

CHIP PRIORITY WORKGROUP 2: ADDRESSING HOMELESSNESS

FEBRUARY 22, 2023

Sutter County Public Health

HEALTH AND
HUMAN SERVICES

Purpose & Objectives

- Review finalized overarching vision statements for addressing homelessness in Sutter County
- Create **1-3 SMART Objectives for each overarching vision statement**
- Review and develop the strategies and actions to address homelessness in Sutter County

GOALS OF THE CHIP: SAMPLE WORKPLAN

PRIORITY AREA: Healthy Beginnings				
OVERARCHING VISION: Reduce the incidence of pediatric asthma attacks in Sutter County children and youth				
STAKEHOLDERS: Sutter County Public Health, Sutter County Superintendent of Schools and various Sutter County school districts, Adventist Health and Rideout (AHRO), <u>Ampla Health</u> , <u>Harmony Health</u> , <u>Beach Tree Health</u> , <u>Sutter North</u>				
OBJECTIVES: Reduce hospital emergency department visits for asthma attacks by 20% within three years. Reduce visits to the school nurse for asthma attacks by 30% within 2 years.				Today: Finish writing SMART Objectives
ACTION PLAN				
Strategies	Actions	Target Date	Anticipated Product or Result	Lead Organization(s)
1. Ensure adequate data collection of asthma attacks coming to AHRO ED	Identify mechanism for AHRO to share asthma attacks data with key stakeholders	12/31/2024	Sharing of monthly asthma attacks data with public health. Then on a quarterly basis, public health shares via public facing dashboard on SCPH website	Sutter County Public Health; AHRO
2. Ensure adequate data collection of school nurse visits for asthma attacks	Identify mechanism for school districts to share school nurse visits related to asthma with public health	12/31/2024	Sharing of monthly school nurse visits for asthma data with public health. Then on a quarterly basis, public health shares via public facing dashboard on SCPH website	Sutter County Superintendent of Schools; Sutter County Public Health
3. Asthma action plan available to school nurses	Educate parents/caregivers to work with their child's medical provider on the asthma action plan Parents/caregivers provide the asthma action plan to schools at the beginning of each school year	12/31/2025	Percentage of students with known asthma with an asthma treatment plan on file at their school	Sutter County School District, FQHCs
4. Educate parents on how to use the asthma action plan to monitor their child's asthma, ensuring appropriate treatment management and avoidance of triggers	Secure grant funding and partners to implement "asthma triggers" assessment and education in >= 80% of homes of children with asthma.	11/30/2026	Percentage of homes reached by "asthma triggers" assessment.	FQHCs, Sutter County Home-Visiting Program/Sutter County Public Health

Last Time

Today: Discuss strategies and actions

REVIEW FROM LAST MEETING

Finalized overarching vision statements for the Sutter County Community Health Improvement Plan:

- Reduce the number of residents experiencing homelessness in Sutter County
- Increase effective prevention strategies for those who are at risk of homelessness
- Increase affordable housing options for Sutter County residents

OBJECTIVES

- **Objectives:**

- Measurable statement of the specific desired change/end state
- Describe the steps that will take place in order to achieve the change(s) described in the goal/overarching vision
- Are **SMART**:

Example: By January 31, 2024, increase adult physical activity in Sutter County by 10%

Example: Increase walking paths in Sutter County by 5 miles within 3 years

SMART OBJECTIVE EXAMPLES

- **Priority:** Addressing homelessness
- **Overarching vision statement:** Reduce the number of residents experiencing homelessness in Sutter County.

Example SMART Objective:

- **By December 31st, 2025, increase emergency shelter bed capacity in Sutter County by 20%**

ACTIVITY: DEVELOPING OBJECTIVES

- **Breakout groups:**

- With your group, please review your overarching vision statement and the information provided on health priority vision board
- Review common themes identified in the SWOT analysis from last workgroup meeting and/or focus on what stands out as something the CHIP can support. Remember, all of them are important but what can we do together that will make the largest and achievable impact in this priority area in the next 3-5 years?
- Develop **1-3 SMART objectives** with your group
- Present objectives to the larger group

DEVELOPING STRATEGIES AND ACTIONS

- **Strategies:**

- General approach or collection of actions to achieve a desired goal or overarching vision
- Provides a clear roadmap: smaller steps along the way to achieving an objective
 - Example: **Ensure connection between providers and target populations**

- **Actions:**

- Specific programmatic, policy or other action that implements or "operationalizes" the strategy
 - Example: **Maintain and review Homeless, Management, Information System (HMIS) to track, assess, and improve responsiveness to connection to services**

ACTIVITY: DEVELOPING STRATEGIES AND ACTIONS

- **Breakout groups:**
 - With your group review your SMART objectives
 - Considering local strategies to address homelessness and what your organization is already doing:
 - Develop 1-3 strategies for each objective
 - Develop 1-3 actions for each strategy

NEXT STEPS

- Workgroups will meet to tackle the next steps of the community health improvement process.
 - Determining Lead Entities and CHIP Timeline: March, 22, 2023 12:00 – 1:00 pm via zoom
 - Questions? Please reach out to the Sutter County Public Health Accreditation team at PHAccreditation@co.sutter.ca.us

THANK YOU
