16.

Program Discussion

Responsibilities of the Boat Patrol Unit include enforcement of boating laws and regulations, assistance to stranded boaters, inspection of vessels for proper equipment, supervision of organized water events, search and rescue operations, recovery of drowning victims, investigation of boating accidents,

It should be noted that these funding calculations reflect the addition of Public Safety Augmentation Funds (Proposition

172), which are transferred into the Public Safety fund through the Public Safety General budget unit (2-210). California voters enacted Proposition 172 in 1993, which established a permanent statewide half-cent sales tax for support of local public safety functions. Proposition 172 funding is budgeted at \$7.4 million for FY 2016-17. The full amount received is to be transferred from the Public Safety Augmentation Fund (0-282) to the Public Safety Fund (0-015) in FY 2016-17. In FY 2016-17, the General Fund is budgeted to contribute approximately \$17.4 million in funding to the Public Safety fund in excess of the Proposition 172 funding.

It is estimated that approximately 61% of the total expenditures for the Boat Patrol budget unit will be reimbursed by the State Department of Boating and Waterways in FY 2016-17. These reimbursements are derived from boat registration fees. The County contributes collected boat taxes and pays for expenditures not subject to State reimbursement. The Department of Boating and Waterways' allocation to Sutter County is likely to remain at \$214,800 as it has for the past several years. Thus, any expenditure increases beyond the allocation and collected boat taxes become a County General Fund cost.

Use of Fund Balance

This budget unit is within the Public Safety Fund. The budget does not include the use of any specific fund balance.

Purpose

This budget finances the law enforcement services the Sheriff's Office provides under contract to the City of Live Oak and surrounding unincorporated area.

Recommended Budget

This budget is recommended at \$1,418,109, which is an increase of \$44,033 (3.2%) over FY 2015-16. The General Fund provides approximately 55.9% of the financing for the Sheriff's Department and is increased in the Sheriff – Live Oak budget by \$4,751 (1.9%) compared to FY 2015-16.

Major Budget Changes

Salaries & Benefits

- \$35,144 General Increases due to negotiated Salaries and Benefits

The majority of costs for patrolling the area in and around the City of Live Oak are shared 80% by the City and 20% by the County. However, the salary and benefits of a Lieutenant position, all dog handling-related items, and new patrol vehicles are costs covered in full by the City.

Program Discussion

The City of Live Oak contracts with Sutter County to provide law enforcement services to approximately 8,500 citizens in Live Oak. Sheriff's personnel operate out of a substation staffed by seven patrol deputies, one sergeant, and one lieutenant.

The Sheriff provides some law-enforcement services to the City of Live Oak at no charge for which the City would have to pay if it were to have its own police department, or if it had a typical contract for Sheriff services. Among these services are dispatch,

Purpose

The Sheriff's Jail Division operates the Main Jail and the adjacent Medium Security Facility. This budget unit funds the jail staff and operates the County's 352-bed Correctional Facility. The Division is divided into two programs: (1) jail security and support; and (2) transportation. The Jail Division provides a secure, sanitary, and habitable setting for those in custody who are either accused or sentenced. The jail staff also transports prisoners to courts and other facilities.

The Sheriff also manages and operates the Alternative Sentencing and Outside Work Release Programs.

Revenues

- \$136,360 Increase in Interfund Miscellaneous Transfer from AB109 reimbursement from Community Corrections Partnership

Program Discussion

The medium security facility is currently housing AB109 inmates serving long-term jail commitments.

Public Safety Realignment

Through AB 109, signed into law on April 4, 2011, the State of California enacted a realignment of funds and responsibilities to counties, often referred to as Public Safety Realignment. This realignment pertains to

sentenced felons who, prior to Public Safety Realignment, would have been under State custody or under the supervision of State parole. Public Safety Realignment specifically applies to those felons convicted of what are known as "non-non-non" crimes, in that the crimes are not deemed of a sexual, violent, or serious nature. In short, these felons are now the responsibility of counties and serve their sentences in county jails rather than in State prisons.

The Jail is adjusting to the State-to-County prisoner shift. It was expected that once additional Realignment-funded correctional staff were hired and trained, the Jail would comply with recent Board of Community Corrections (formally, Corrections Standards Authority or CSA), inspection recommendations. Those correctional officers have been hired, trained and are now working in the jail. The BSCC is charged by law to inspect correctional facilities for compliance with correctional standards.

The Jail budget unit's correctional positions are not generally subject to target cost reductions. AB109 prohibits the use of Public Safety Realignment funds to supplant current funding. The funds allocated by the Community Corrections Partnership were intended to increase jail staffing levels beyond those prior to Public Safety Realignment.

Recommended Budget

This budget is recommended at \$10,131,192, which is an increase of \$440,828 (4.5%) over FY 2015-16. The General Fund provides approximately 55.9% of the financing for the Sheriff's Department and is increased in the Jail budget by \$375,665 (4.4%) compared to FY 2015-16.

It should be noted that these funding calculations reflect the addition of Public Safety Augmentation Funds (Proposition 172), which are transferred into the Public Safety fund through the Public Safety General budget unit (2-210). California voters enacted Proposition 172 in 1993, which established a permanent statewide half-cent sales tax for support of local public safety functions. Proposition 172 funding is budgeted at \$7.4 million for FY 2016-17. The full amount received is to be transferred from the Public Safety Augmentation Fund (0-282) to the Public Safety Fund (0-015) in FY 2016-17. In FY 2016-17, the General Fund is budgeted to contribute approximately \$17.4 million in funding to the Public Safety fund in excess of the Proposition 172 funding.

The Jail is in the planning stage of being expanded through the AB 900 Phase II Construction/Expansion of County Jails program. The envisioned project will add 28 Maximum Security male beds in a new housing unit along with 14 Medium Security female beds in a new housing unit. Additionally, the project will remodel and expand the Medical Services and Kitchen Areas. The project's design phase is scheduled to be completed by the end of FY 2015-16. This will be followed by the construction phase lasting approximately 18 months. This project is more thoroughly discussed in the Jail Expansion Project budget unit (1-701).

Residual Equity Transfer-Out is budgeted at \$121,031 for payment of the Department's share of the Opterra Energy Efficiency Project. The Jail on Civic Center Blvd had Lighting and Plumbing Control upgrades to help reduce the building's energy usage. In addition, the building will also benefit from the Acacia property Solar Panel array that will offset Utility costs. This payment reflects the Jail's proportional share of the building's total payment.

Capital Assets are recommended as follows:

- \$6,759 for one replacement food delivery cart
- \$20,592 for one replacement tilt skillet

Purpose

The operation of the Sheriff Inmate Welfare Fund (SIWF) is mandated by California Penal Code §4025(e) and Title 15 of the California Code of Regulations. The money in this fund is to be used by the Sheriff for the benefit, education and welfare of jail inmates.

Major Budget Changes

Services and Supplies

- \$17,344 Increase in General Supplies offset by increased Commissary Sales

Revenues

- \$18,871 Increase in Commissary Sales

Program Discussion

Per California Penal Code §4025(e):

“The money and property deposited in the inmate welfare fund shall be expended by the sheriff primarily for the benefit, education, and welfare of the inmates confined within the jail. Any funds that are not needed for the welfare of the inmates may be expended for the maintenance of county jail facilities. Maintenance of county jail facilities may include the salary and benefits of personnel used in the programs to benefit the inmates, including, but not limited to, education, drug and alcohol treatment, welfare, library, accounting, and other programs deemed appropriate by the sheriff. Inmate welfare funds shall not be used to pay required county expenses of confining inmates in a local detention system, such as meals, clothing, housing, or medical services or expenses, except that inmate welfare funds may be used to augment those required county expenses as

determined by the sheriff to be in the best interests of inmates. An itemized report of these expenditures shall be submitted annually to the Board of Supervisors.”

Recommended Budget

This budget is recommended at \$360,583, which is an increase of \$10,732 (3.1%) over FY 2015-16. This fund is projected to generate \$289,500 in revenue during FY 2016-17. Therefore, \$71,083 of fund balance is being used to offset a portion of the cost of this budget unit, as described below.

The General Fund does not provide any financing for this budget unit. This fund is financed by revenue generated from inmate use of public telephones and inmate purchases from the jail commissary.

Use of Fund Balance

The Sheriff's Inmate Welfare Fund contained a Restricted Fund Balance in the amount of \$358,466 as of July 1, 2015, a decrease of \$55,845 compared to July 1, 2014. It is estimated the Restricted Fund Balance will equal \$282,244 on July 1, 2016. It is recommended that \$71,083 of the Restricted Fund Balance be cancelled for use in FY 2016-17.

Purpose

The Trial Court Funding budget unit accounts for mandated Maintenance of Effort and Court Facilities Payments to the State. Shared costs for utilities and maintenance are also paid out of this budget unit. This budget unit accounts for the receipt of court-generated revenues, including those from criminal fines and traffic tickets, to partially offset these costs.

Major Budget Changes

Other Charges

- (\$95,000) Decrease in Court Shared Cost Payment (JOA)

Program Discussion

Seventeen years ago, the State Legislature passed landmark legislation titled the Lockyer-Isenberg Trial Court Funding Act of

1997, which shifted primary funding responsibility for the local Trial Courts from the counties to the State. Prior to that time, the Superior and Municipal Courts were considered County Departments, Court employees were County employees, and the counties constructed and maintained all court facilities.

The transition that began in 1997 was completed in 2009. The former Municipal Courts have been consolidated into one Superior Court in each county, and its employees are now local court employees. The final step in the process was to resolve the lingering issue concerning which entity should have responsibility for the provision of court facilities. This issue was addressed with the passage of the Court Facilities Act of 2002, which provided for a transition of responsibility for trial court facilities from the counties to the State.

Sutter County negotiated with the State to transfer responsibility for funding the two courthouses. The agreement was approved

County Administrative Office Trial Court Funding (2-109)

Curtis R. Coad

Interim County Administrative Officer

by the Board of Supervisors in December 2008. Due to this transfer, the County is now obligated to make an annual maintenance-of-effort payment (Court Facilities Payment) to the State equivalent to its recent historical expenditures for maintenance of the courthouses. The Court Facilities Payment has been fixed at \$110,852 annually. In return, the County has been permanently relieved of its responsibility to maintain, renovate, and replace the two transferred court facilities.

County departments still partially occupy the Court buildings and therefore must pay for their share of utility and maintenance costs. In past years, this share of cost was budgeted at approximately \$120,000 in the Court Shared Cost Payment (JOA) account. The County was billed by the Courts and paid its share from this account. For FY 2016-17, the Courts have moved from the buildings and will no longer be providing the same maintenance services for the buildings. Therefore, the Court Shared Cost Payment (JOA) account has been reduced by \$95,000, but the Building Maintenance budget unit (1-700) within the General Services Department has been increased by \$82,500 to allow continued maintenance of the buildings by County staff.

Financial records, dating back to the 1997 transition of court facilities from the County to the State, show FY 2010-11 as the first year an unreimbursed cost was budgeted for this budget unit during that period. This is primarily attributed to decreasing fee and fine revenue during recent fiscal years. This trend stabilized during FY 2011-12 and is projected to continue through FY 2016-17.

New Courthouse

In April 2011, the State purchased from the County a 3.8 acre site on the southeast corner of Civic Center Boulevard and Veterans Memorial Circle as the location for the new Sutter County Courthouse. Construction of the courthouse began during the summer of 2013 and was completed during FY 2015-16. The 74,000 square feet, \$78,000,000 building opened for use on January 19, 2016.

Recommended Budget

This budget is recommended at \$856,000, which is a decrease of \$95,000 (10.0%) compared to FY 2015-16. The General Fund provides 11.6% of the financing for this budget unit and is decreased by \$83,500 (45.7%) for FY 2016-17 due to the reduction of the Court Shared Cost Payment (JOA).

Use of Fund Balance

This budget unit is within the Trial Court Fund. The budget does not include the use of any specific fund balance.

Purpose

This budget unit contains certain court-related operational costs, such as jury witness fees and expenses related to indigent defense that are not statutorily considered the responsibility of the State of California. The budget is prepared by the County Administrative Office.

Major Budget Changes

There are no major budget changes for FY 2016-17.

Program Discussion

The expenses in this budget unit are related to indigent defense provided outside of the Public Defender budget unit. The majority of these expenses are incurred in paying for conflict counsel attorneys. Conflict attorneys represent clients when the Public Defender

may have a conflict of interest in representing co-defendants in a case.

Recommended Budget

This budget is recommended at \$520,656, which is an increase of \$2,036 (0.4%) over FY 2015-16. The General Fund provides 79.7% of the funding for this budget unit and is increased by \$10,686 (2.6%) for FY 2016-17.
