NOTICE OF AVAILABILITY

OF THE DRAFT ENVIRONMENTAL IMPACT REPORT FOR THE SUTTER POINTE REGIONAL WASTEWATER CONVEYANCE PROJECT

Pursuant to the California Environmental Quality Act (CEQA), Sutter County as the CEQA Lead Agency has prepared this Notice of Availability (NOA) of a Draft Environmental Impact Report (DEIR) for the Sutter Pointe Regional Wastewater Conveyance project (proposed project). The proposed project would extend wastewater service from the Upper Northwest Interceptor (UNWI), operated by the Sacramento Regional County Sanitation District (Regional San), to the Sutter Pointe Specific Plan (SPSP) area. Wastewater service to the SPSP area would be provided by the Regional San and the Sacramento Area Sewer District (SASD) under a Wastewater Service by Contract and Operating Agreement by and between Sutter County, Regional San and SASD (Agreement). The proposed project would include on- and off-site facilities needed to convey future wastewater flows from the SPSP area to the UNWI; including pumping facilities and parallel force mains, for conveyance to the Sacramento Regional Wastewater Treatment Plant (SRWTP) for treatment. The proposed parallel force mains would extend from the SPSP area to a point of connection with the UNWI near the intersection of West 6th Street and Elkhorn Boulevard in Rio Linda, an unincorporated community in Sacramento County. SASD would provide wastewater system operation and maintenance services to the SPSP area. However, Sutter County or other party of interest could assume these duties in the future. The DEIR evaluates the proposed project's potential significant effects on the environment, including those on air quality, biological resources, cultural resources, noise, and wastewater capacity.

The review period for the DEIR begins on August 30, 2016 and ends 5:00 pm on October 14, 2016. Copies of the DEIR can be reviewed at the Sutter County Development Services Department counter during normal business hours, or on the Planning Services webpage at http://www.co.sutter.ca.us/doc/government/depts/cs/ps/cs_planning_services and at the Sutter County Library located at 750 Forbes Avenue, Yuba City, CA.

Comments regarding the DEIR should be submitted in writing to:
