## **STAFF REPORT**

**MEMO TO: SUTTER COUNTY CHILDREN & FAMILIES COMMISSION**

**FROM: MICHELE BLAKE, EXECUTIVE DIRECTOR**

**SUBJECT: REVIEW OF 2015-2020 SUTTER COUNTY CHILDREN & FAMILIES  
COMMISSION STRATEGIC PLAN**

---

### **NO ACTION REQUIRED – REVIEW AND REVISE AS NEEDED**

**BACKGROUND:** Each First 5 county commission is required to adopt a strategic plan that establishes a framework for how the commission will support and improve early childhood development locally. The desired results and strategies identified in Sutter County Children & Families Commission plan are developed through processes that include significant community input from key stakeholders, including community members and professionals. The strategic plan is reviewed each year and revised as needed to ensure that the plan addresses the most pressing needs of children, from the prenatal stage through age 5, and their families.
