UNDERGROUND STORAGE TANK PROGRAM OWNER OPERATOR AGREEMENT

This agreement is made and entered into by and between:

_____ (Hereinafter referred to as "Owner") and

_____ (Hereinafter referred to as "Operator").

WHEREAS, Operator desires to use and operate said underground storage tank(s), and

WHEREAS, said underground storage tank(s) are subject to regulation pursuant to Health and Safety Code Section 25280, et. Seq., and implementing regulations, which establish certain requirements for owners and operators of underground storage tanks:

NOW, THEREFORE, IT IS MUTUALLY AGREED AS FOLLOWS:

1. Subject to any existing agreements between the parties, **Operator** shall have the right to use and operate said underground storage tank(s).
2. As a condition of such use, **Operator** shall be required to monitor said underground storage tank(s); maintain appropriate records; implement reporting procedures; and otherwise meet all requirements of state law for the operation of underground storage tanks.
3. Notwithstanding delegation of this responsibility from owner to operator, the owner shall also remain ultimately responsible for assuring that the underground tank system is required or upgraded in accordance with Article 6, or closed in accordance with Article 7, of these regulations as appropriate.
