TO: Members of the Sutter County Fish and Game Advisory Commission

RE: June 11, 2020 Meeting

Dear Members,

At this time, as per direction from Commission Chair Wyllie, the meeting scheduled for Thursday June 11, 2020 has been cancelled. This is for the safety of all involved, as there remains a public health threat. The most recent update from the Yuba-Sutter Bi-County Health officer has continued to prohibit gatherings of 10 or more people for non-faith-based gatherings.

Currently there is no critical correspondence from outside Fish and Game agencies. Also, as there are no set provisions for the planned nomination and voting of officers via remote platform, (that meet the requirements and limitations of this body for record-keeping and verification purposes), these items will be on hold until the next physical meeting is possible. The status of future meetings will continue to be determined on a month to month basis. If you have any questions or items you wish to include in future meeting notes please contact our office, or Chuck Wyllie.

If you have any other questions, please contact our office at (530) 822-7473.

Thank you,

Patricia DeSantis
