

Sutter-Yuba Mental Health Services

Mental Health Services Act (Prop. 63) (MHSA)

Help us plan for the additional 1.7 million dollars (annual) funding available for new mental health services to our community. The money comes from Proposition 63 - the tax on incomes over 1 million dollars.

Get involved, your opinion counts!

Join us for a Town Hall Meeting where you will hear about the MHSA, recovery & resiliency and the effect of mental health on our community. Give us your ideas about how to use this additional money for mental health services.
