KEYS TO QUALITY

Growing Up WILD is an early childhood education program that builds on children's sense of wonder about nature and invites them to explore wildlife and the world around them.

Growing Up WILD Goals

- Encouraging attachment and comfort with the outdoors.
- Learning through active outdoor exploration and play.
- Increasing opportunities for children to be outdoors.
- Assisting in the future development of nature stewards.
- Meeting education and developmental goals and standards.
- Emphasizing literacy.
