Deputy Agricultural Commissioner

Mr. Earl Coke, Director
California Department of Agriculture
and
The Honorable Board of Supervisors
County of Sutter

Gentlemen:

I am pleased to present to you the 1967 Agricultural Crop Report as required by Section 2279 of the Agricultural Code.

These statistics show the approximate acreage, production and gross value of crops and livestock produced in Sutter County. The values represent gross value of Agricultural production, whether sold or used on the farm where grown, and do not take into account the steadily rising costs of production and marketing.

The report is the effort of the Sutter County Department of Agriculture compiled under the direction of Deputy Agricultural Commissioner, A. C. Perrin, Jr., with valuable information from many sources including growers, processors, warehousemen, shippers, agricultural cooperatives, the State Department of Agriculture, A.S.C. and others. To all we extend our appreciation.

Respectfully submitted,

W. A. Greene
