# COUNTY OF SUTTER

December 1, 2011

ROBERT E. STARK, CPA

---

AUDITOR-CONTROLLER

To: Citizens of Sutter County and Other Interested Parties

Subject: Authority for budget

## Introduction

The authority and basic requirements for the preparation of county budgets are set forth in the County Budget Act, Government Code Sections 29000 – 30200. The excerpted sections, reproduced below for your convenience, are pertinent to understanding the precepts under which the Sutter County budget is prepared, which in some cases may deviate from this statutory authority. The bases for deviating from the statutes are Board of Supervisors Resolution 11-075 (August 16, 2001) and 4/5ths majority board action approving modifications recommended by the County Administrative Officer November 22, 2011.

**The reader should note that in the opinion of the Auditor-Controller's Office, the board's delegation of authority to the CAO per Resolution 11-075 to approve preparation of the adopted budget is a contravention of state statutes.**

## GOVERNMENT CODE SECTION 30200-30201

30200. Under this division, the Controller shall prescribe for counties uniform accounting procedures conforming to the Generally Accepted Accounting Principles (GAAP). The procedures shall be adopted under the provisions of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 and shall be published in the California Code of Regulations either in their entirety or by reference. The Controller shall prescribe such procedures after consultation with and approval by the Committee on County Accounting Procedures. Approval of such procedures shall be by a majority vote of the members of the committee. The vote may be conducted by mail at the discretion of the chairperson of the committee, provided however, that should one or more members of the committee request a meeting for the purpose of voting, the chairperson shall call a meeting of the committee as provided in Section 30201.

30201. The Committee on County Accounting Procedures shall consist of 10 members appointed by the State Controller, to serve at the pleasure of the Controller. Five of the members shall be county auditors, three shall be county administrative officers, and two shall be members of a county board of supervisors. The members of the committee shall serve without compensation but shall be reimbursed for their necessary traveling and other expenses incurred in attending meetings of the committee. Such expenses shall be paid by the county of which the member is an officer. The State Controller shall designate a member of the committee to serve as chairman. The committee shall meet at the call of the chairman and each member shall be given written notice of any meeting at least 10 days prior to the date of the meeting.

## **GOVERNMENT CODE**

### **SECTION 29000-29009**

29000. This chapter shall be known, and may be cited, as the County Budget Act. Unless the context otherwise requires or provides, the general provisions set forth in this article, and the requirements concerning county budget matters prescribed by the Controller under Section 30200, govern the construction of this chapter.

29001. Except as otherwise defined in this section, the meaning of terms used in this chapter shall be as defined in the Accounting Standards and Procedures for Counties prescribed by the Controller pursuant to Section 30200.

29002. This chapter shall apply to counties, dependent special districts, and other agencies whose affairs and finances are under the supervision and control of the board.

29003. Except as otherwise specifically provided by law, a majority vote of the total membership of the board is required for the board to take action pursuant to this chapter.

29005. (a) The Controller shall promulgate such rules, regulations, and classifications as are deemed necessary and commensurate with the accounting procedures for counties prescribed pursuant to Section 30200 to secure standards of uniformity among the various counties and to carry out the provisions of this chapter. The rules, regulations, and classifications shall be adopted in accordance with the provisions of Section 30200.

(b) The Controller shall prescribe the forms required to be used in presenting the required information in the budget document after consultation with the Committee on County Accounting Procedures, which committee is provided for in Section 30201. Any county may add to the information required, or display it in more detail, provided that the financial information and the classifications or items required to be included in the budget are clearly and completely set forth. Any change proposed by a county in the arrangement of the information required on the forms shall be subject to review and approval by the Controller.

29006. For the adopted budget, the various forms, as prescribed by the Controller pursuant to Section 29005, shall provide for the presentation of data and information to include, at a minimum, estimated or actual amounts of the following items by fund:

  - (1) Reserved.
  - (2) Unreserved.
  - (A) Designated.
  - (B) Undesignated.

(b) Additional financing sources shall be classified by source in accordance with the accounting procedures for counties as prescribed by the Controller pursuant to Section 30200.

For comparative purposes the amounts of financing sources shall be shown as follows:

- (1) On an actual basis for the fiscal year two years prior to the budget year.
- (2) On an actual basis, except for those sources that can only be

estimated, for the fiscal year prior to the budget year.

(3) On an estimated basis for the budget year, as submitted by those officials or persons responsible, or as recommended by the administrative officer or auditor, as appropriate.

(4) On an estimated basis for the budget year, as approved, or as adopted, by the board.

(c) Financing uses for each budget unit, classified by the fund or funds from which financed, by the objects of expenditure, other financing uses, intrafund transfers, and transfers-out in accordance with the accounting procedures for counties and by such further classifications or requirements pertaining to county budget matters as prescribed by the Controller pursuant to Section 30200.

For comparative purposes the amounts of financing uses shall be shown as follows:

(1) On an actual basis for the fiscal year two years prior to the budget year.

(2) On an actual basis, except for those uses that can only be estimated, for the fiscal year prior to the budget year.

(3) On an estimated basis for the budget year, as submitted by those officials or persons responsible, or as recommended by the administrative officer or auditor, as appropriate.

(d) Appropriations for contingencies.

(e) Provisions for reserves and designations.

(f) The appropriations limit and the total annual appropriations subject to limitation as determined pursuant to Division 9 (commencing with Section 7900) of Title 1.

29007. There shall be a schedule in or supporting the adopted budget document or separate ordinance or resolution, setting forth for each budget unit the following data for each position classification:

(a) Salary rate or range, as applicable.

(b) Total allocated positions approved by the board.

29008. At a minimum, within the object of capital assets, the budget amounts for:

(a) Land shall be reported in total amounts, except when included as a component of a project.

(b) Structures and improvements shall be reported separately for each project, except that minor improvement projects may be reported in totals.

(c) Equipment shall be reported in total amounts by budget unit.

(d) Infrastructure shall be reported in total amounts by budget unit.

29009. In the recommended, adopted, and final budgets the funding sources shall equal the financing uses.

**Conclusion**

We have made every attempt to clearly note board ordered deviations from statute in the individual budgets presented in these pages. The reader should be cautioned that this may invalidate comparisons with previous years' budgets or other California county budgets unless adjustments are made. Noncompliance with Generally Accepted Accounting Principles (section 30200) may have financial consequences for the county.

Respectfully submitted,

Robert E. Stark, CPA

County Administrative Officer's explanation of different reporting structures between budget and accounting reports included in the staff report and approved recommendation on November 22, 2011:

"The Undesignated Fund Balance for this budget differs from that shown in the General Ledger, as provided for by GFOA Practice 10.1e. The difference, [\$185,000] [sic], is the amount of Advances Payable. Although for financial reporting purposes the asset that would normally offset this liability is not presented in this fund, therefore for budget purposes the liability is removed in the budget as this maintains the relationship for budget purposes." -- Based on CAO's reported consultation with Brad Constitine CPA, Gallina LLP.
